Transition units

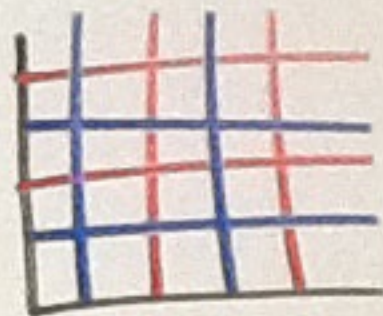

MVC

16 x 16 grid

©

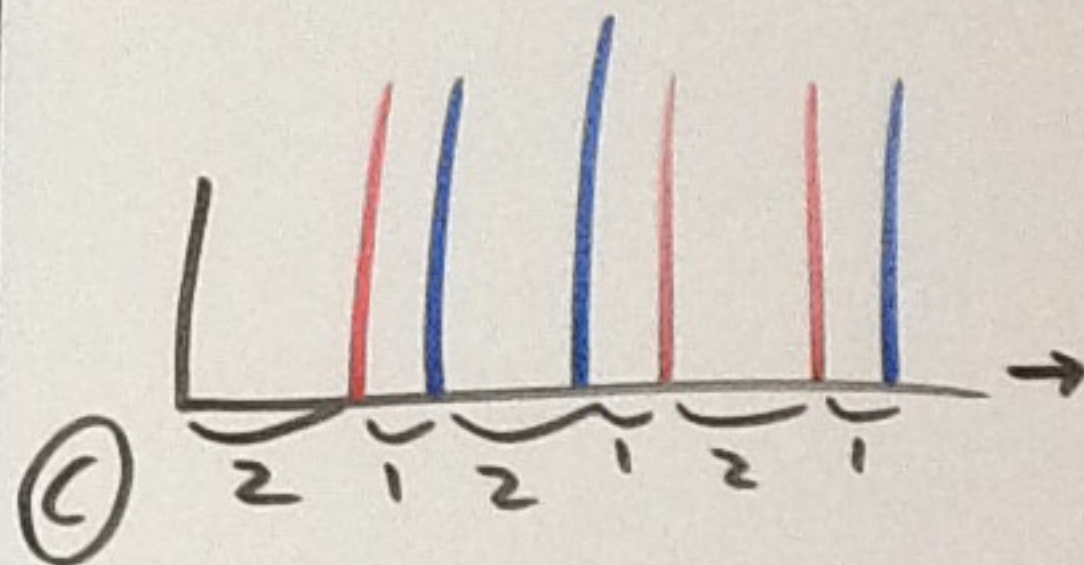

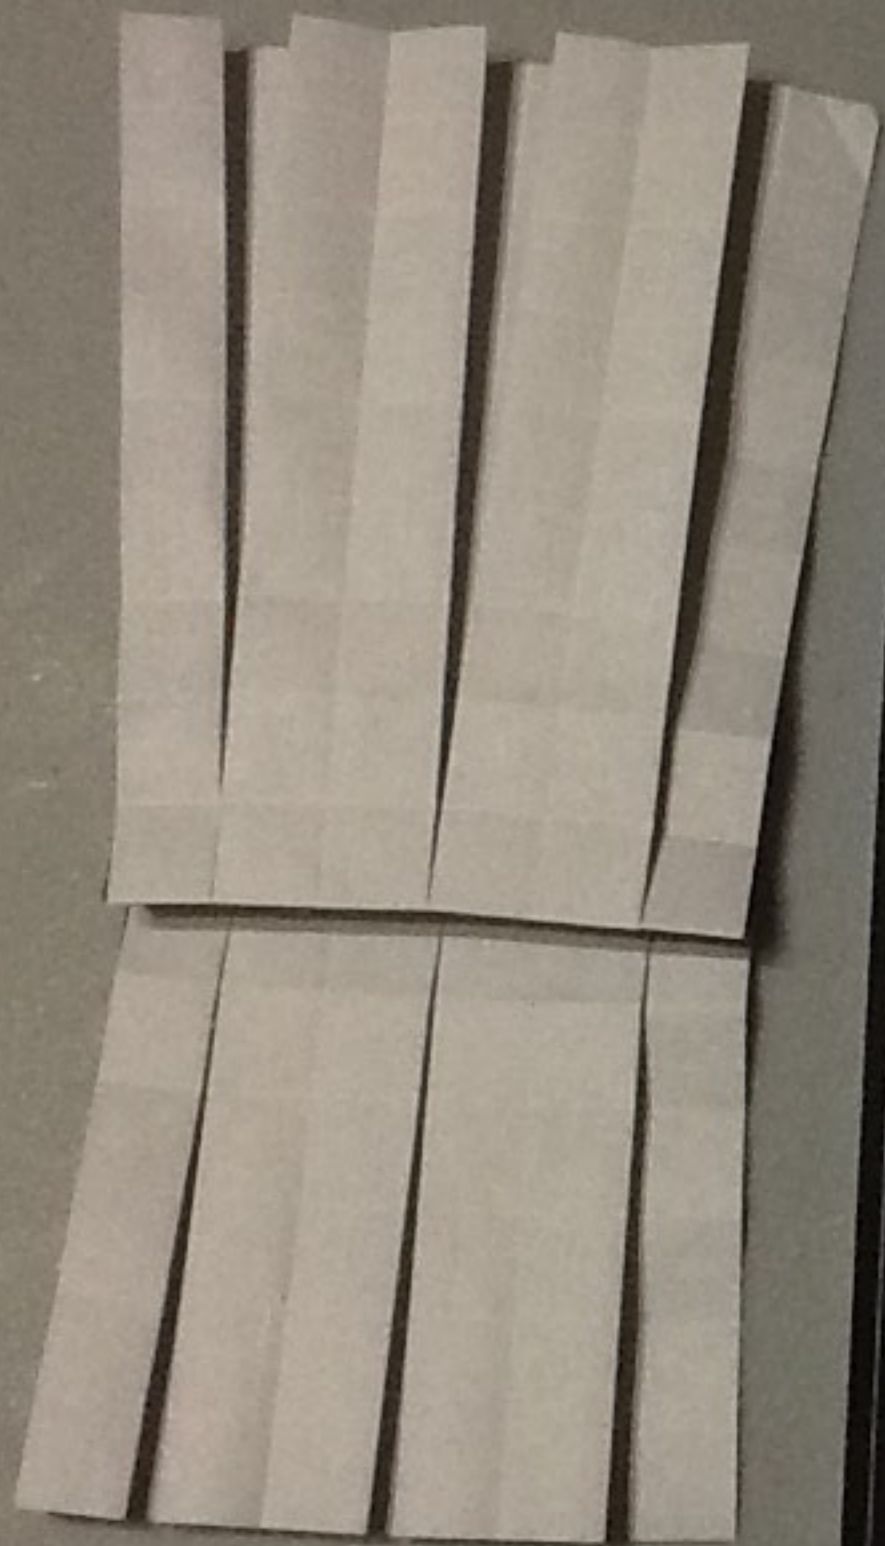

MVC

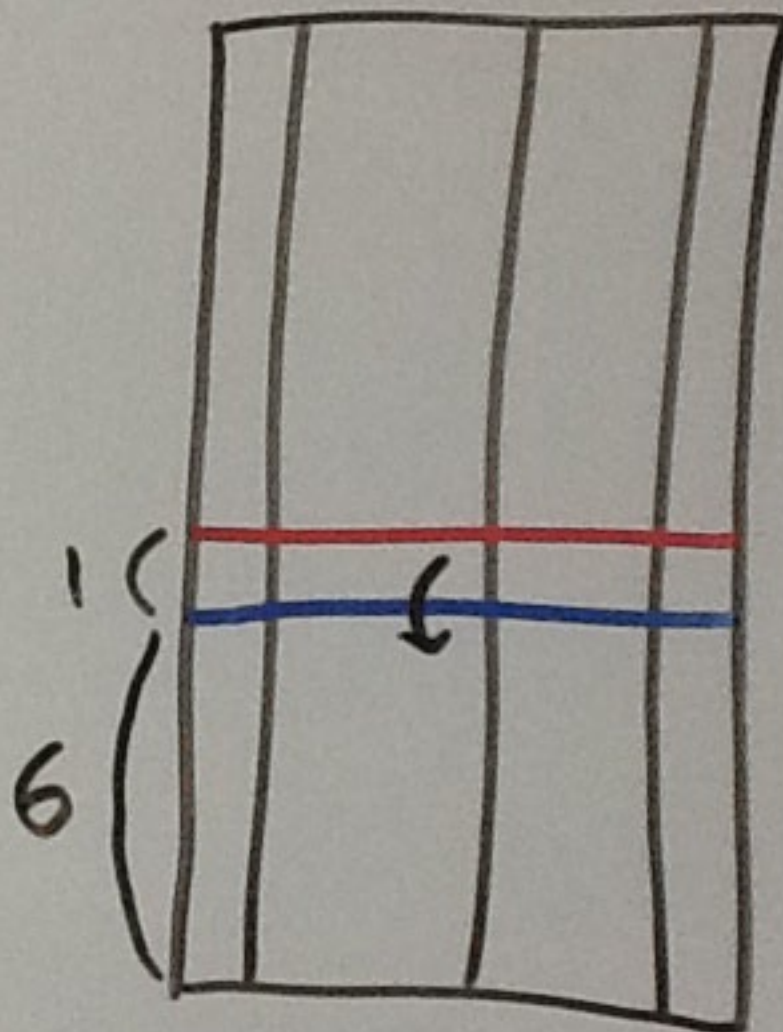

make blocks

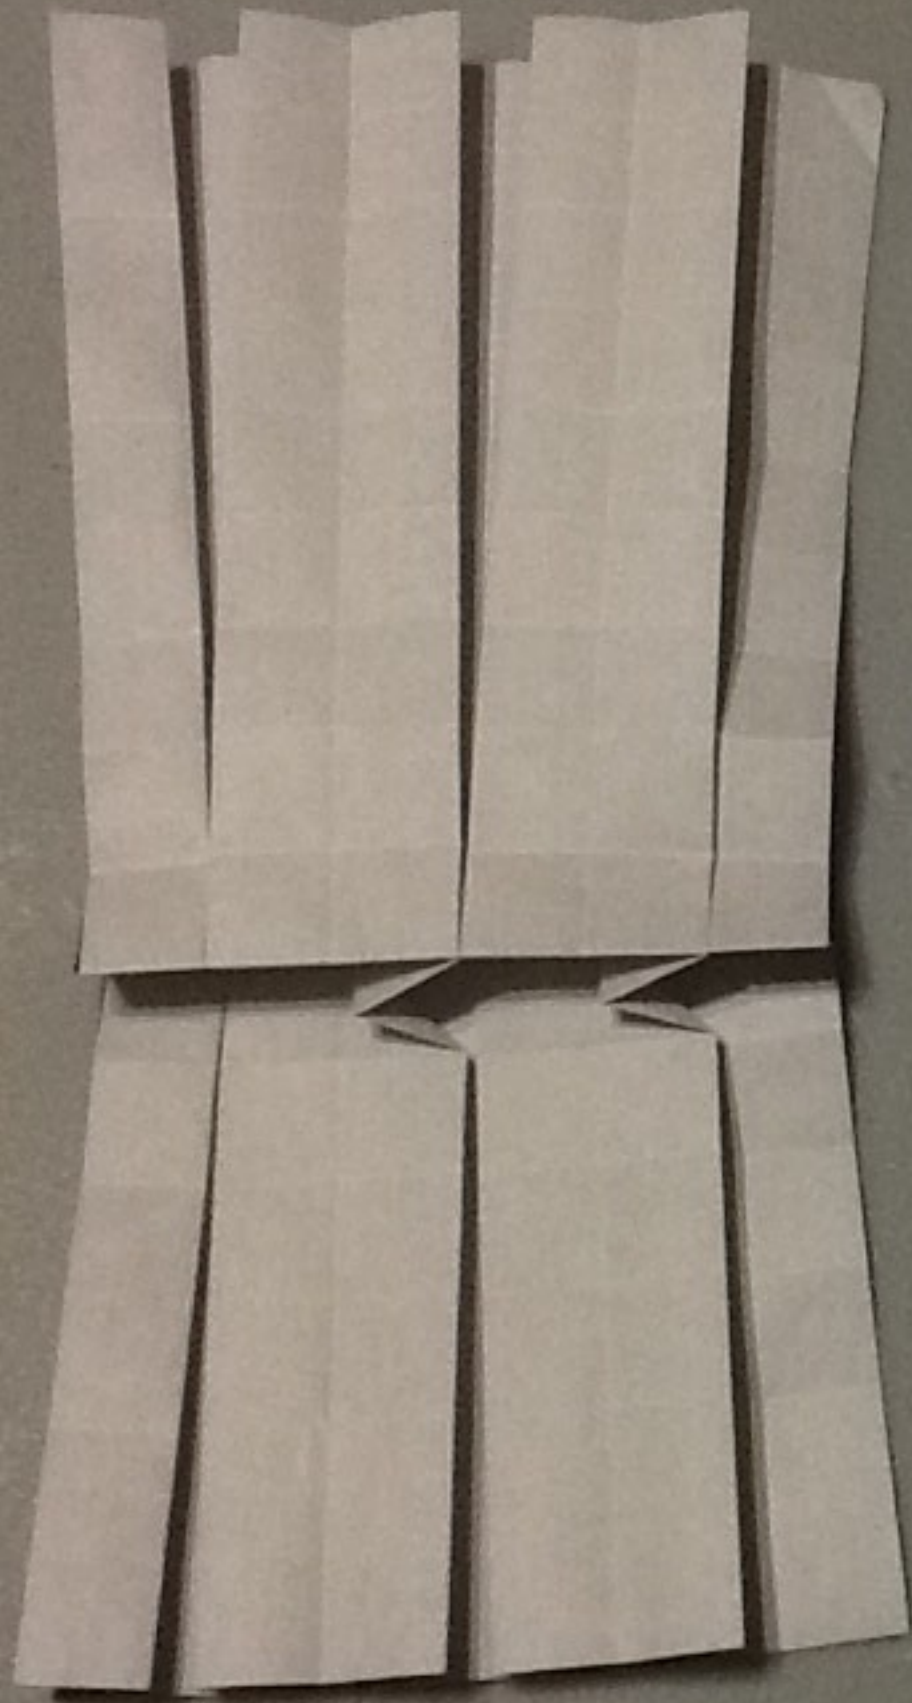

MVC

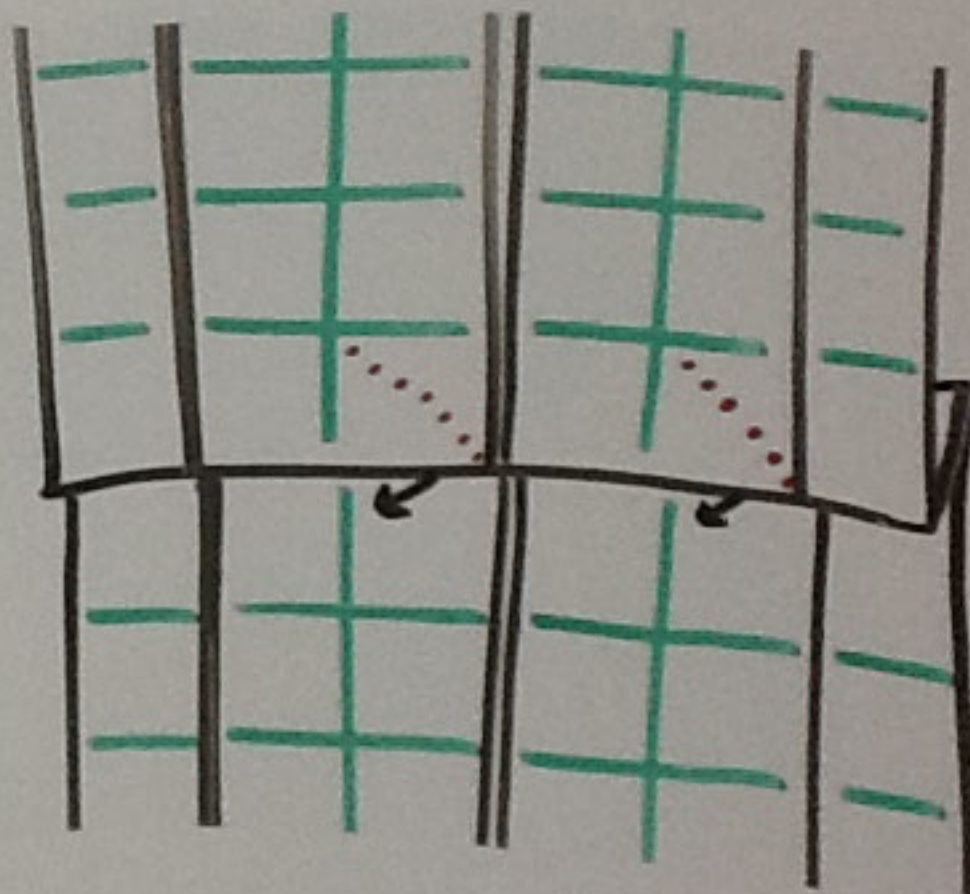

