

5B

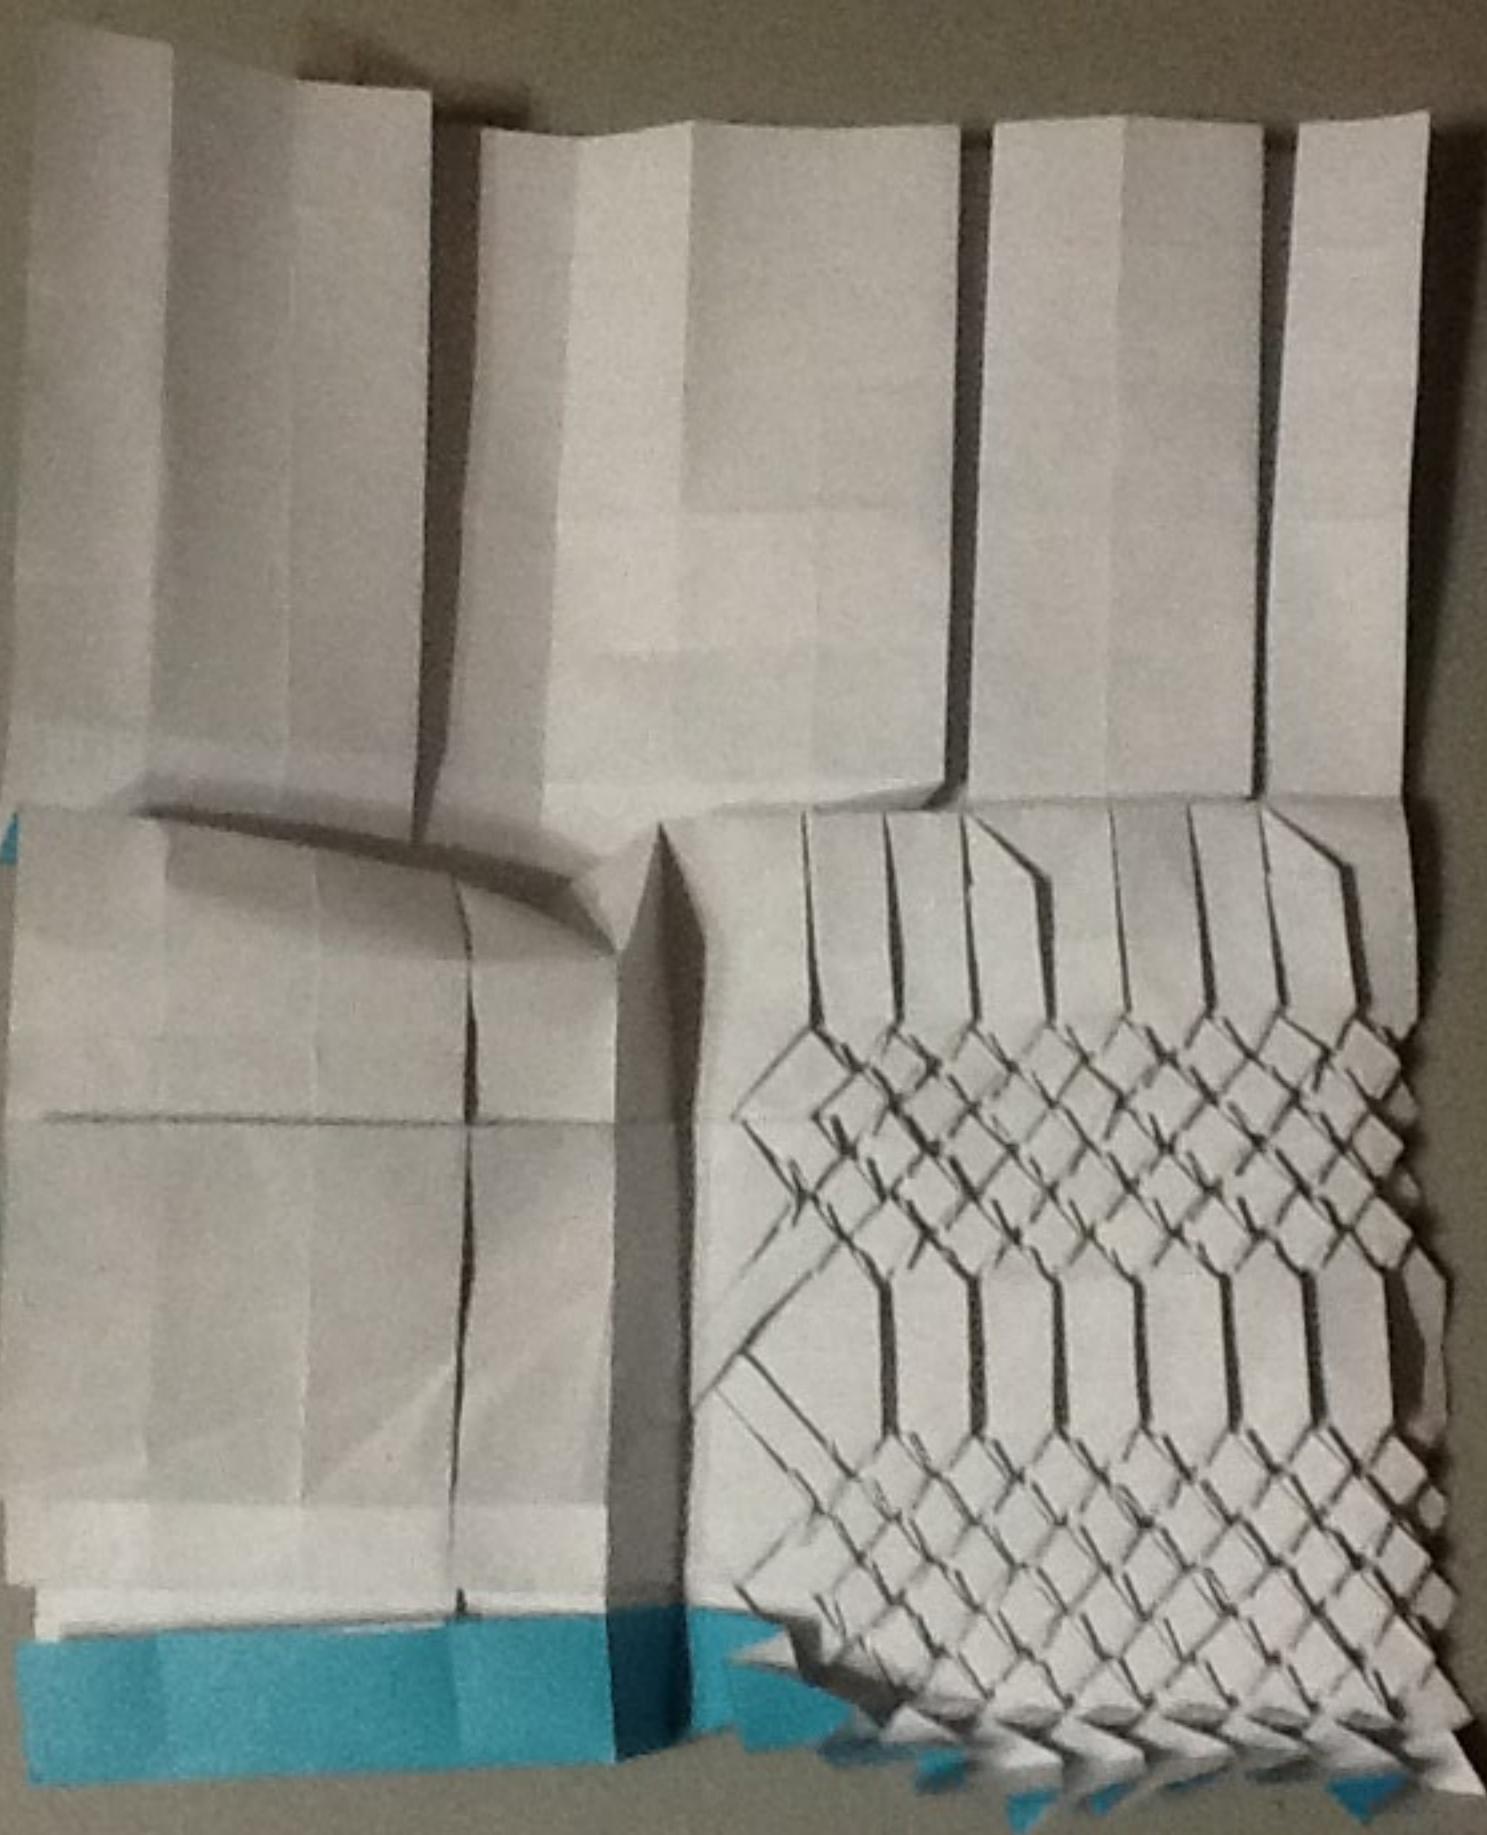

Tail Shaping

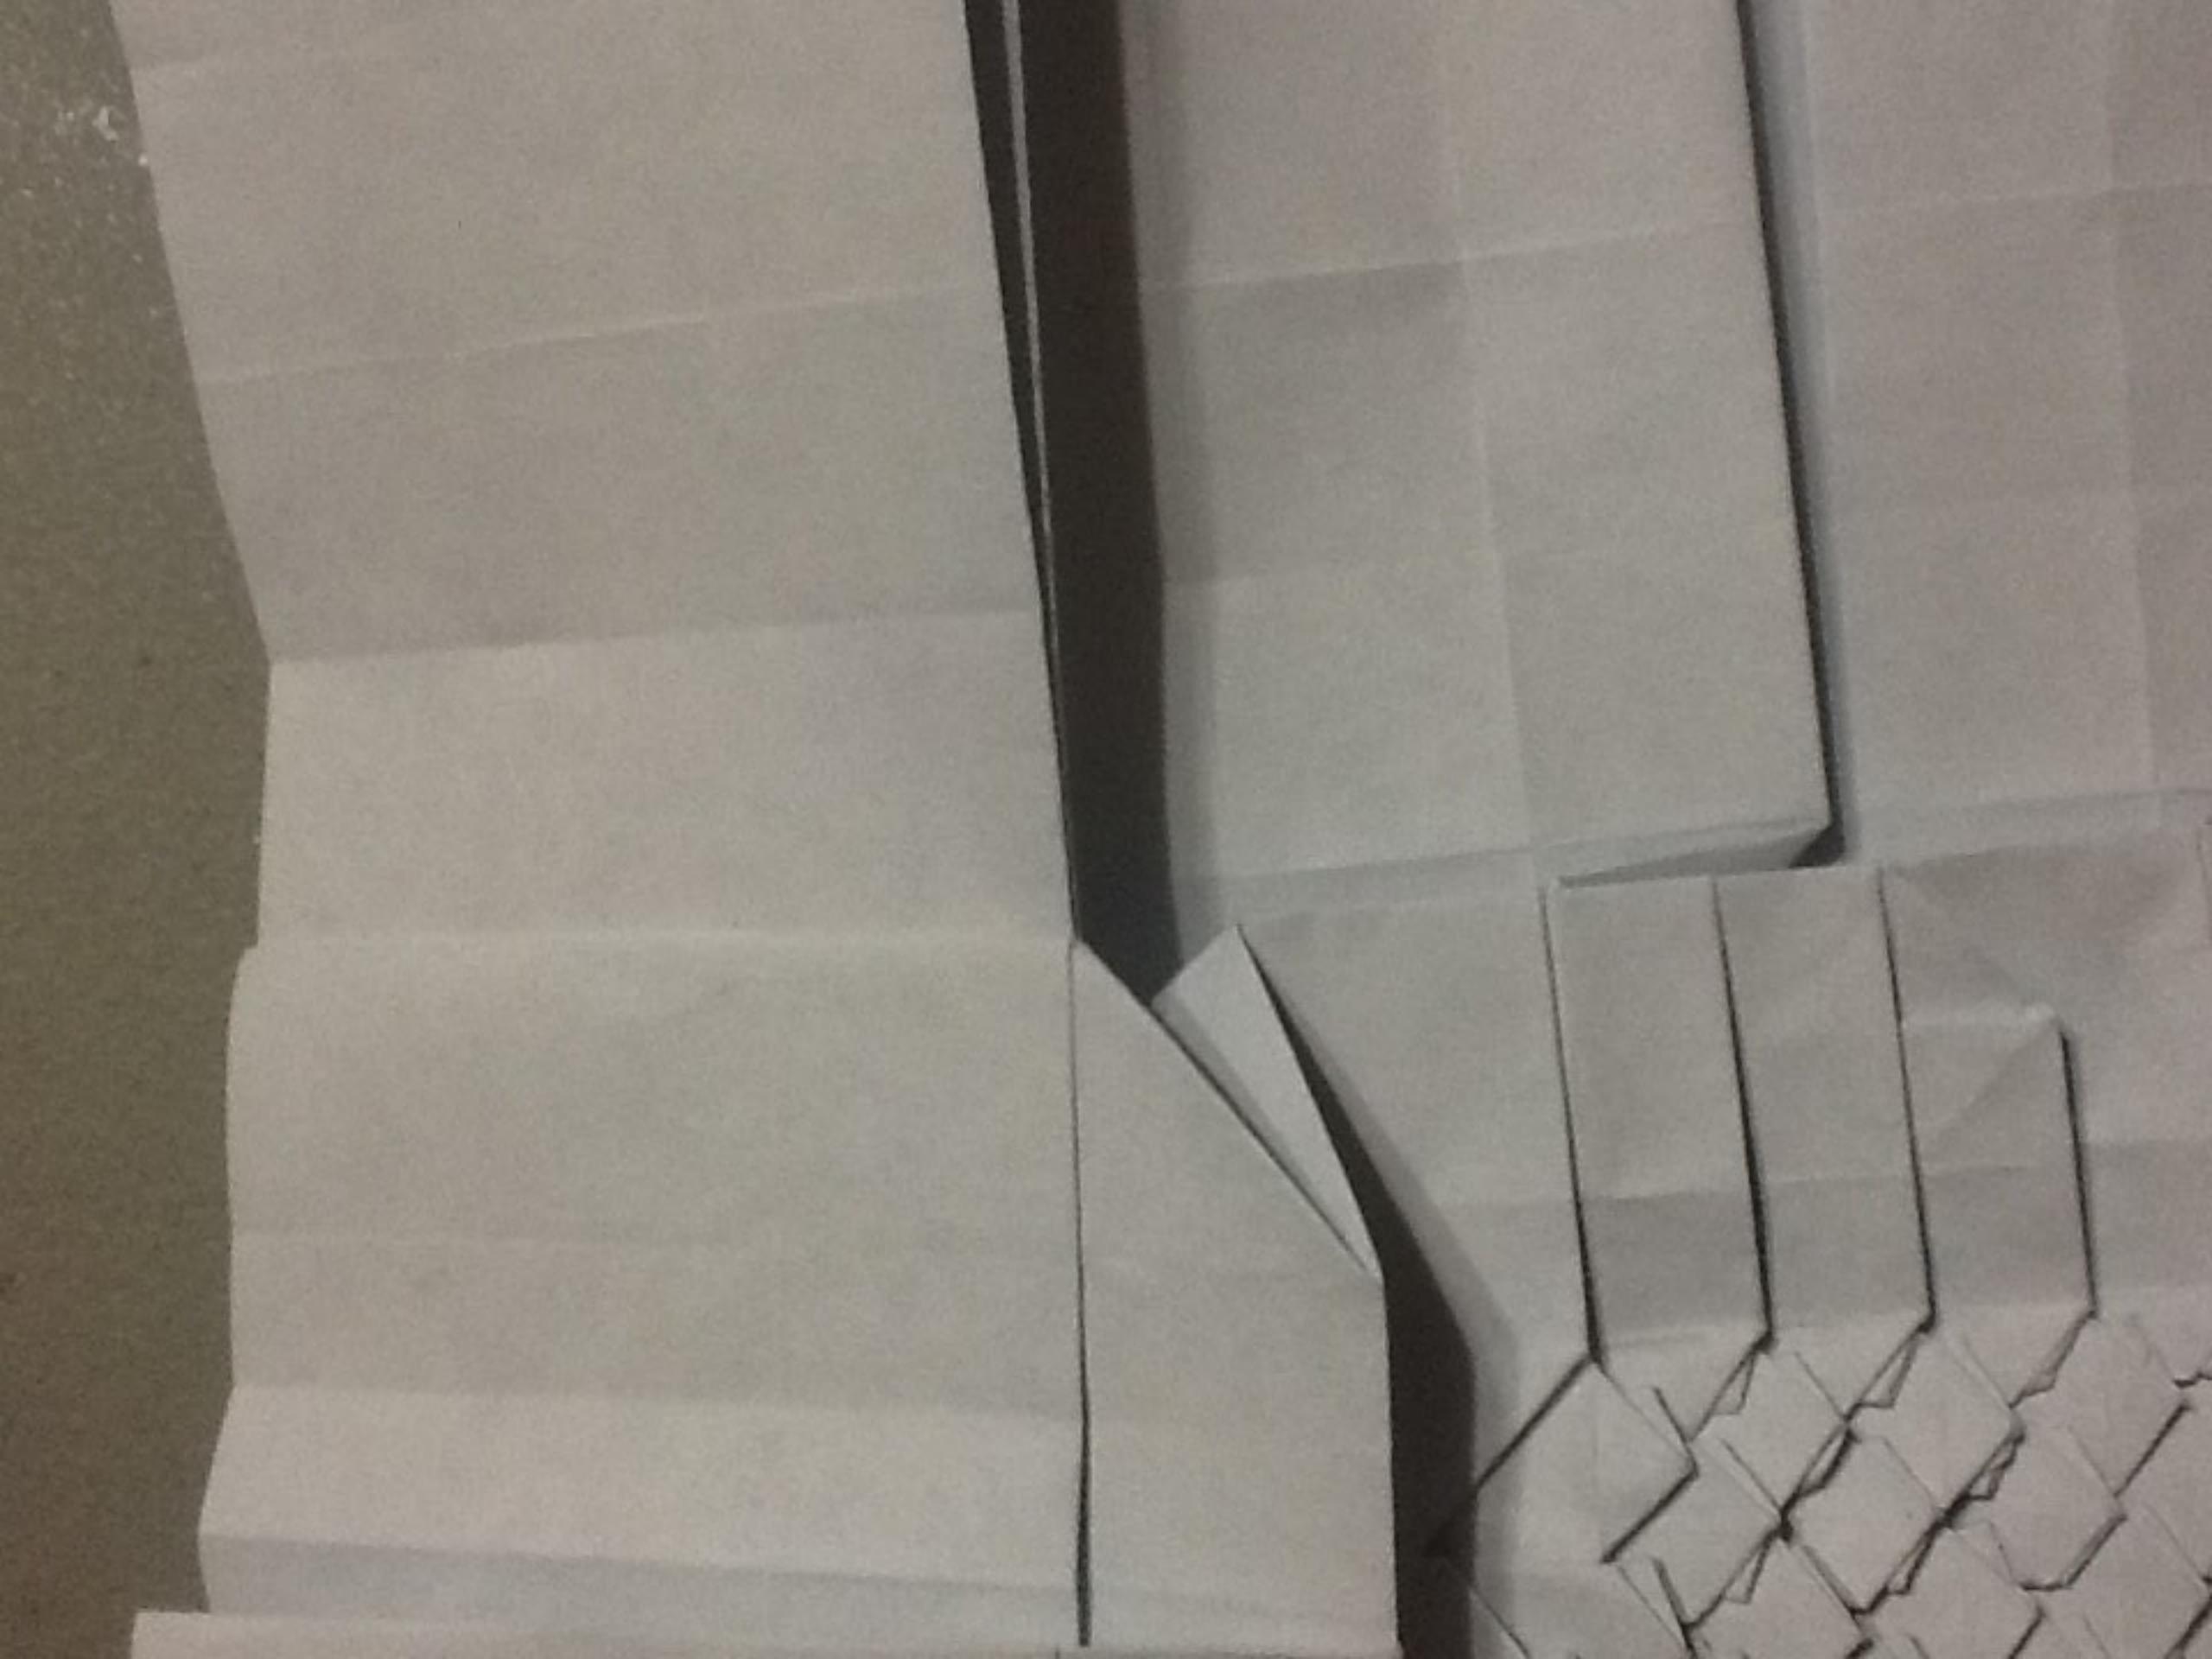

MVC

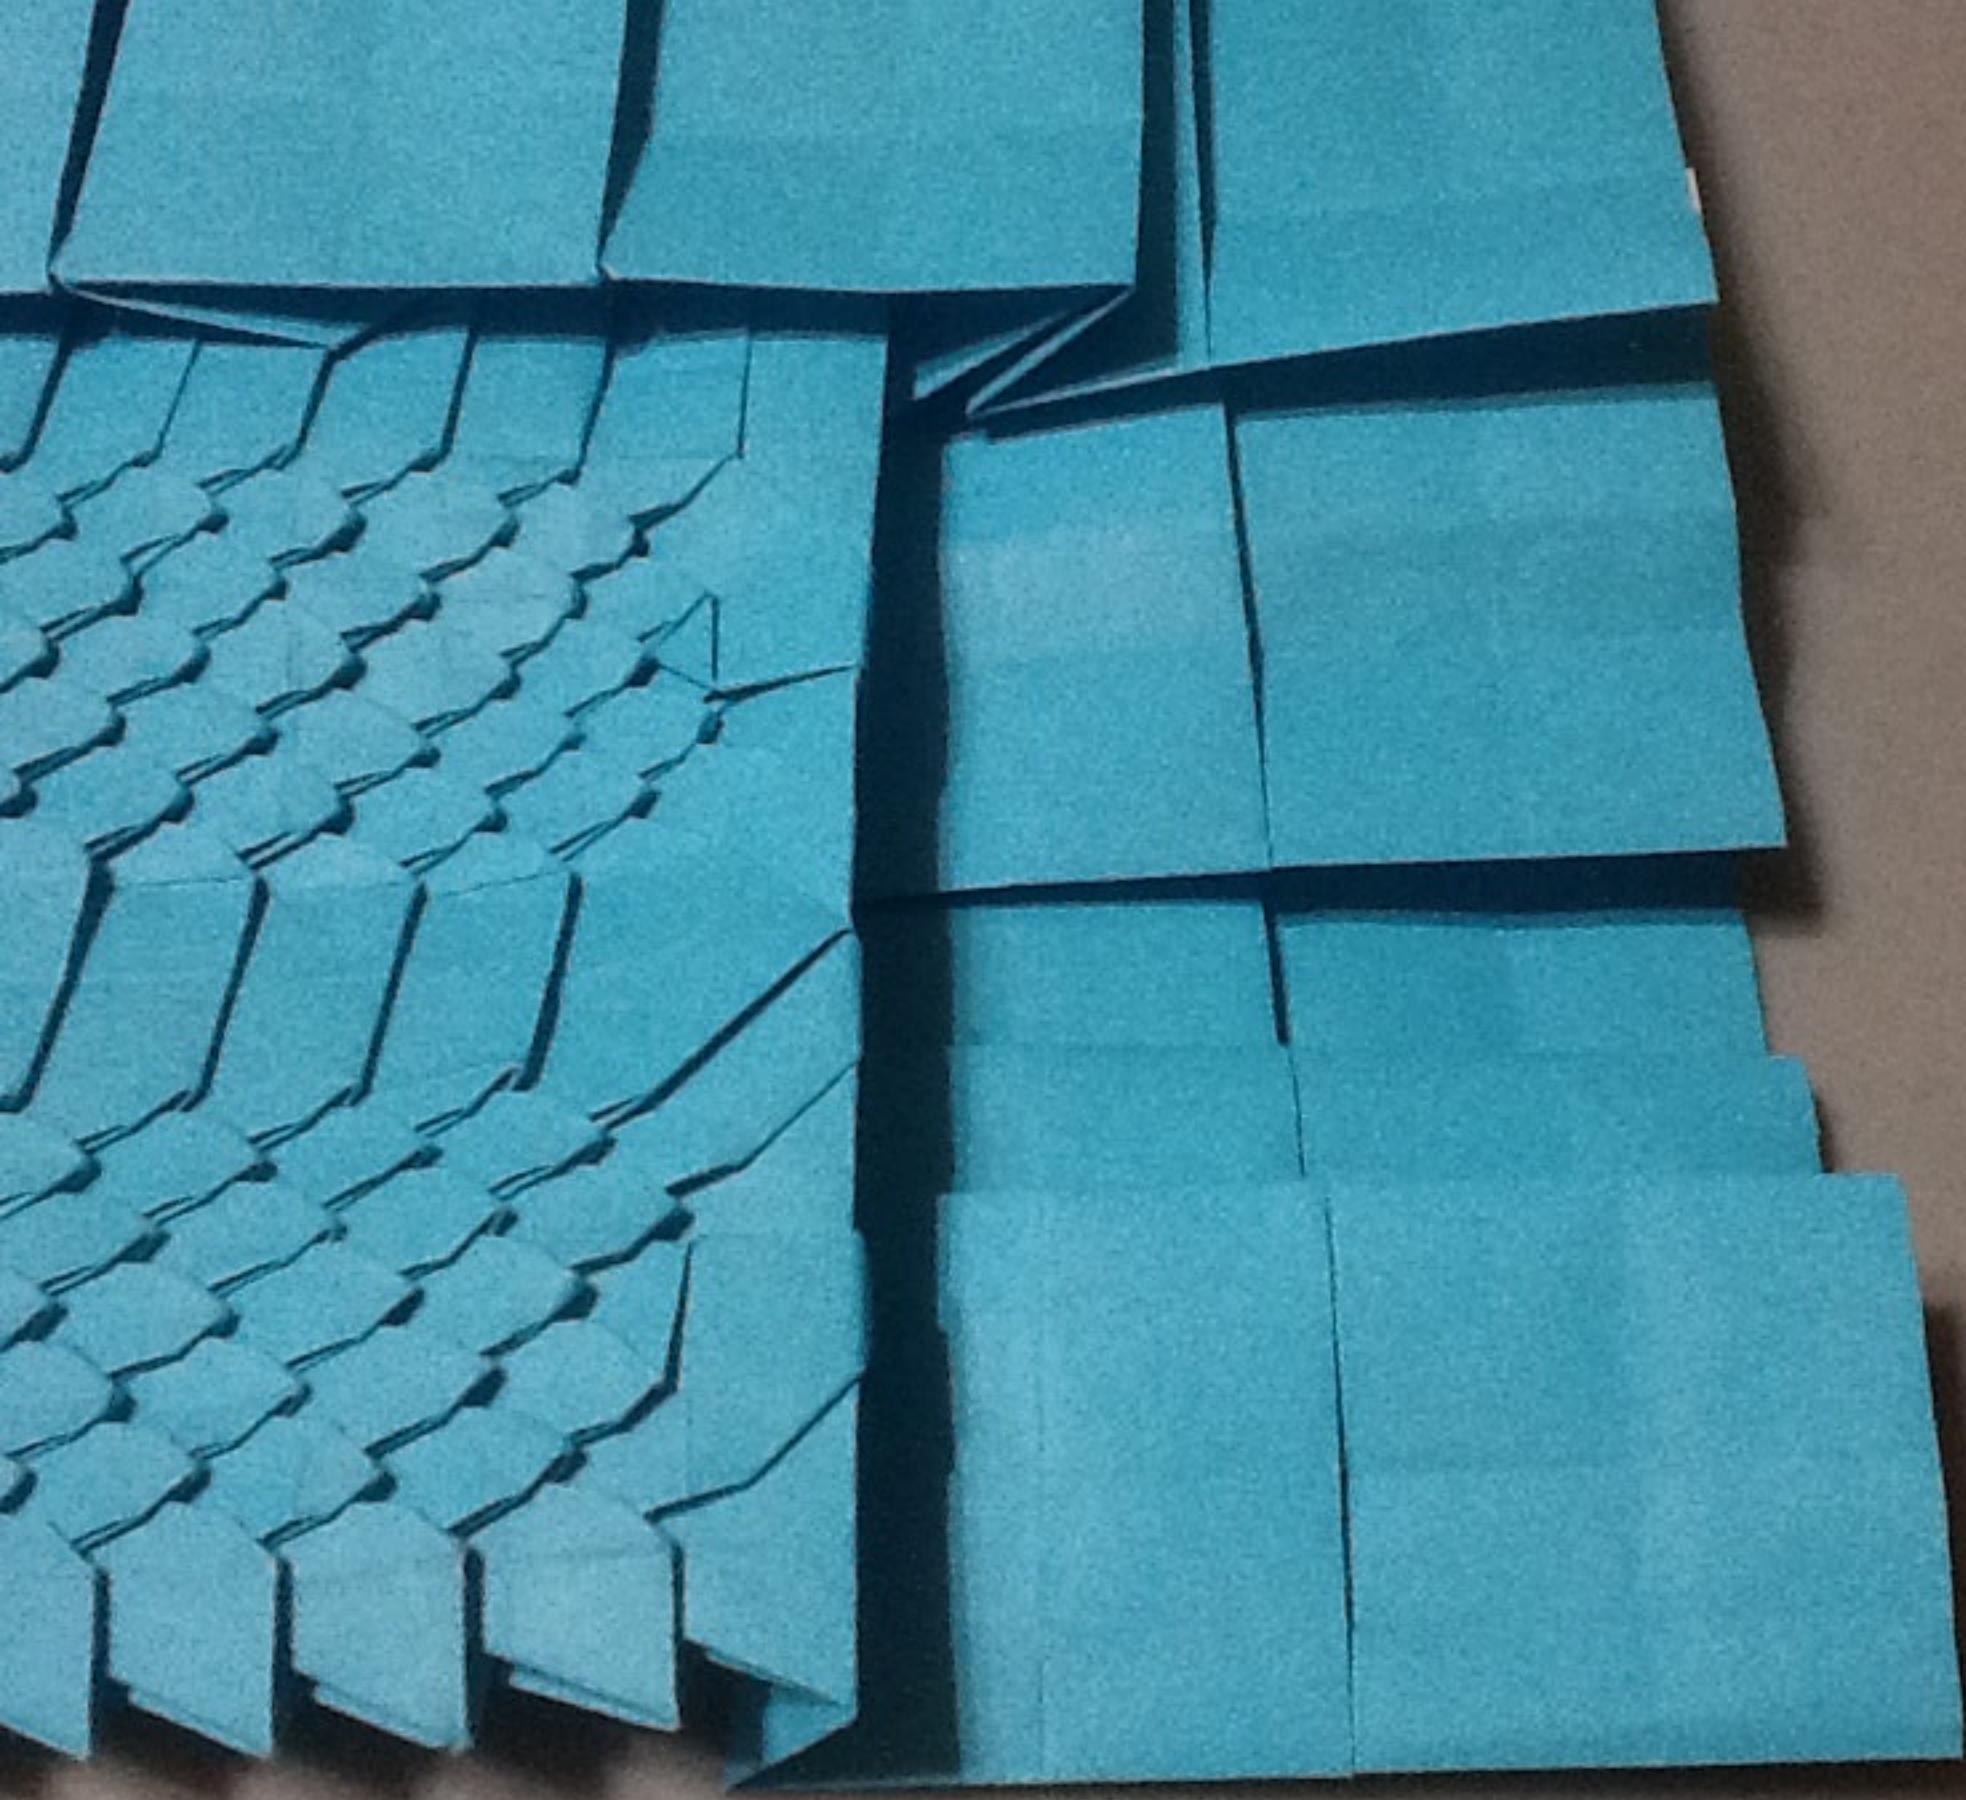

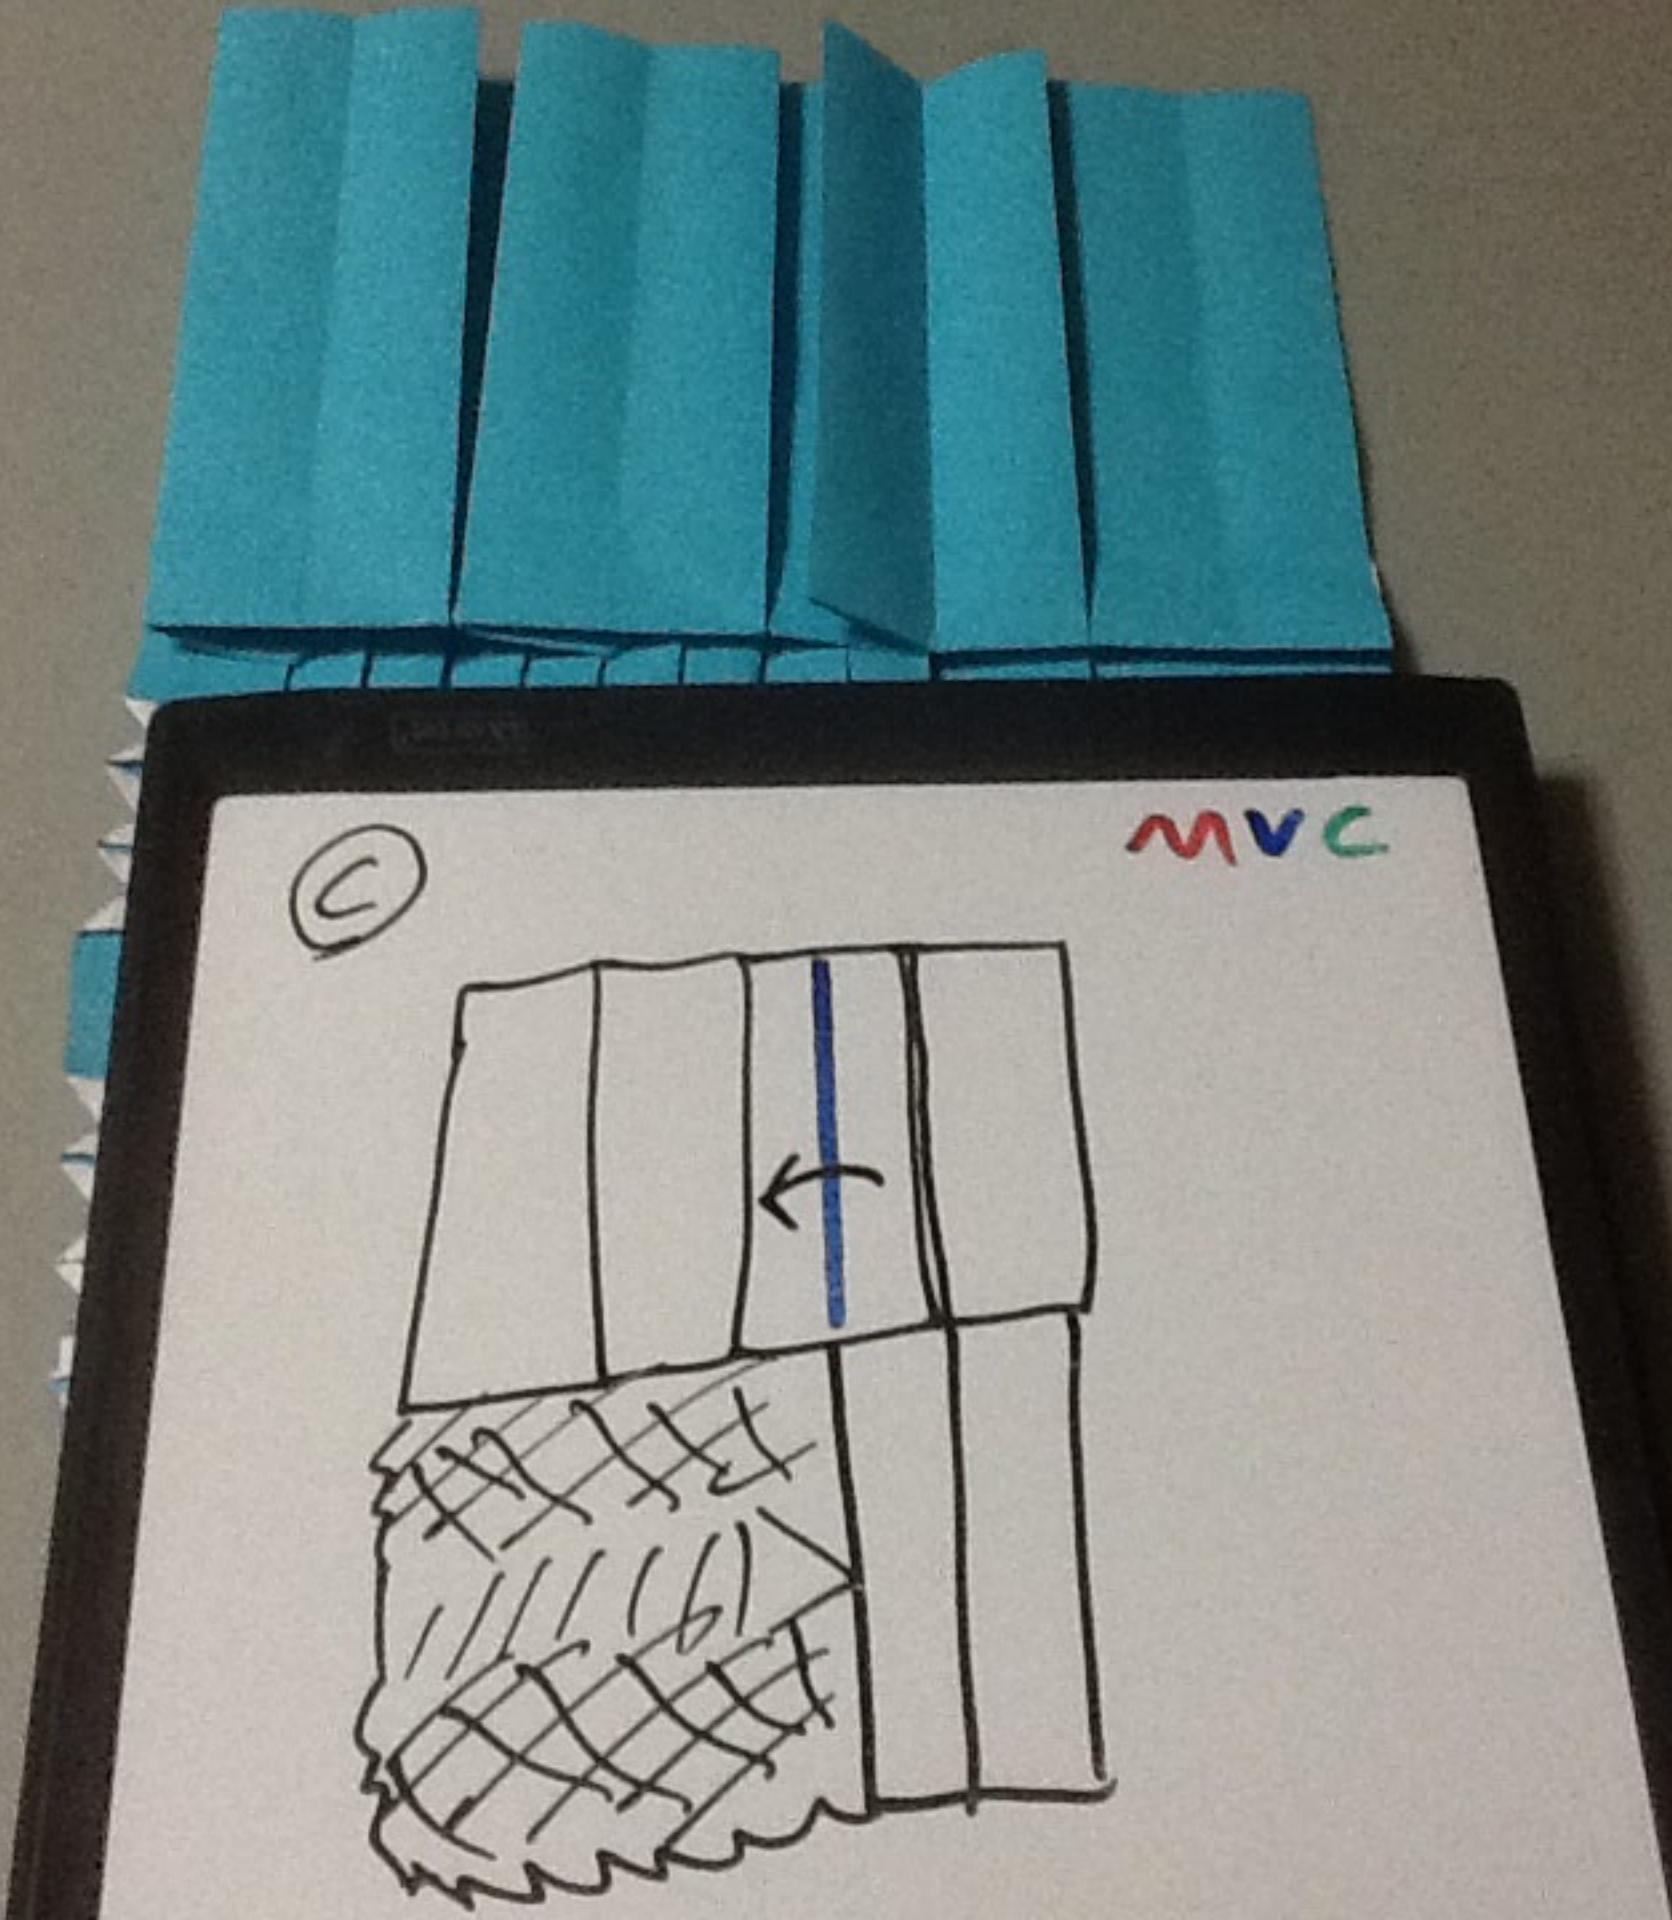

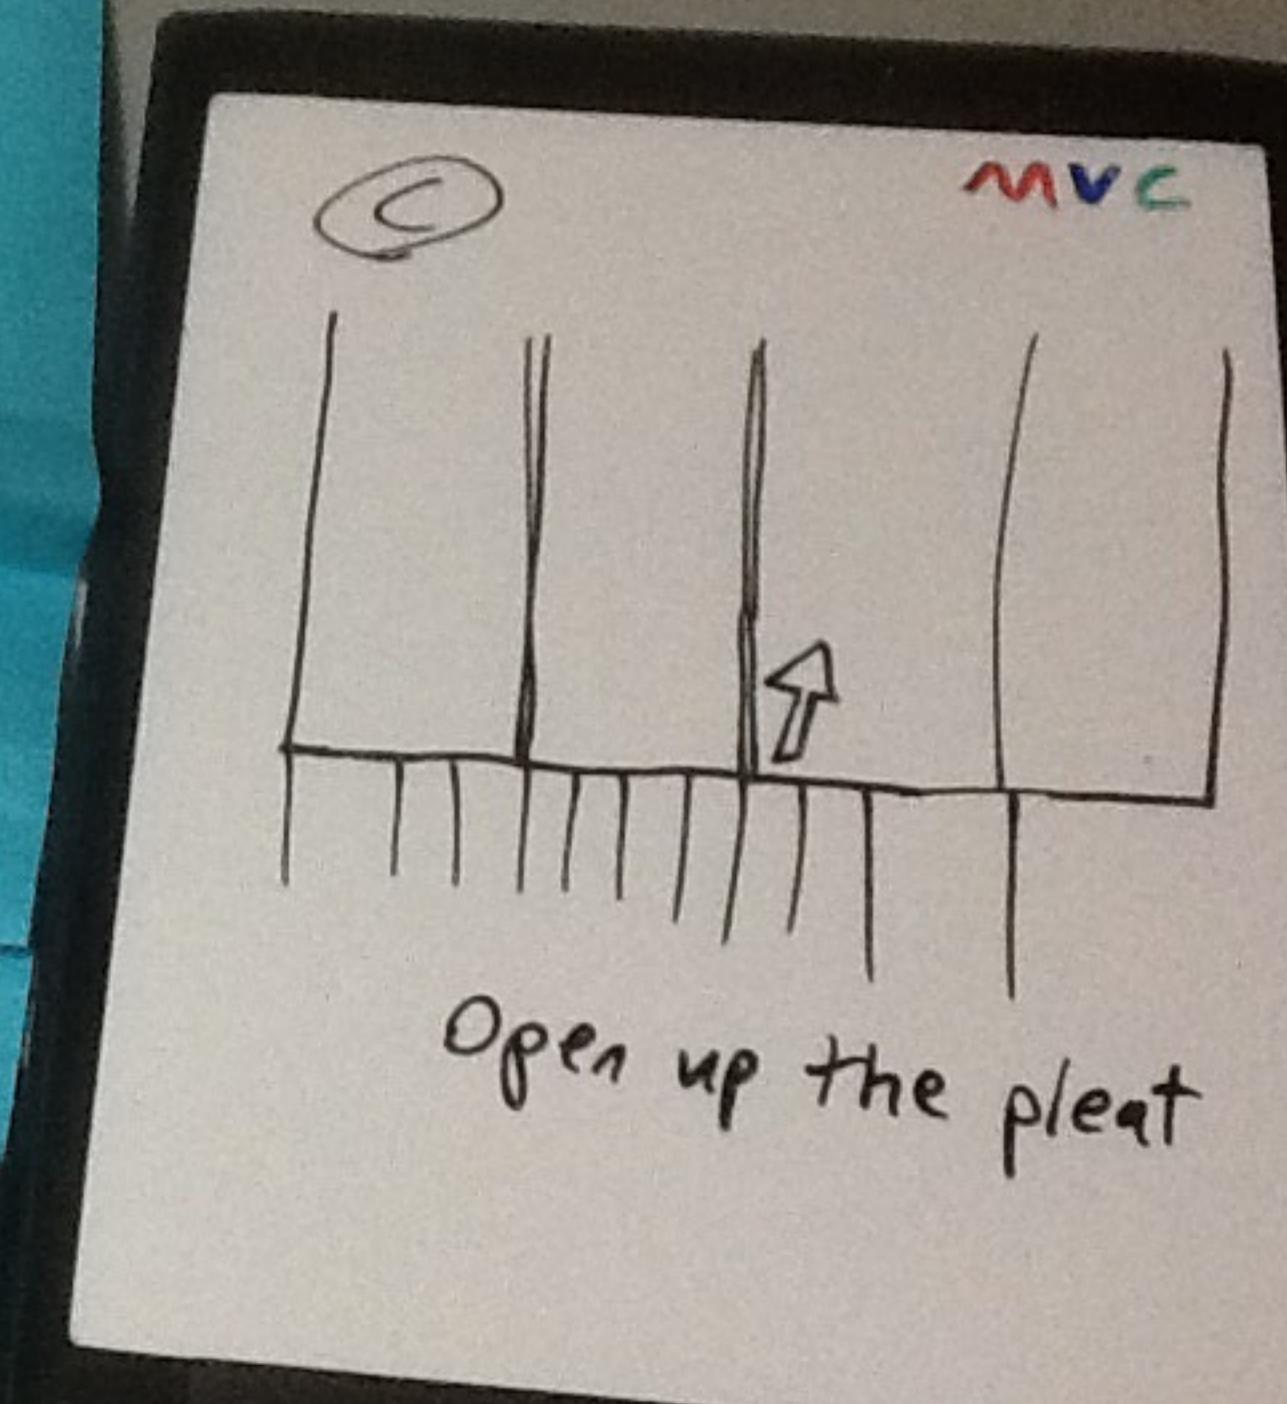

