

天马B3折纸实拍教程

设计：神谷哲史

制作：Tasummerny

2017.8

By Tosummerny

本作选用27cm面包房垫纸
(白牛皮纸)

初折慎用40cm以内的纸
我只是因为切割垫不够大

A white paper boat is shown in a partially completed state on a green grid background. The boat's hull is formed by several triangular and rectangular folds. The right side of the boat is being flattened, while the left side is being restored to its original shape. The text '左侧恢复' (Restore left side) and '右侧压平' (Flatten right side) is written in black characters on the right side of the boat. The signature 'By Tosumimery' is written in purple ink on the bottom of the boat.

A white paper boat is shown on a green grid background. The boat is oriented vertically, with its bow at the top and its stern at the bottom. The stern is a flat, rectangular base. The sides of the boat are formed by two large, triangular flaps that meet at the bow. The text "By Tosummary" is written in purple on the side of the boat. The text "底角两点段折重合" and "整体调整为垂直" is overlaid on the image in black.