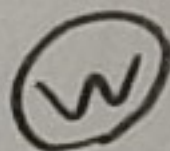

③

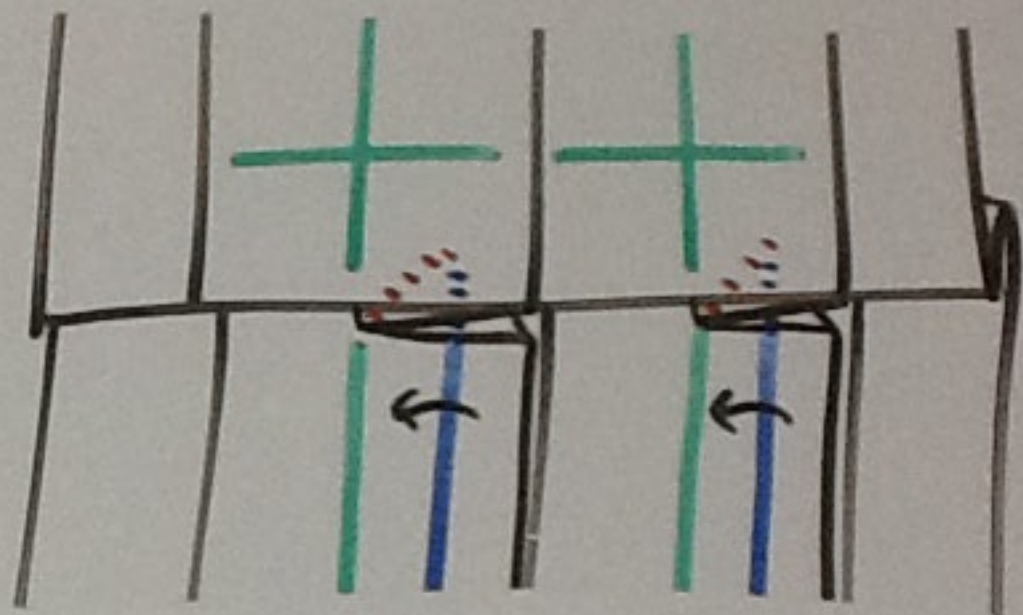

MVC

Two reverse folds  
underneath the pleat

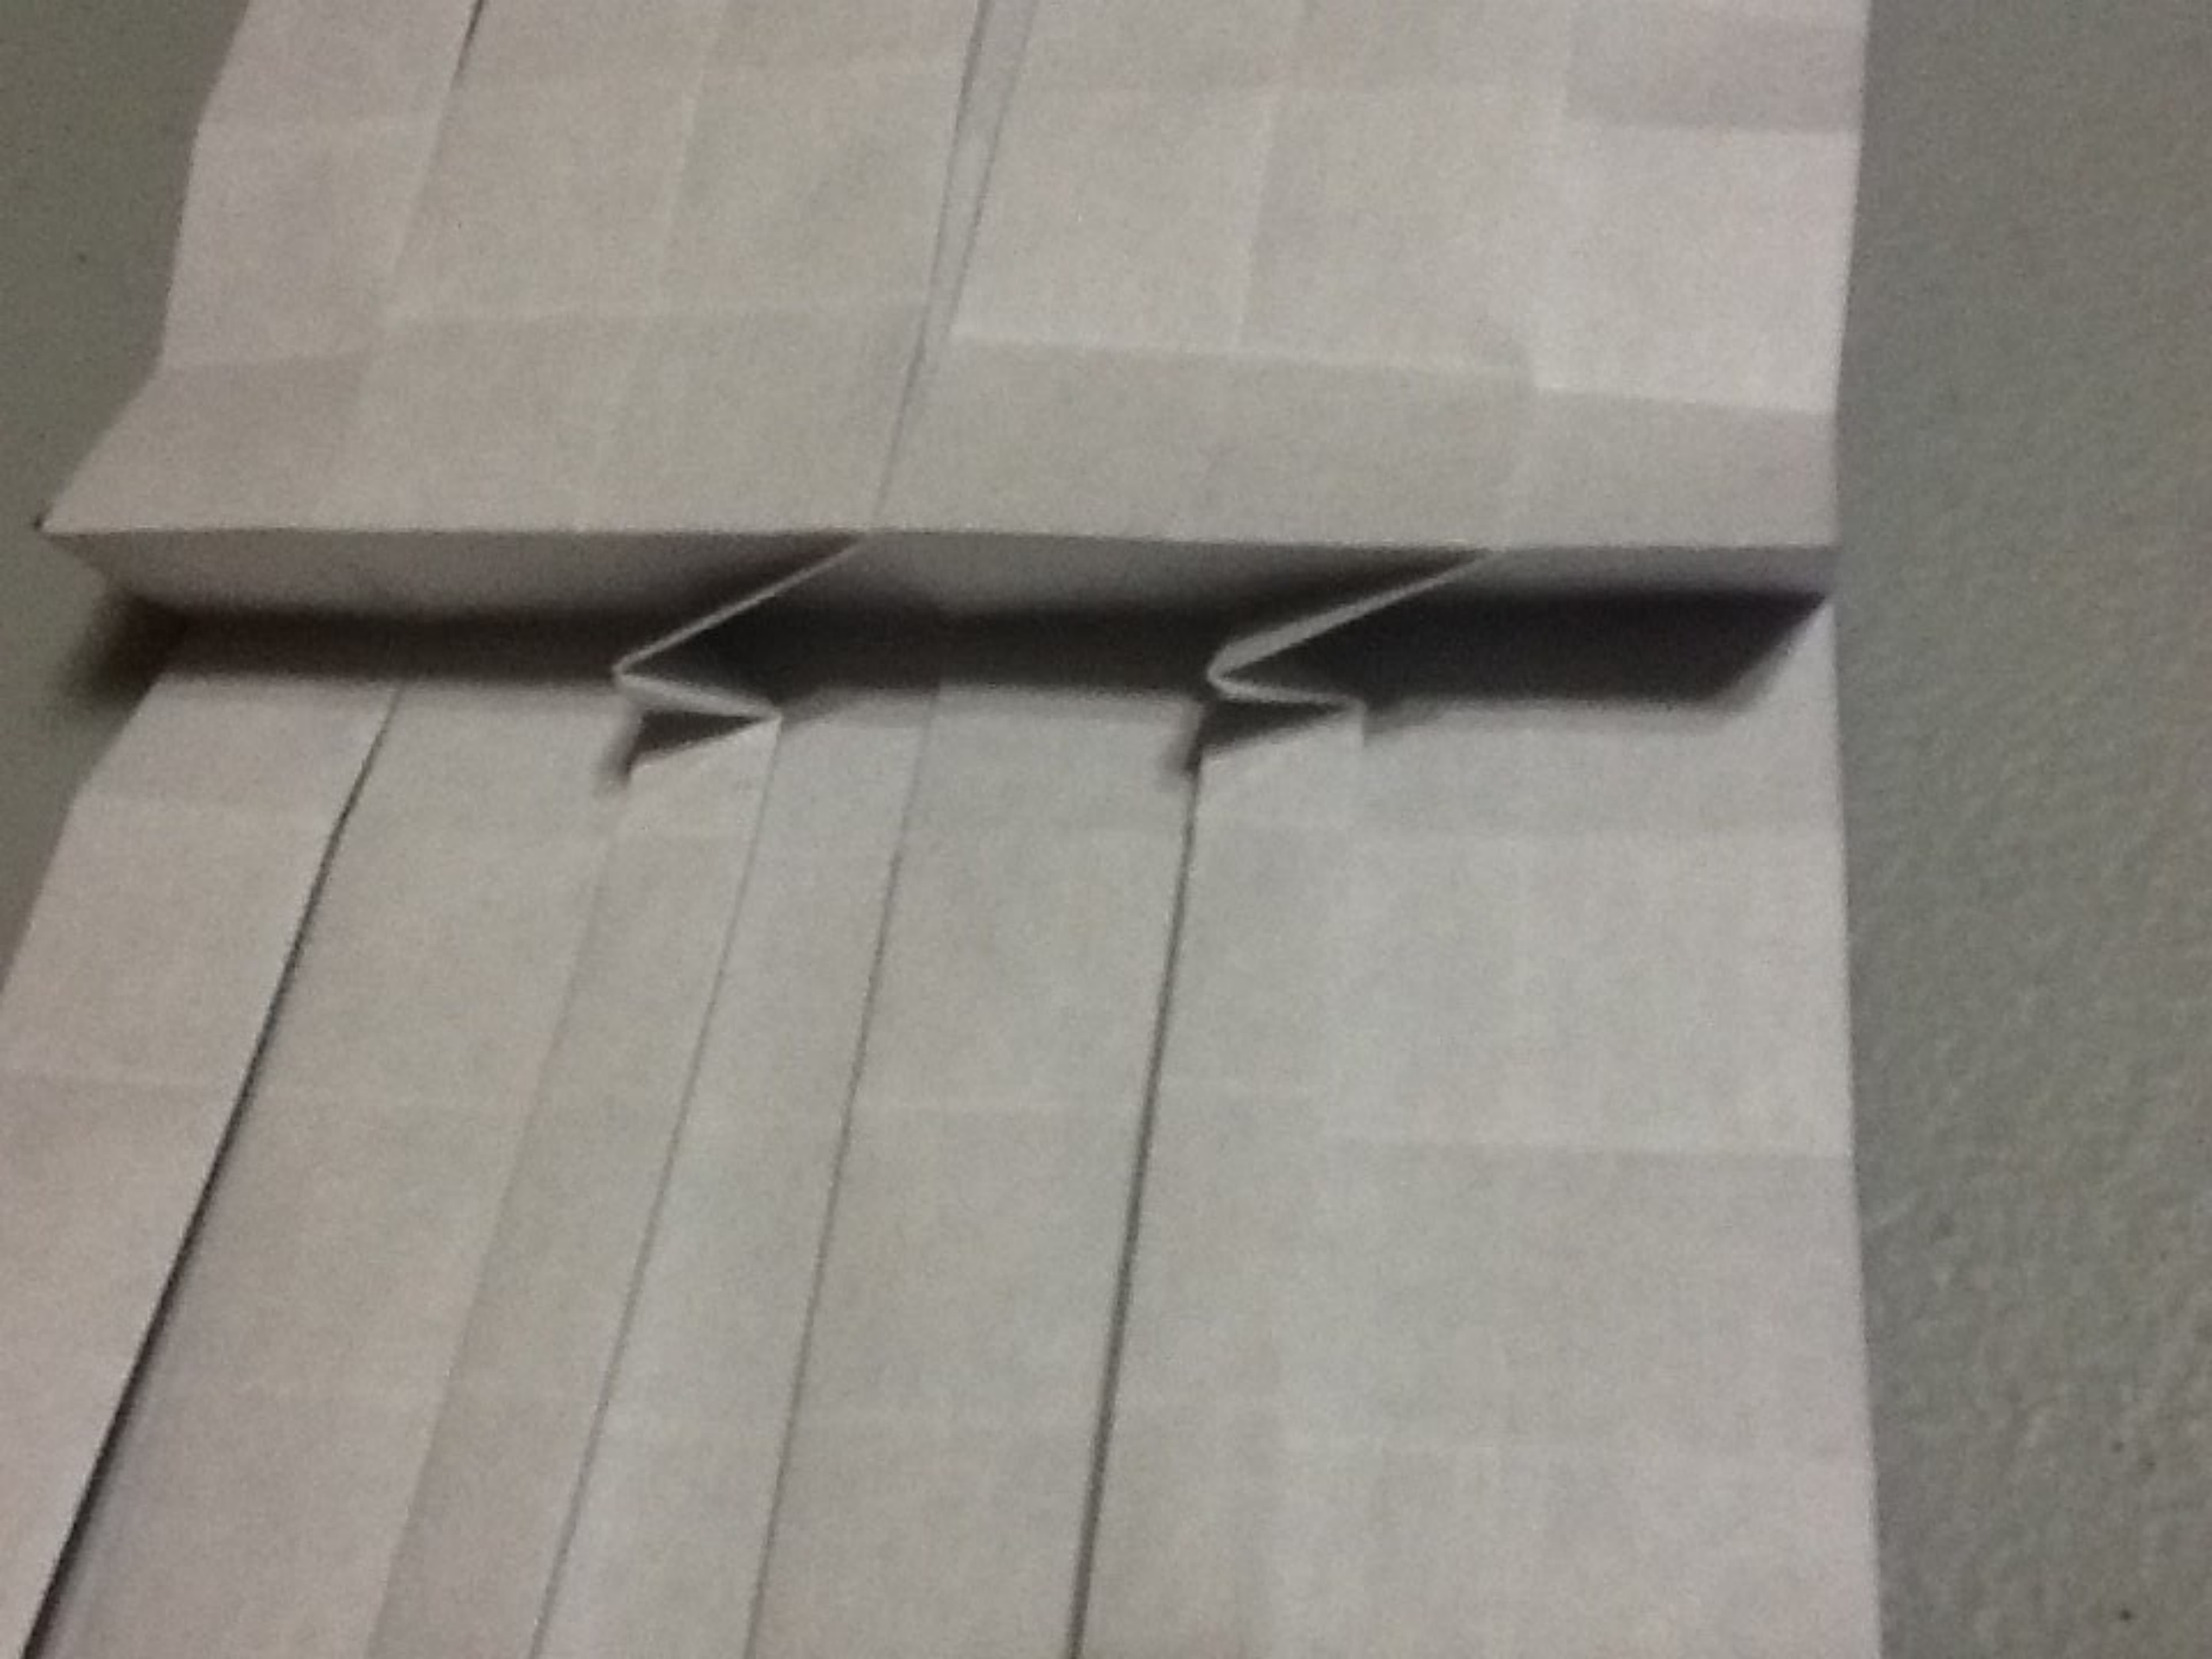

MVC

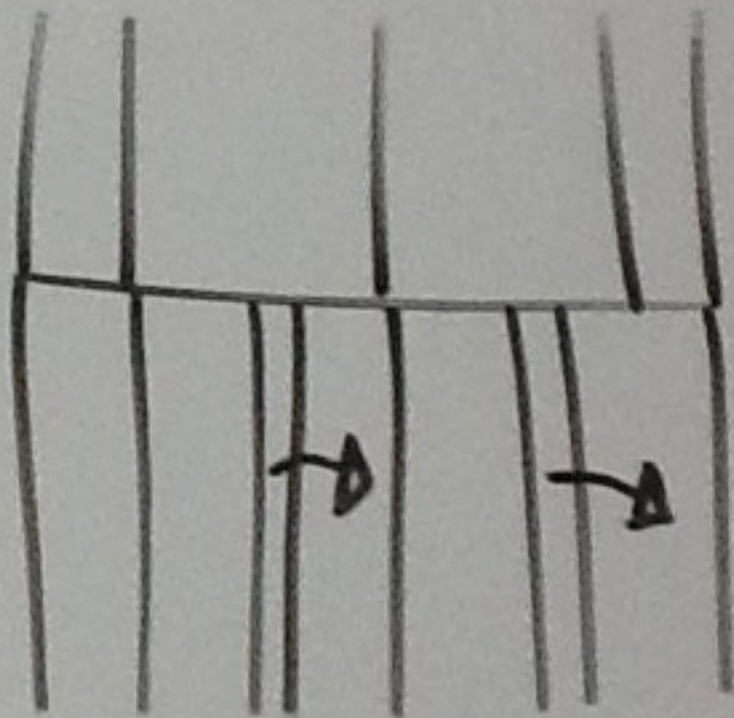

②

Two swivels

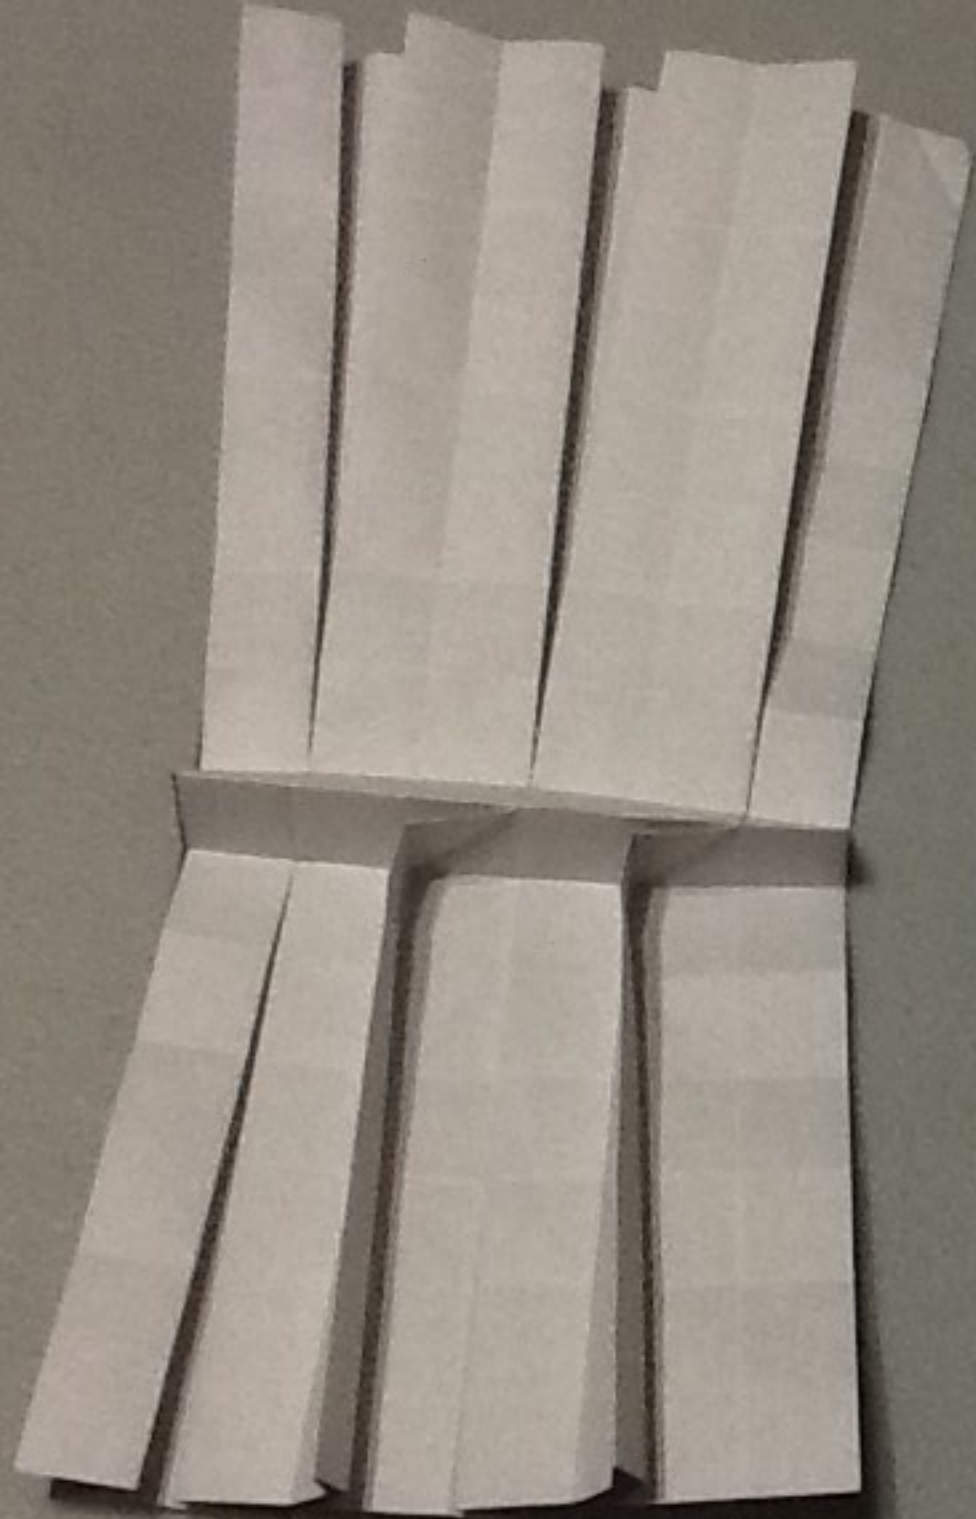

③

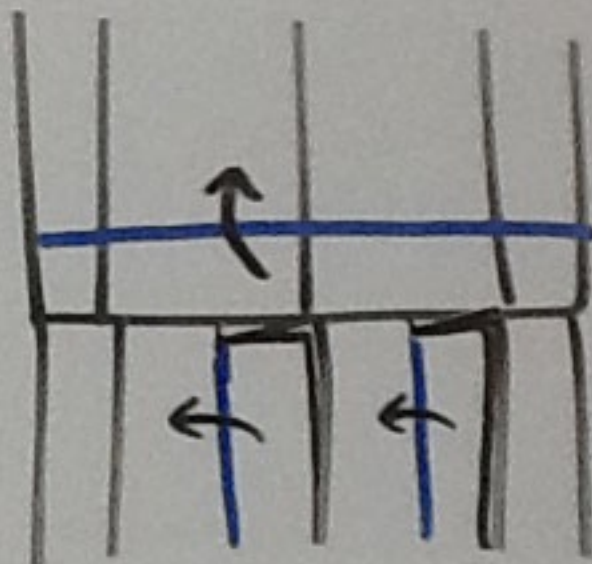