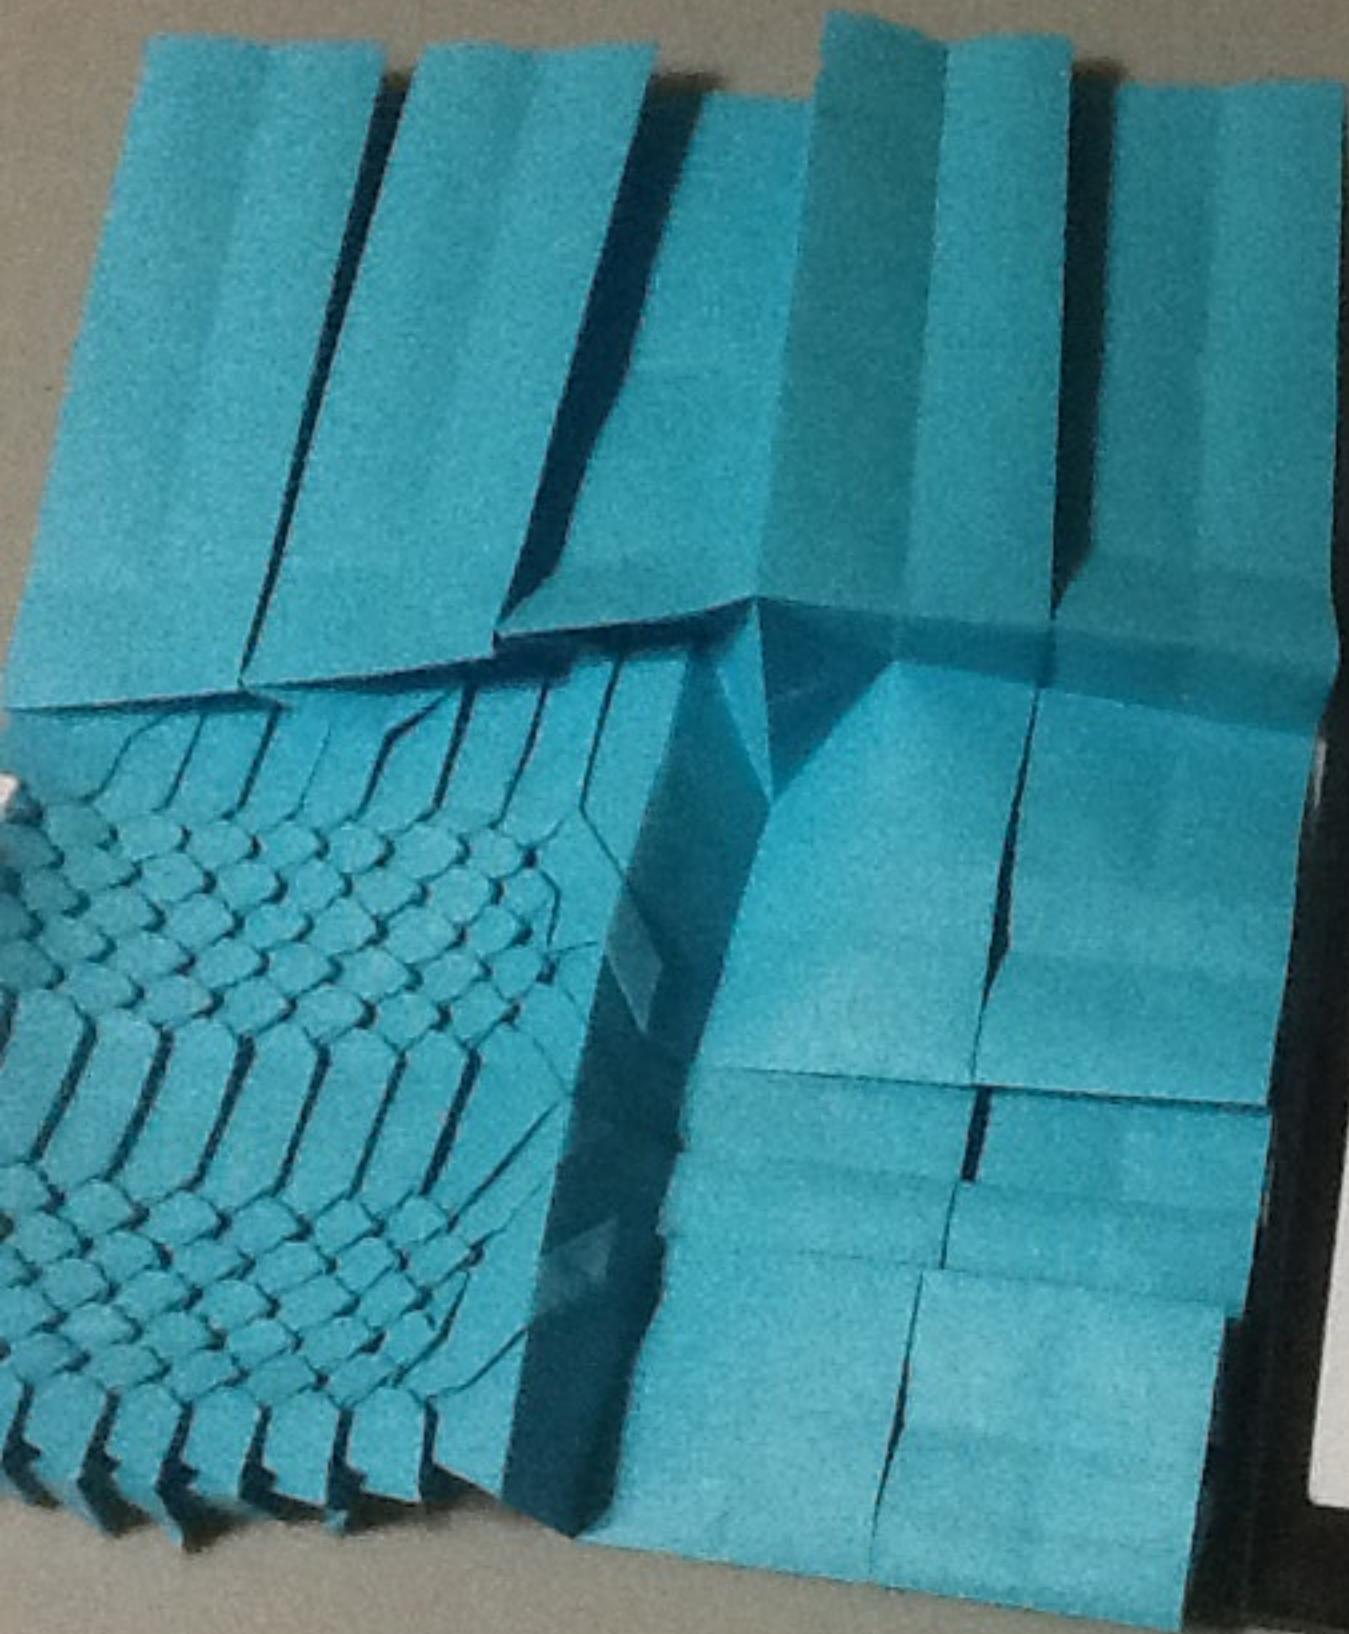

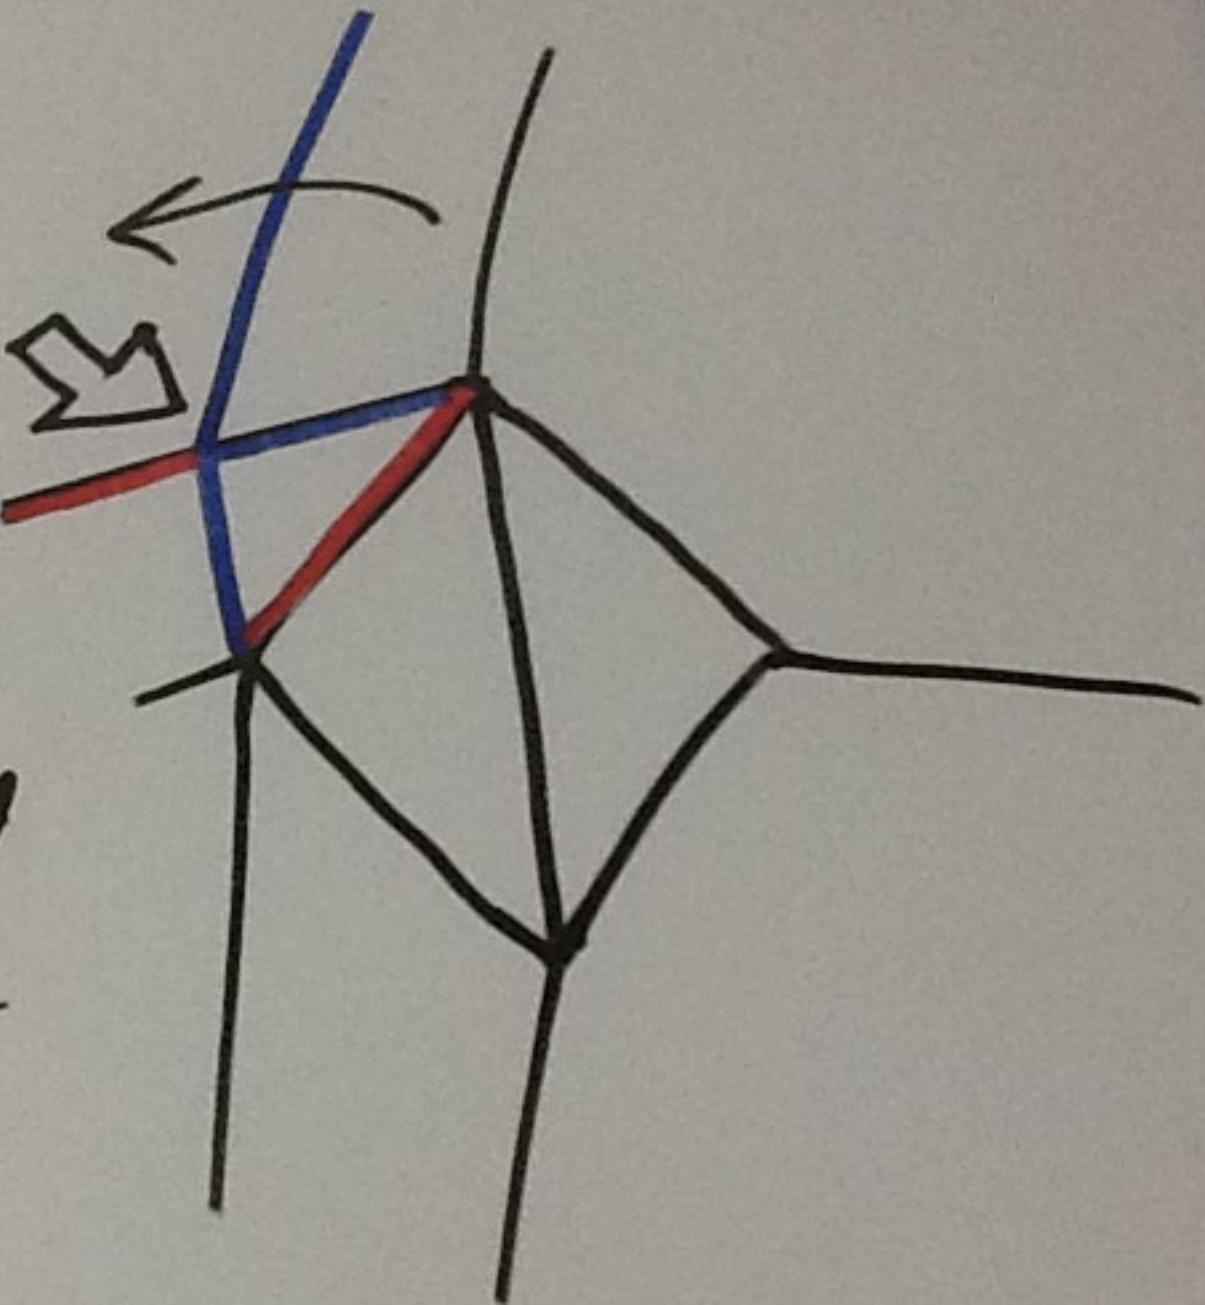

(C)

MVC

Push in
the left
side and
reform-

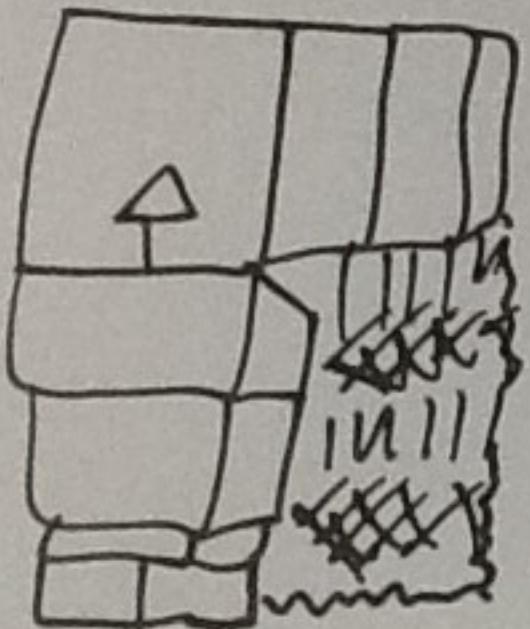

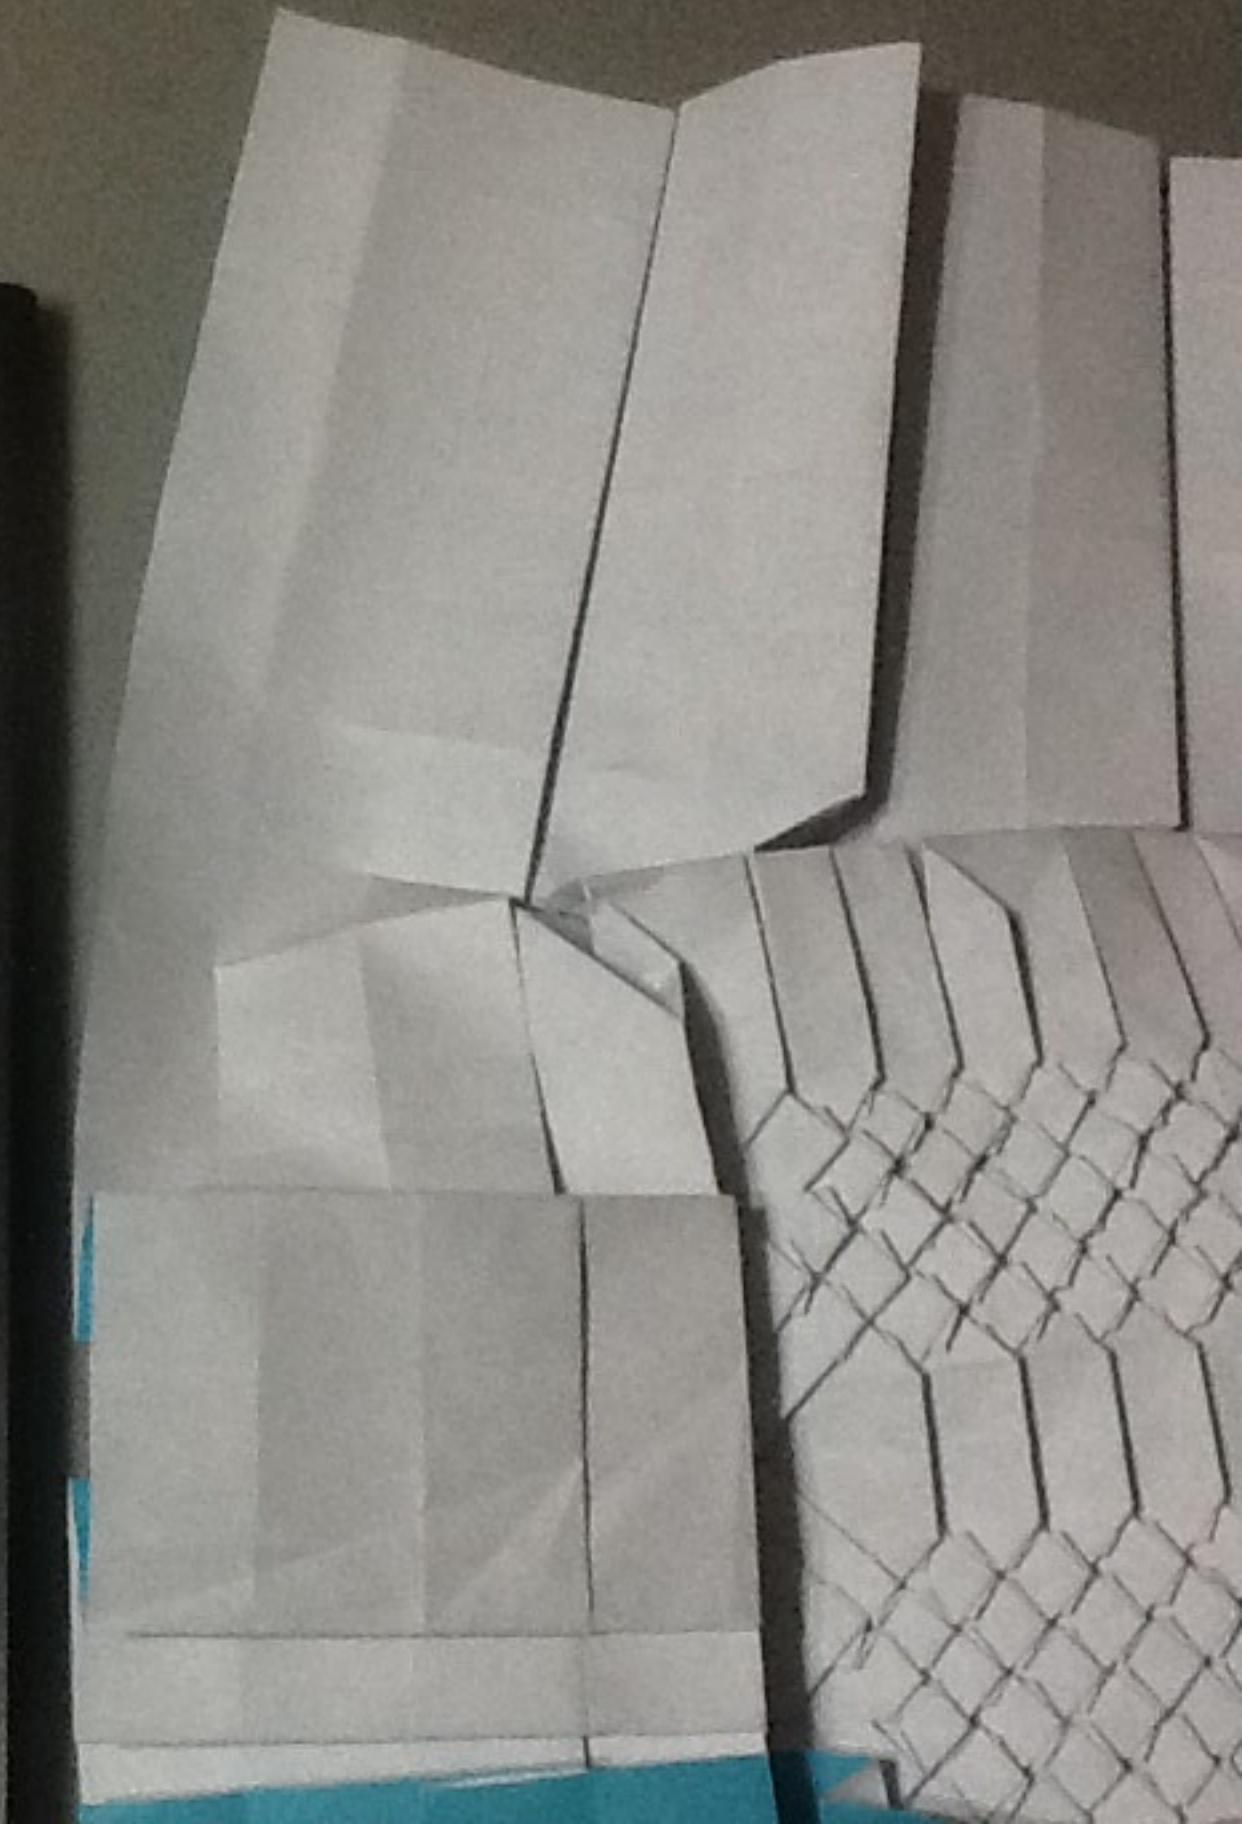

(W)

open
up
pleat

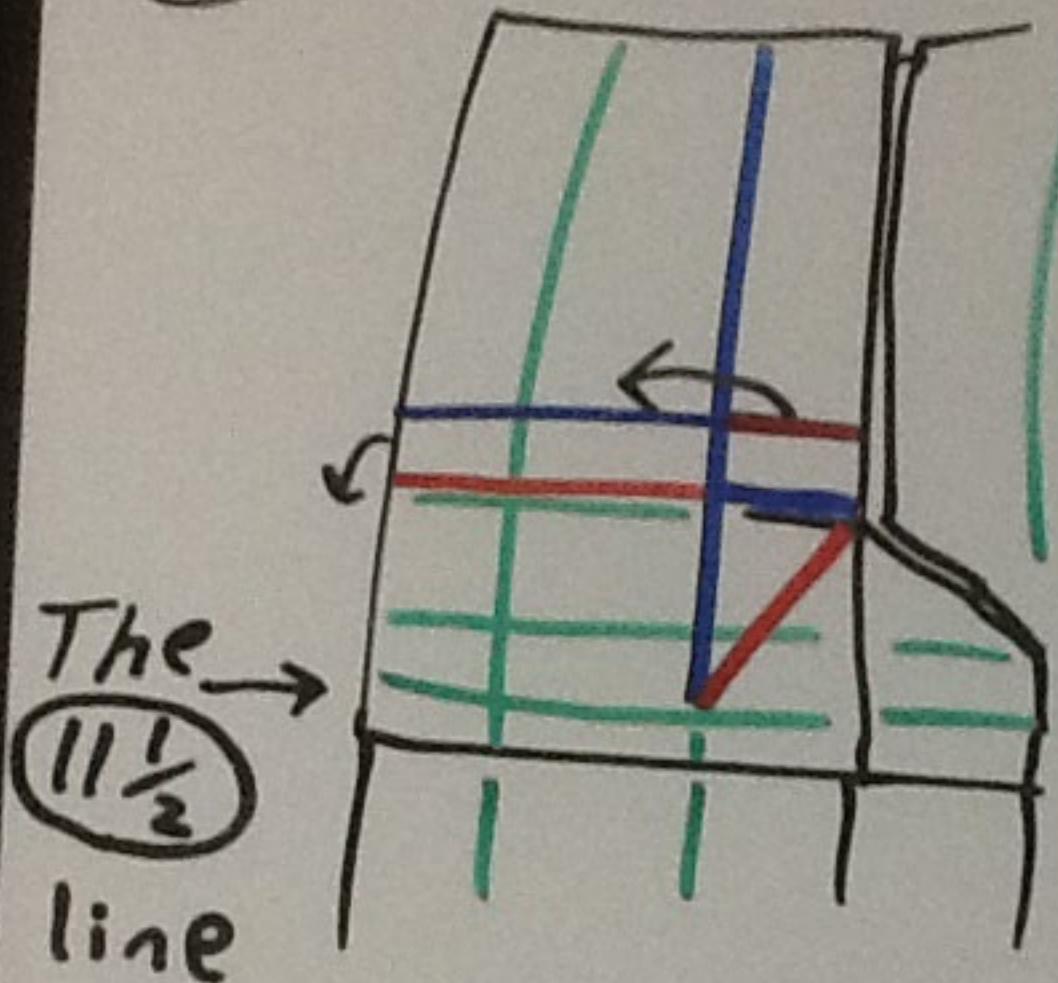

MVC

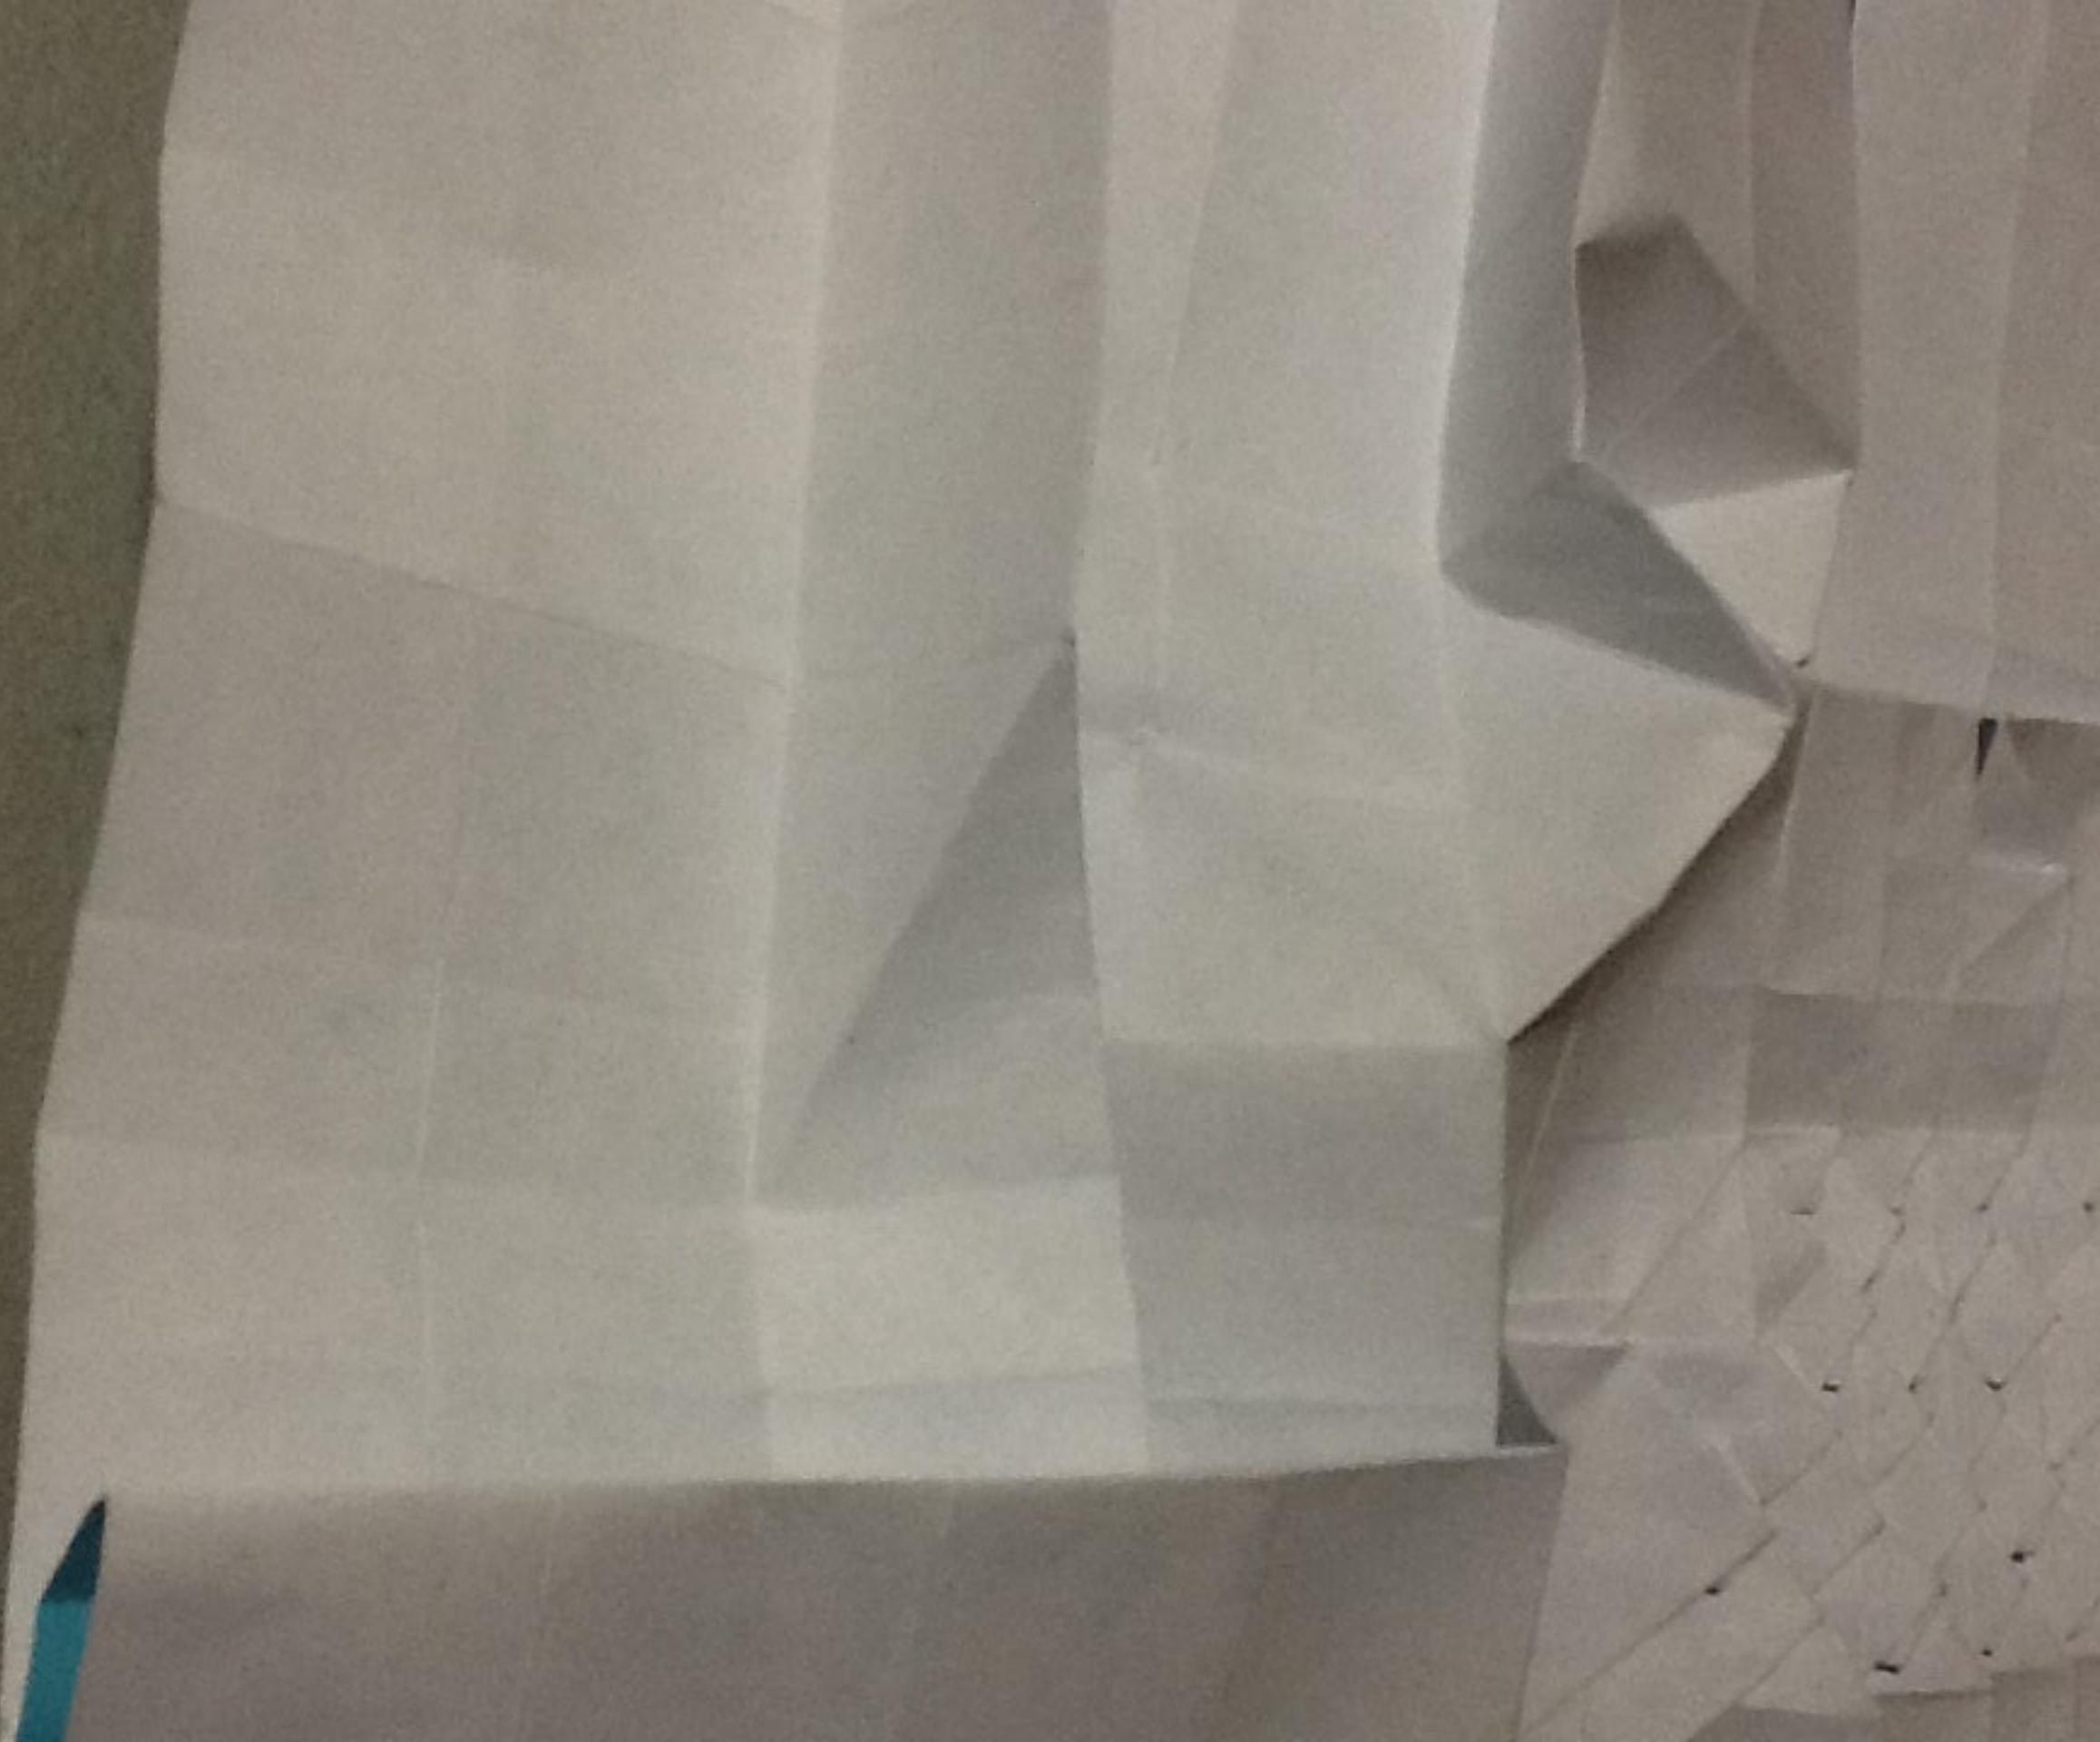

w

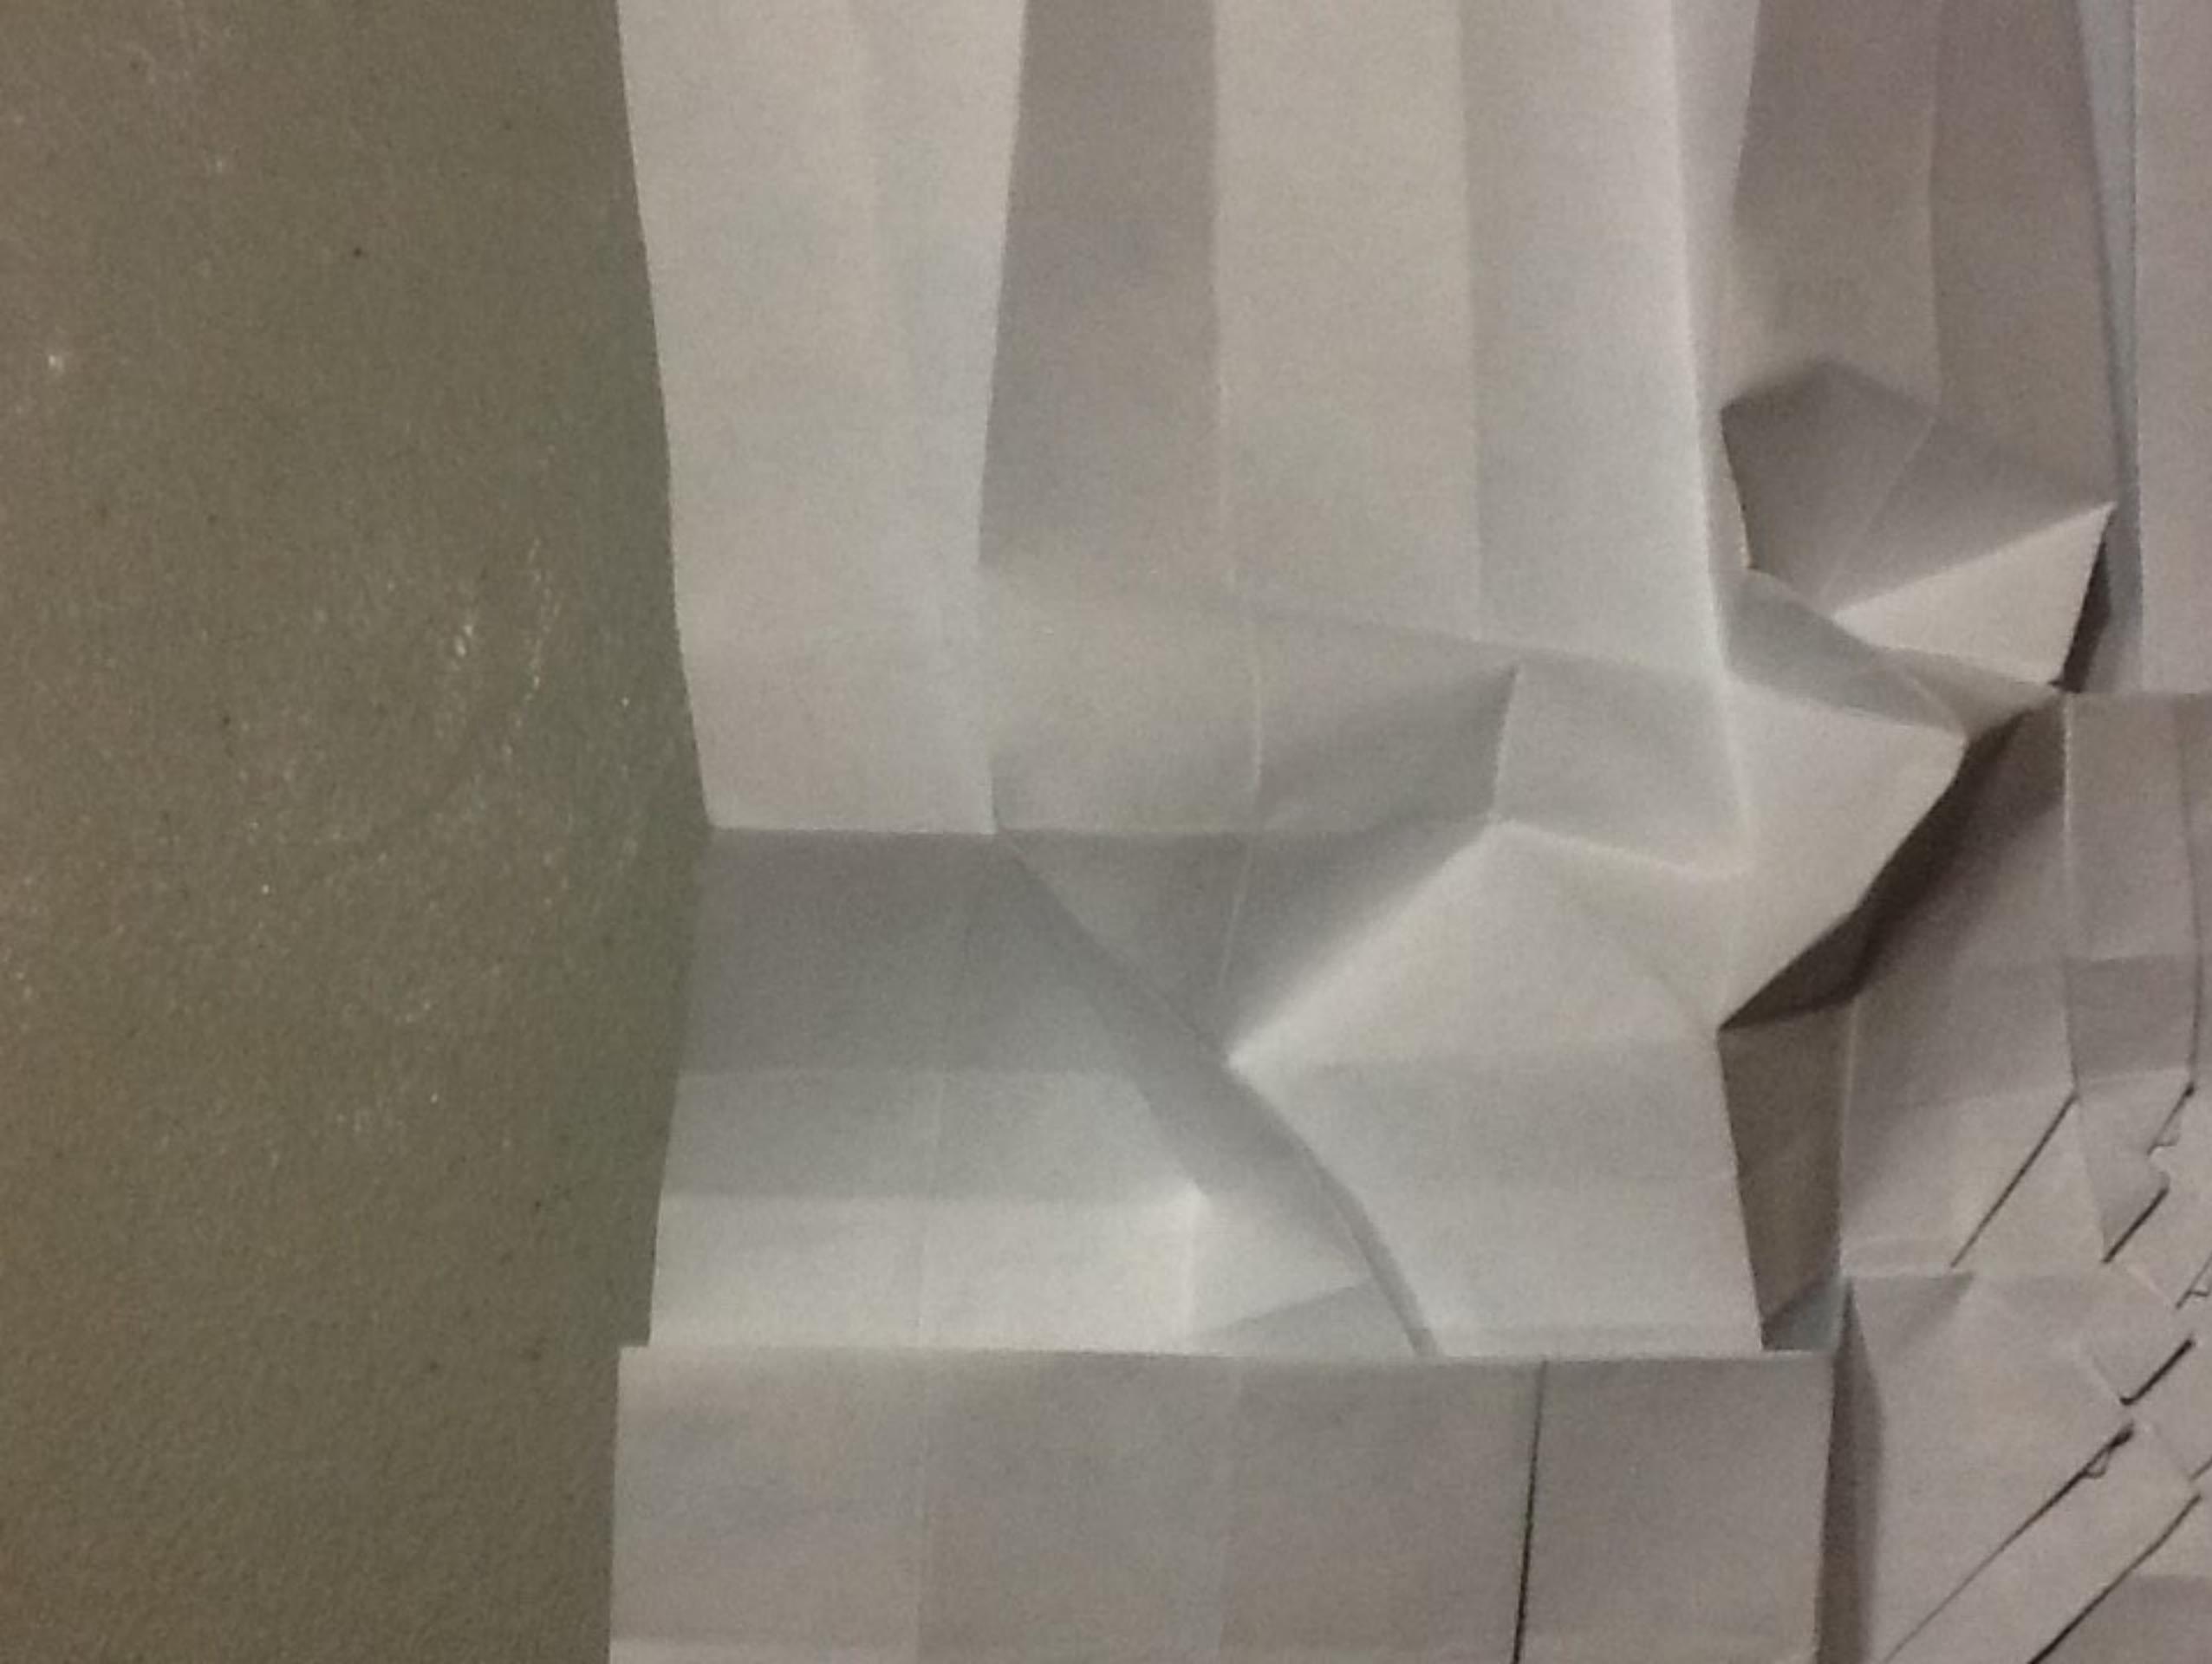

MVC

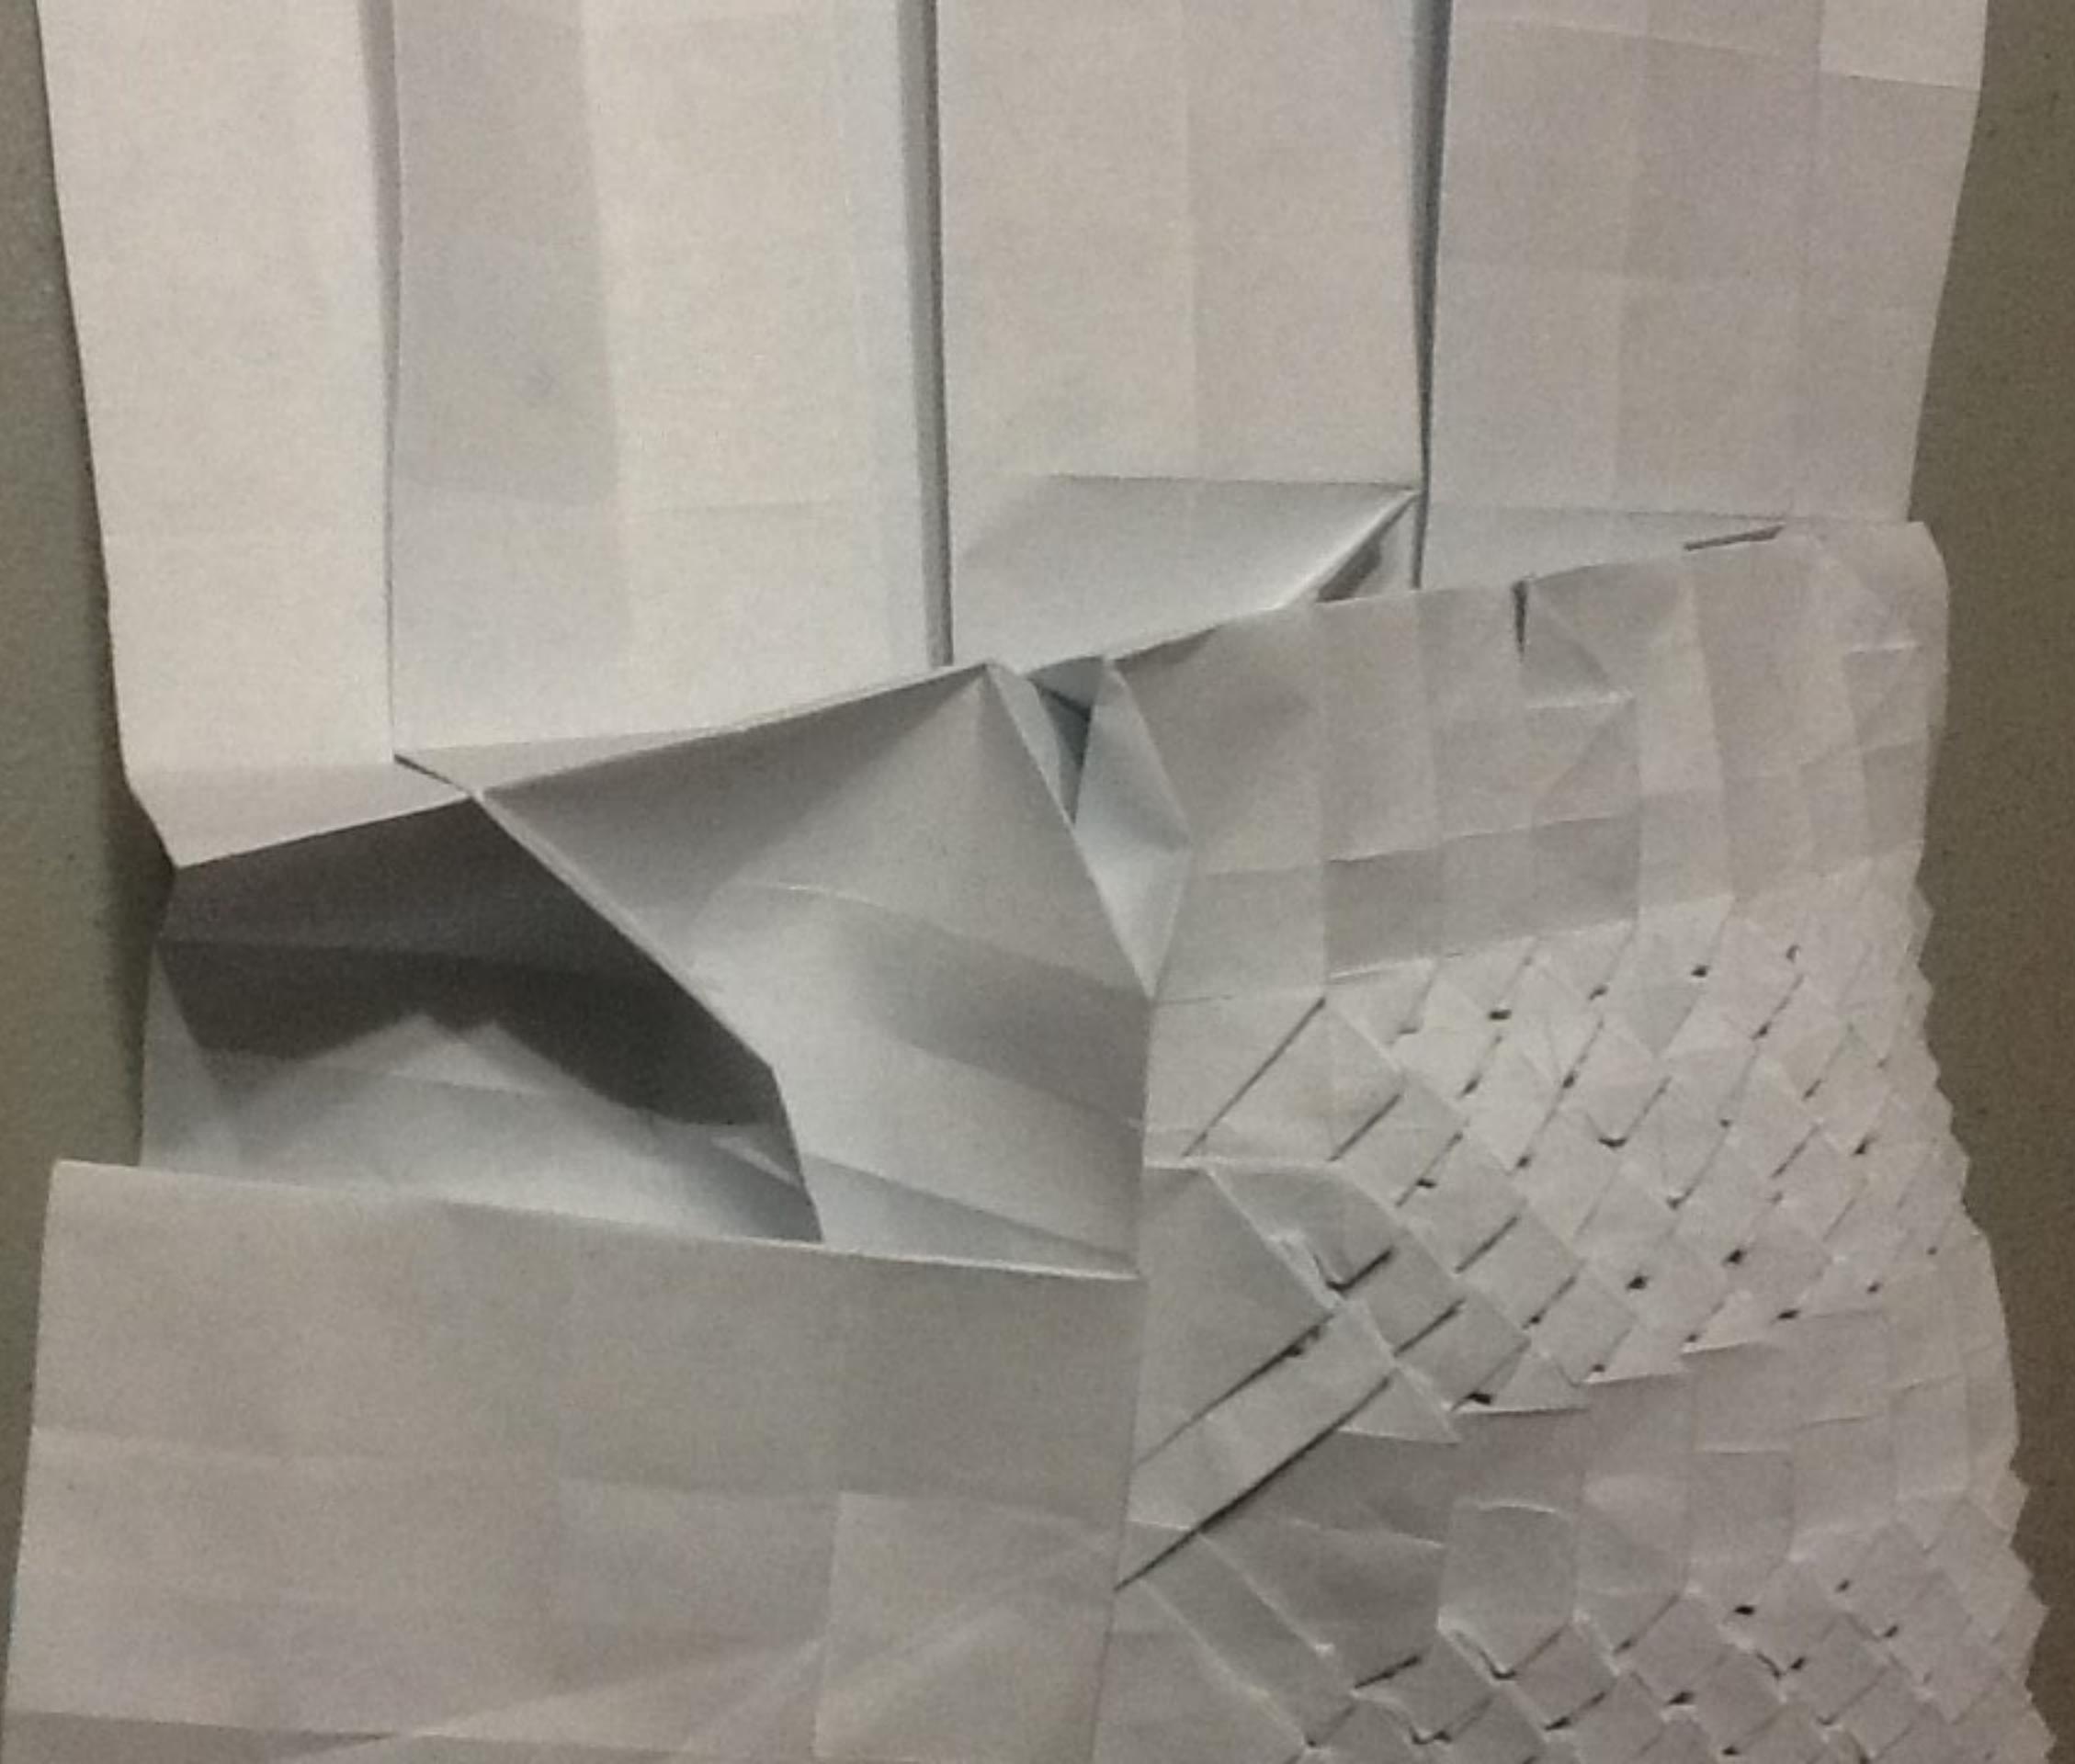