Undo swivels

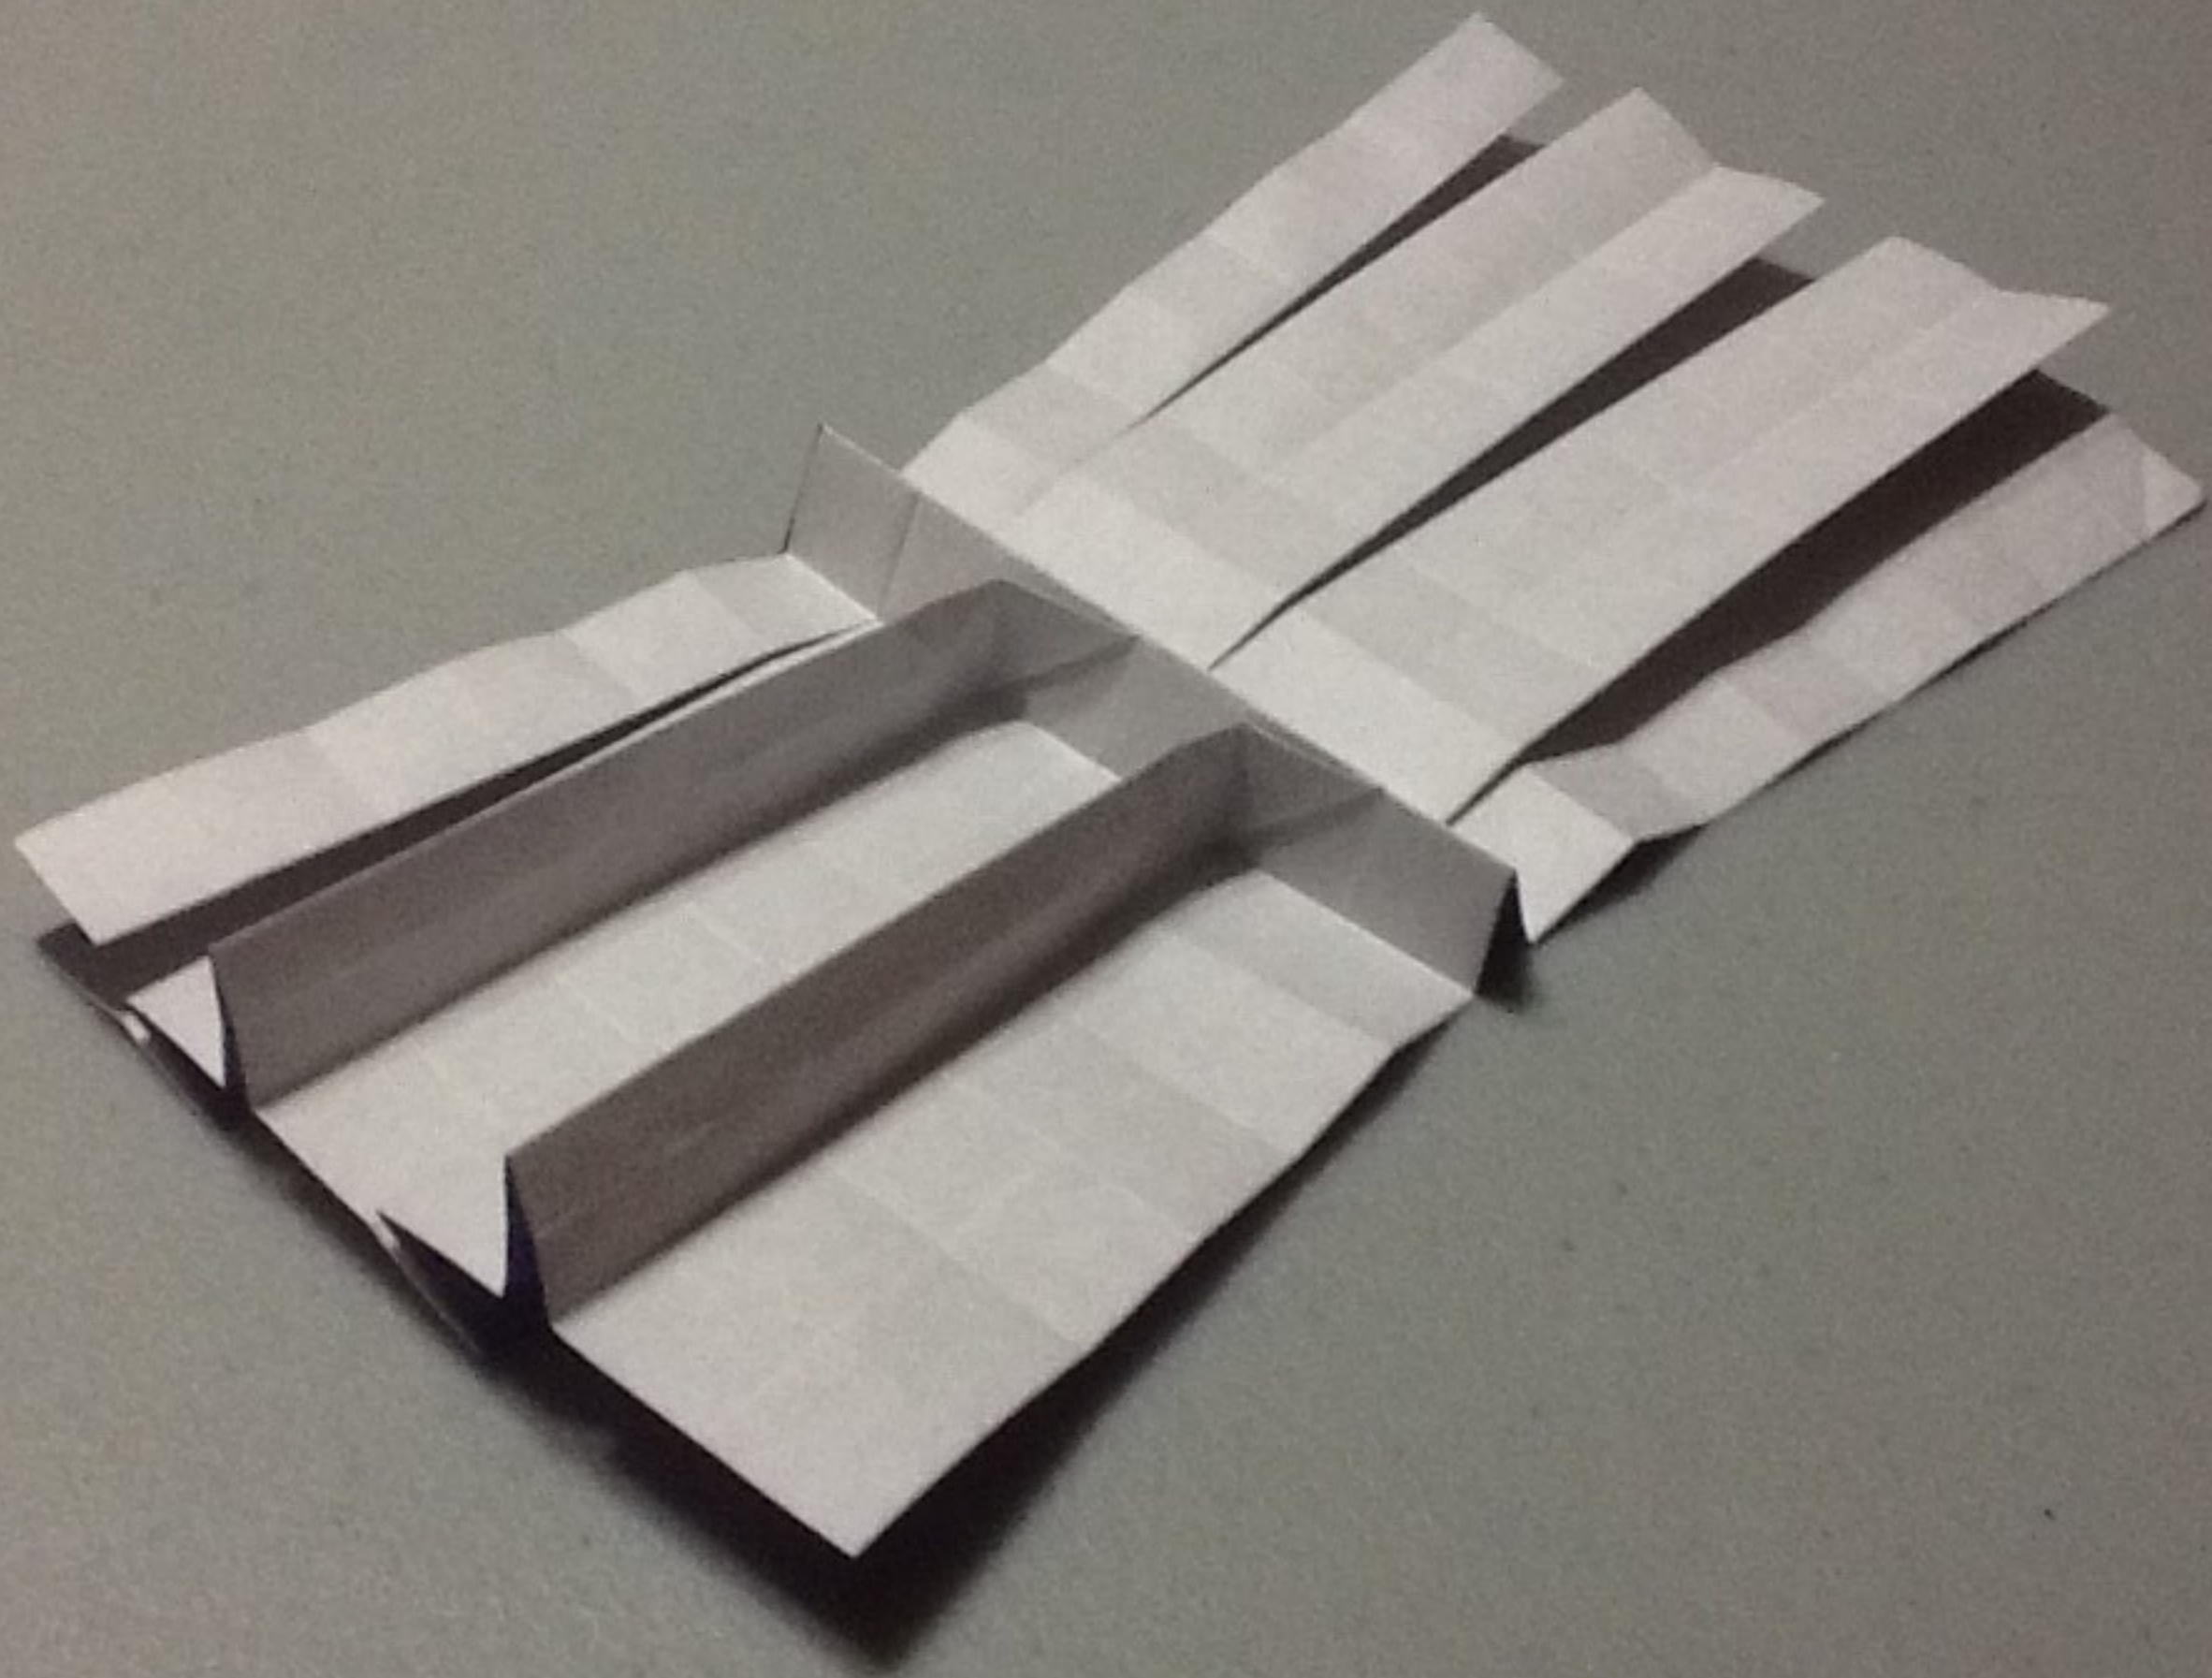

MVC

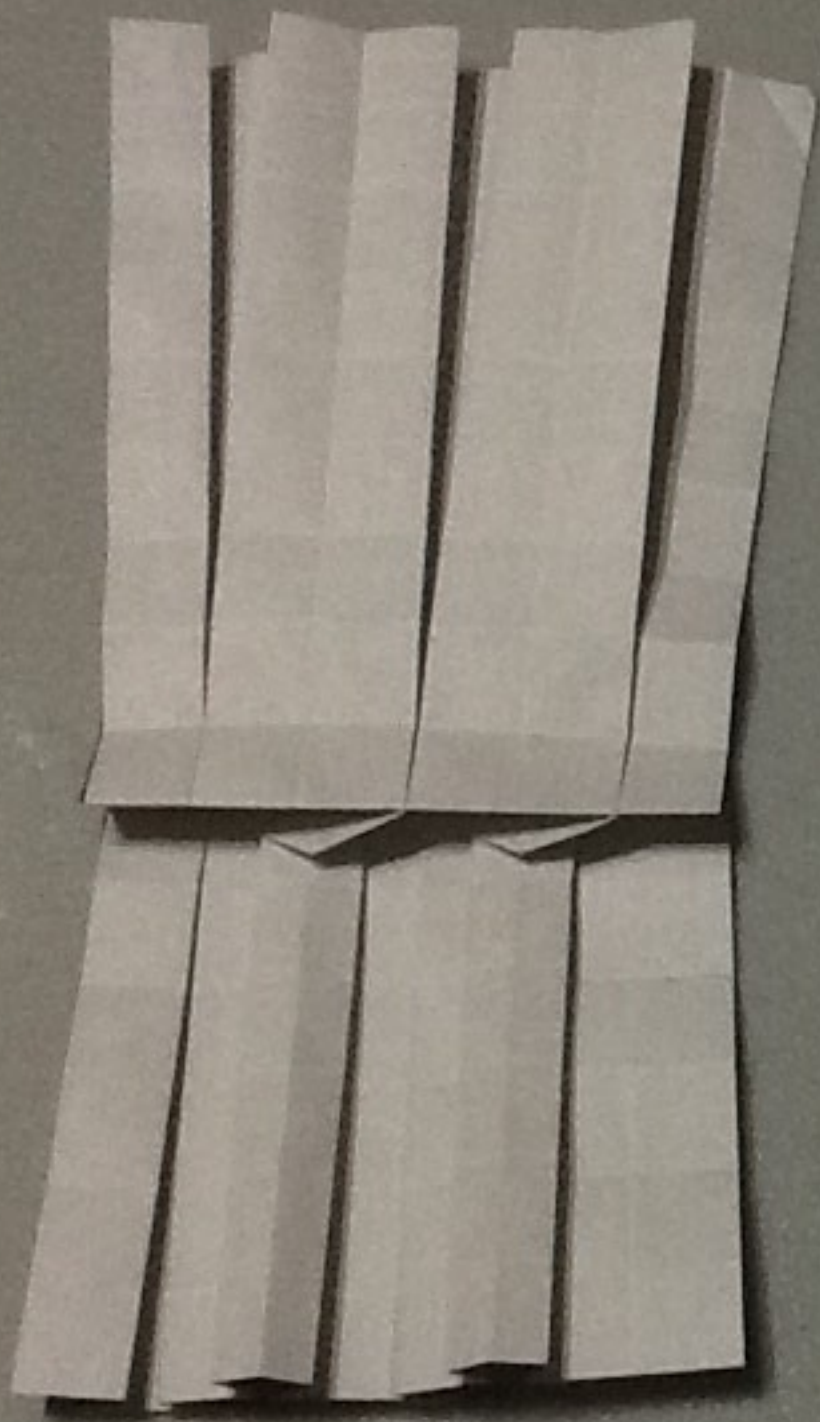

③

Fold up halfway so the  
pleats stand up  $90^\circ$

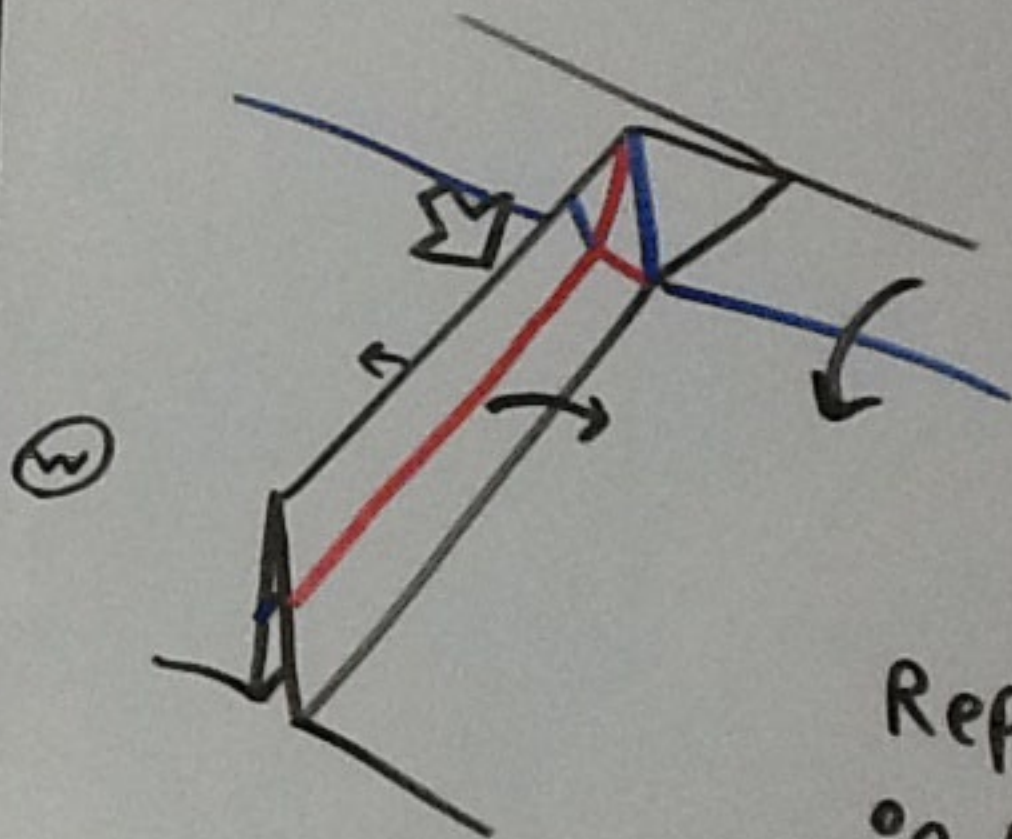

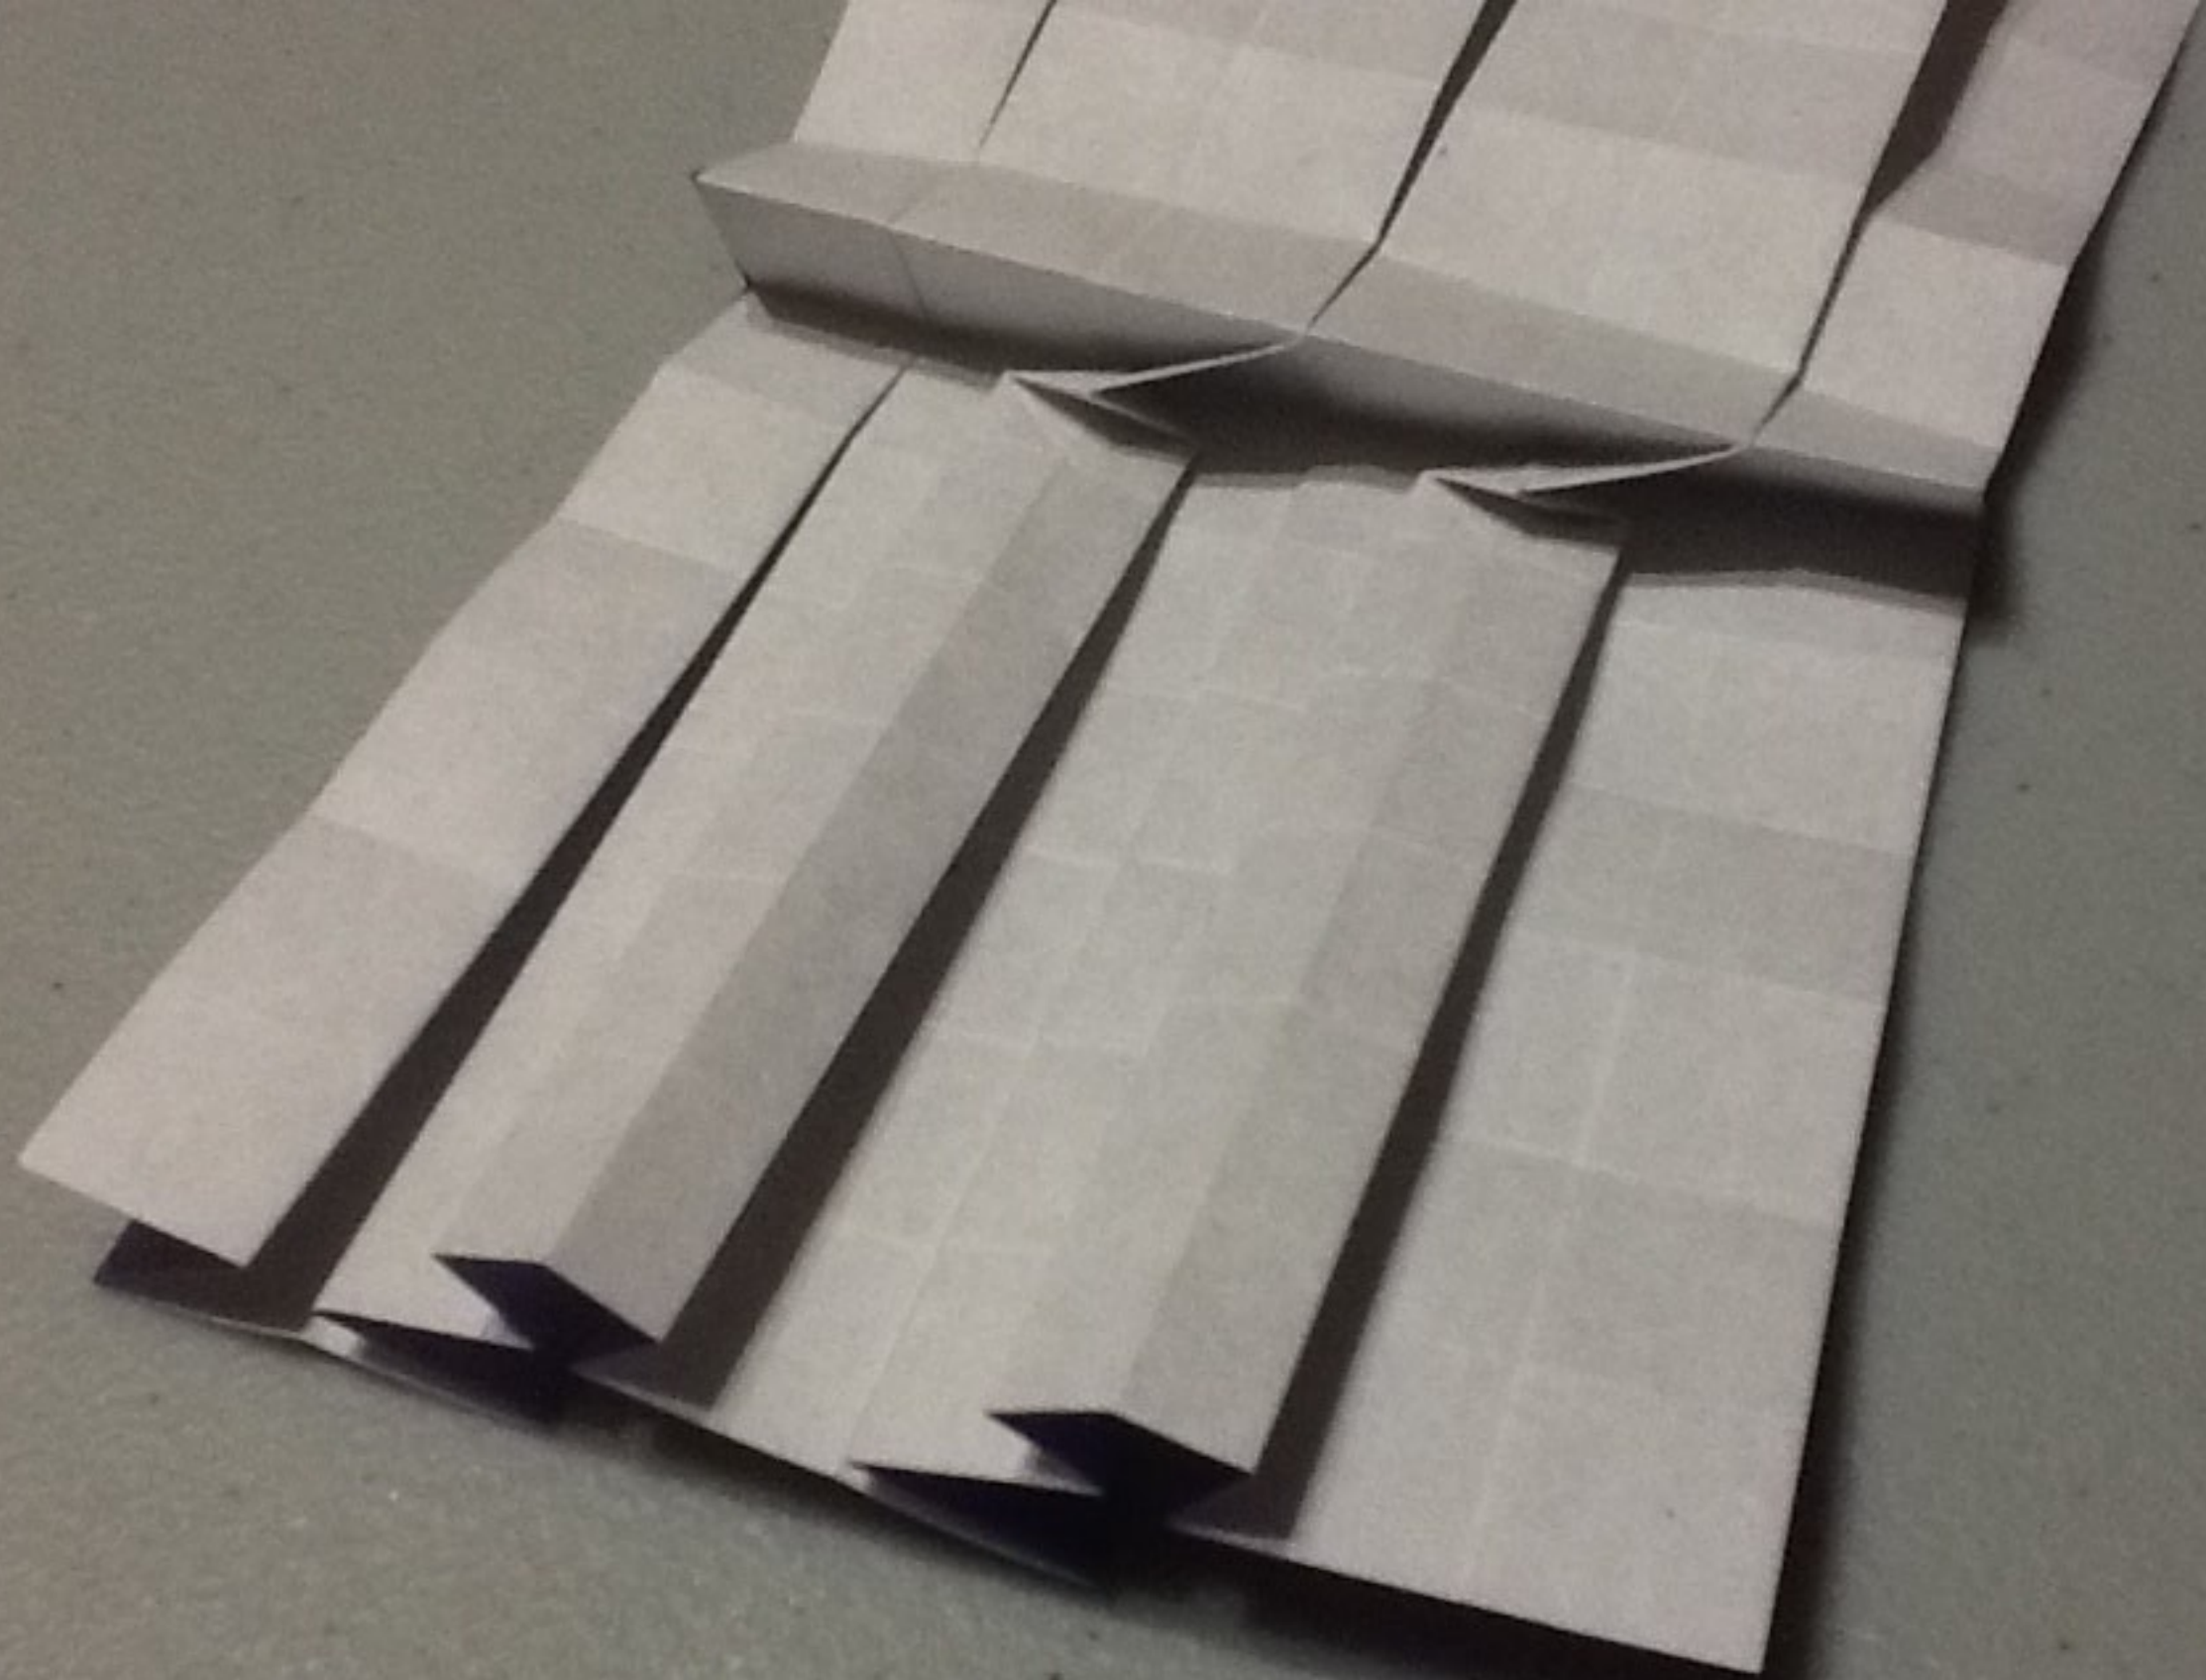

MVC

Squash pleat down using  
creases from the swivel.

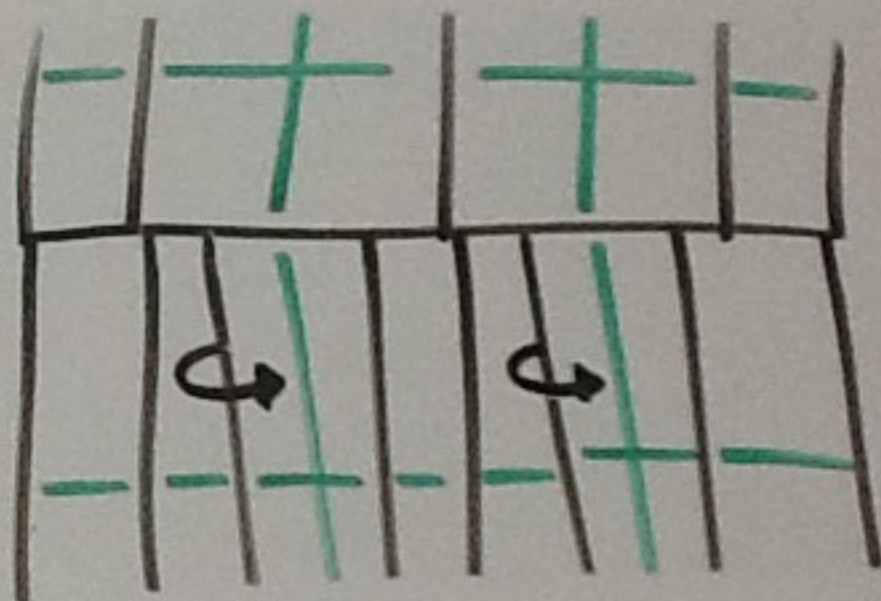

Repeat  
on other  
pleat →

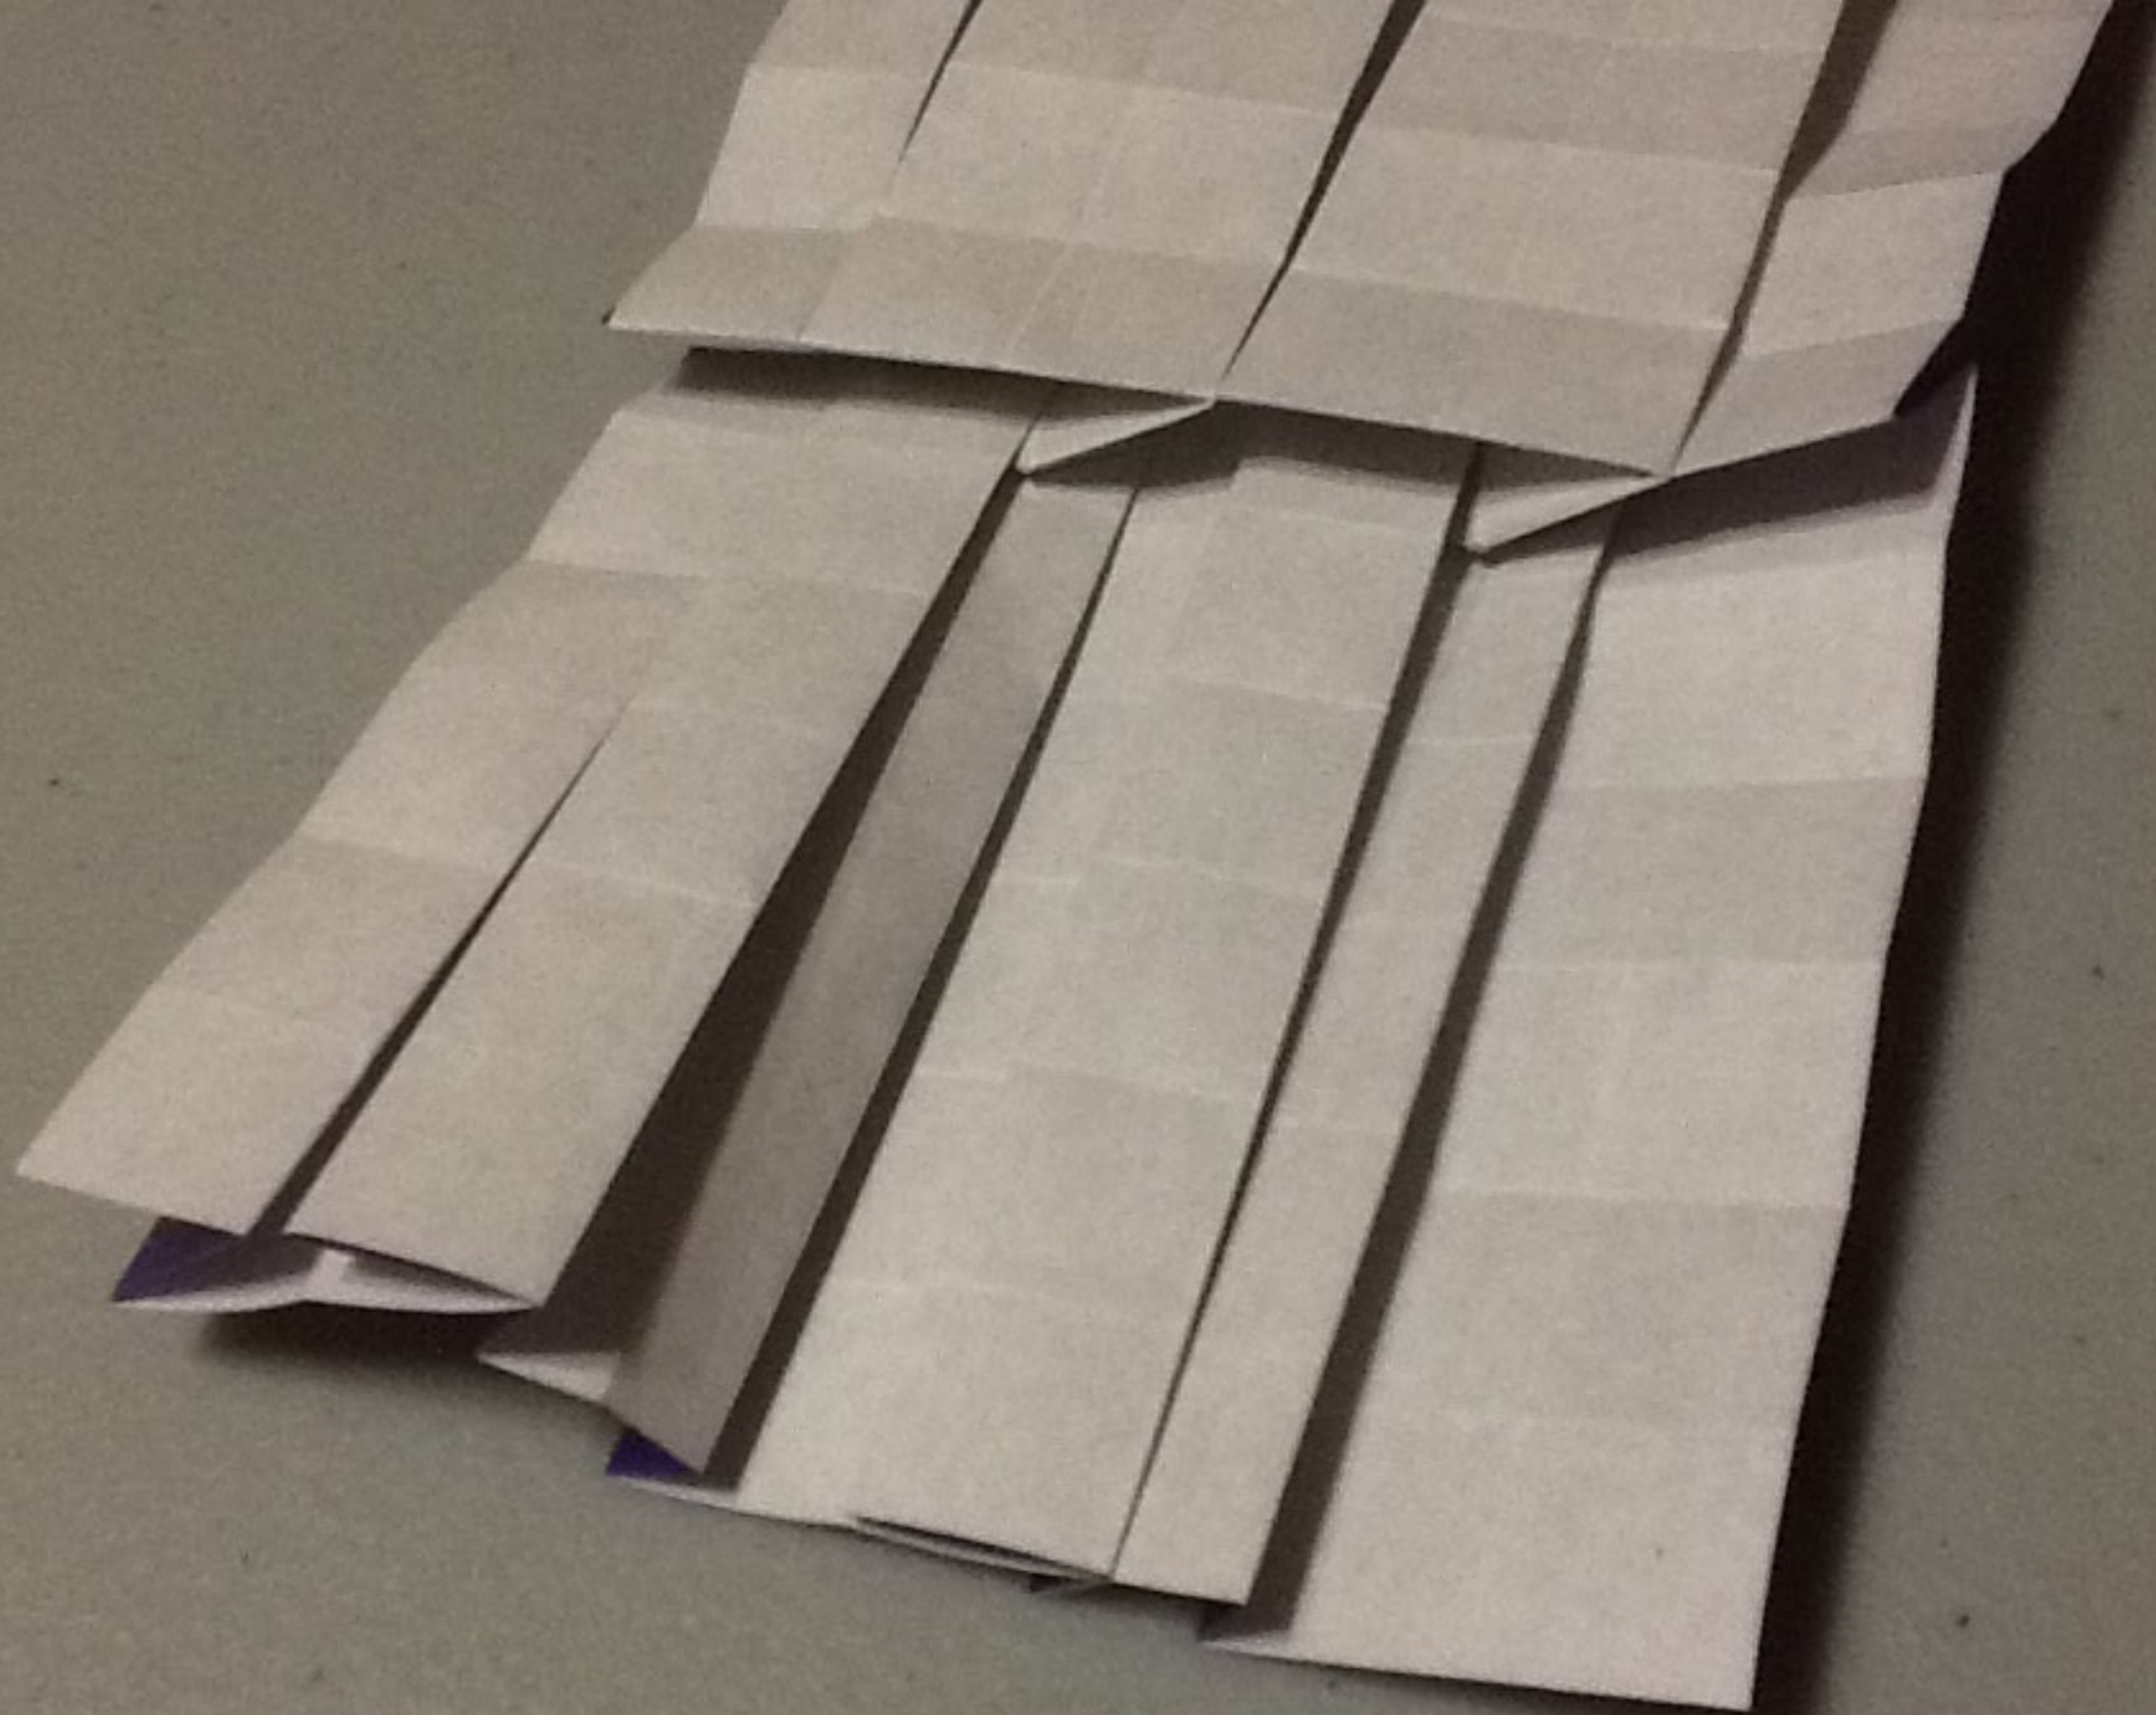

MVC

Wrap around the layer  
From behind the left  
side of the squashed pleats

③

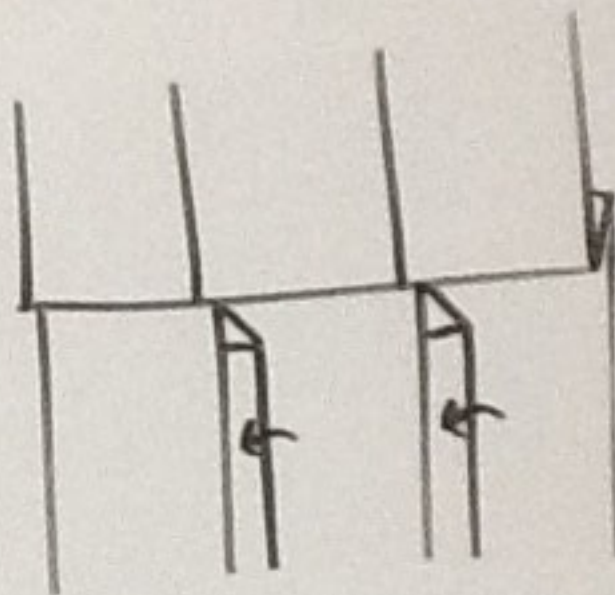

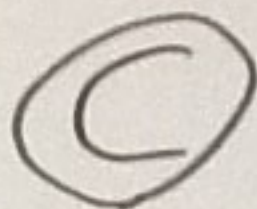

MVC

Put the big pleat in  
front of the small one  
(no new creases)

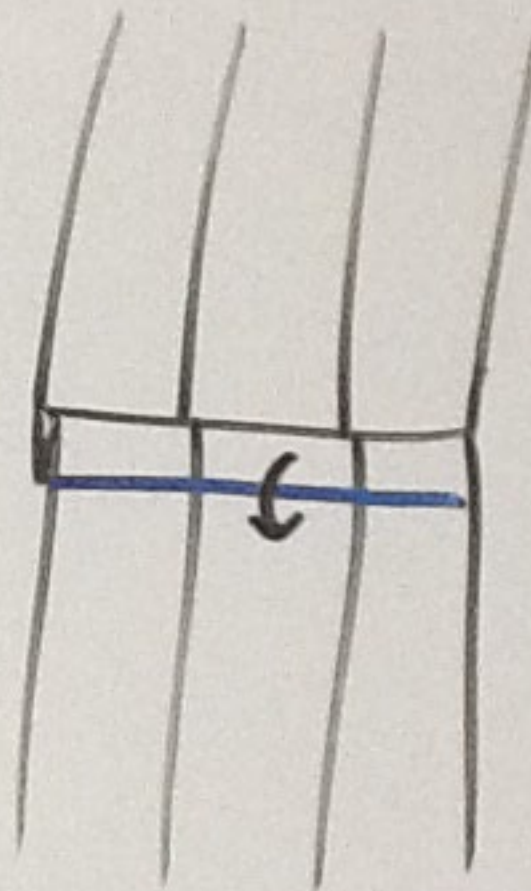

MVC

③

Fold  
pleat  
down  
1 unit

Quire

MVC

Three swivels

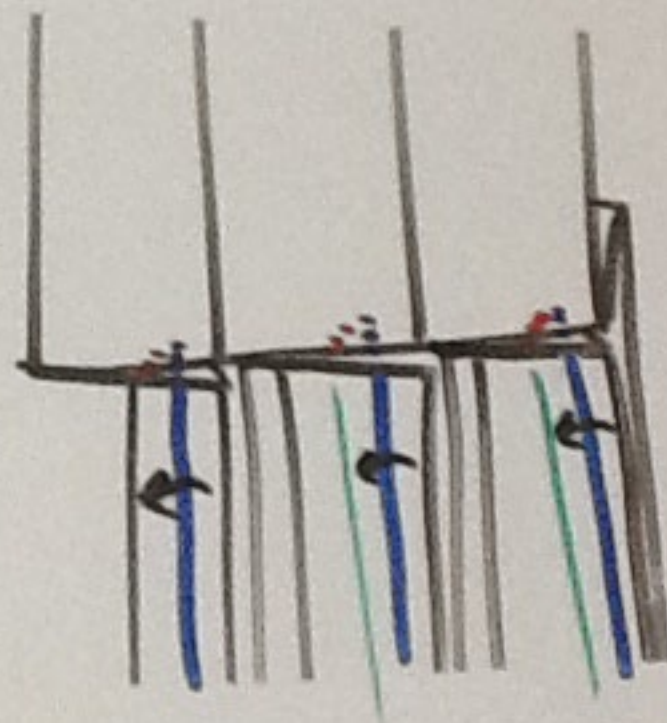

MVC

Three smaller  
swivels

(C)

Repeat like the  
white side.