The
11½
line

Begin a
swivel-

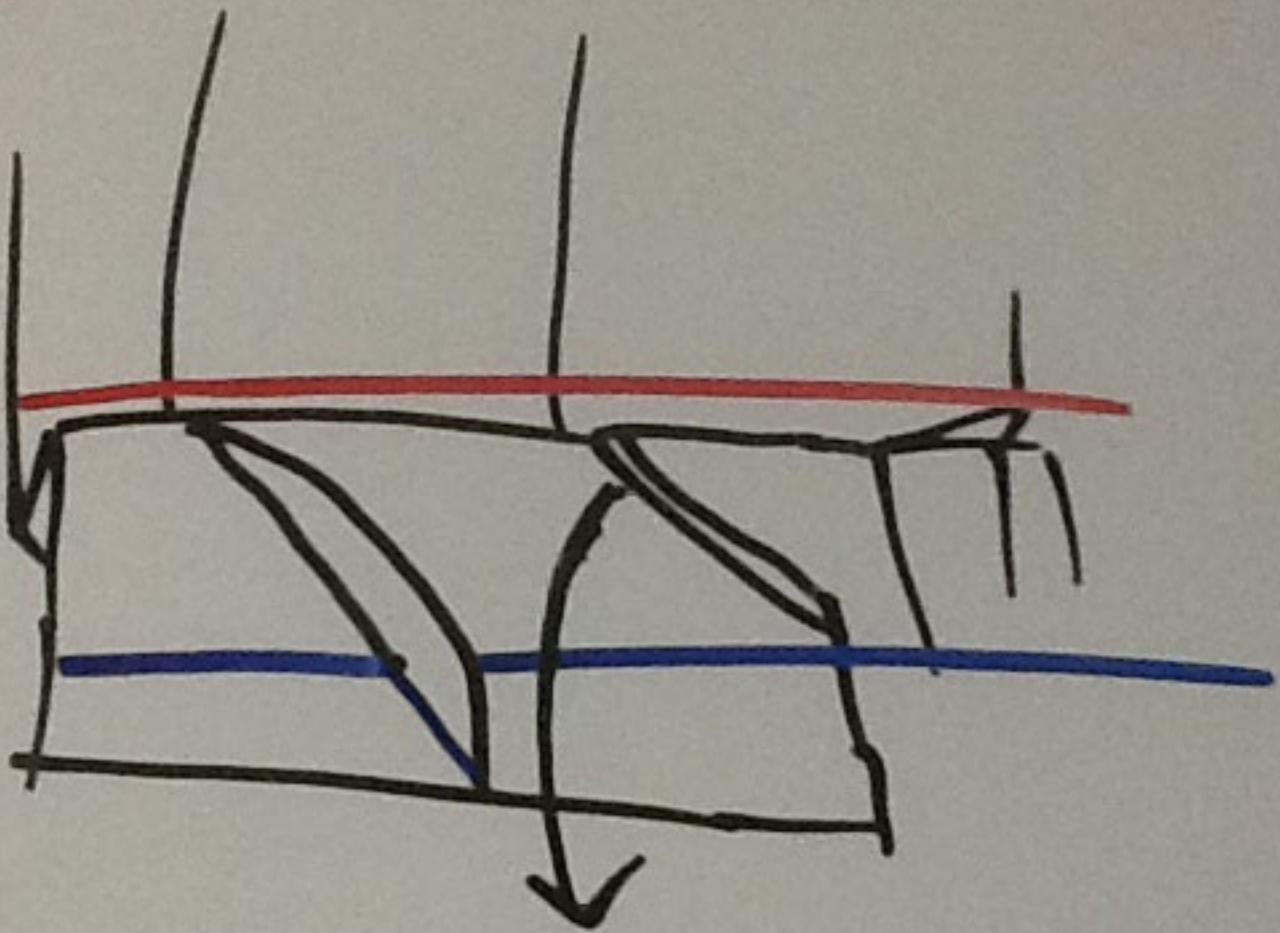

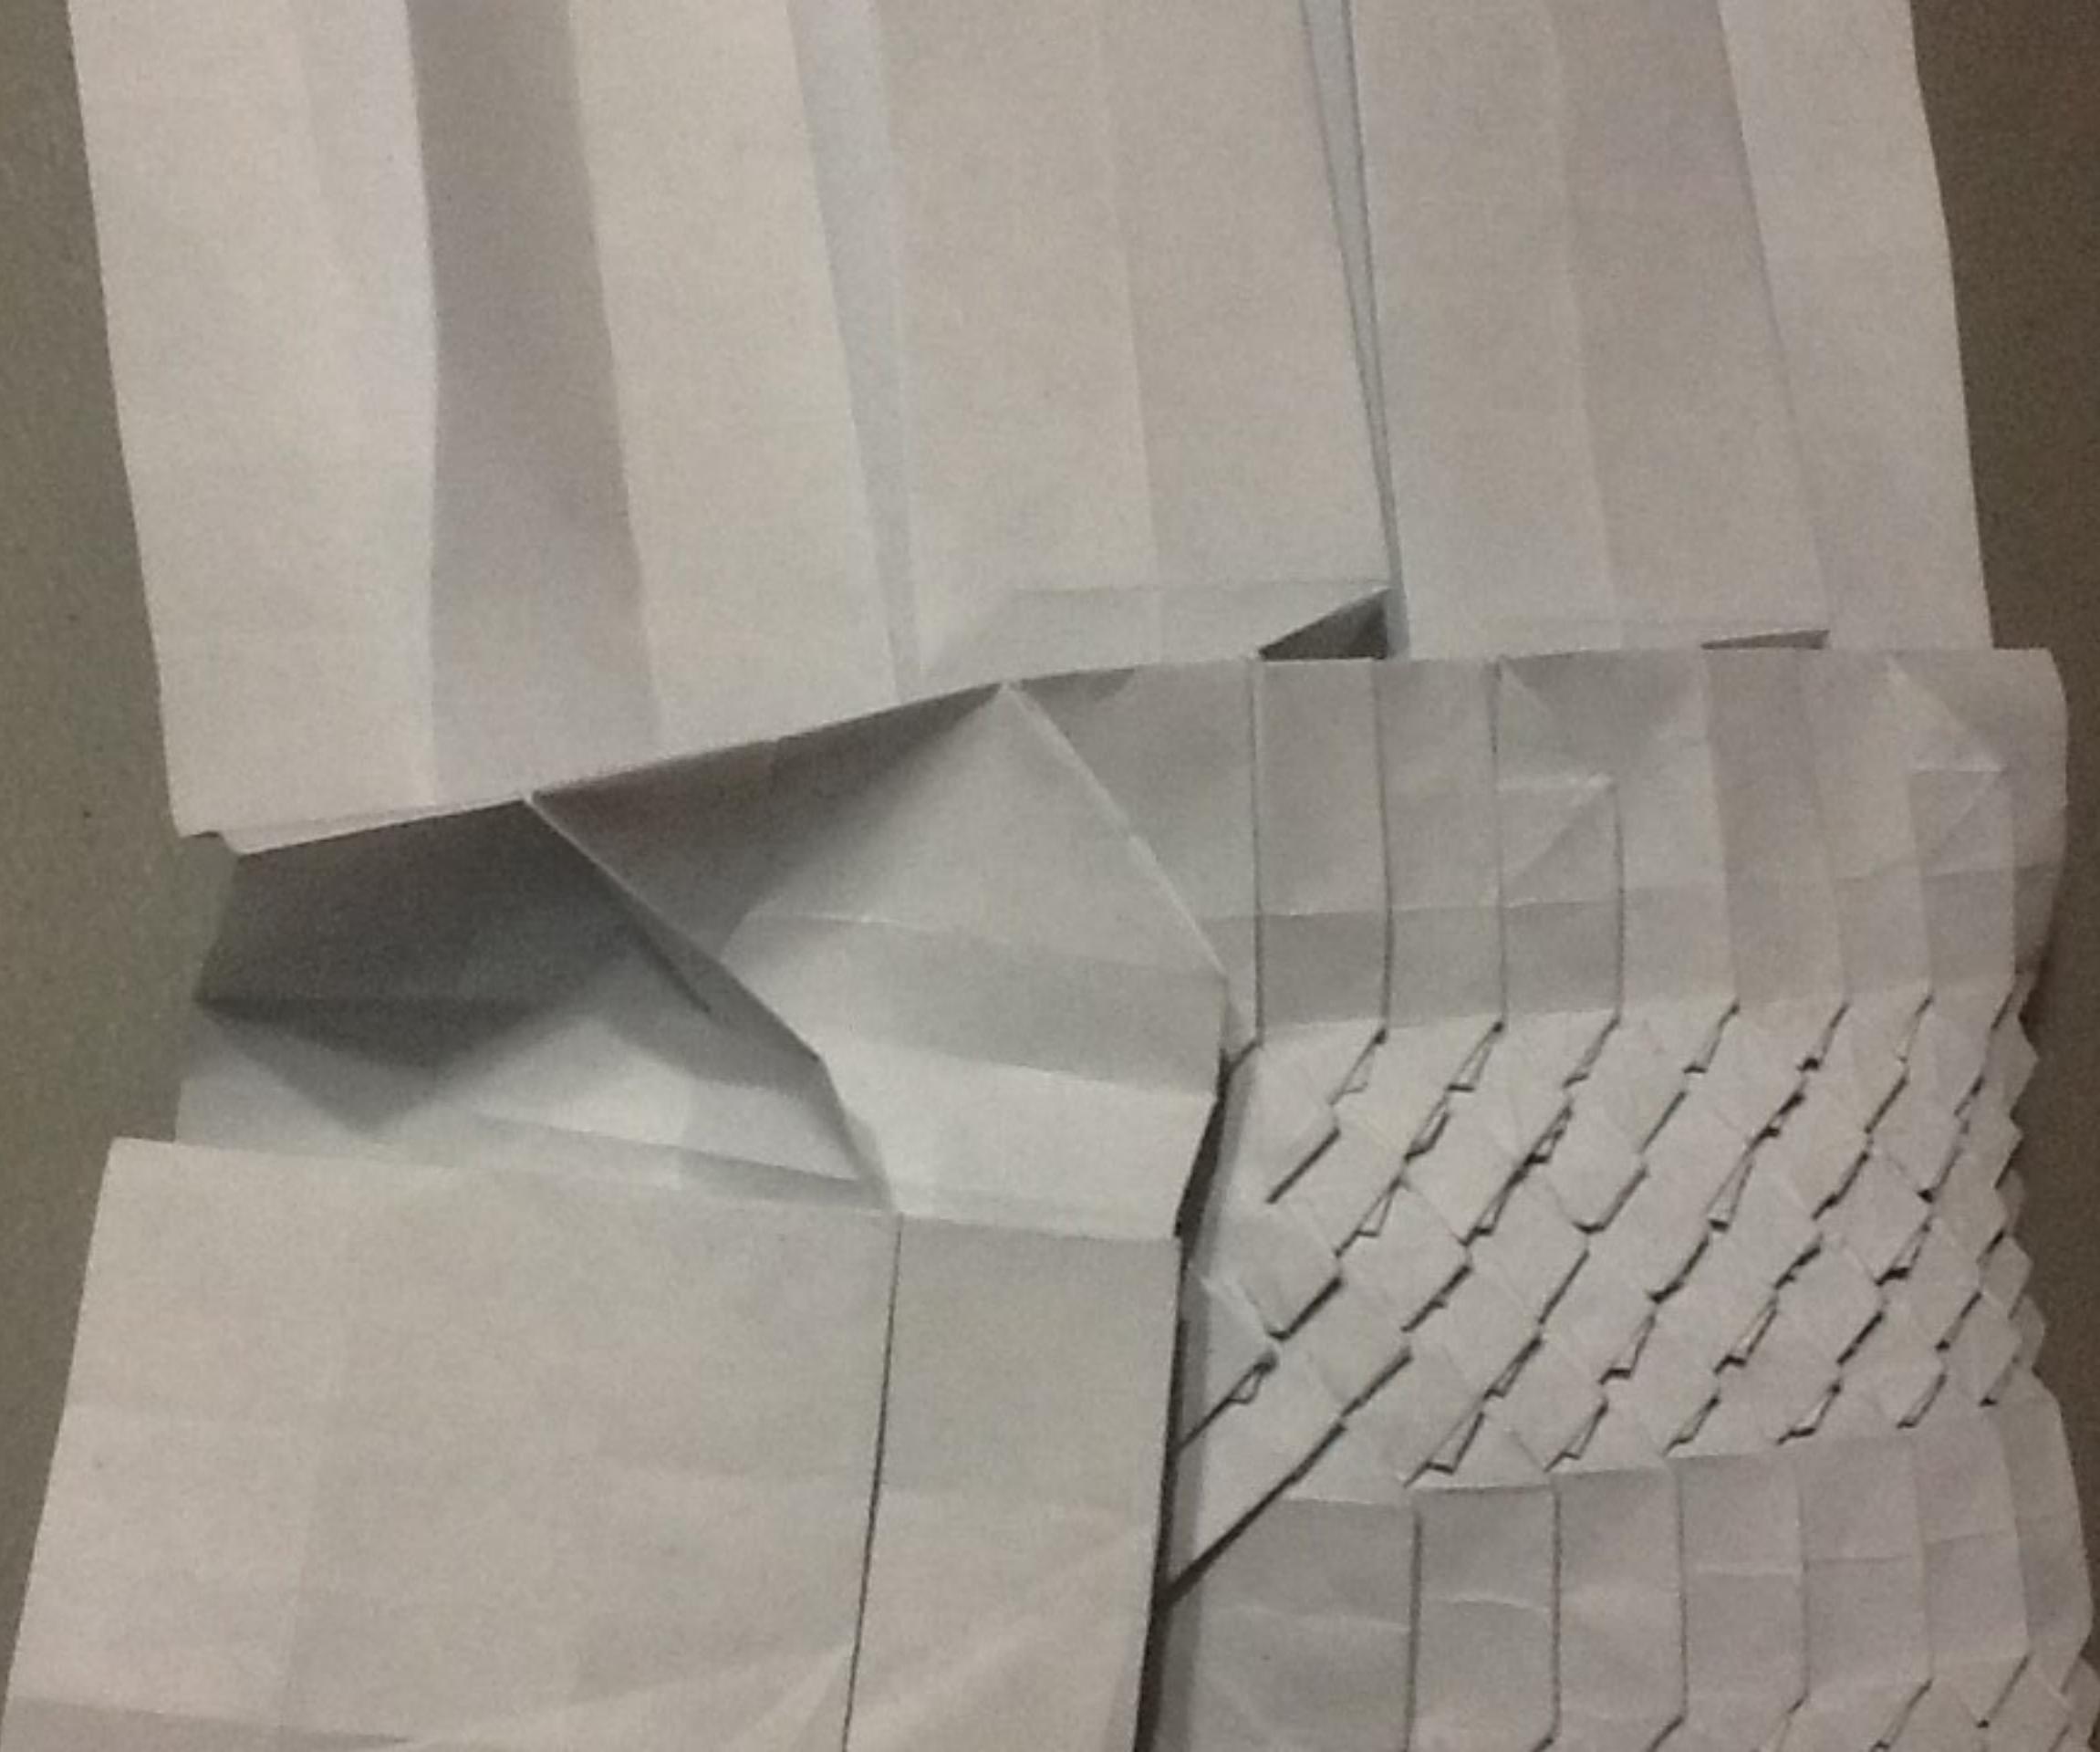

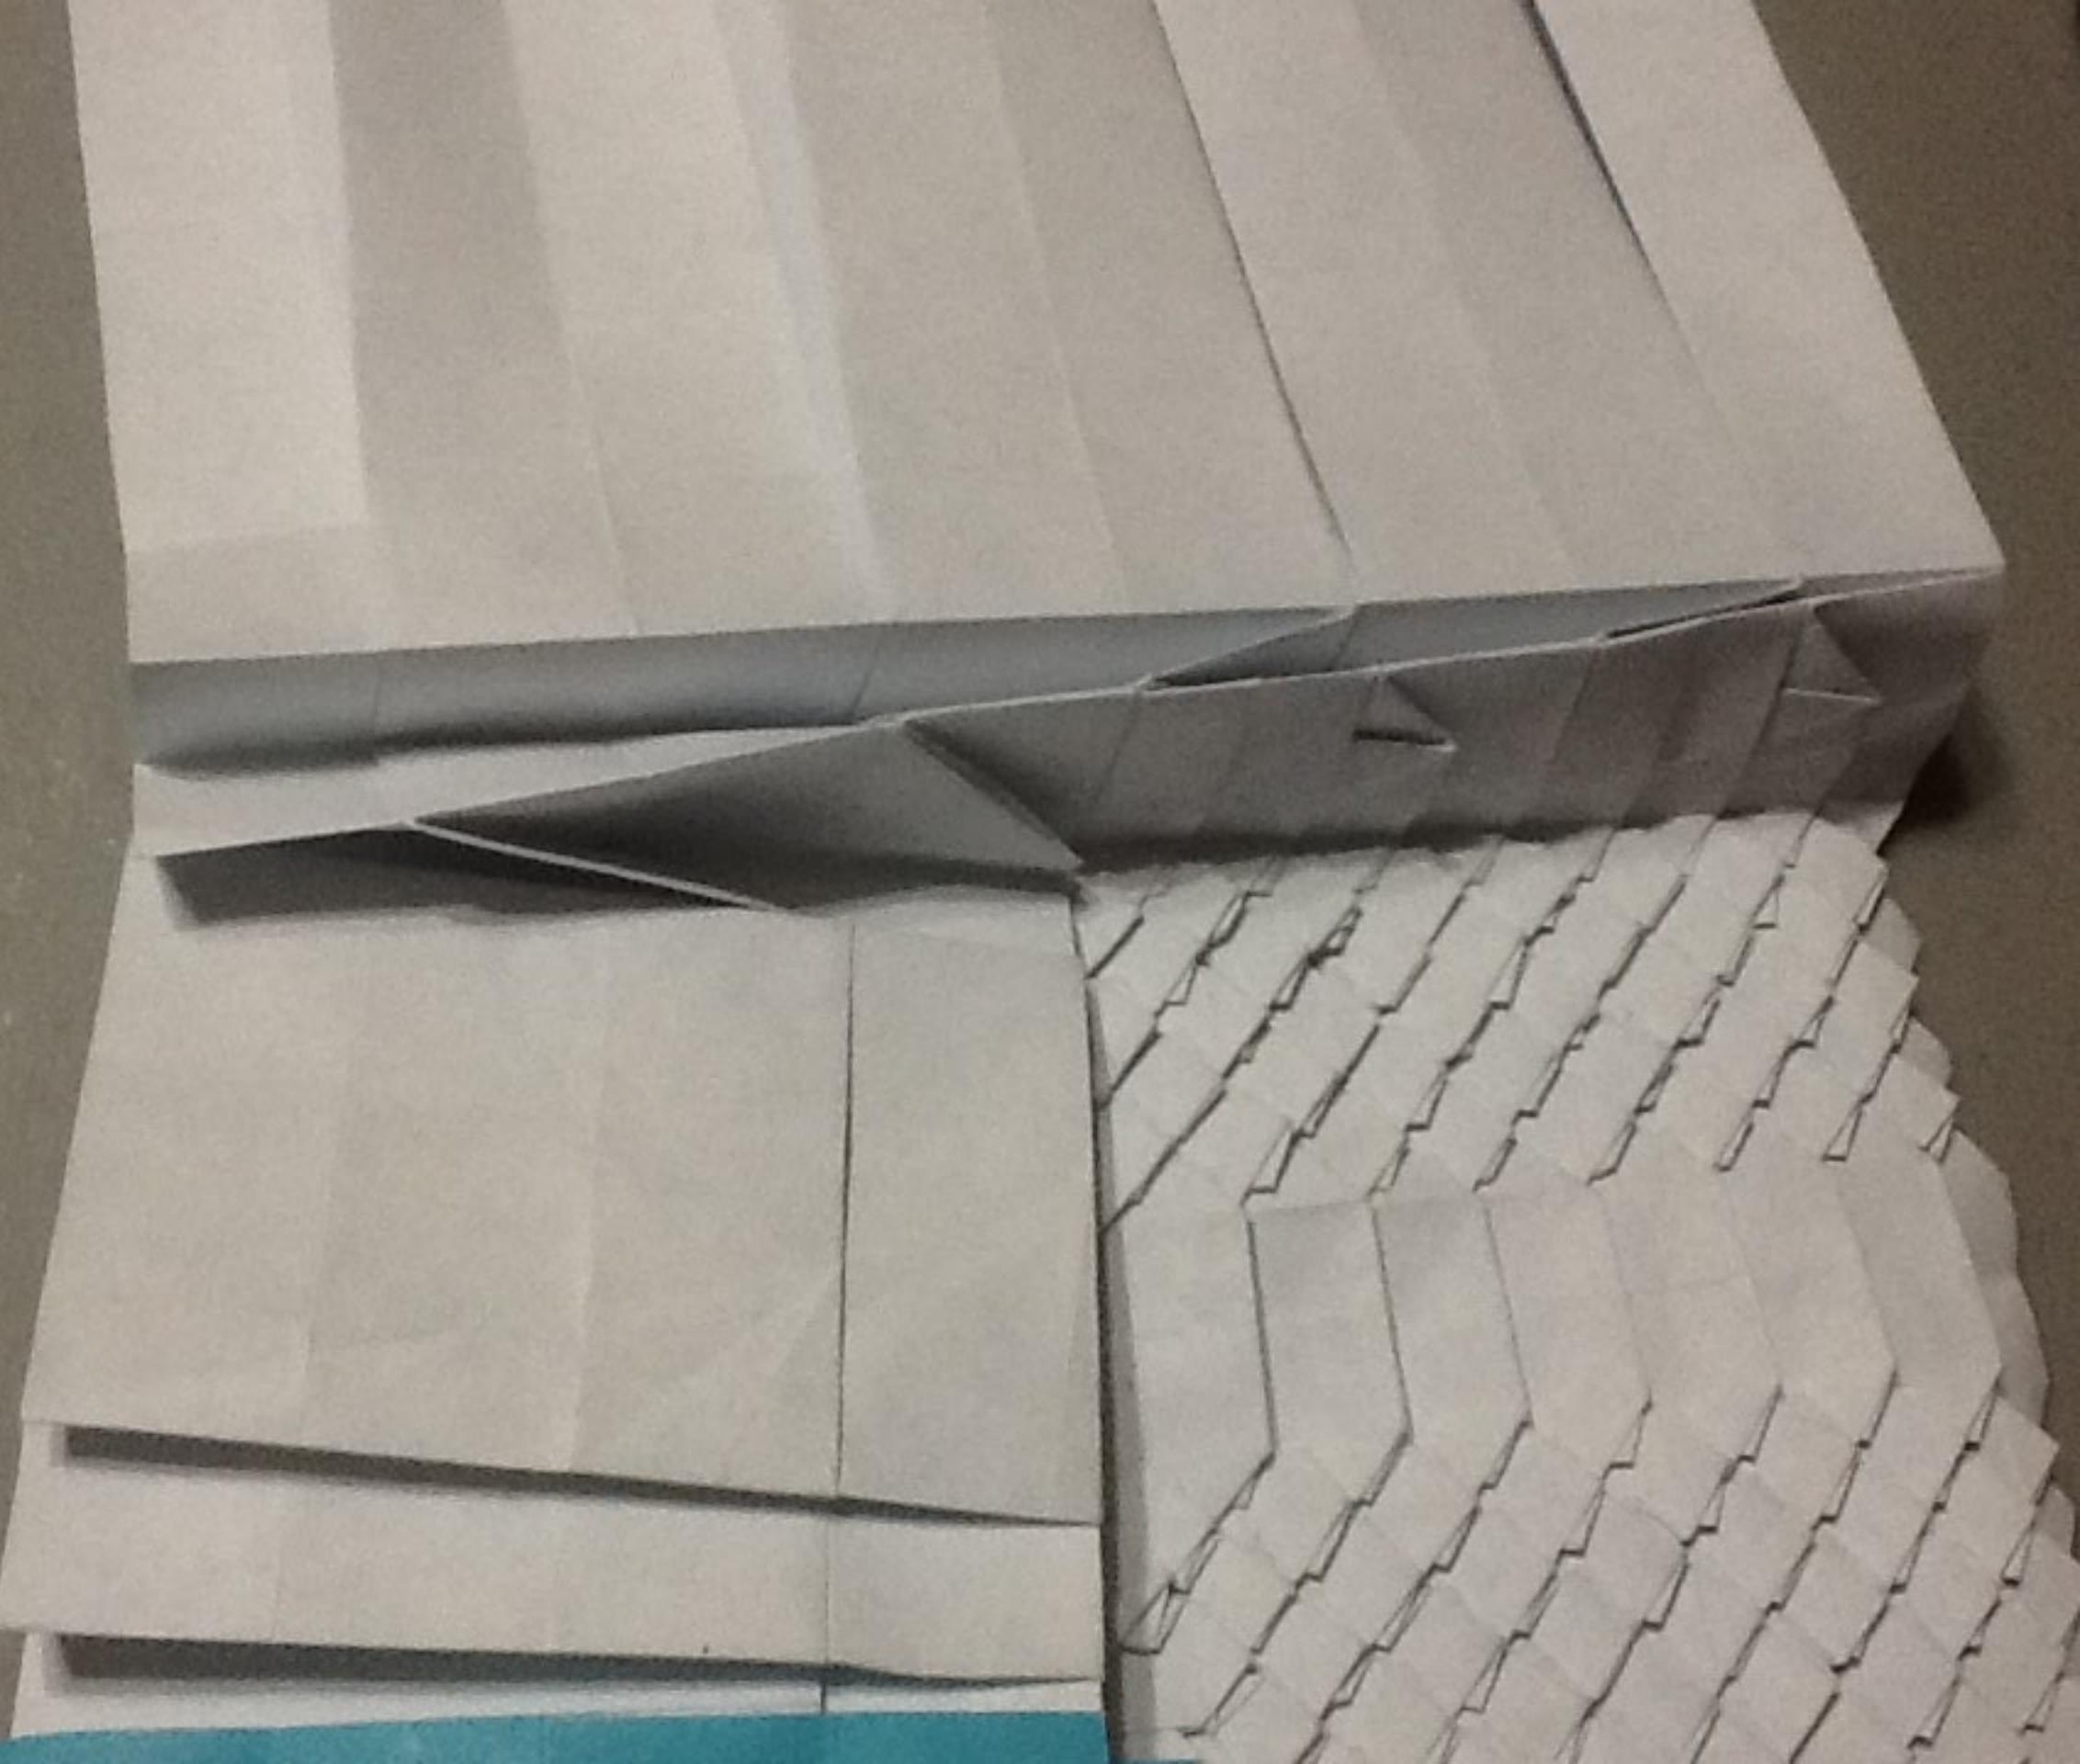

MVC

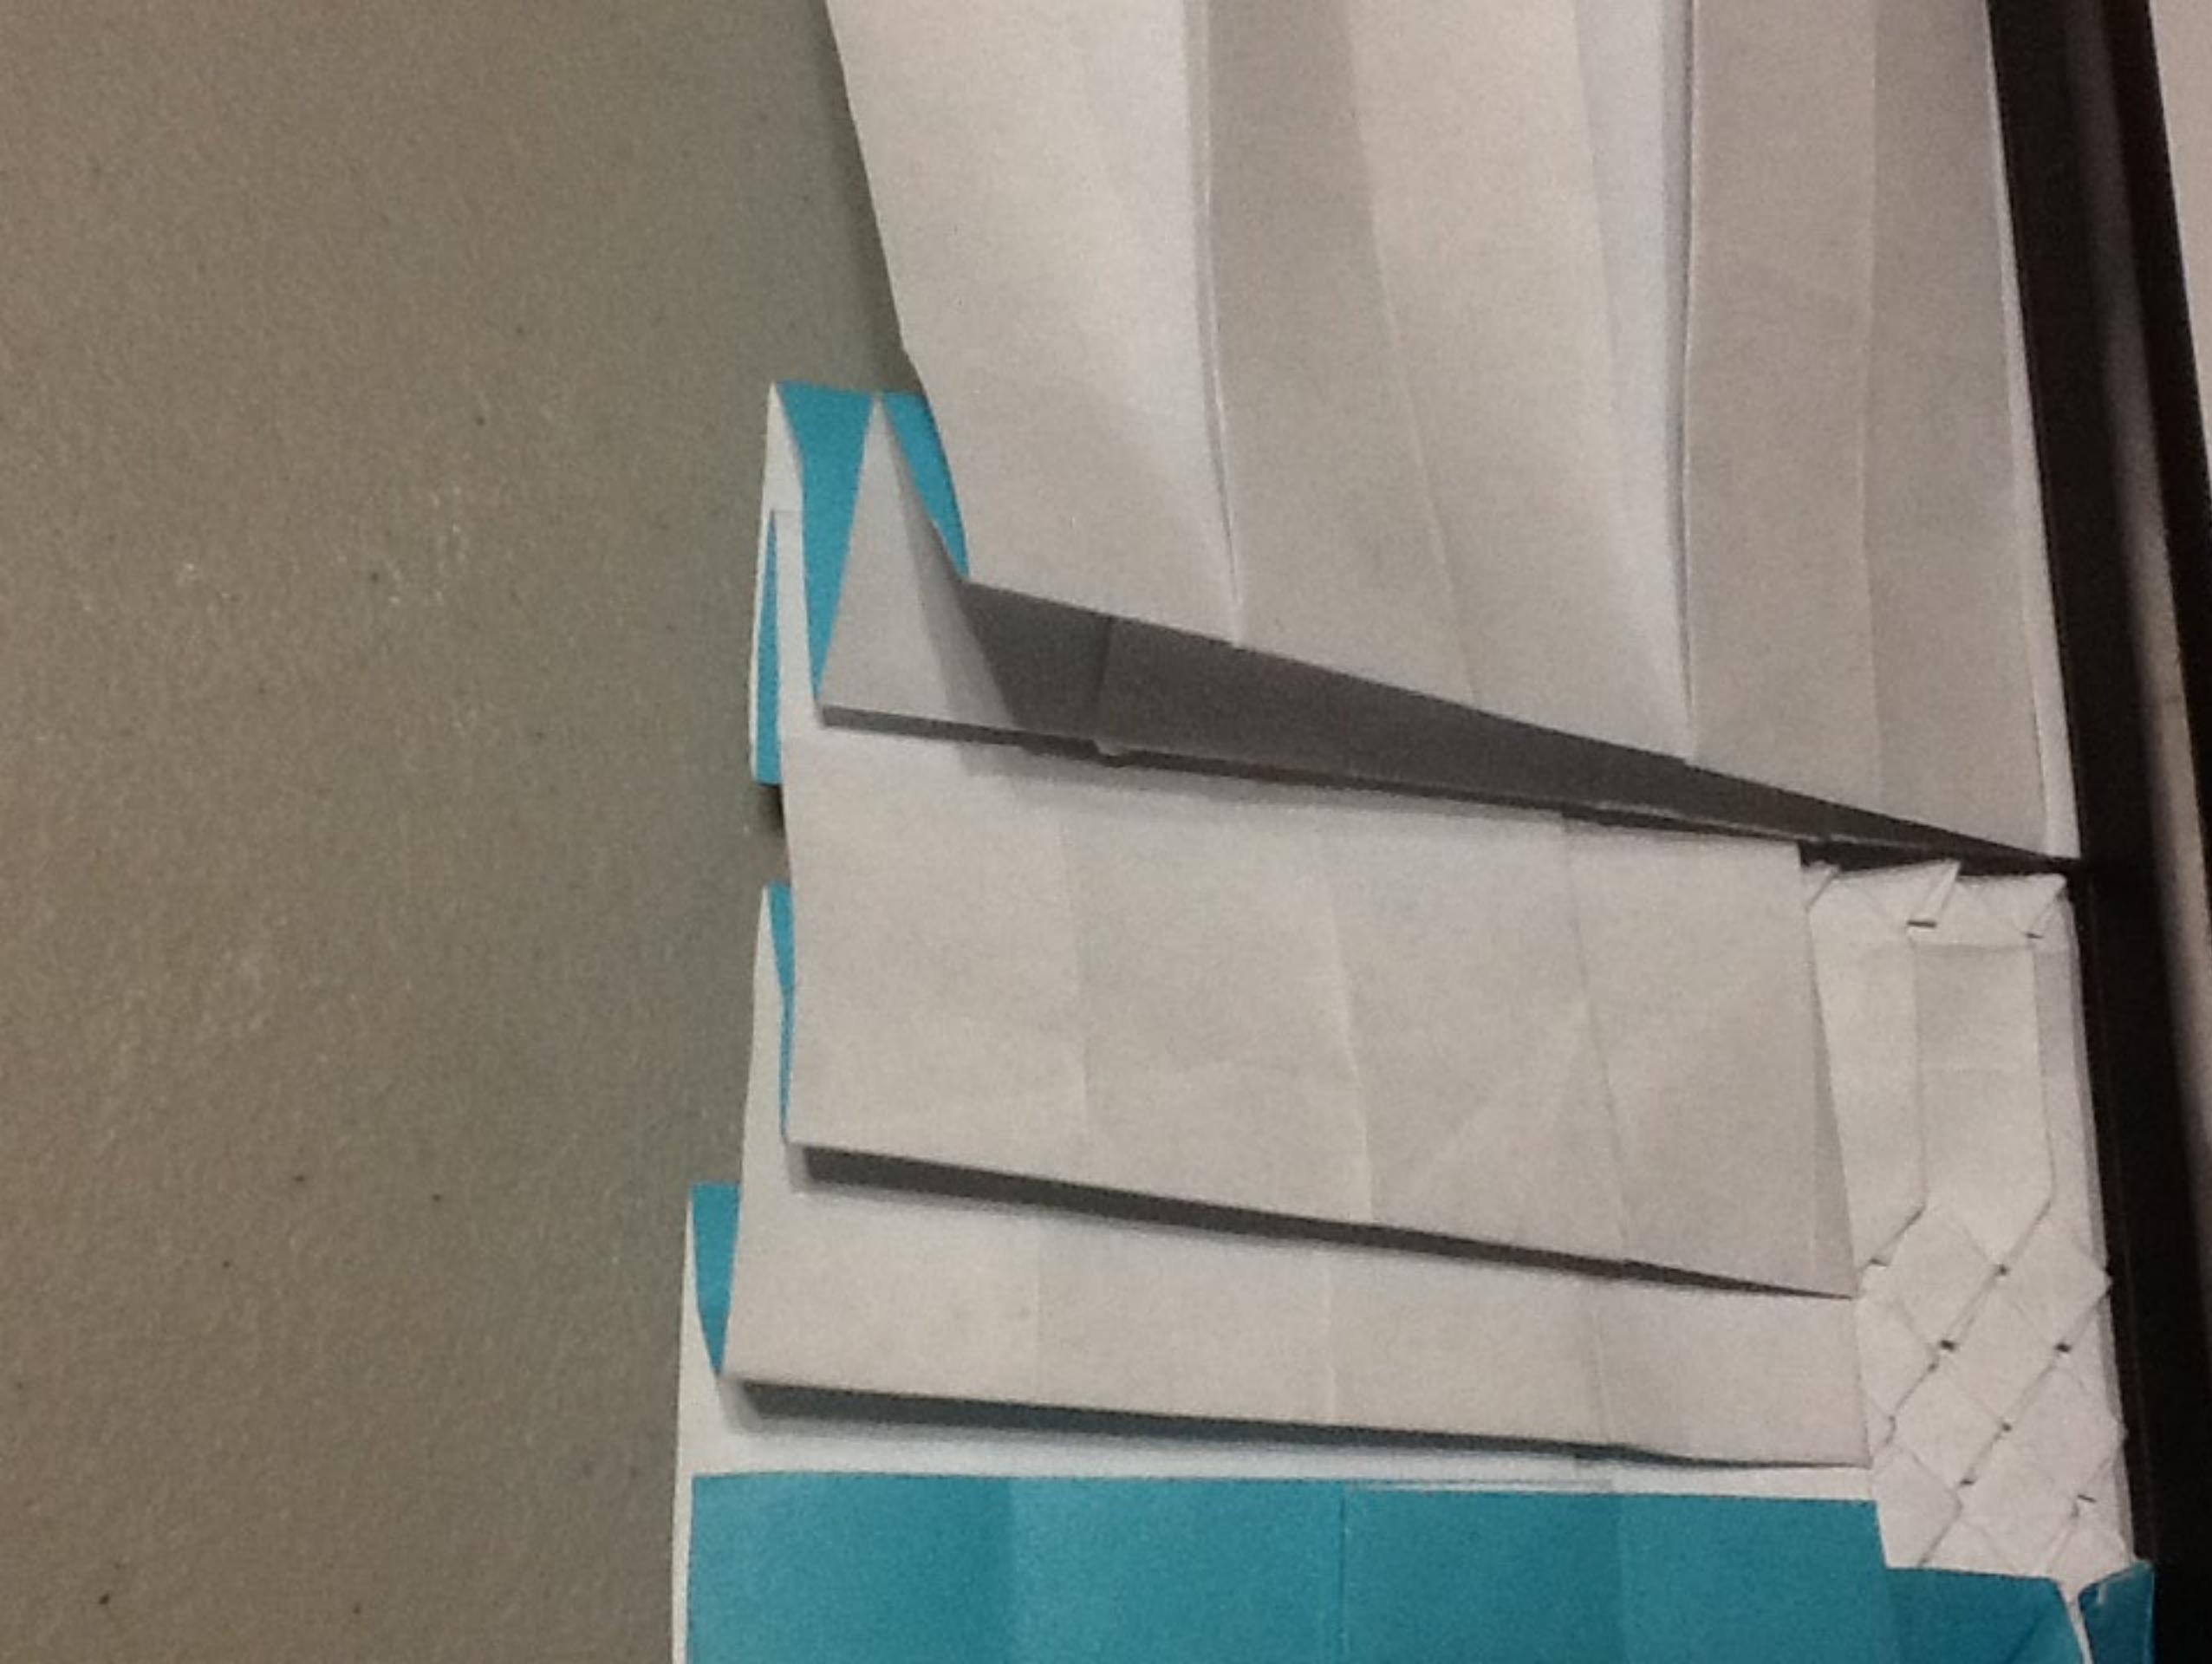

w

close up-

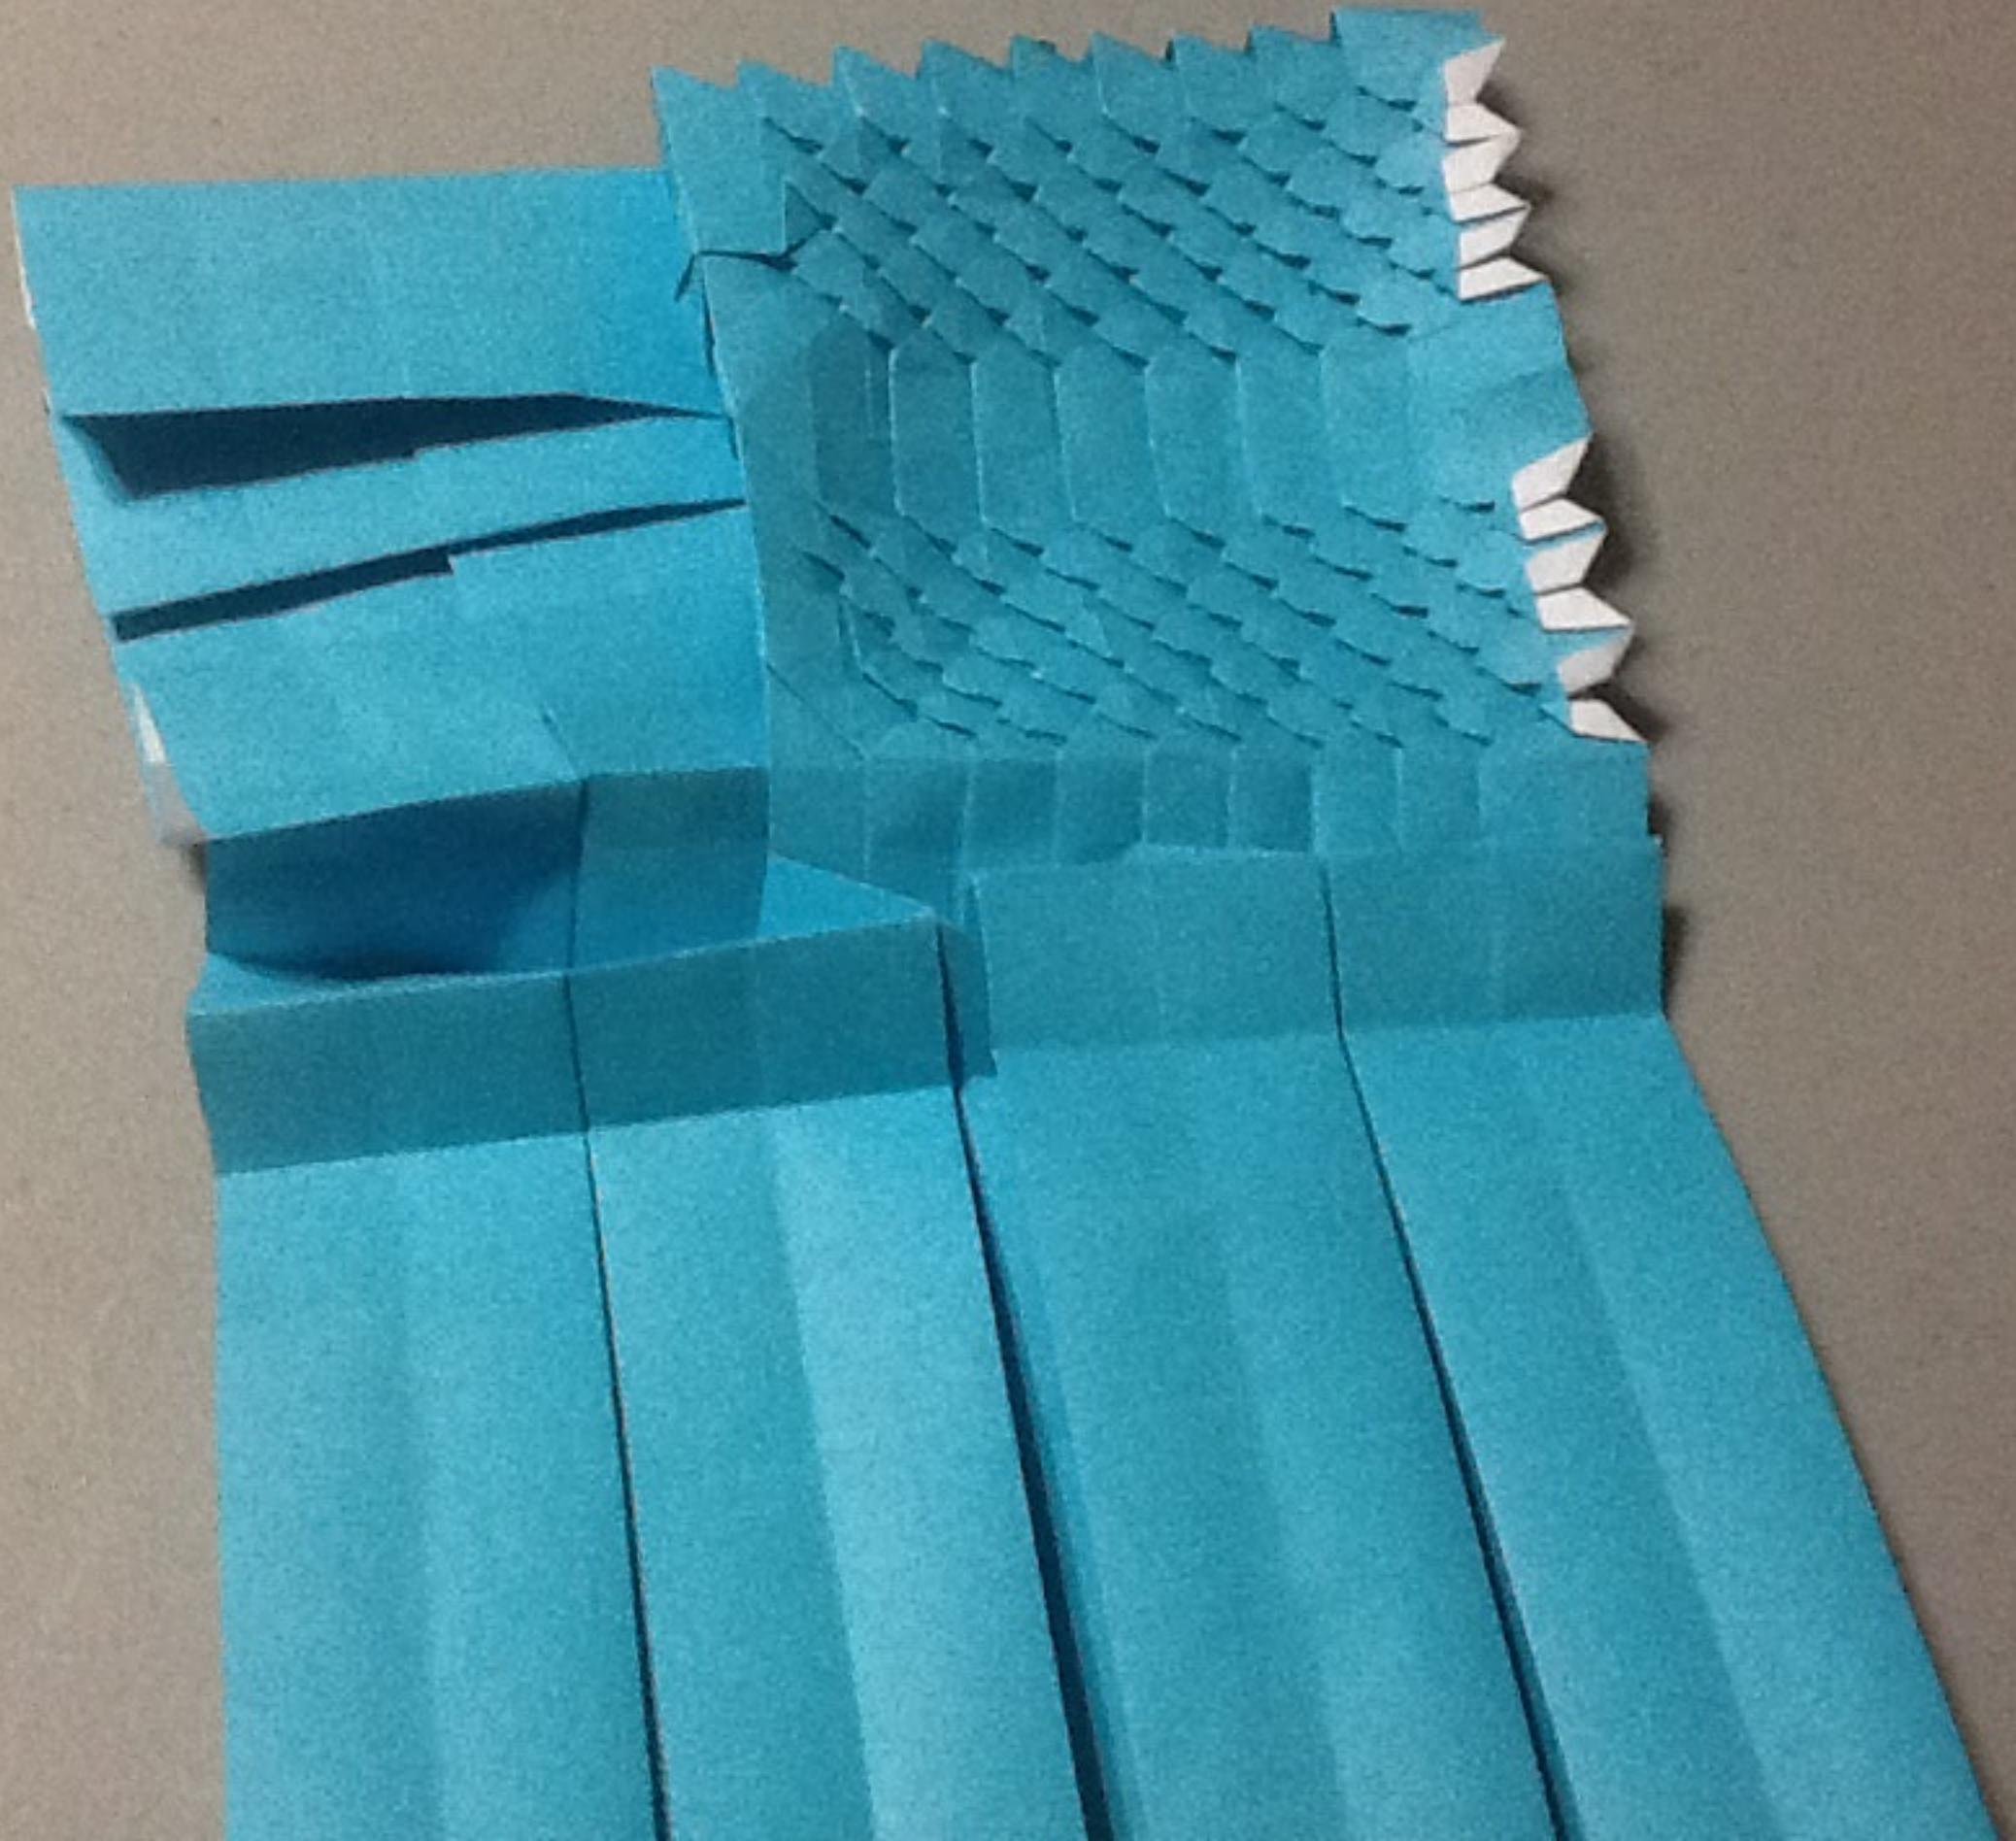

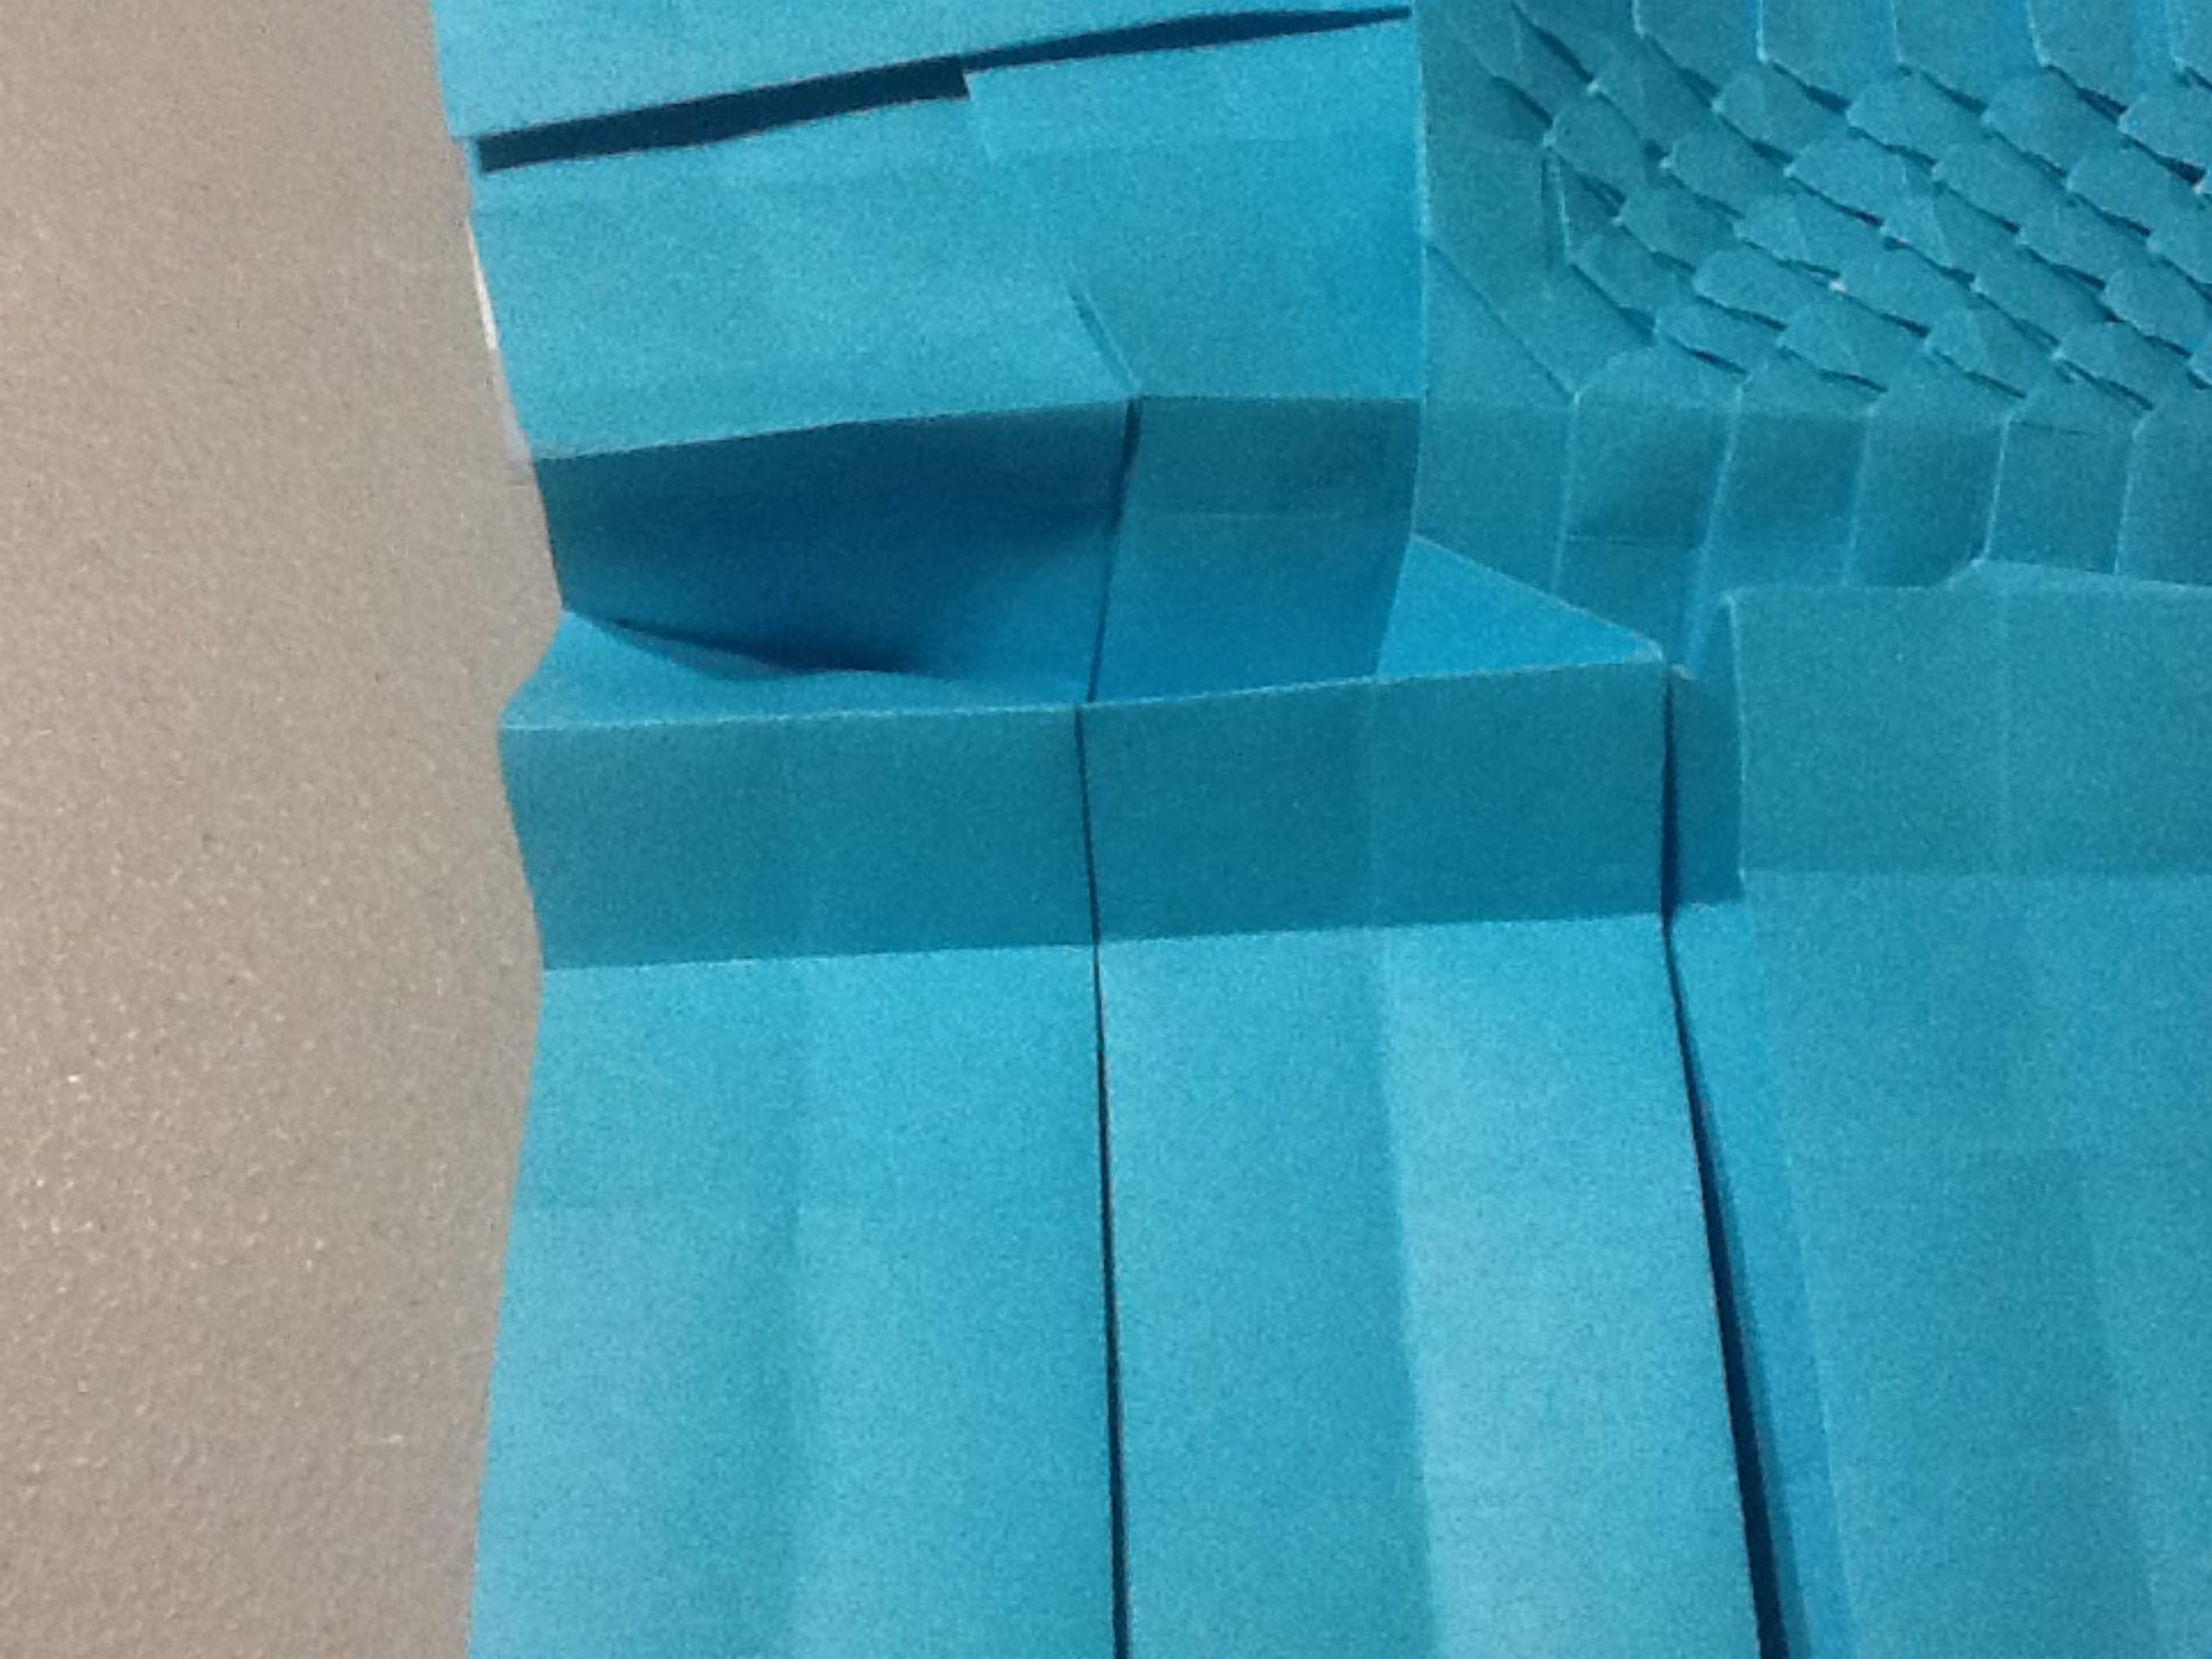

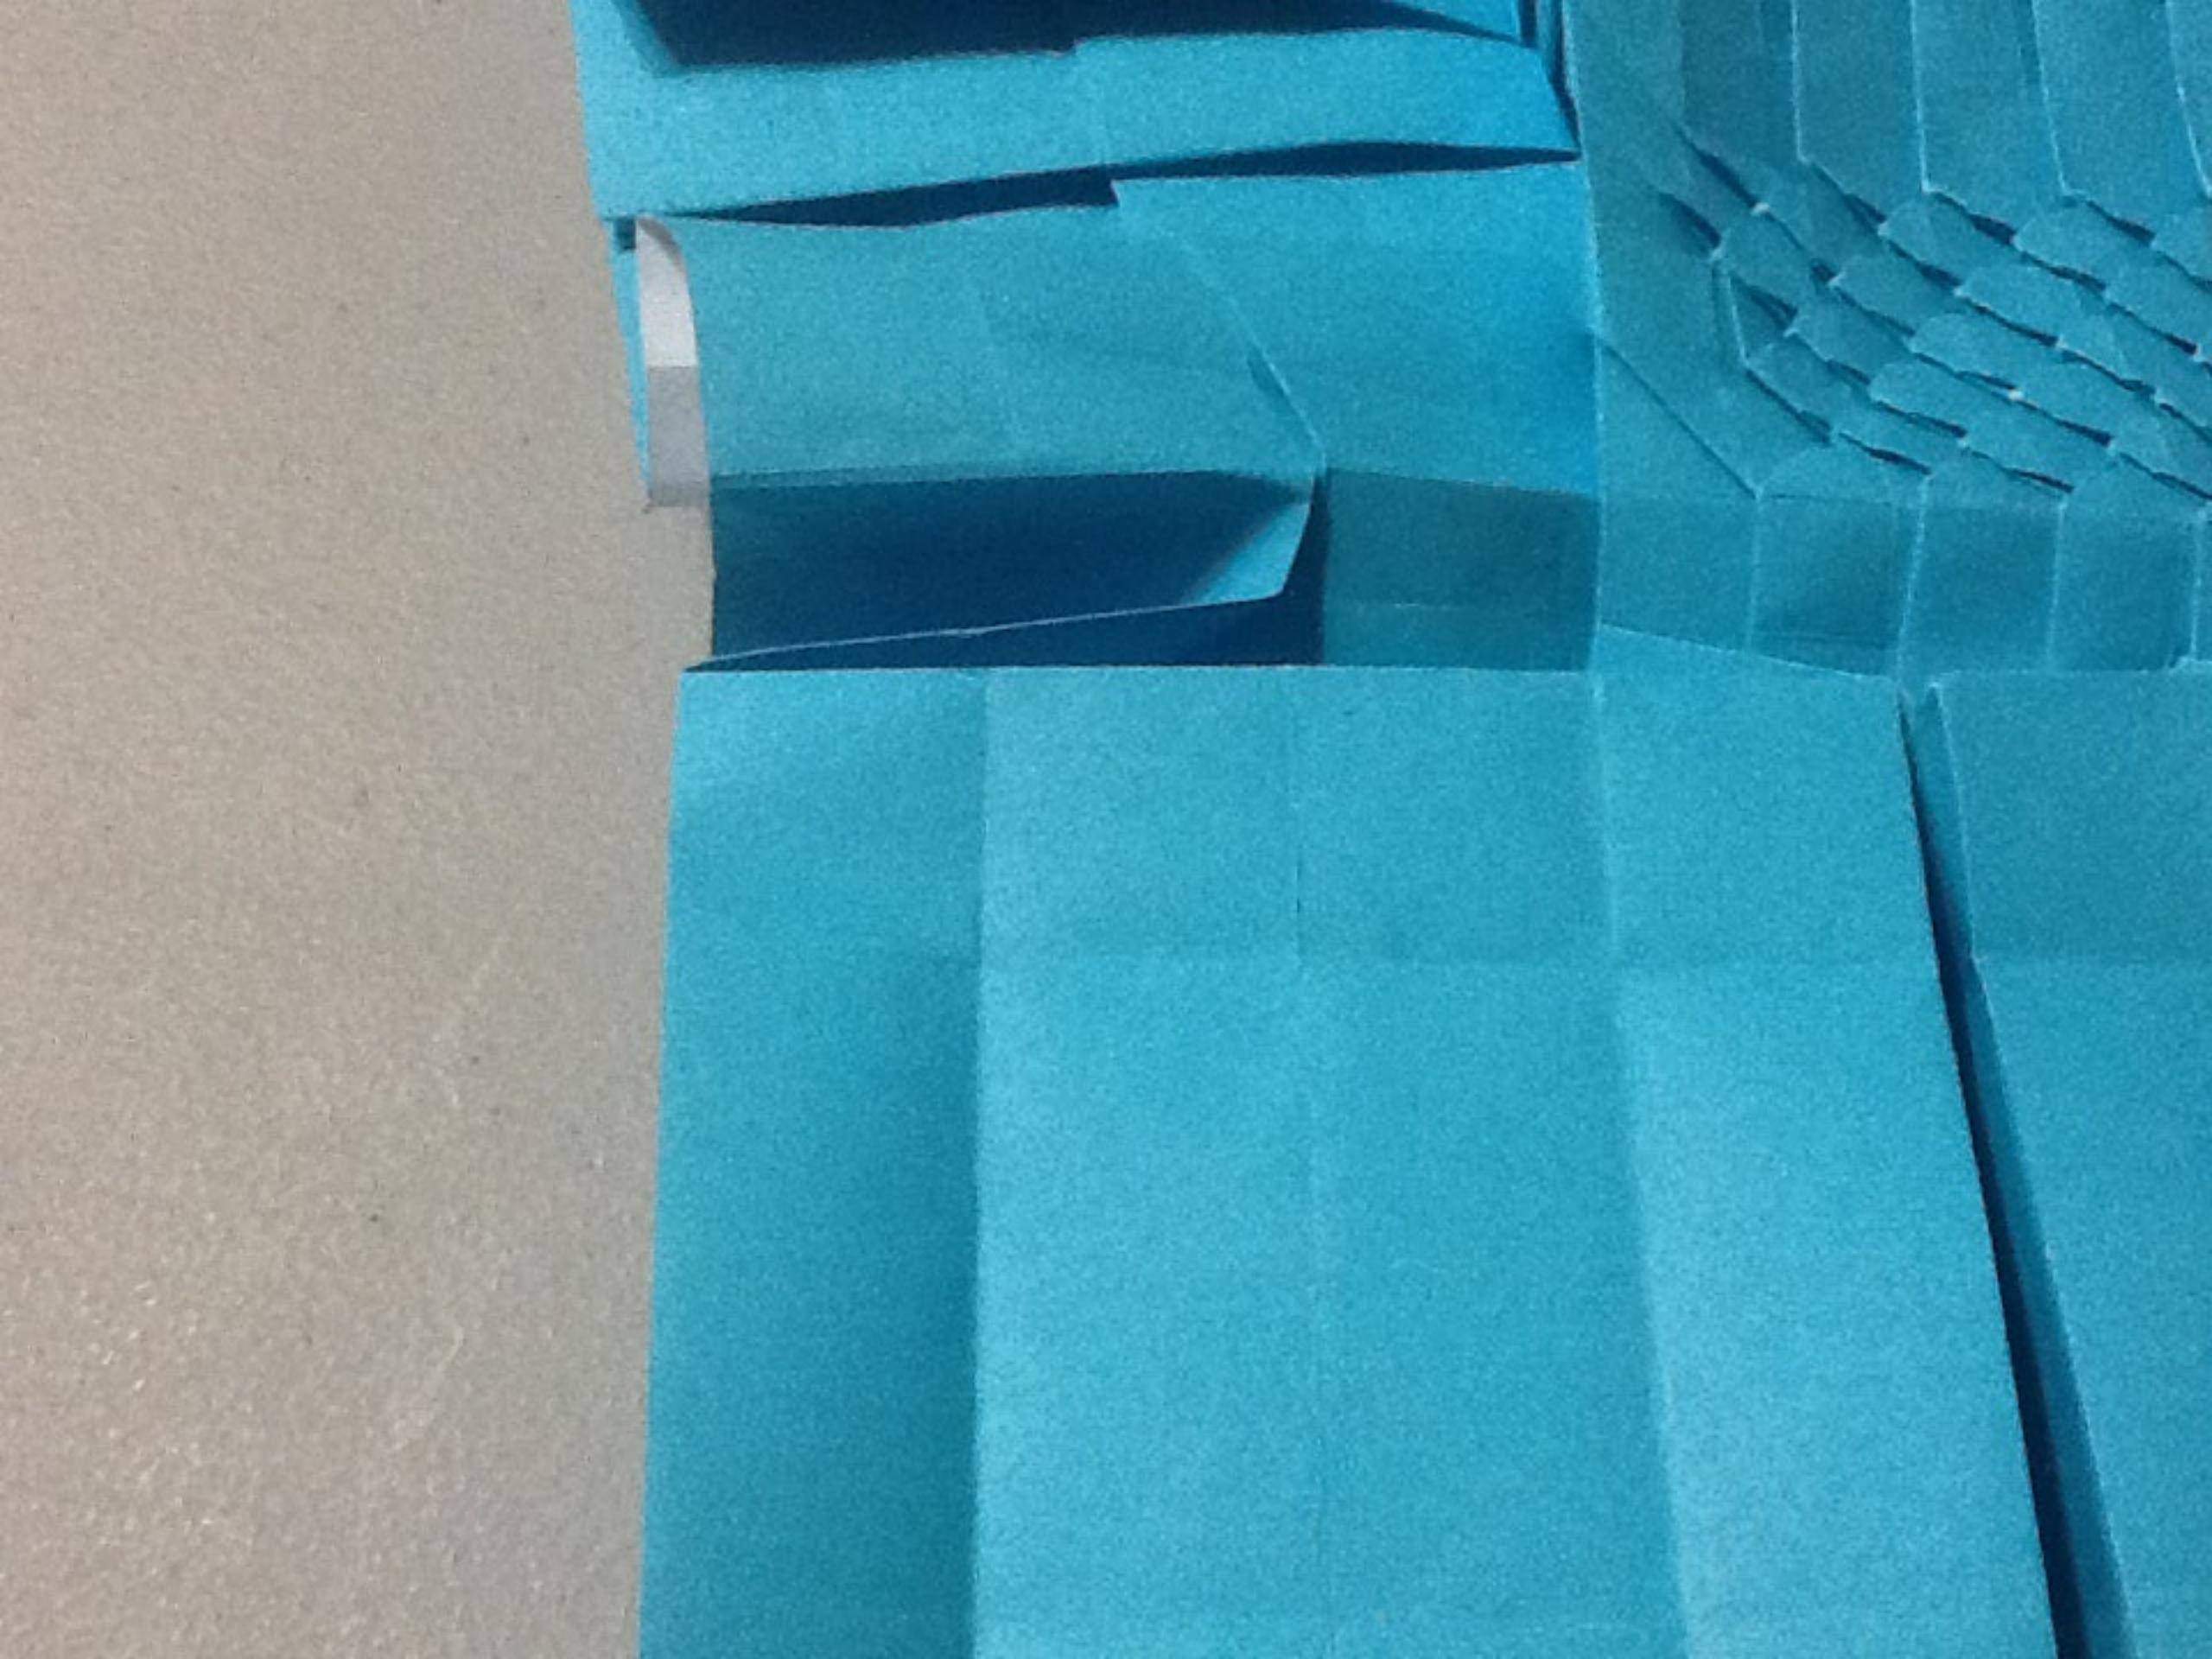

MVC

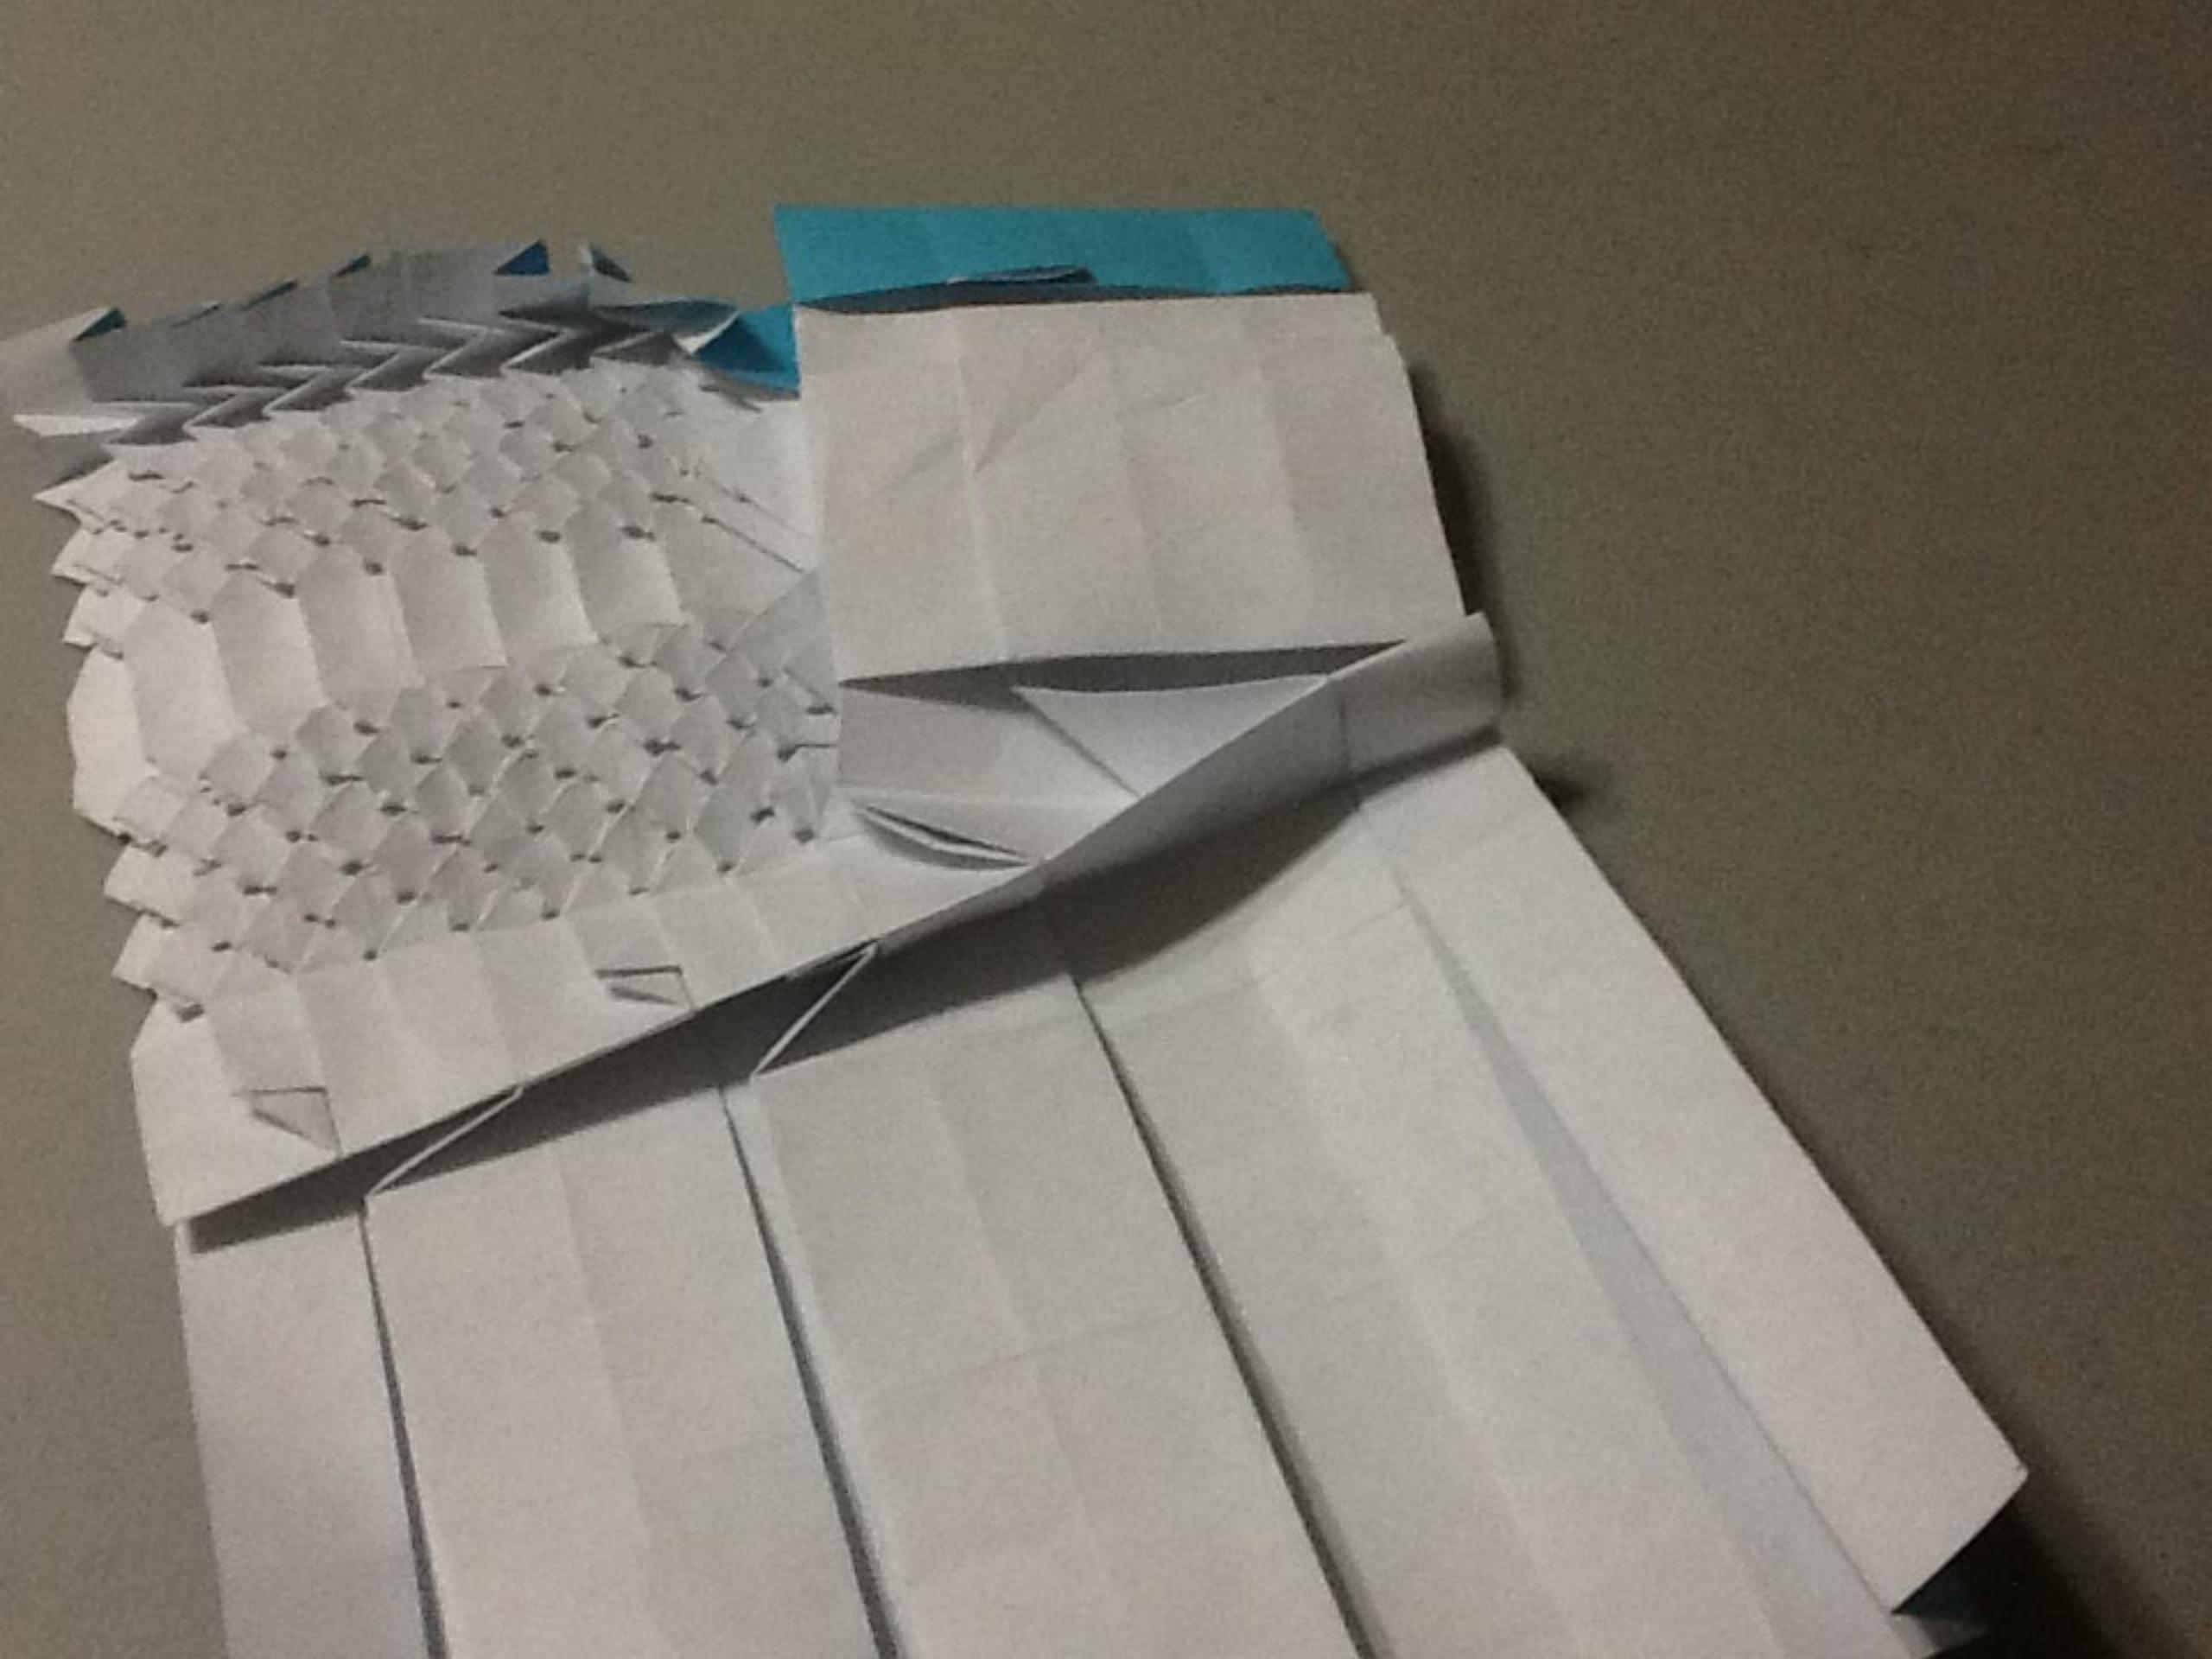