- Undo small swivels
- Open  $90^\circ$
- Squash pleats
- Layer wrap left side

MVC

No  
work  
needed

work these  
two

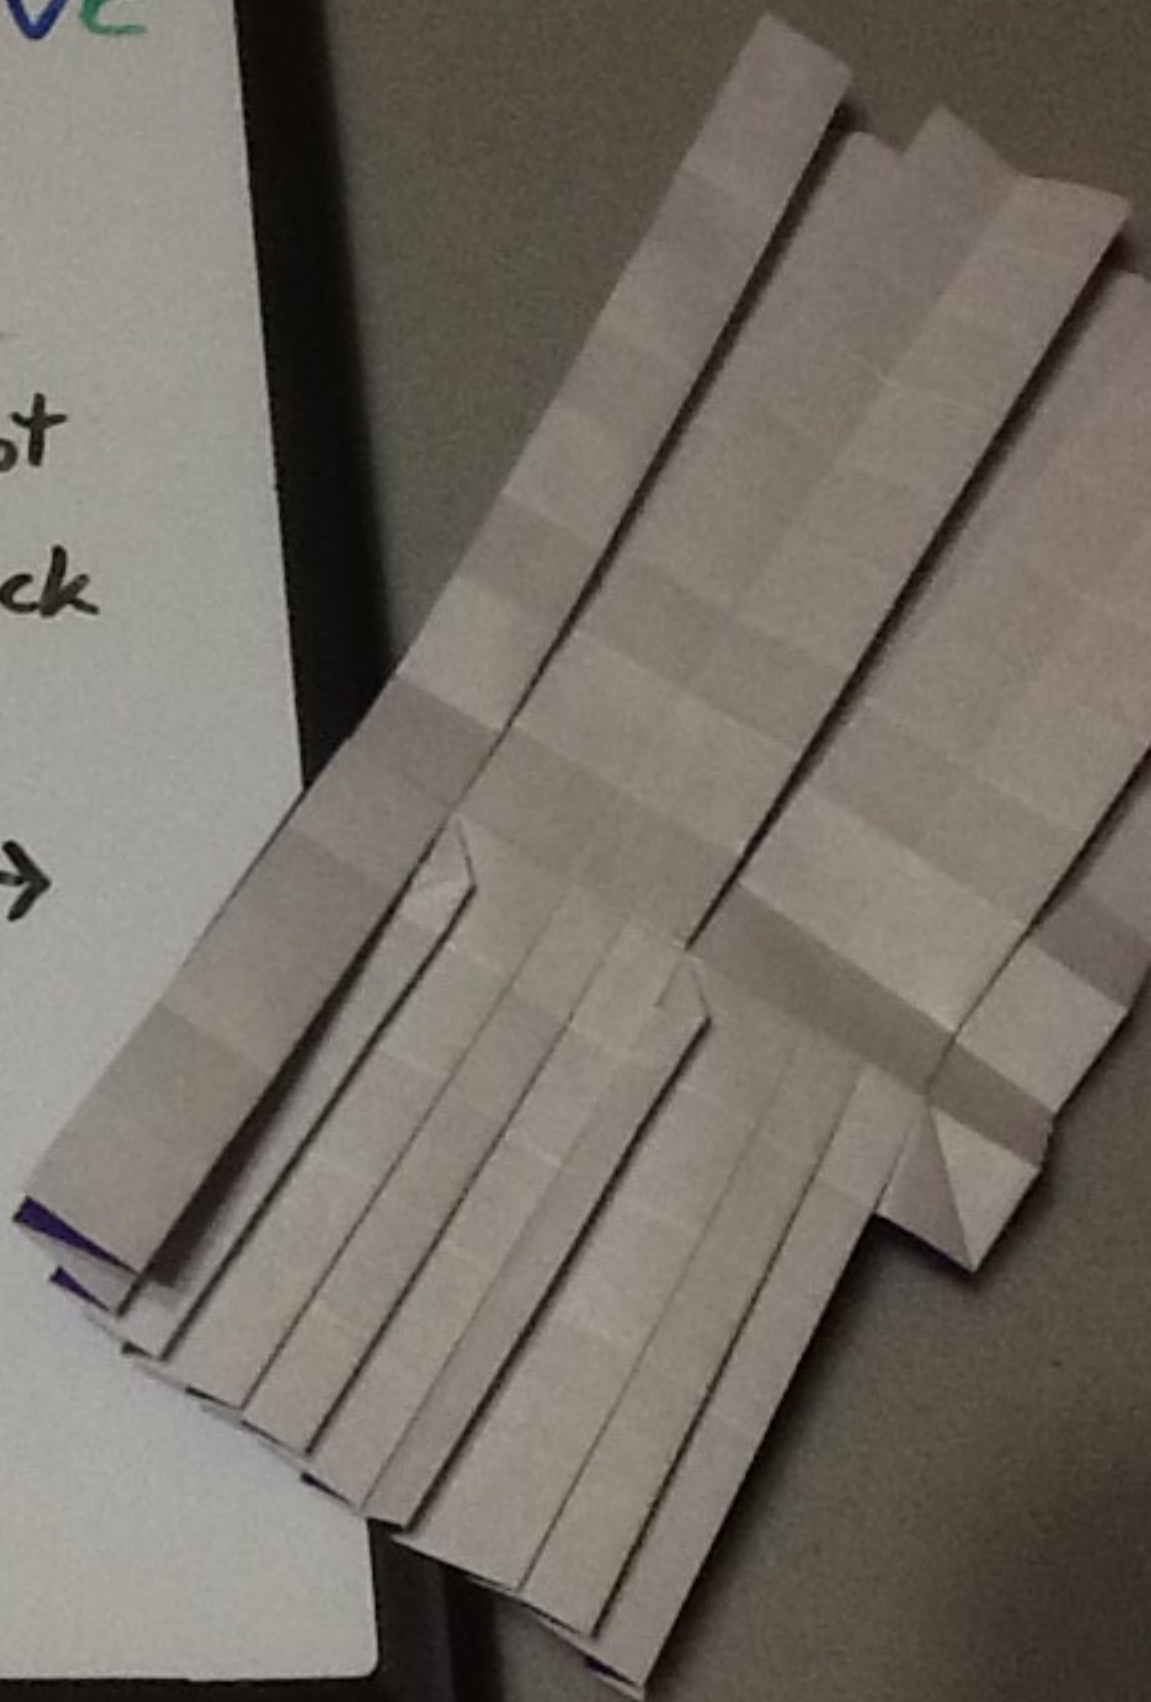

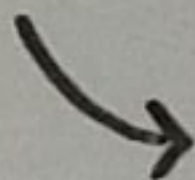