Stretch out a
point by following
the photos-

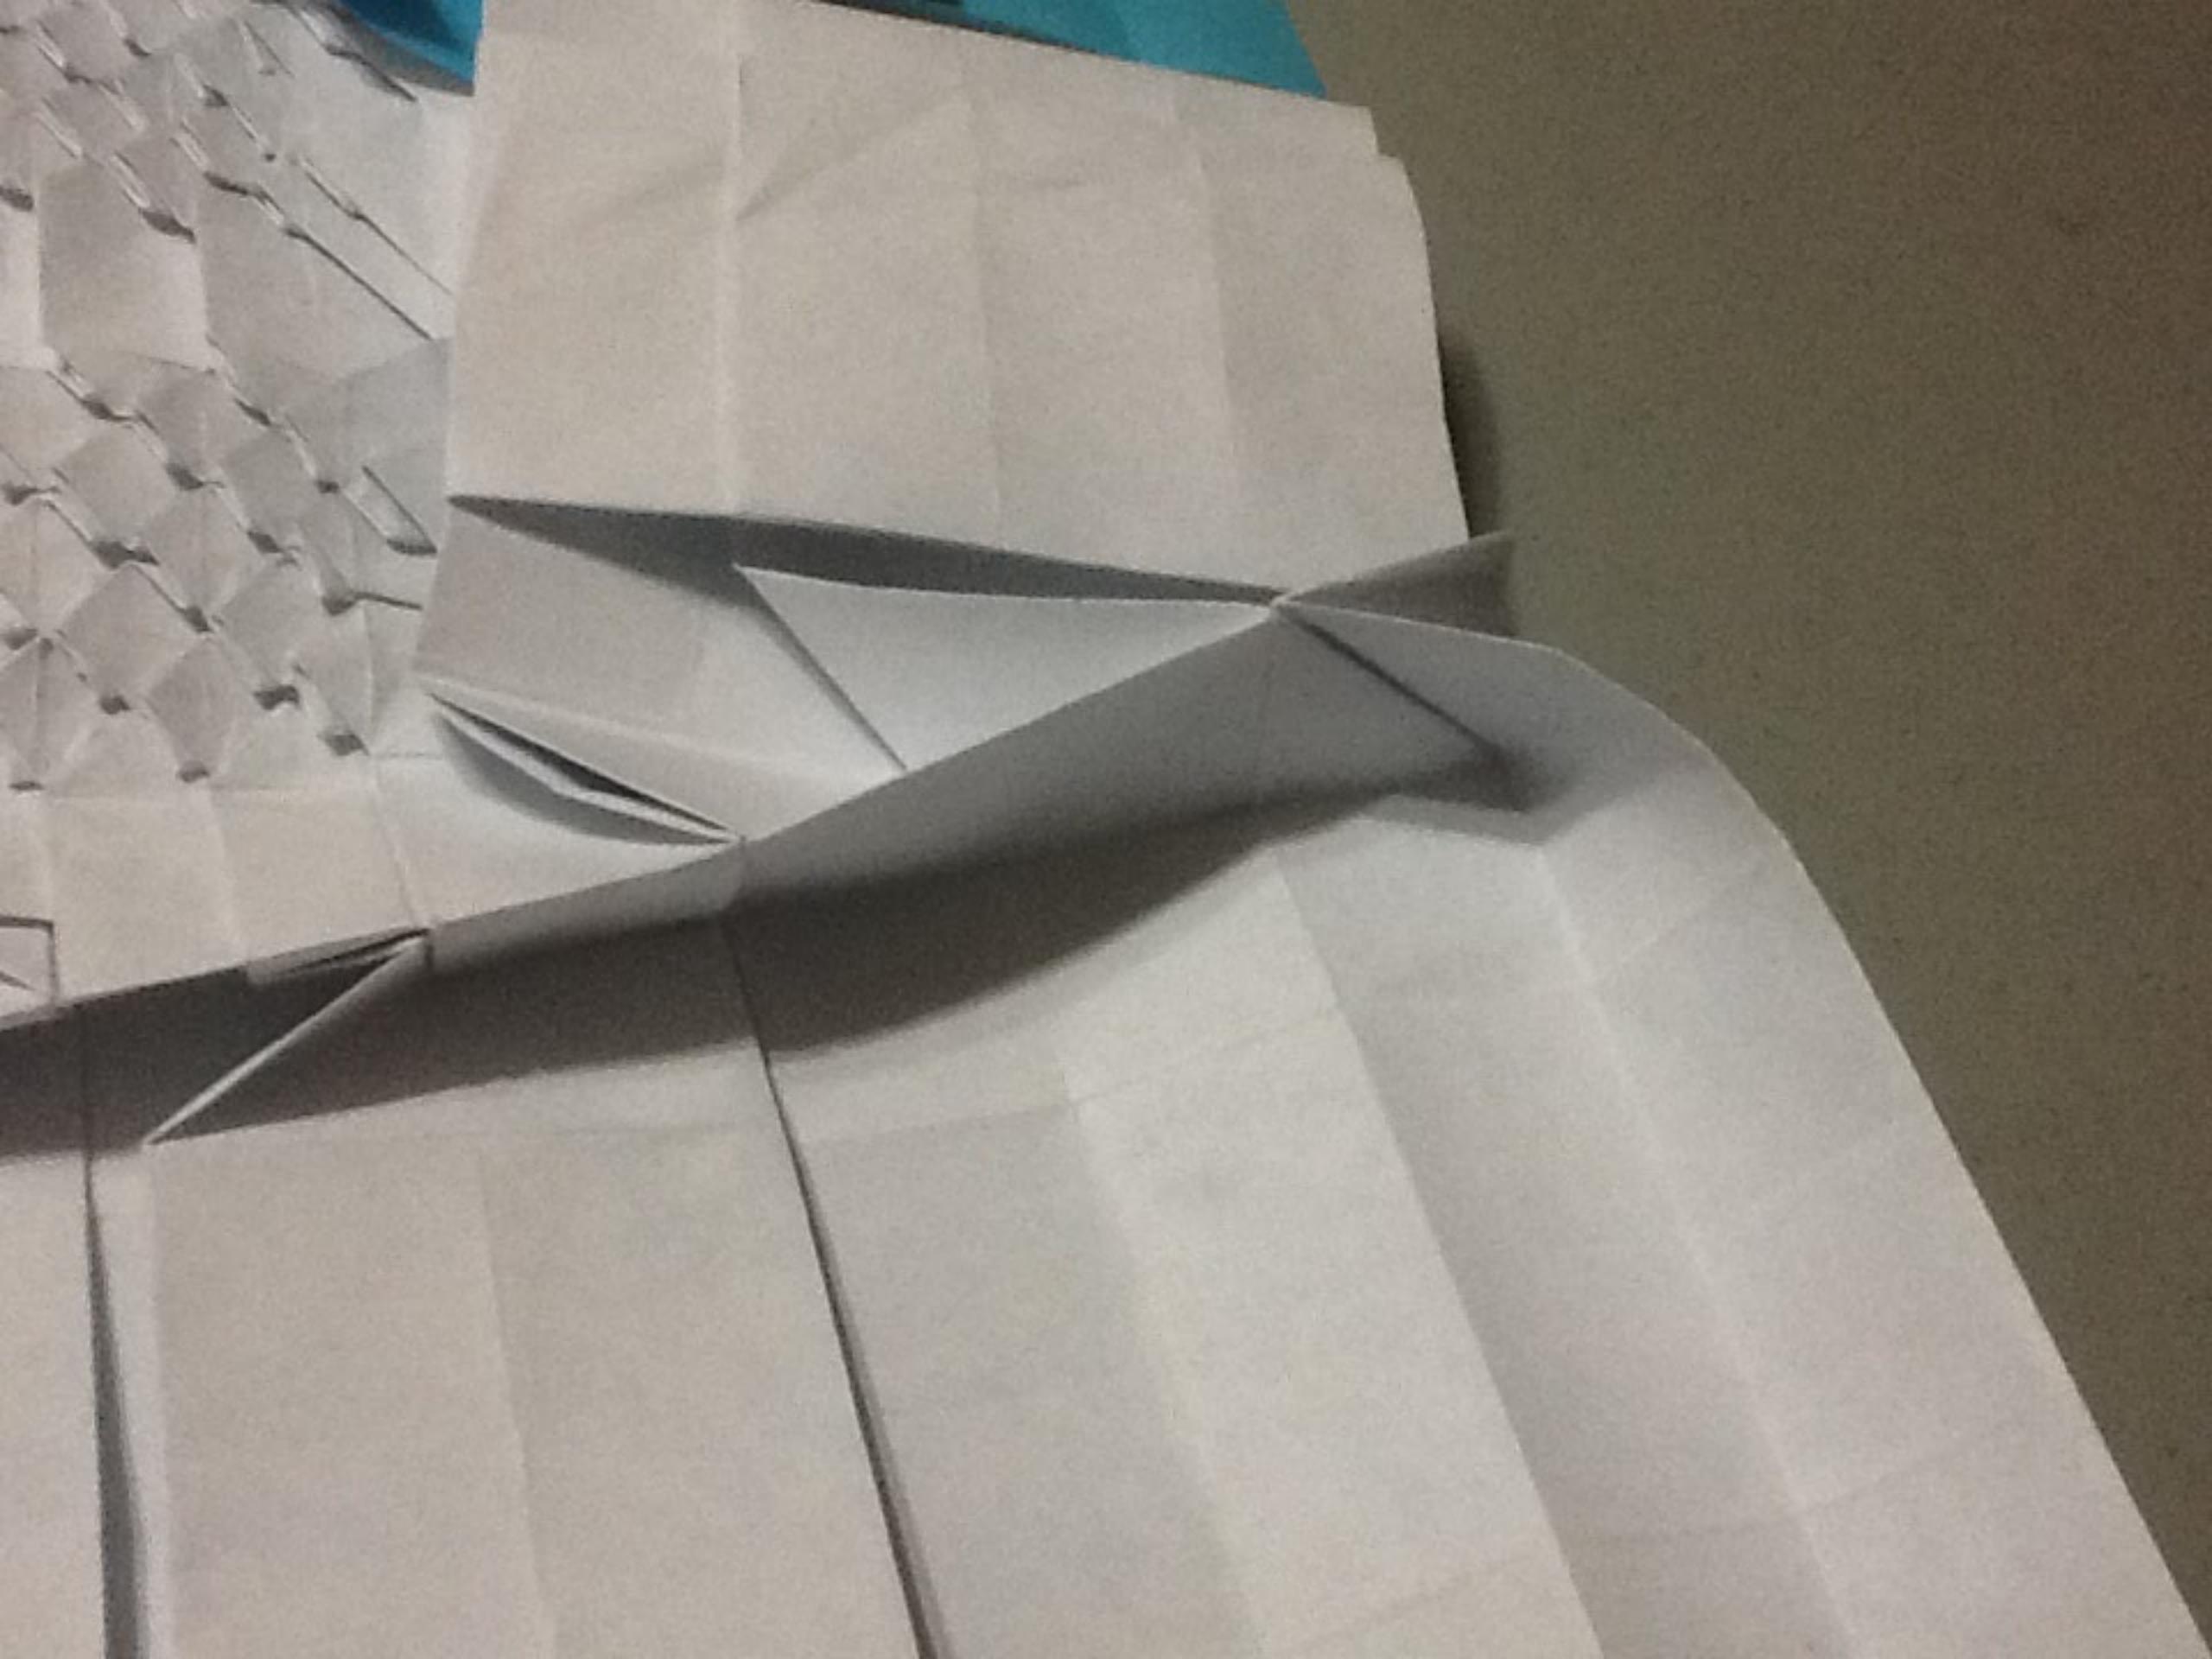

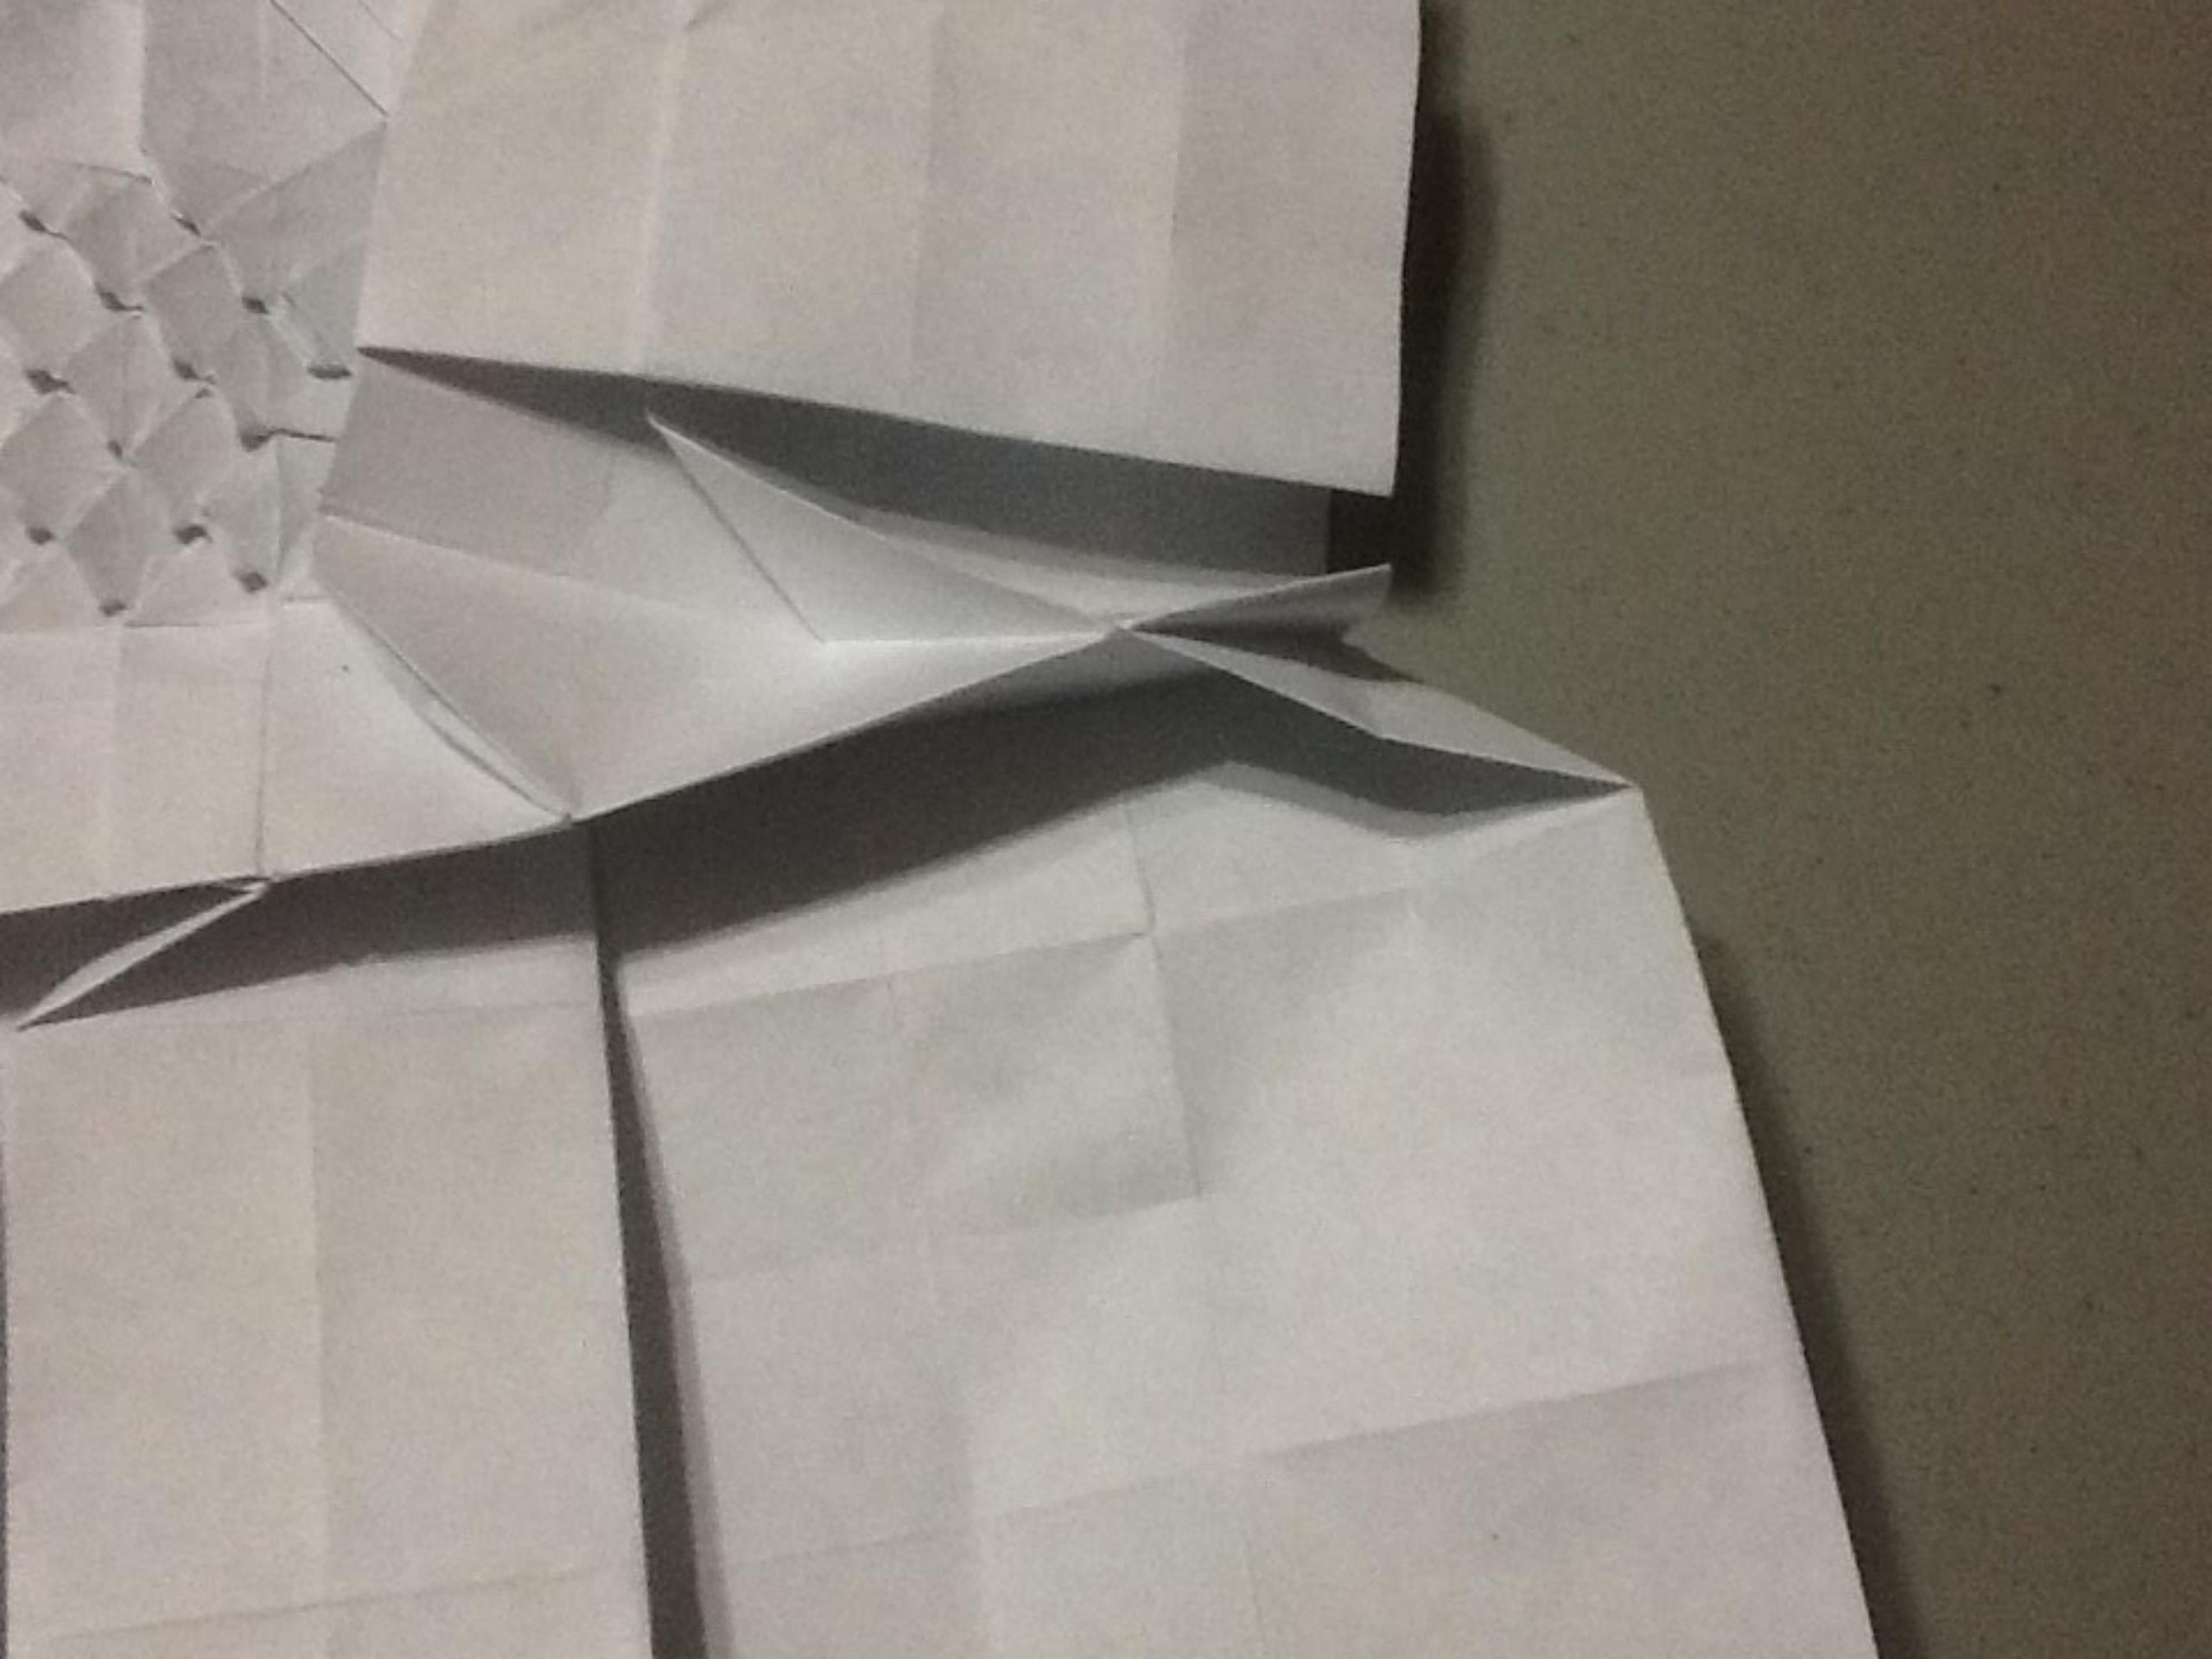

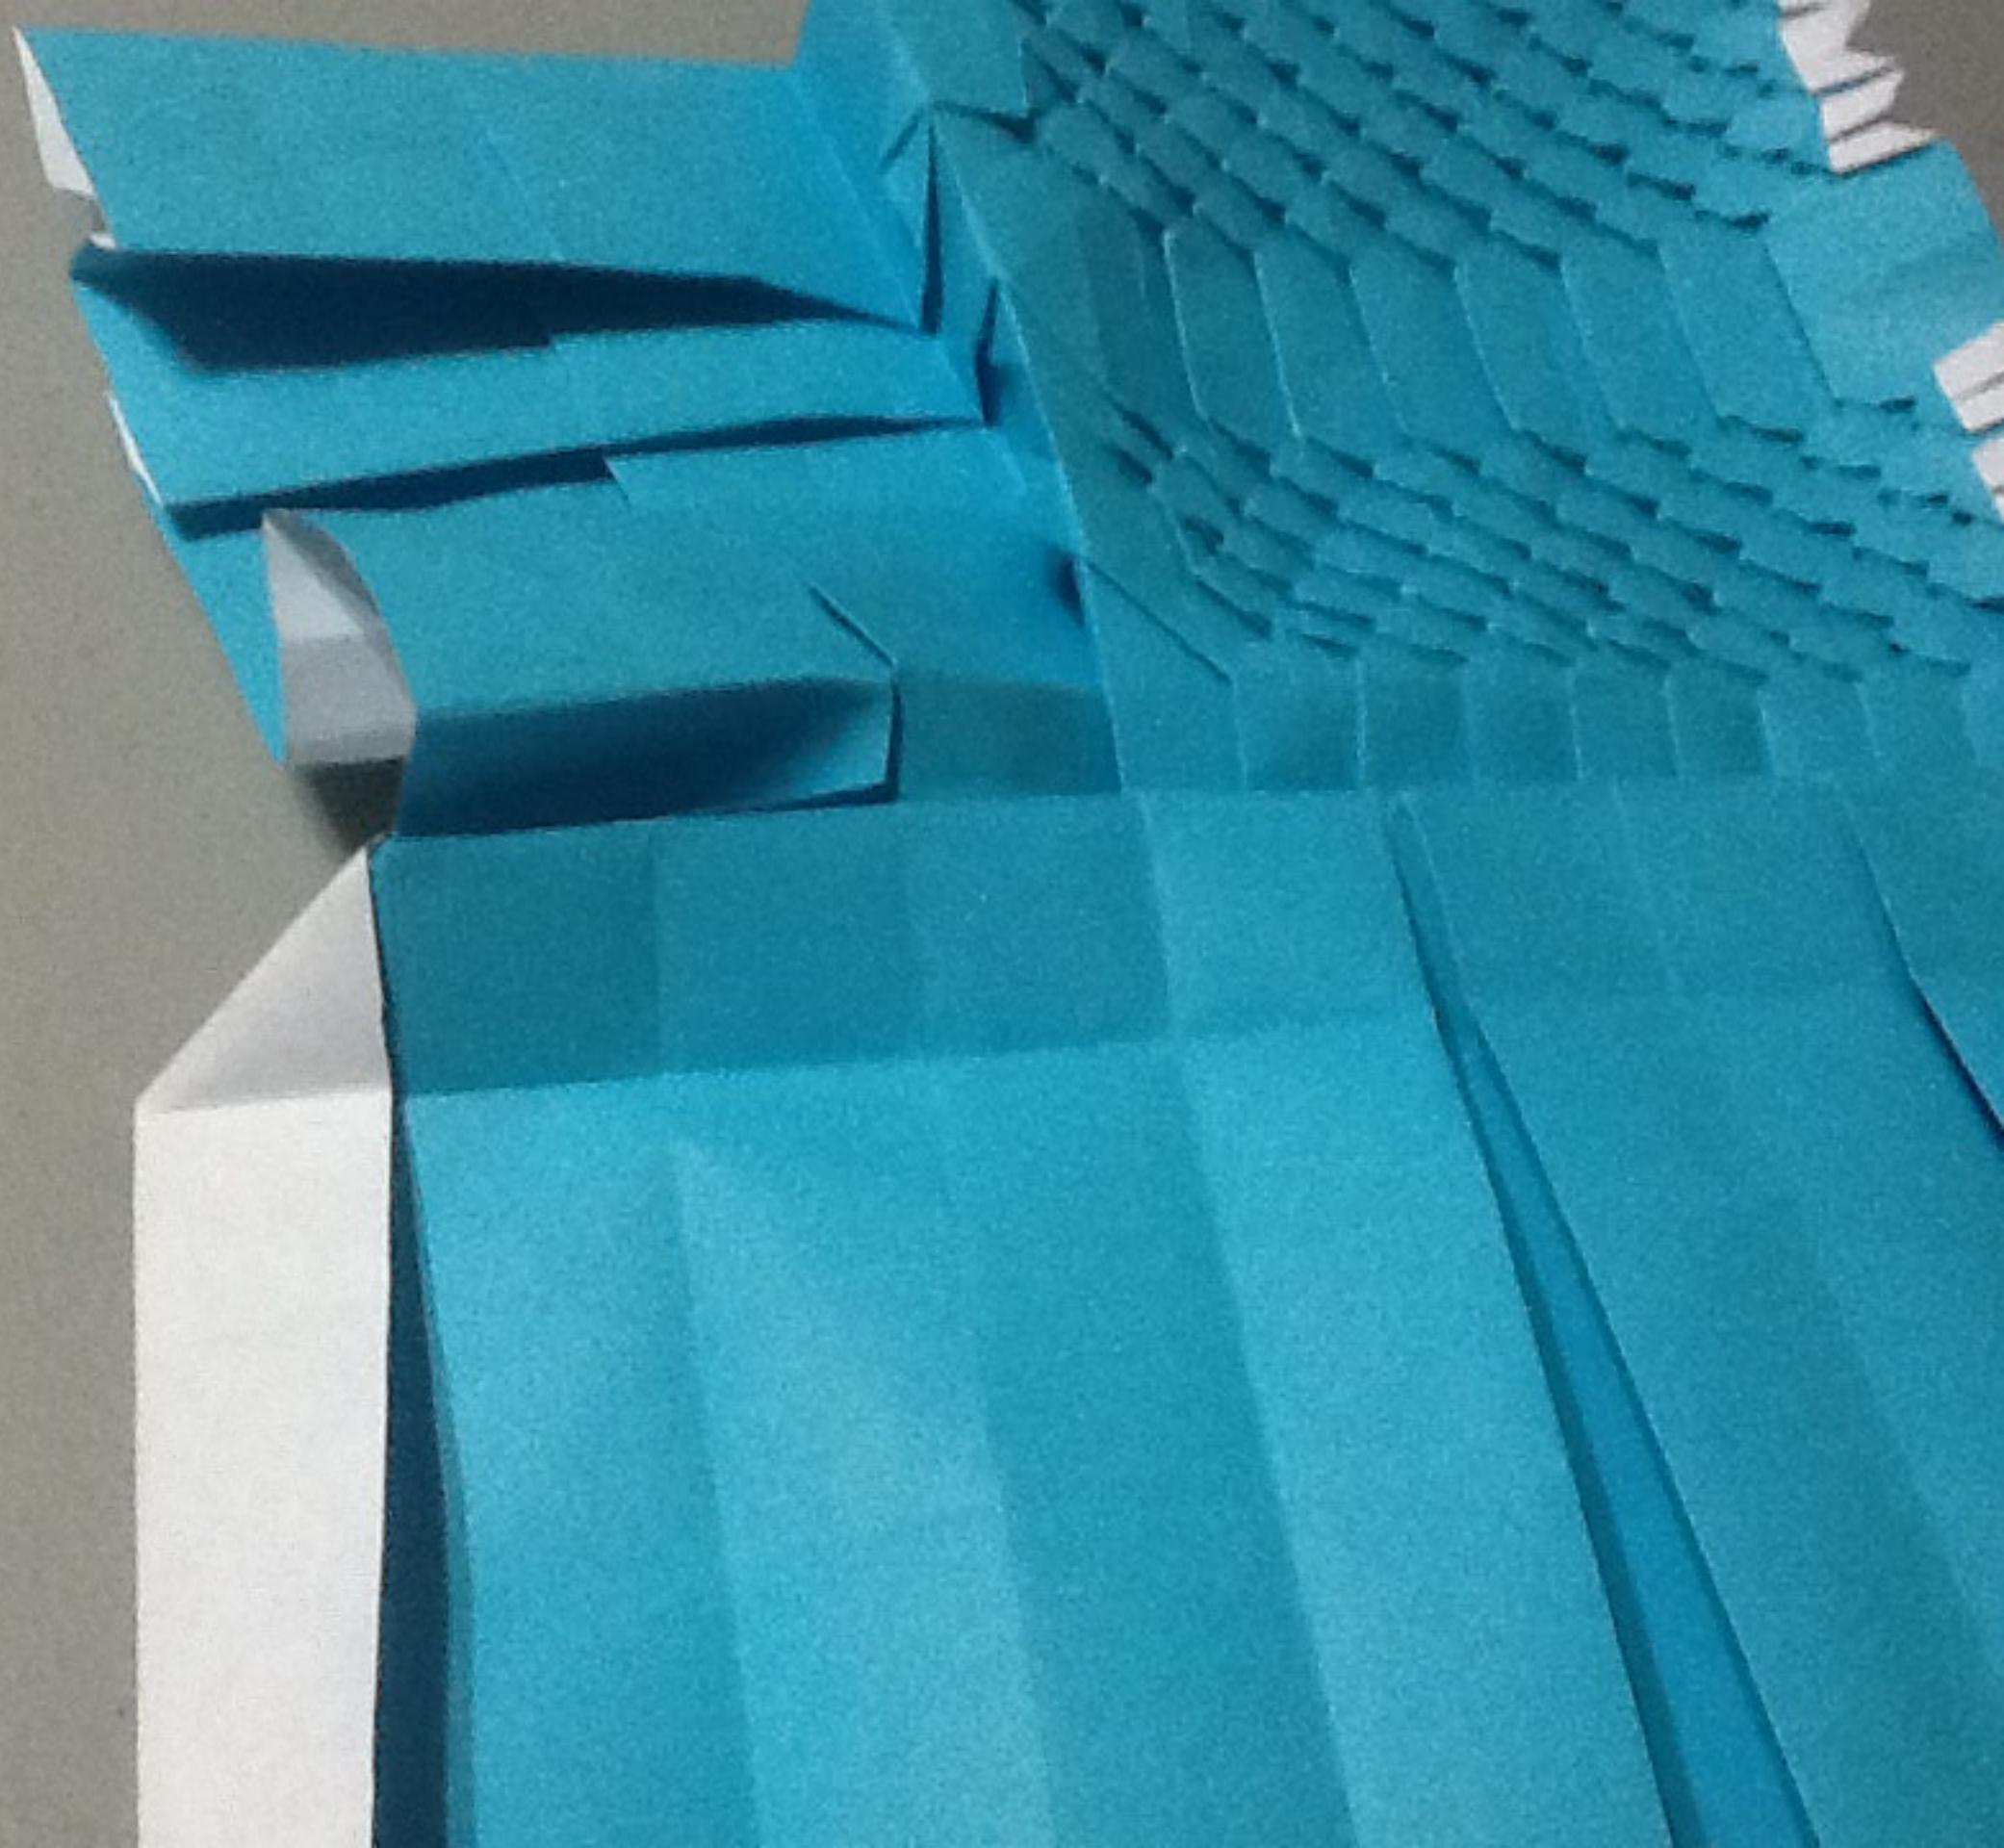

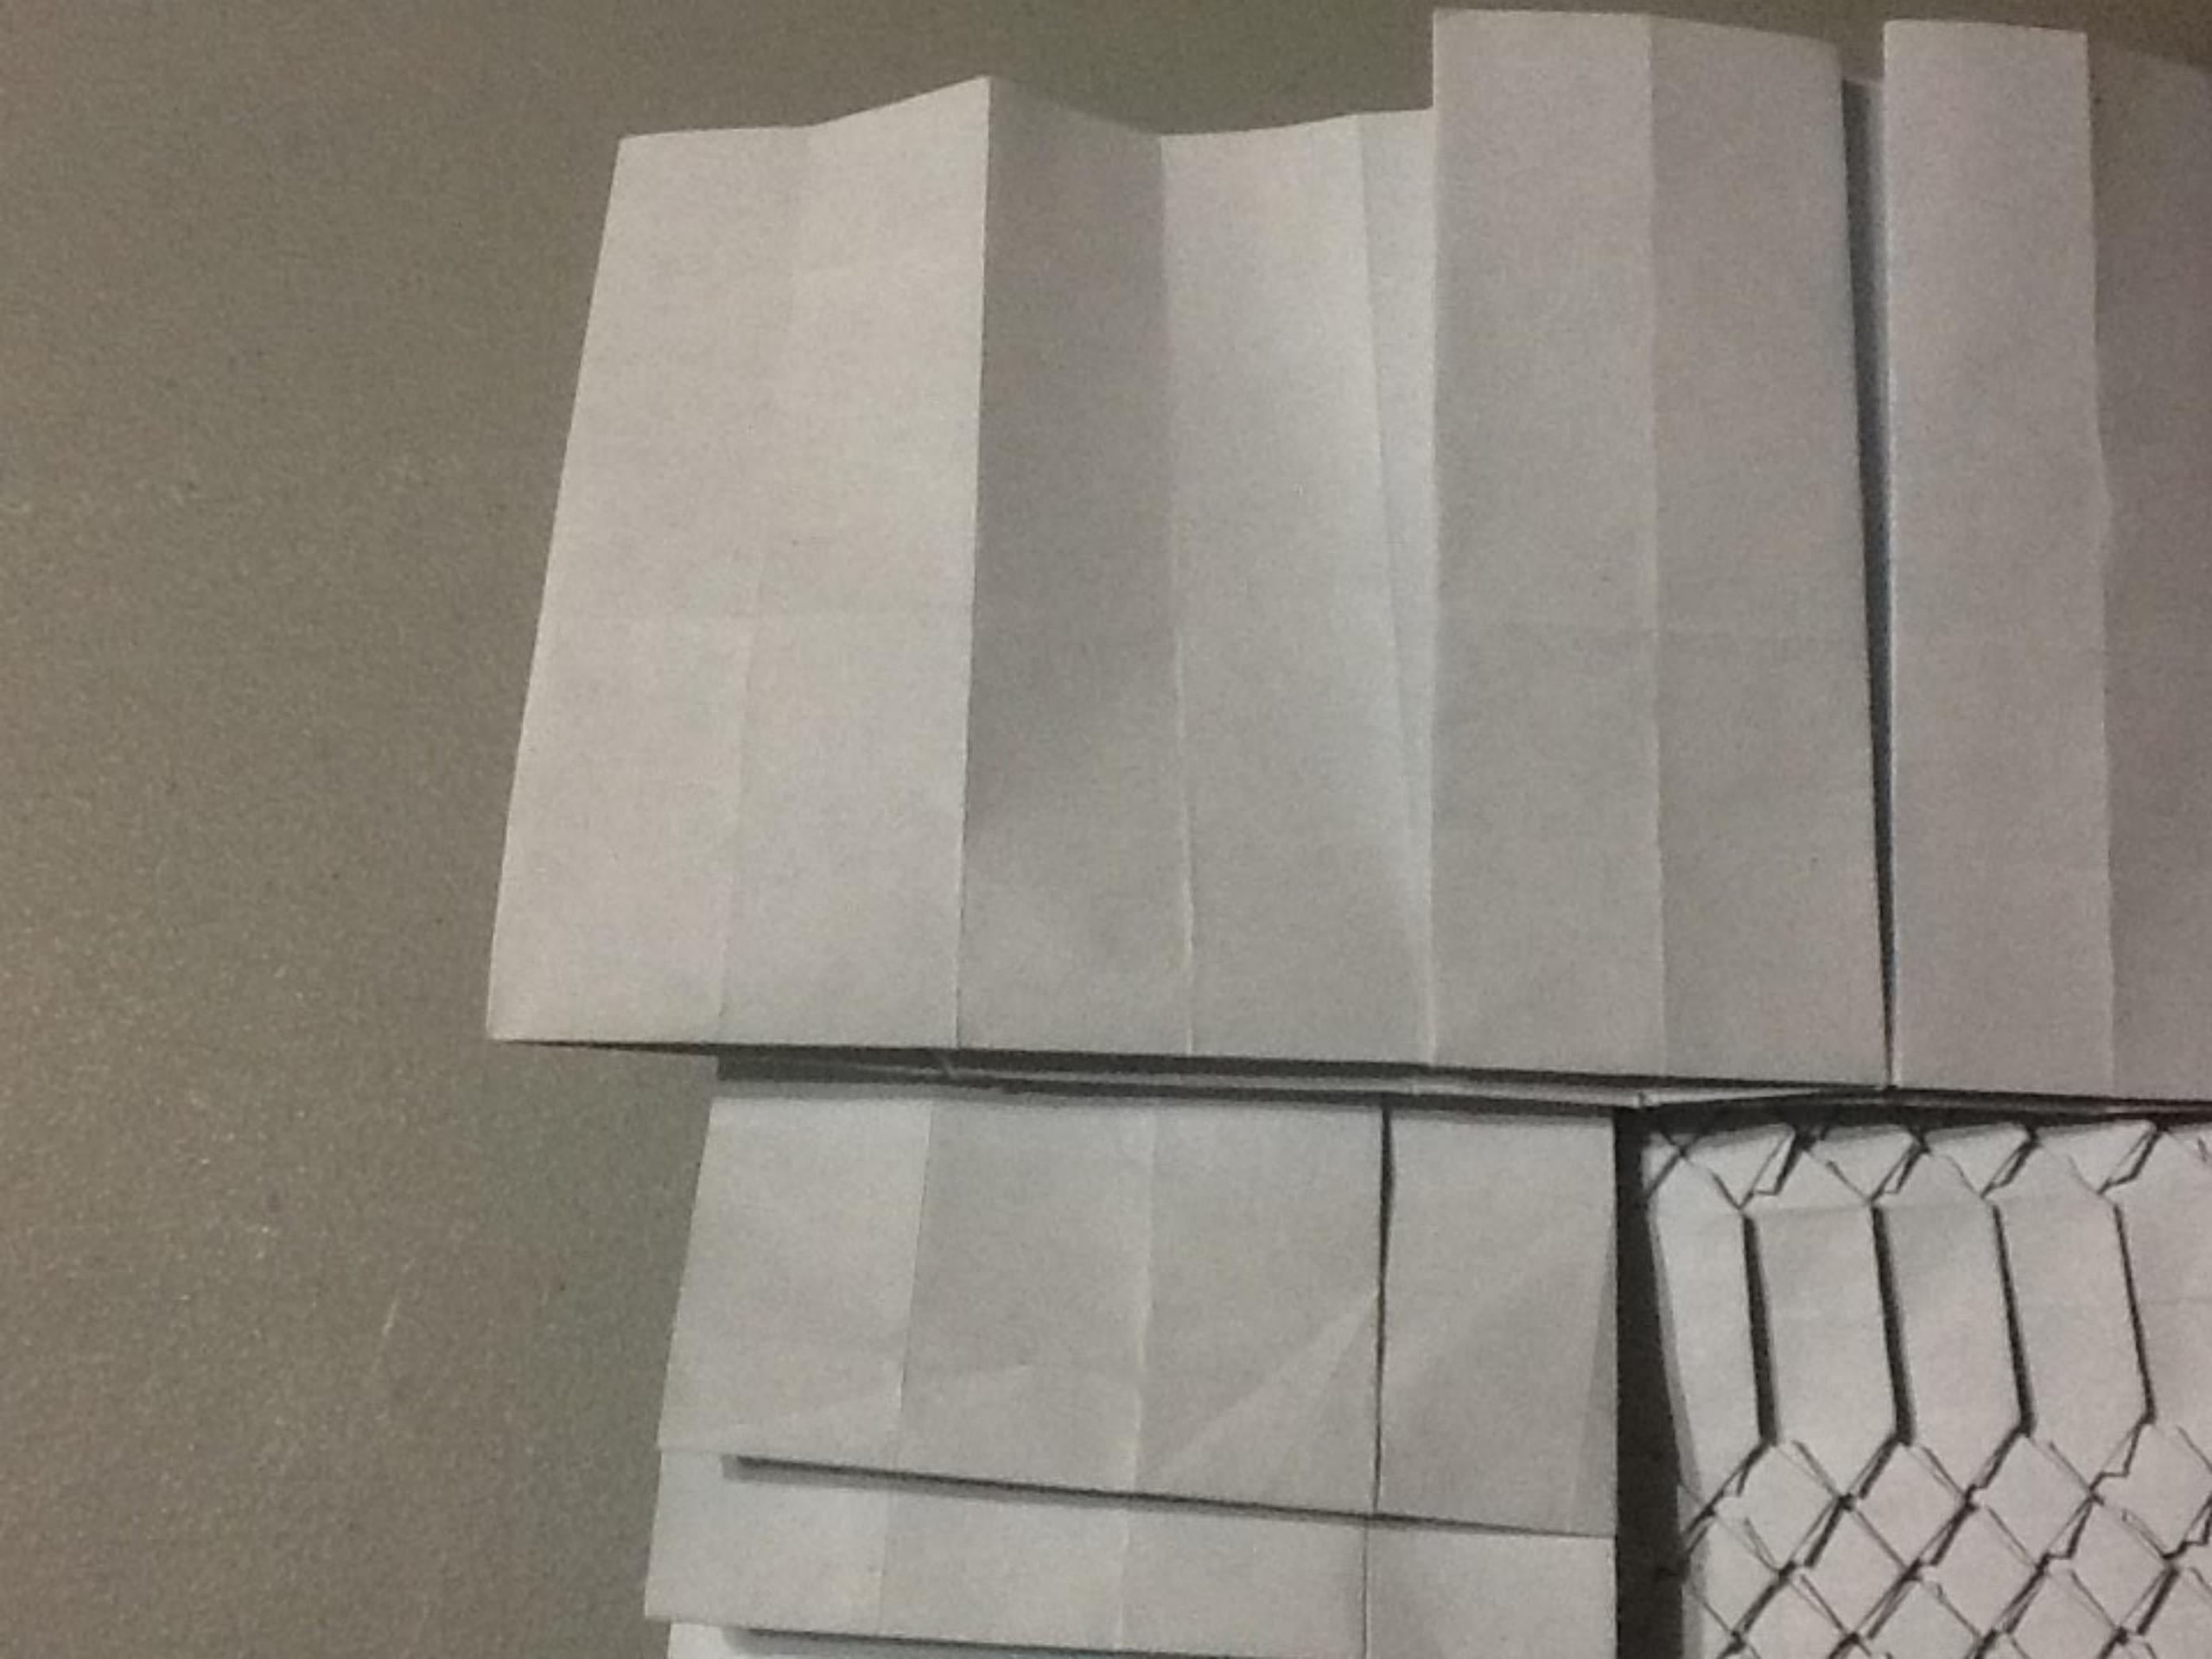

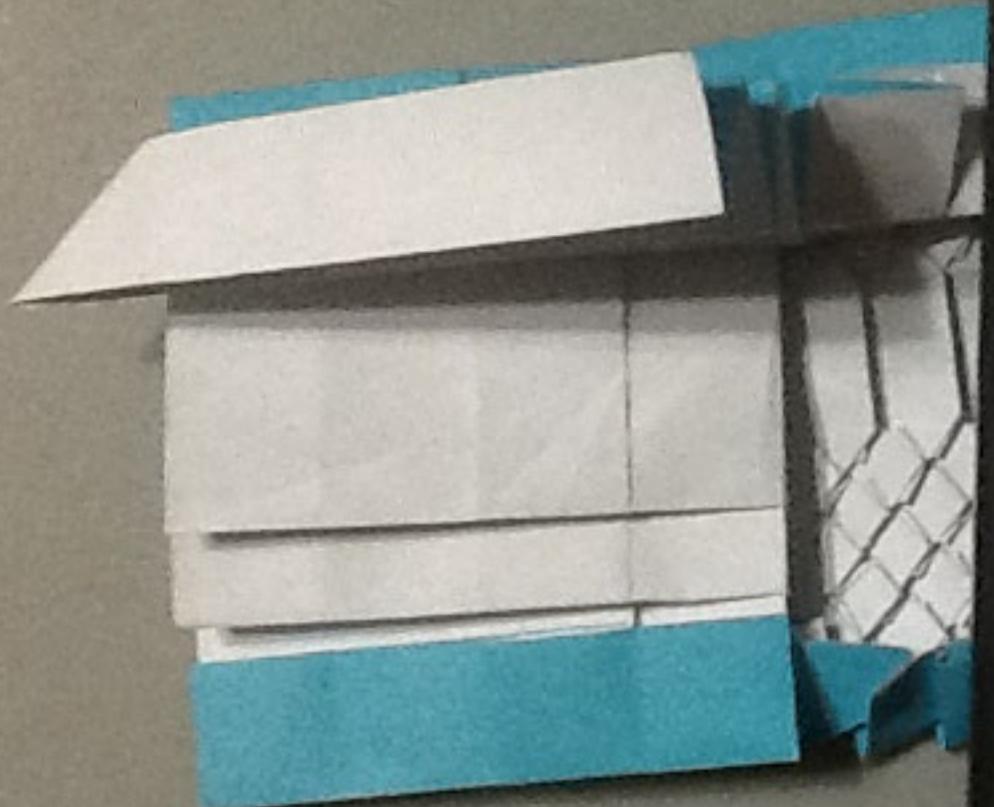

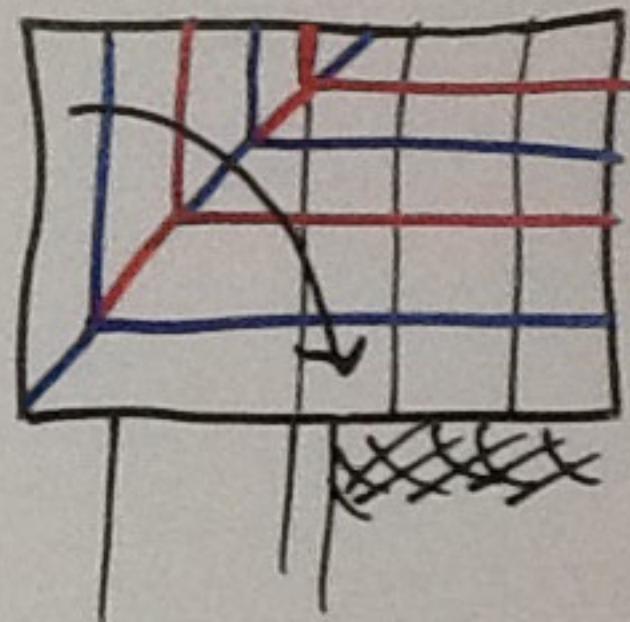

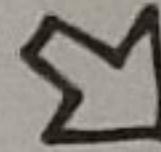

w

MVC

close up

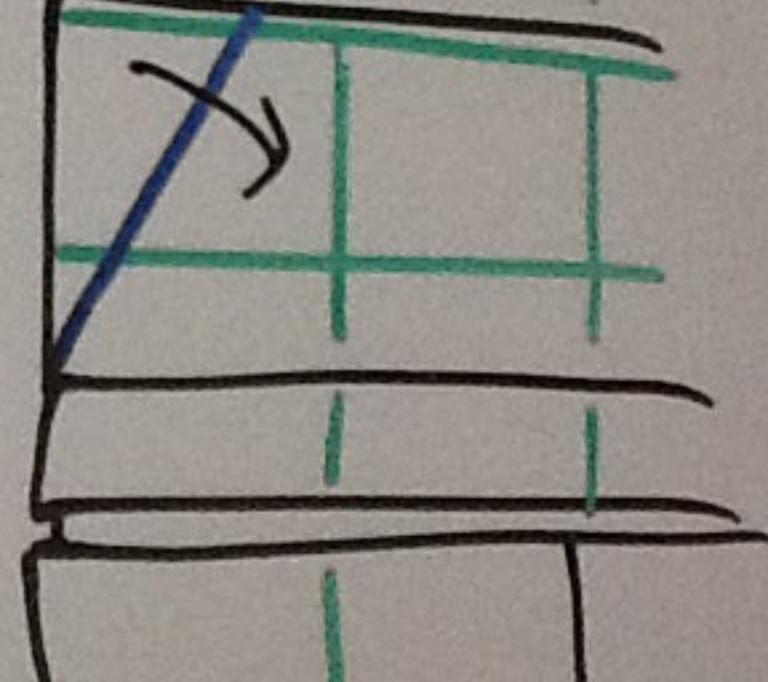