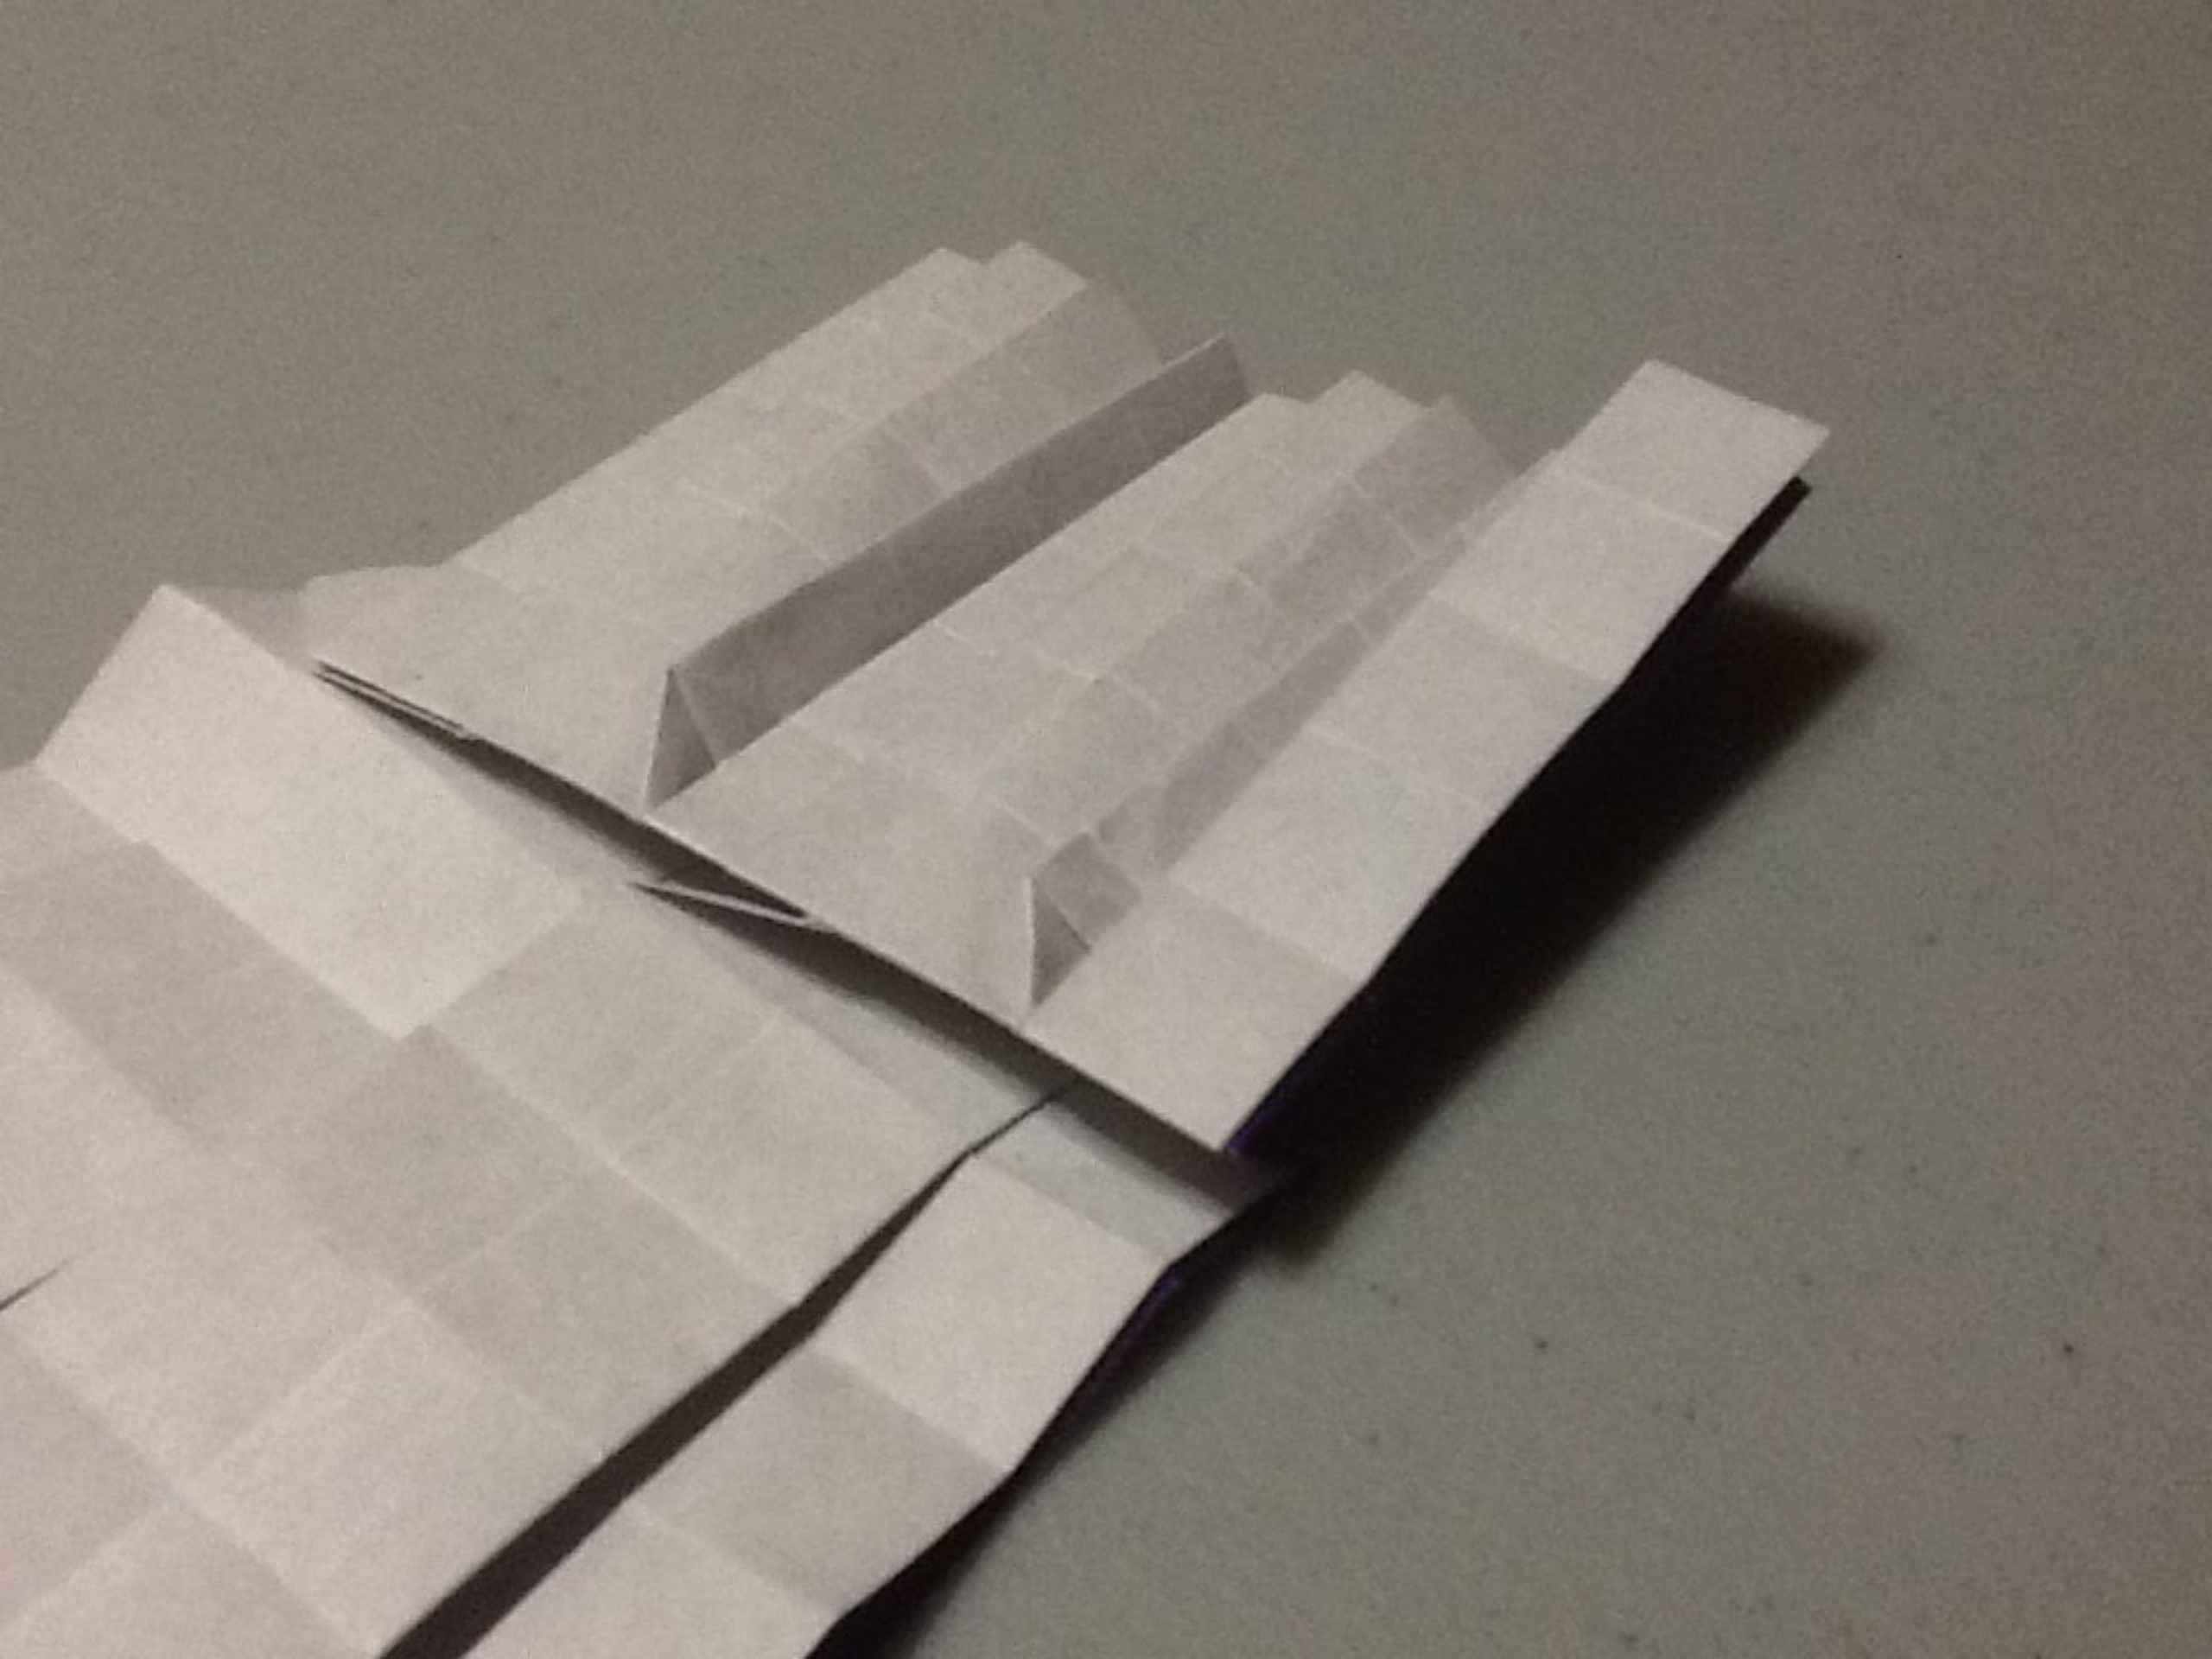

MVC

End of Lesson 2.

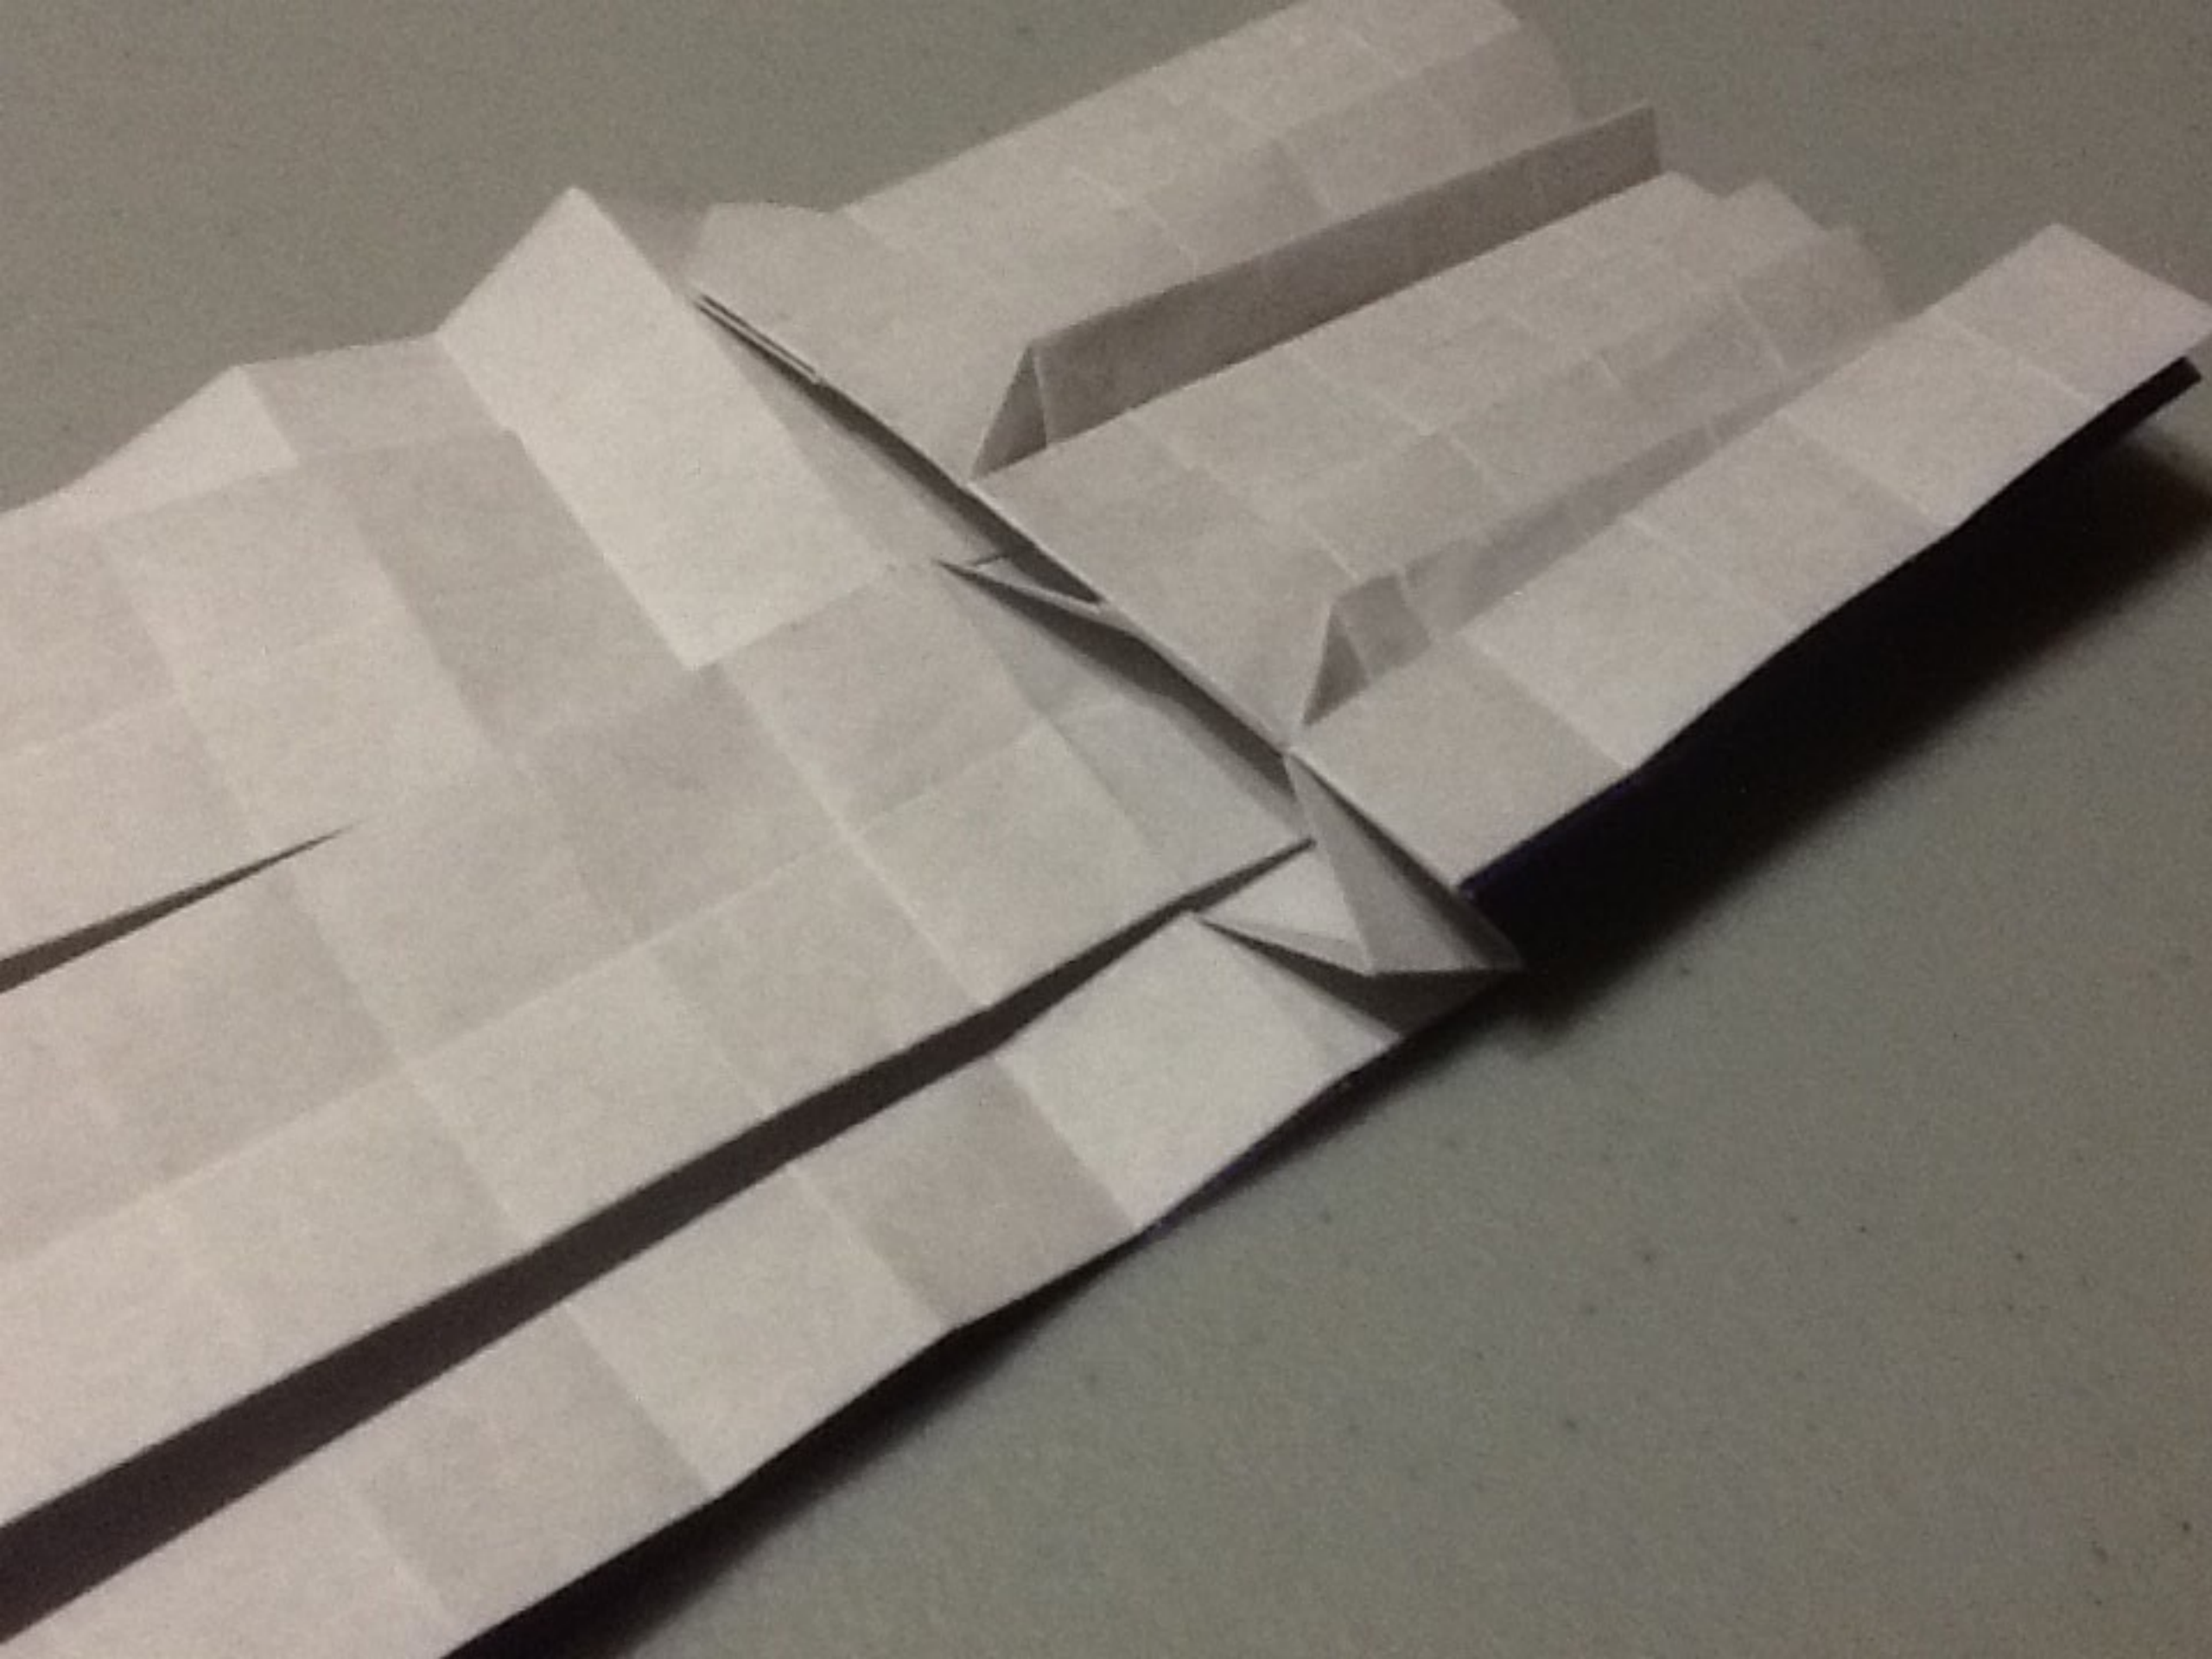

Extra credit- I forgot  
the far left half-block  
on the white side.

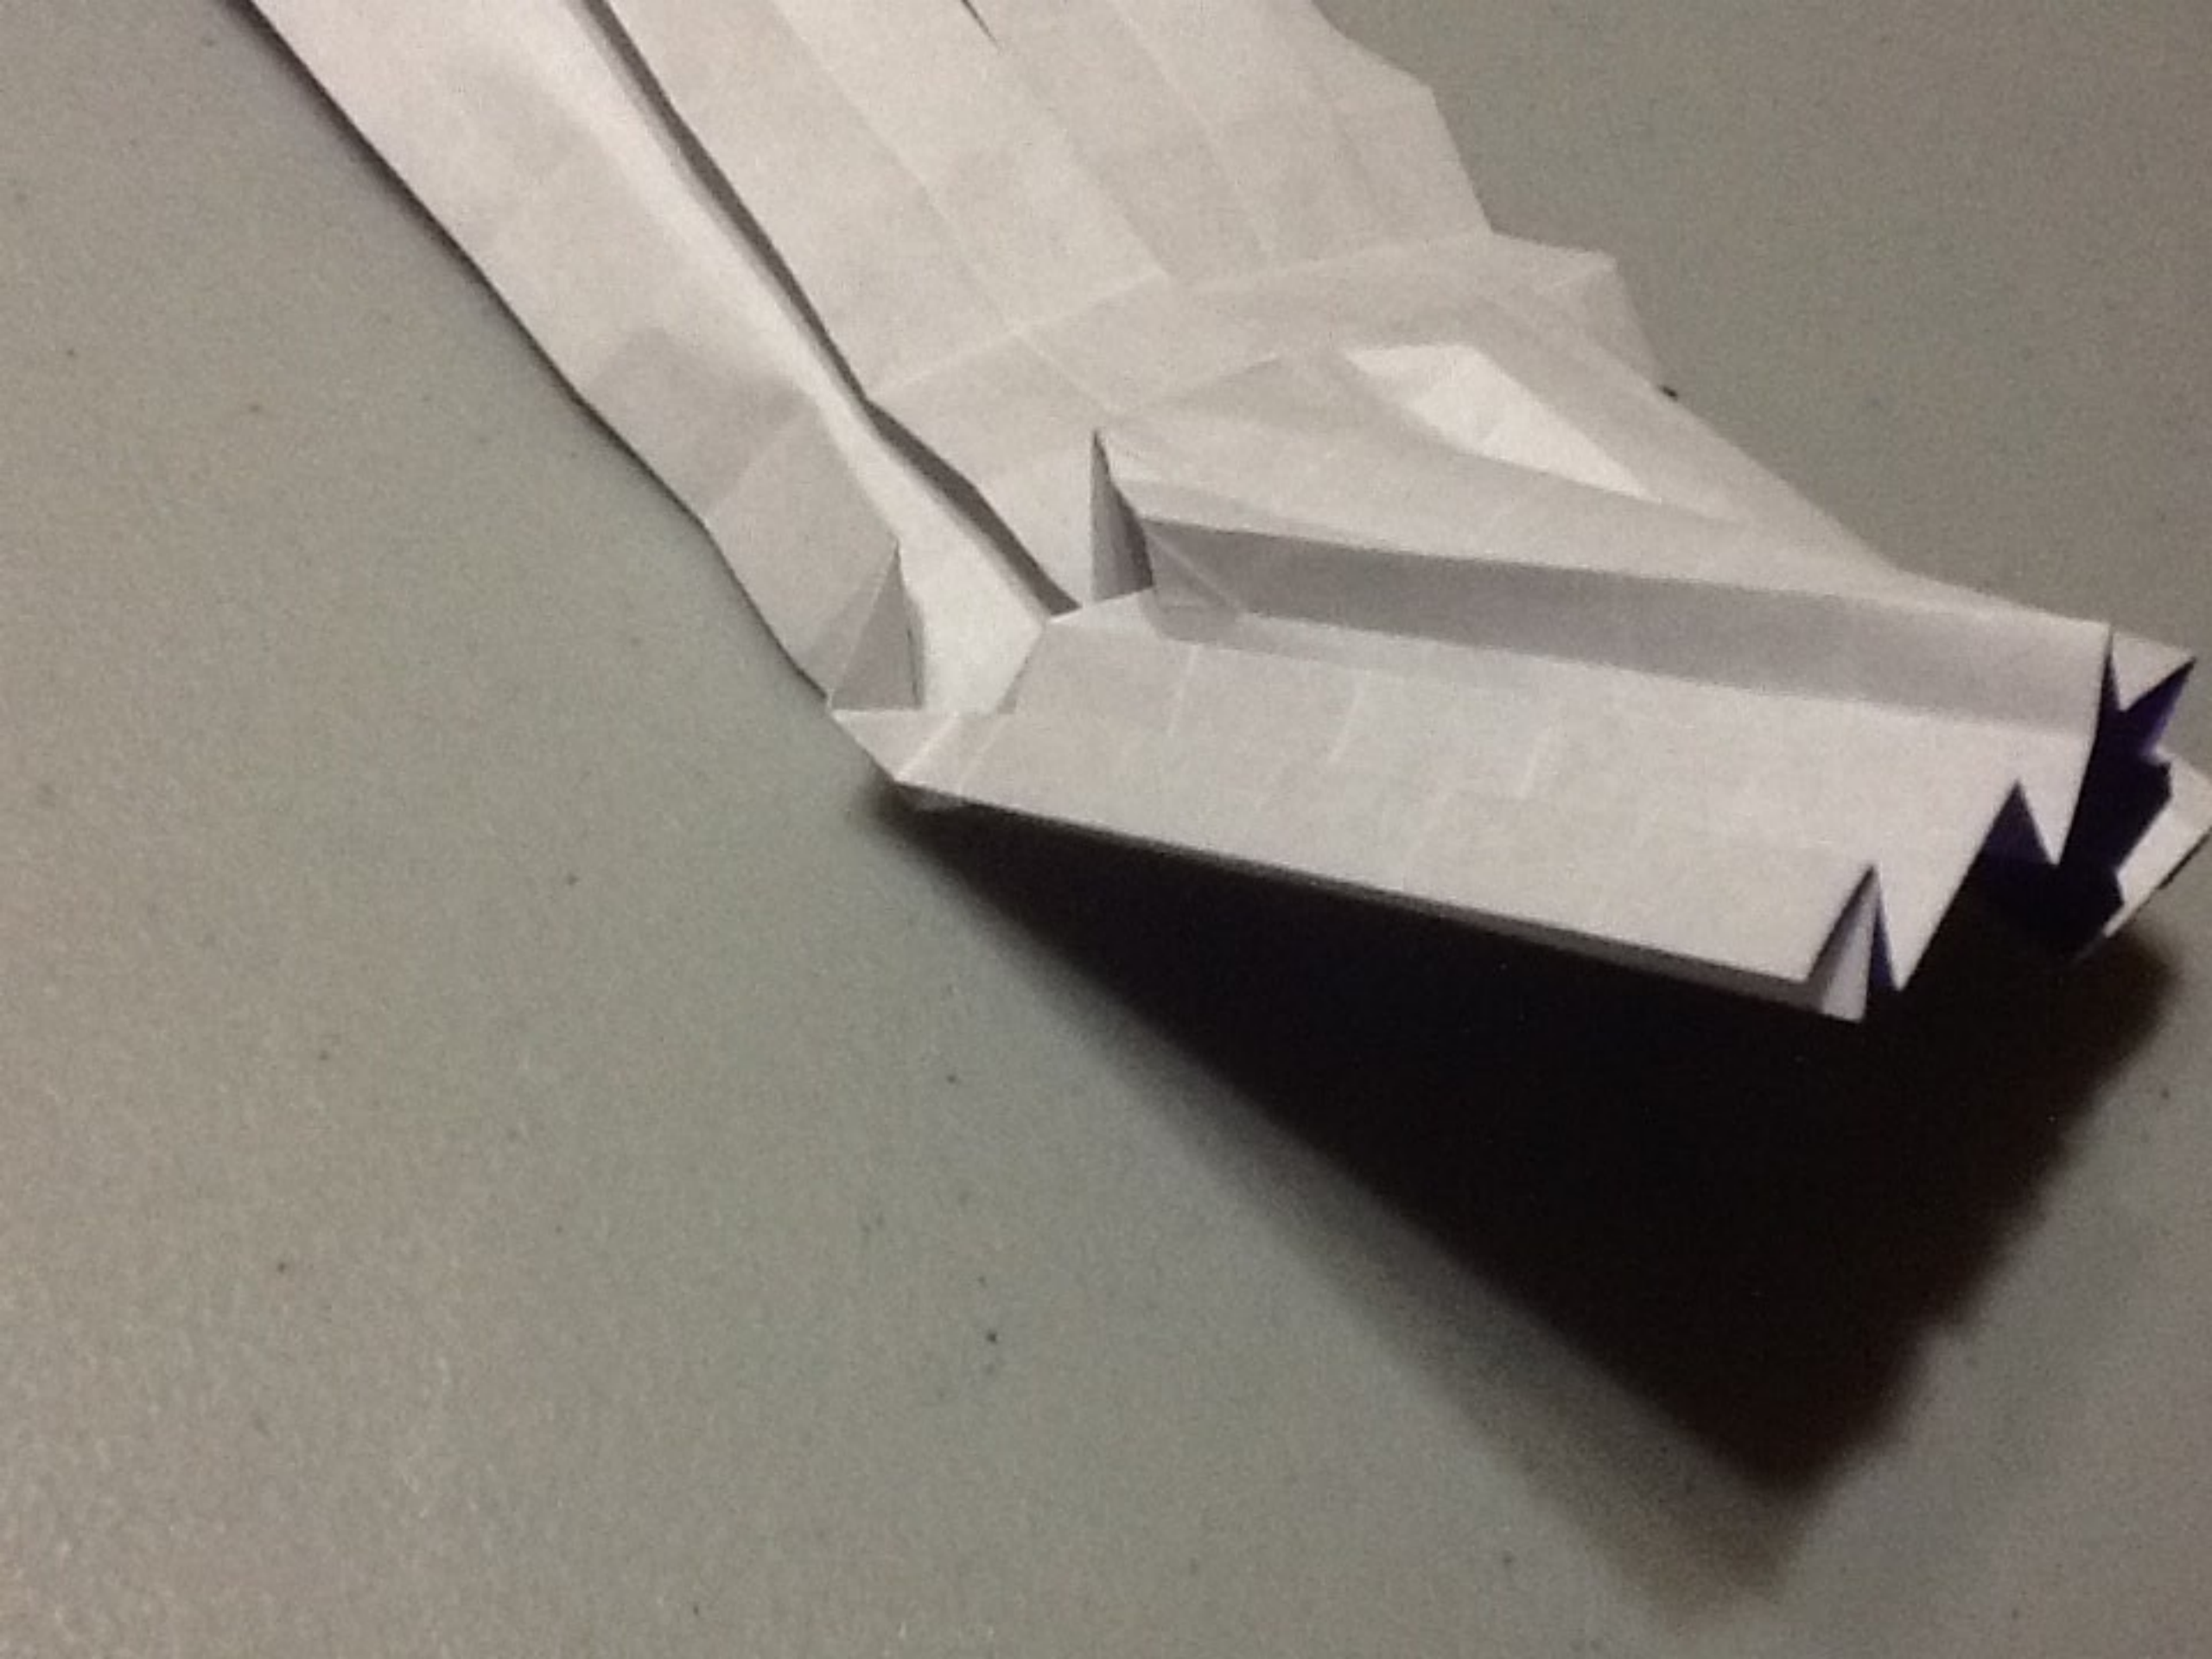

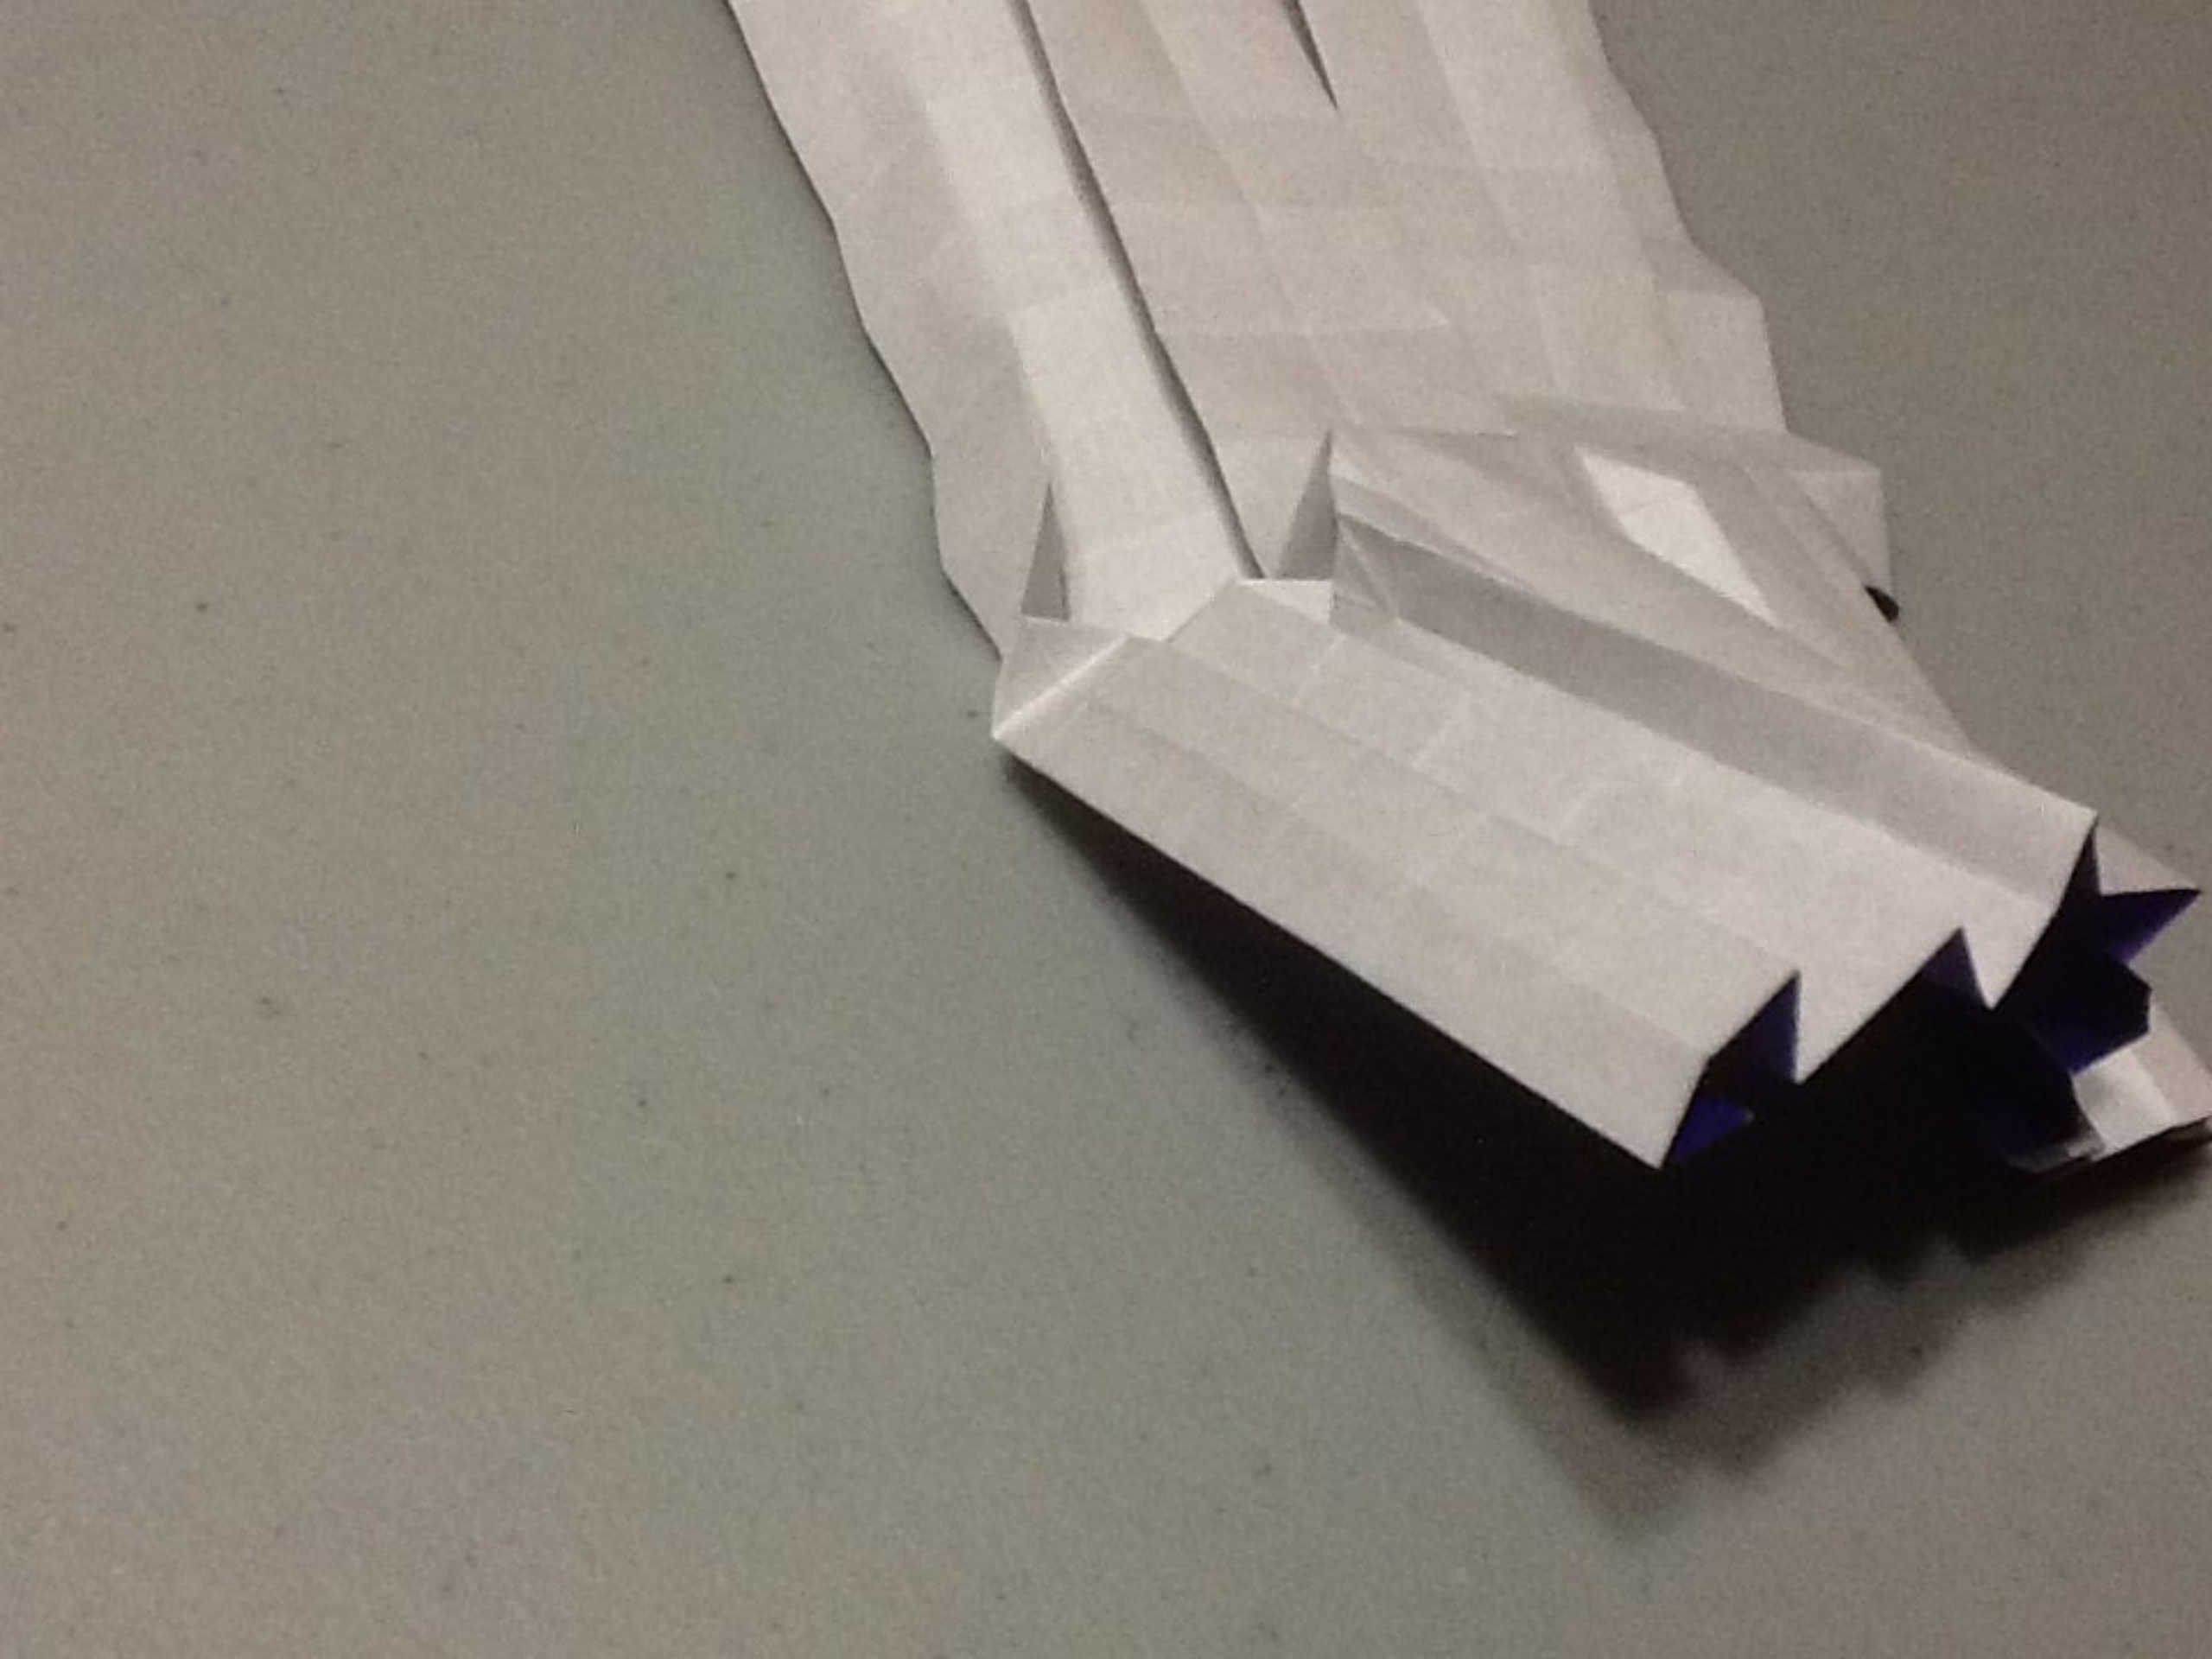

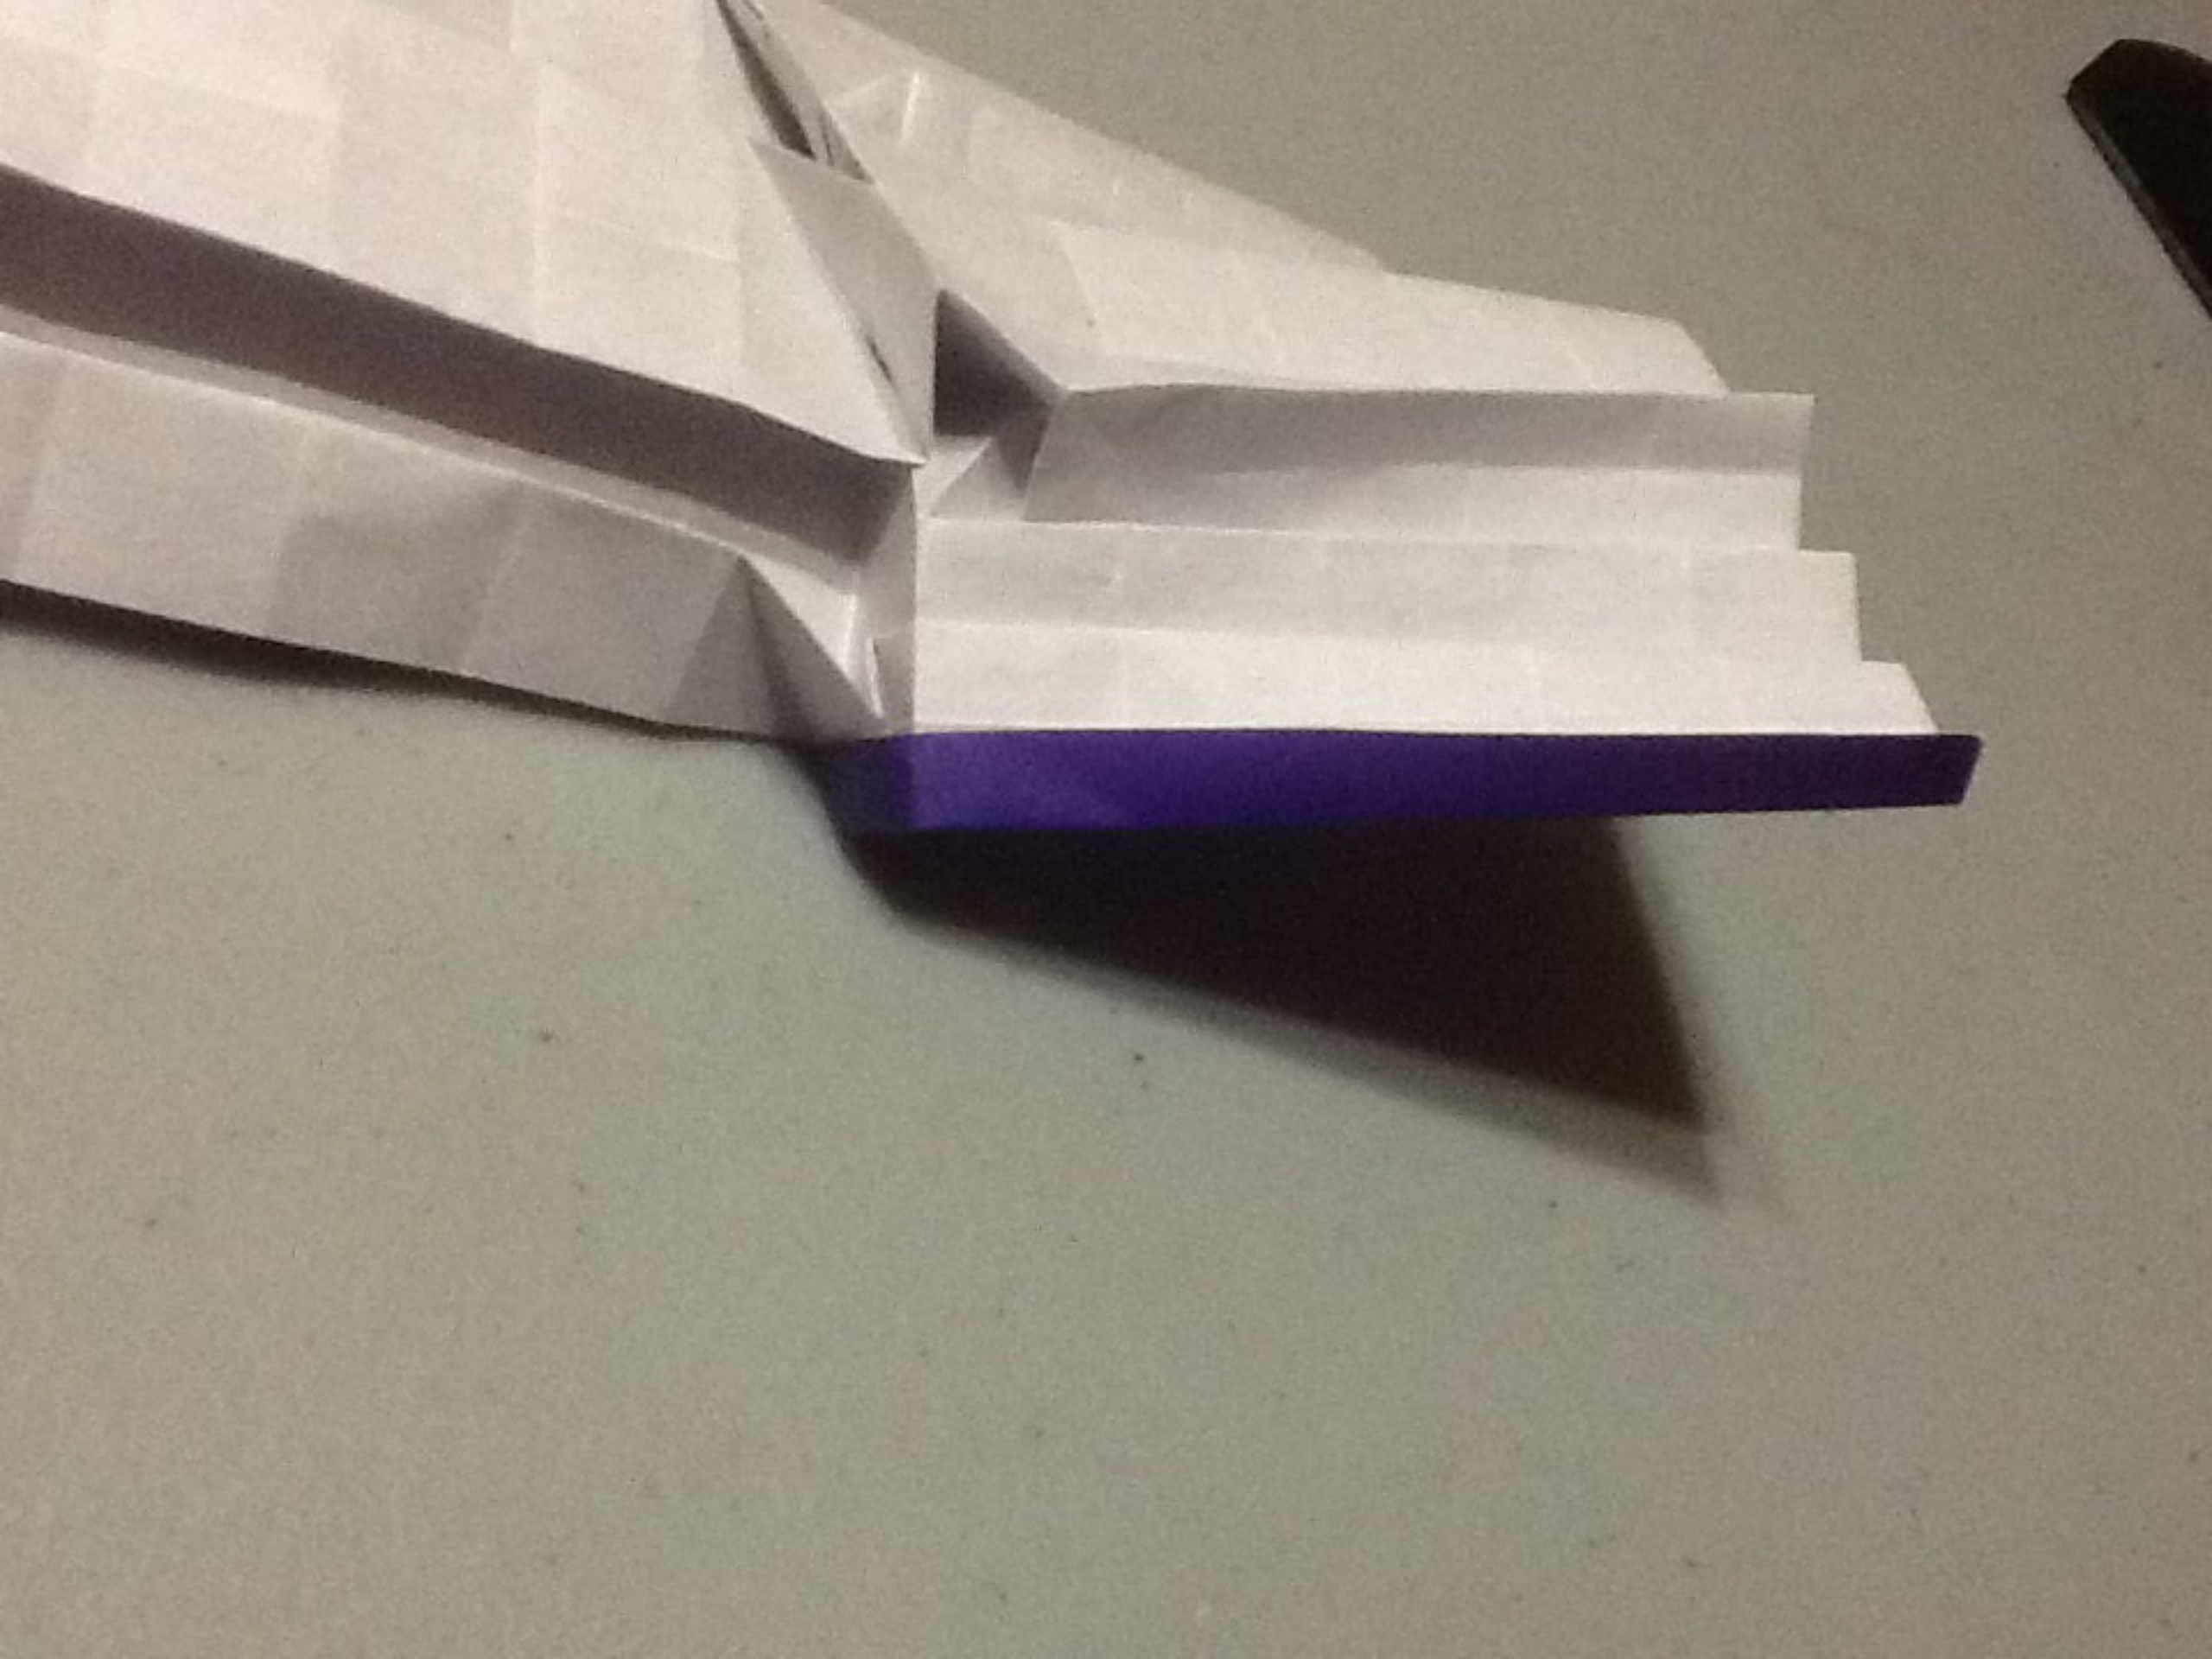

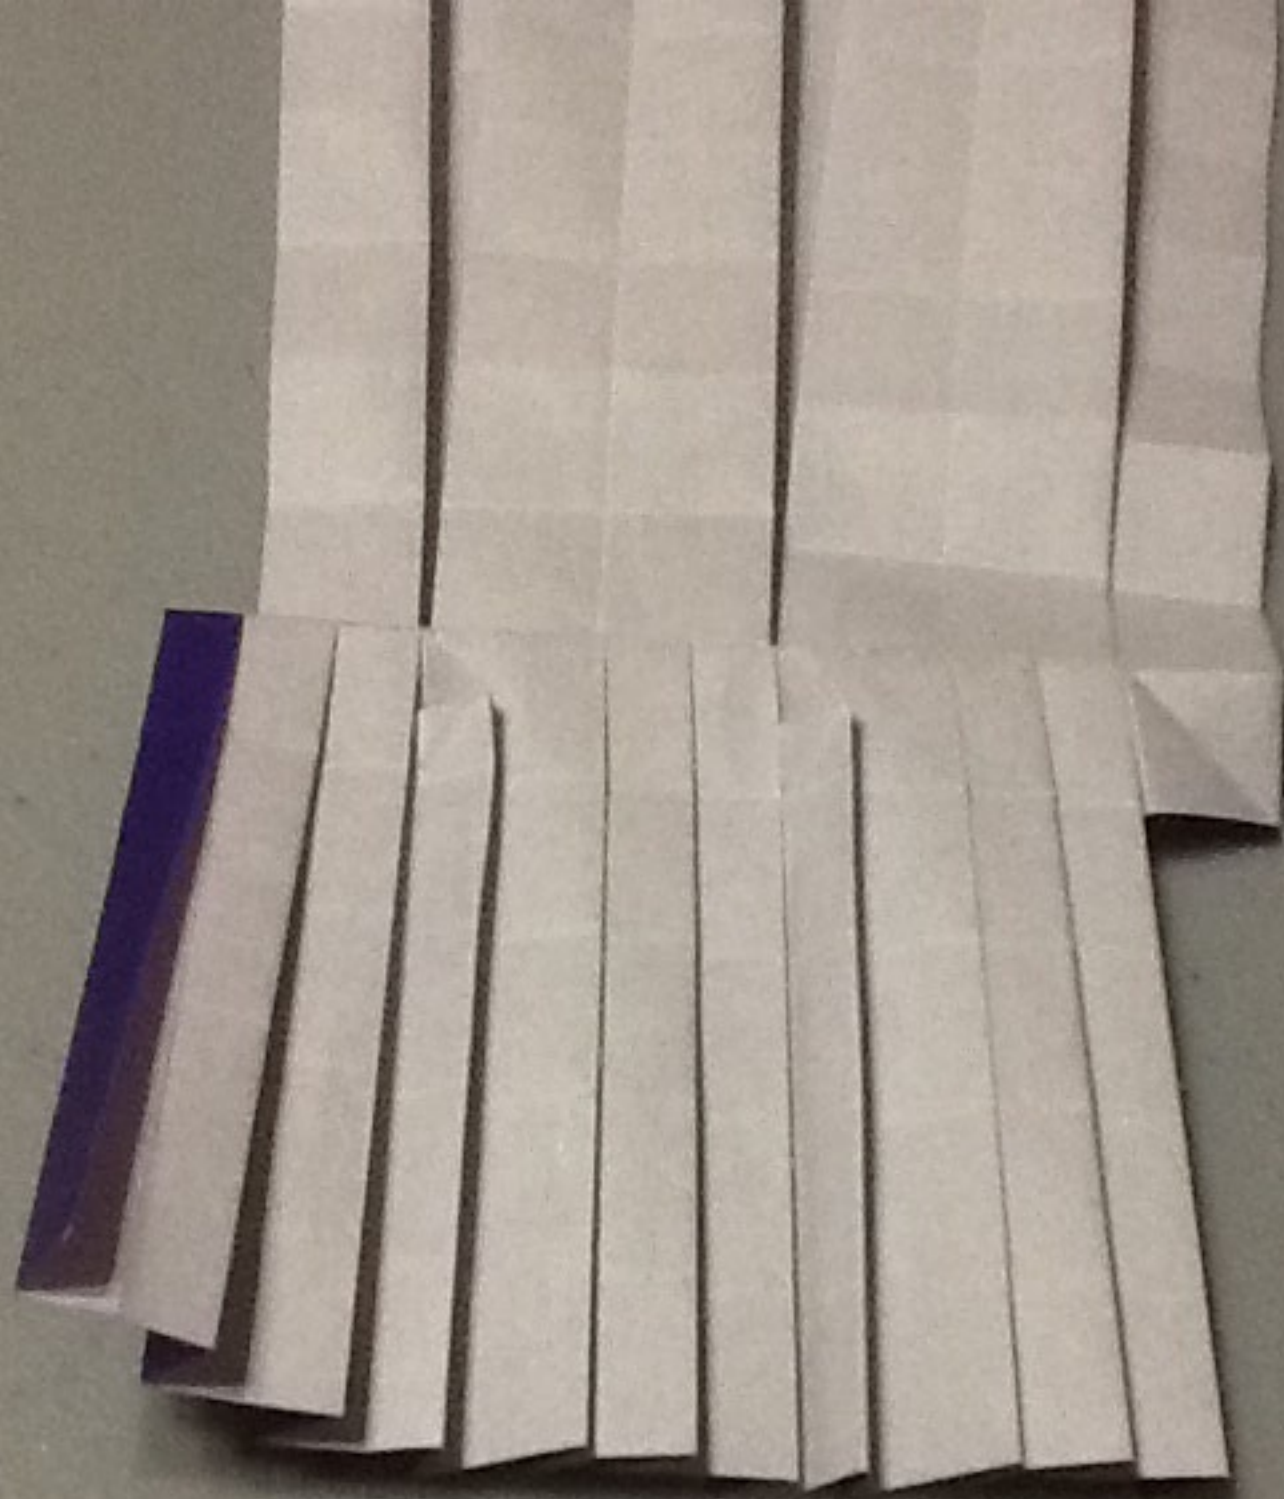

MVC

Extra credit-  
Close up the upper  
pleats like IA