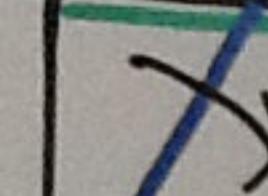

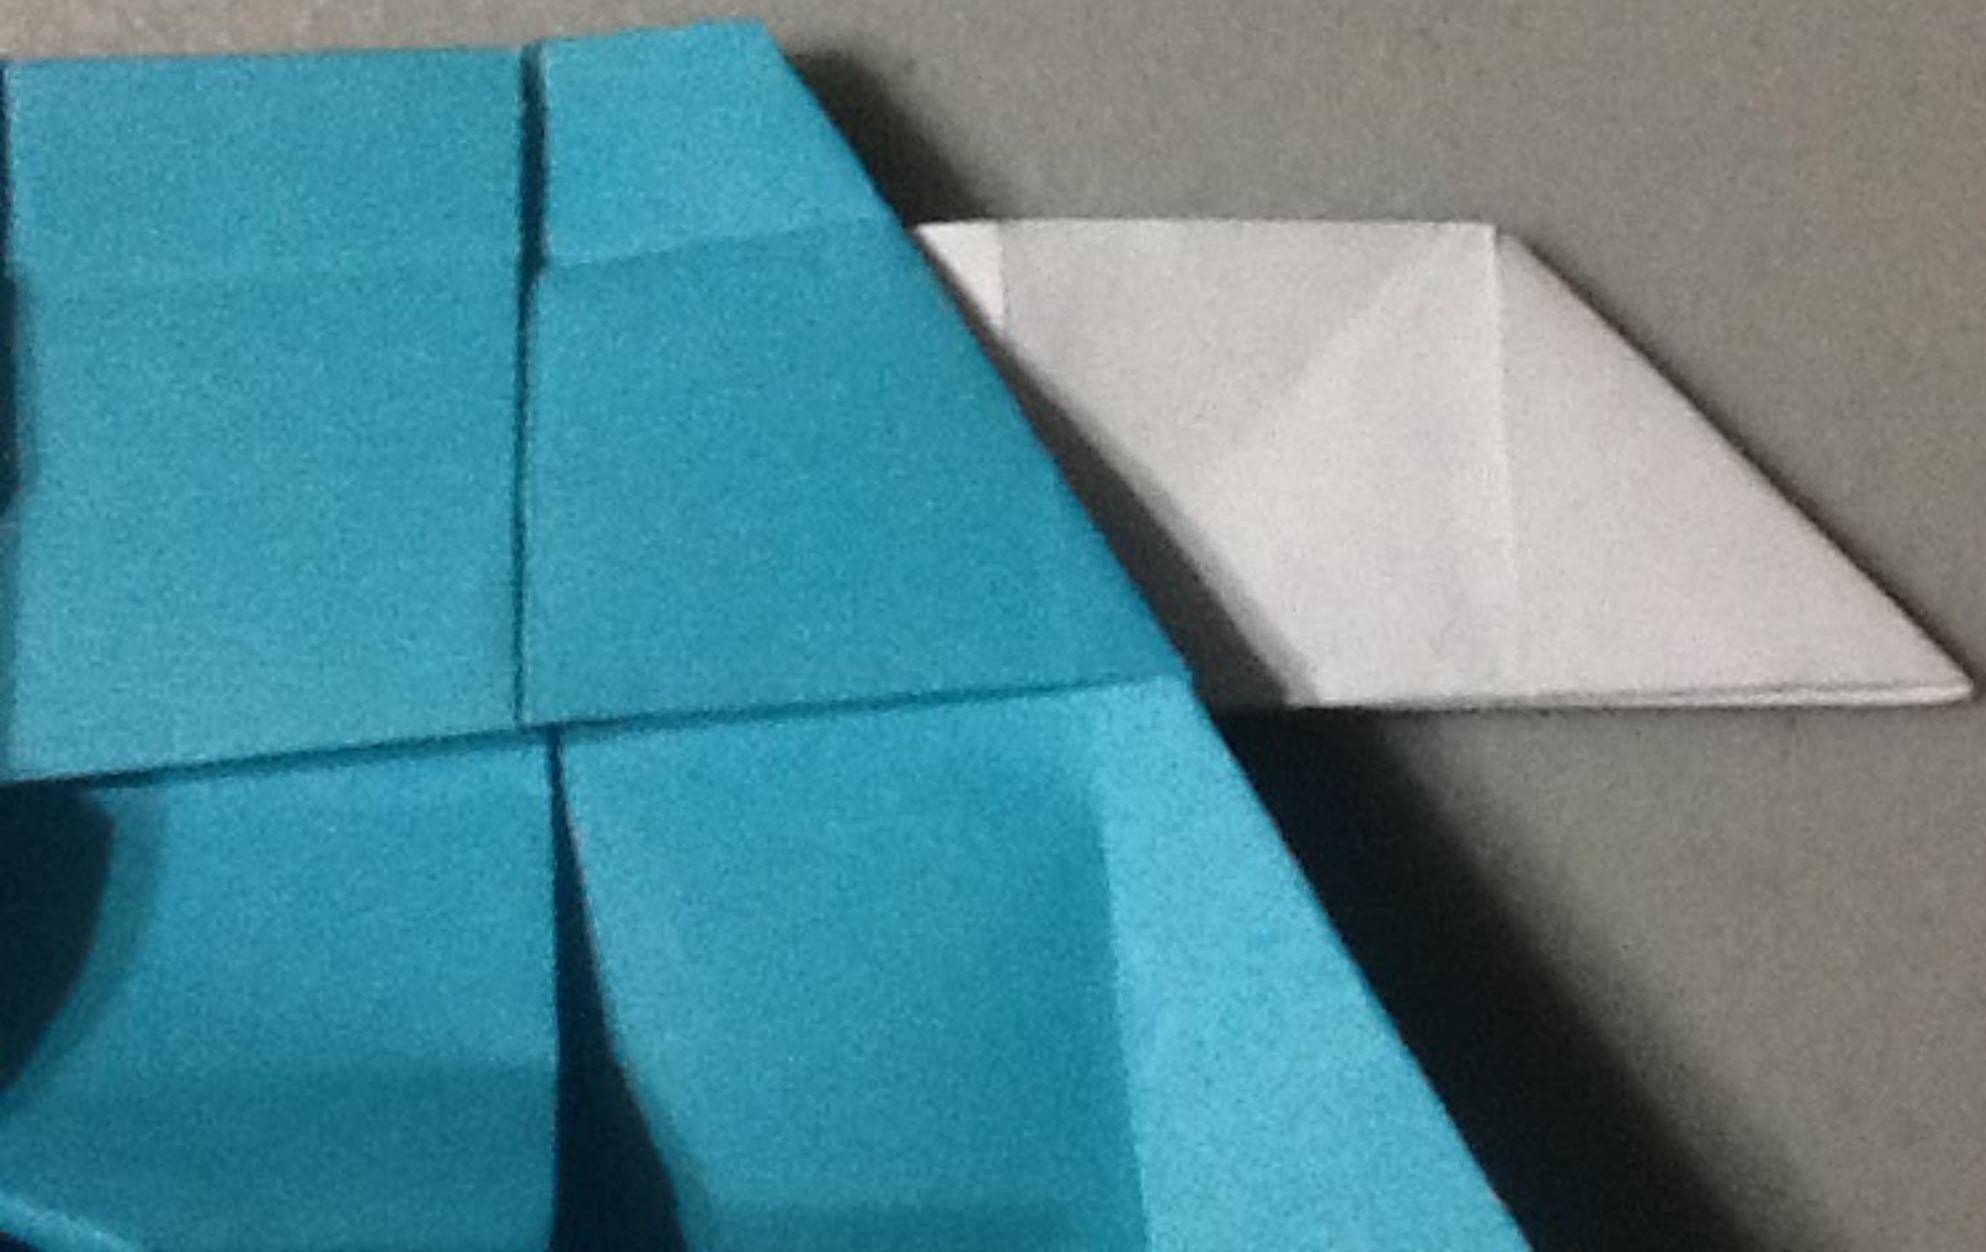

w

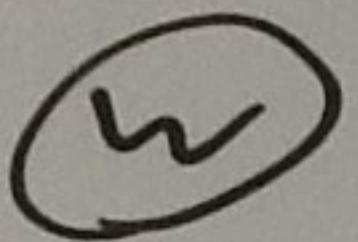

MVC

$\frac{1}{2}$

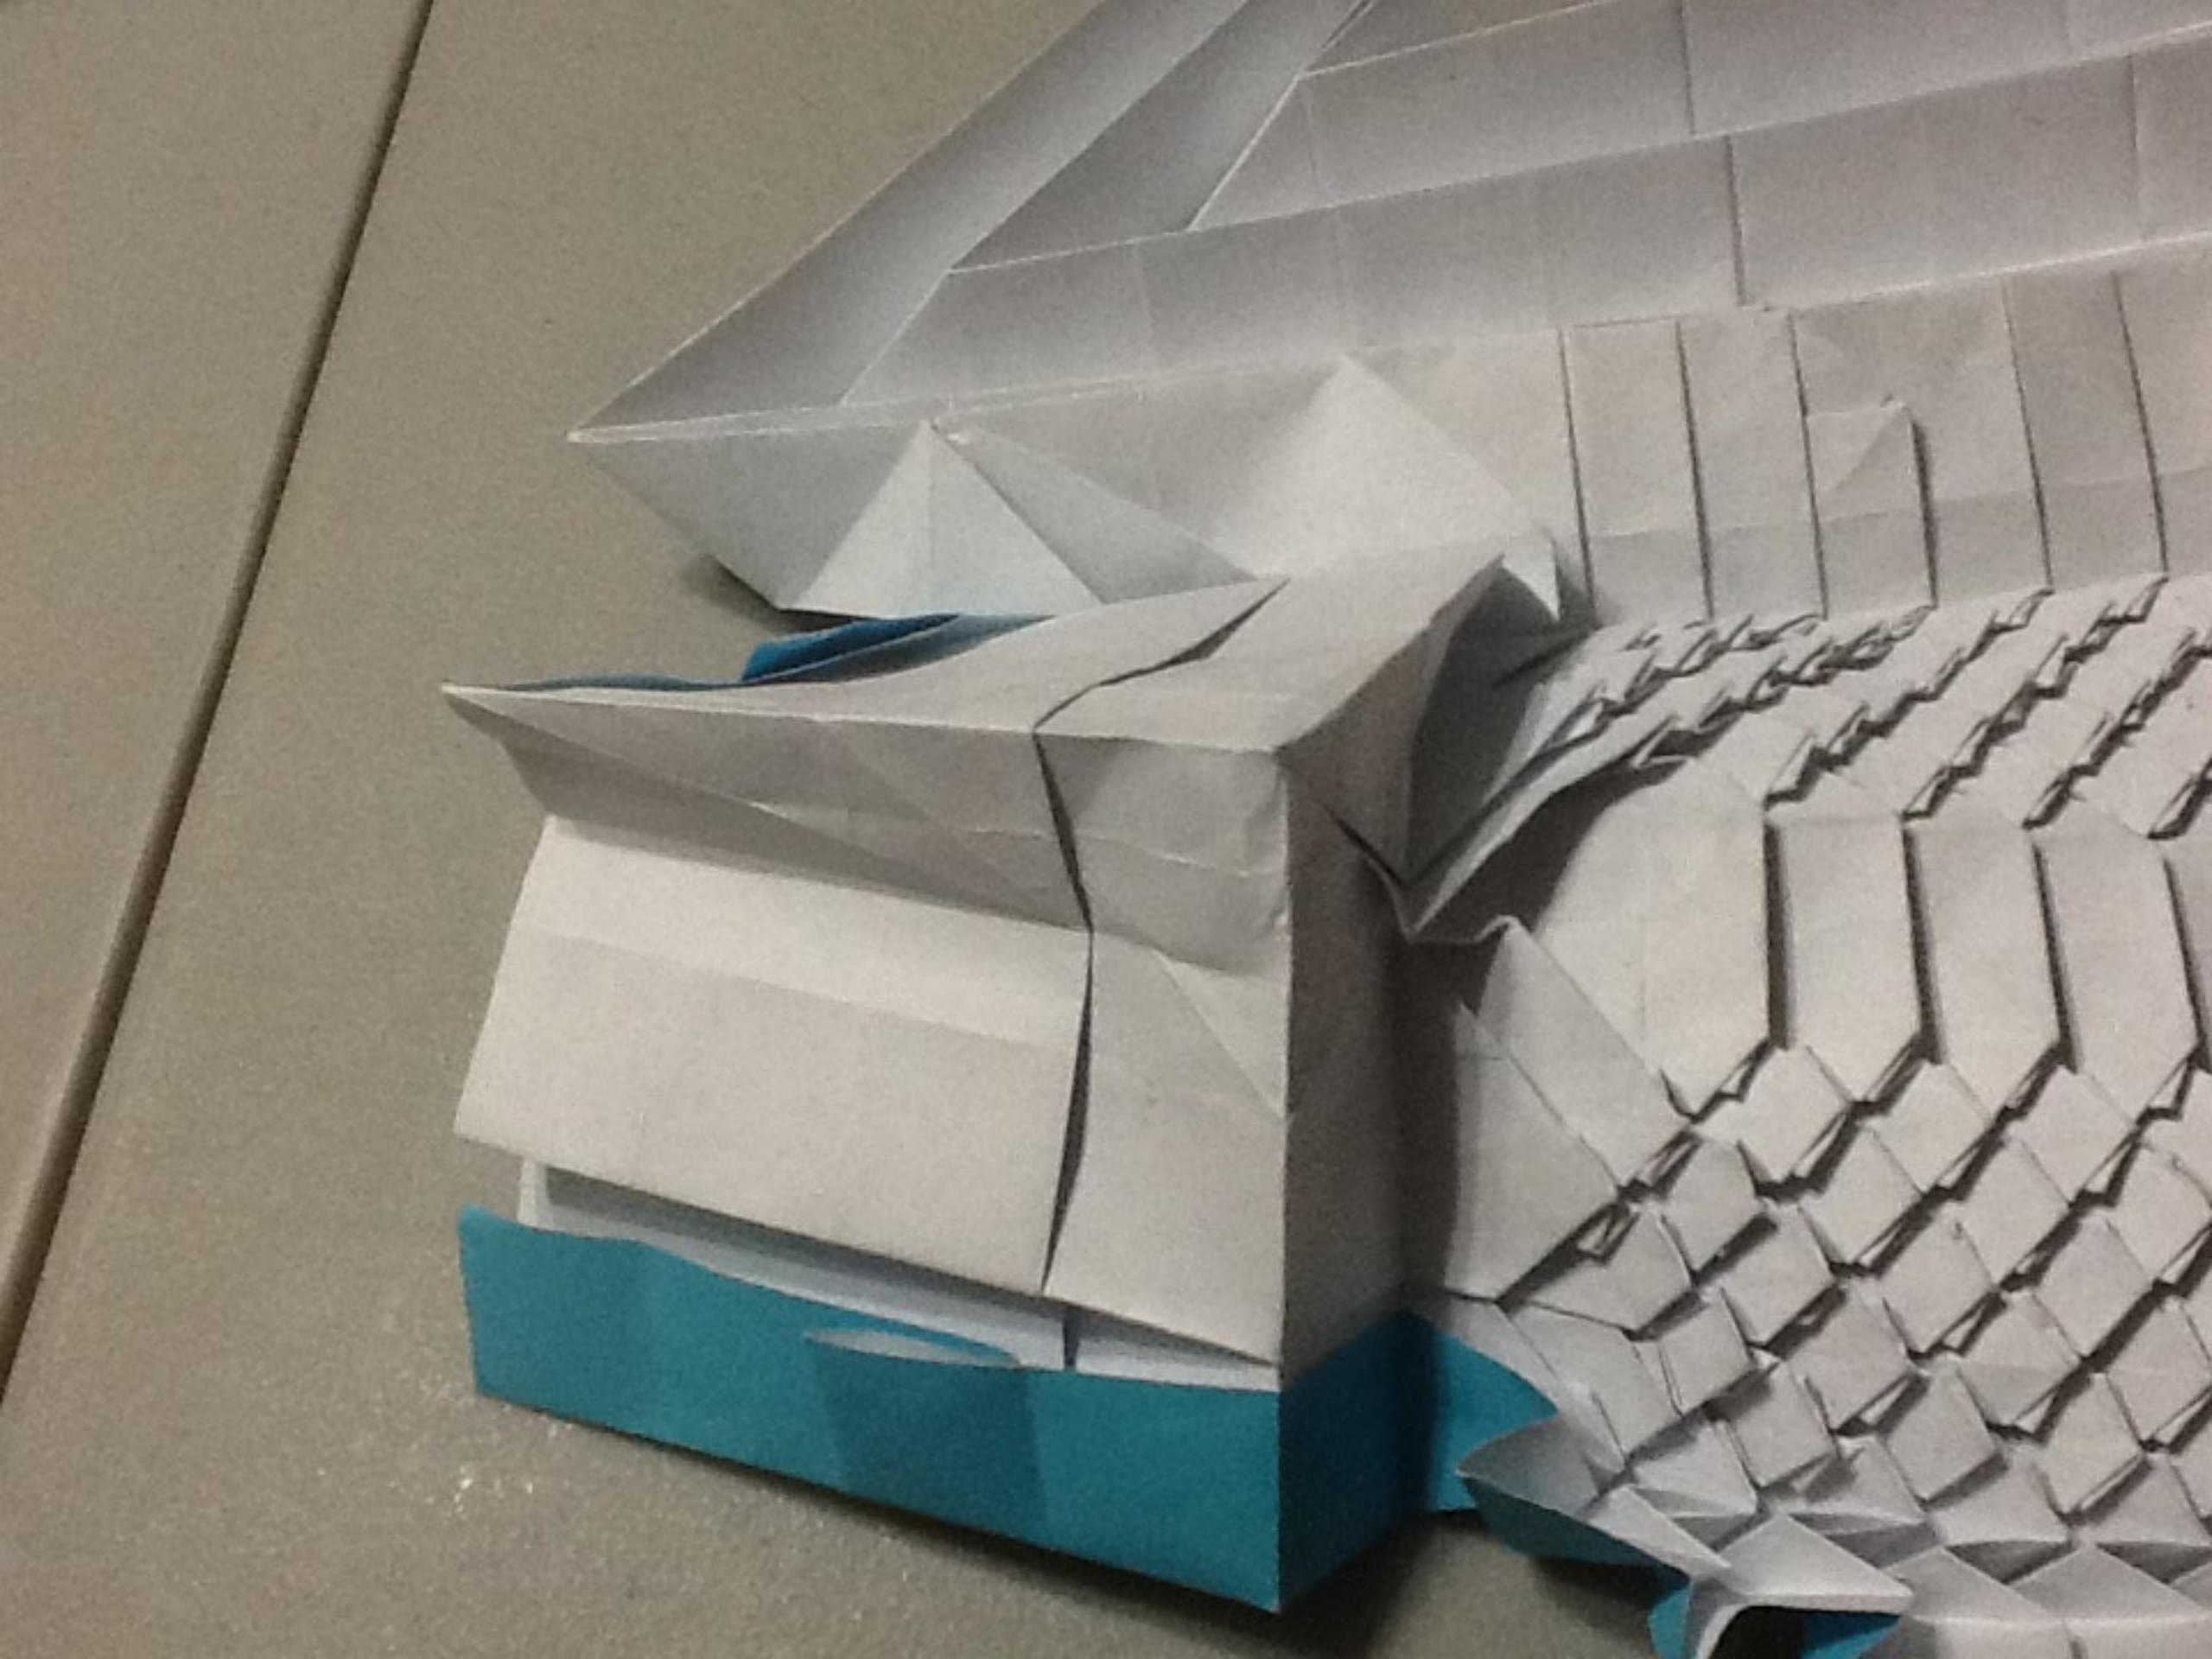

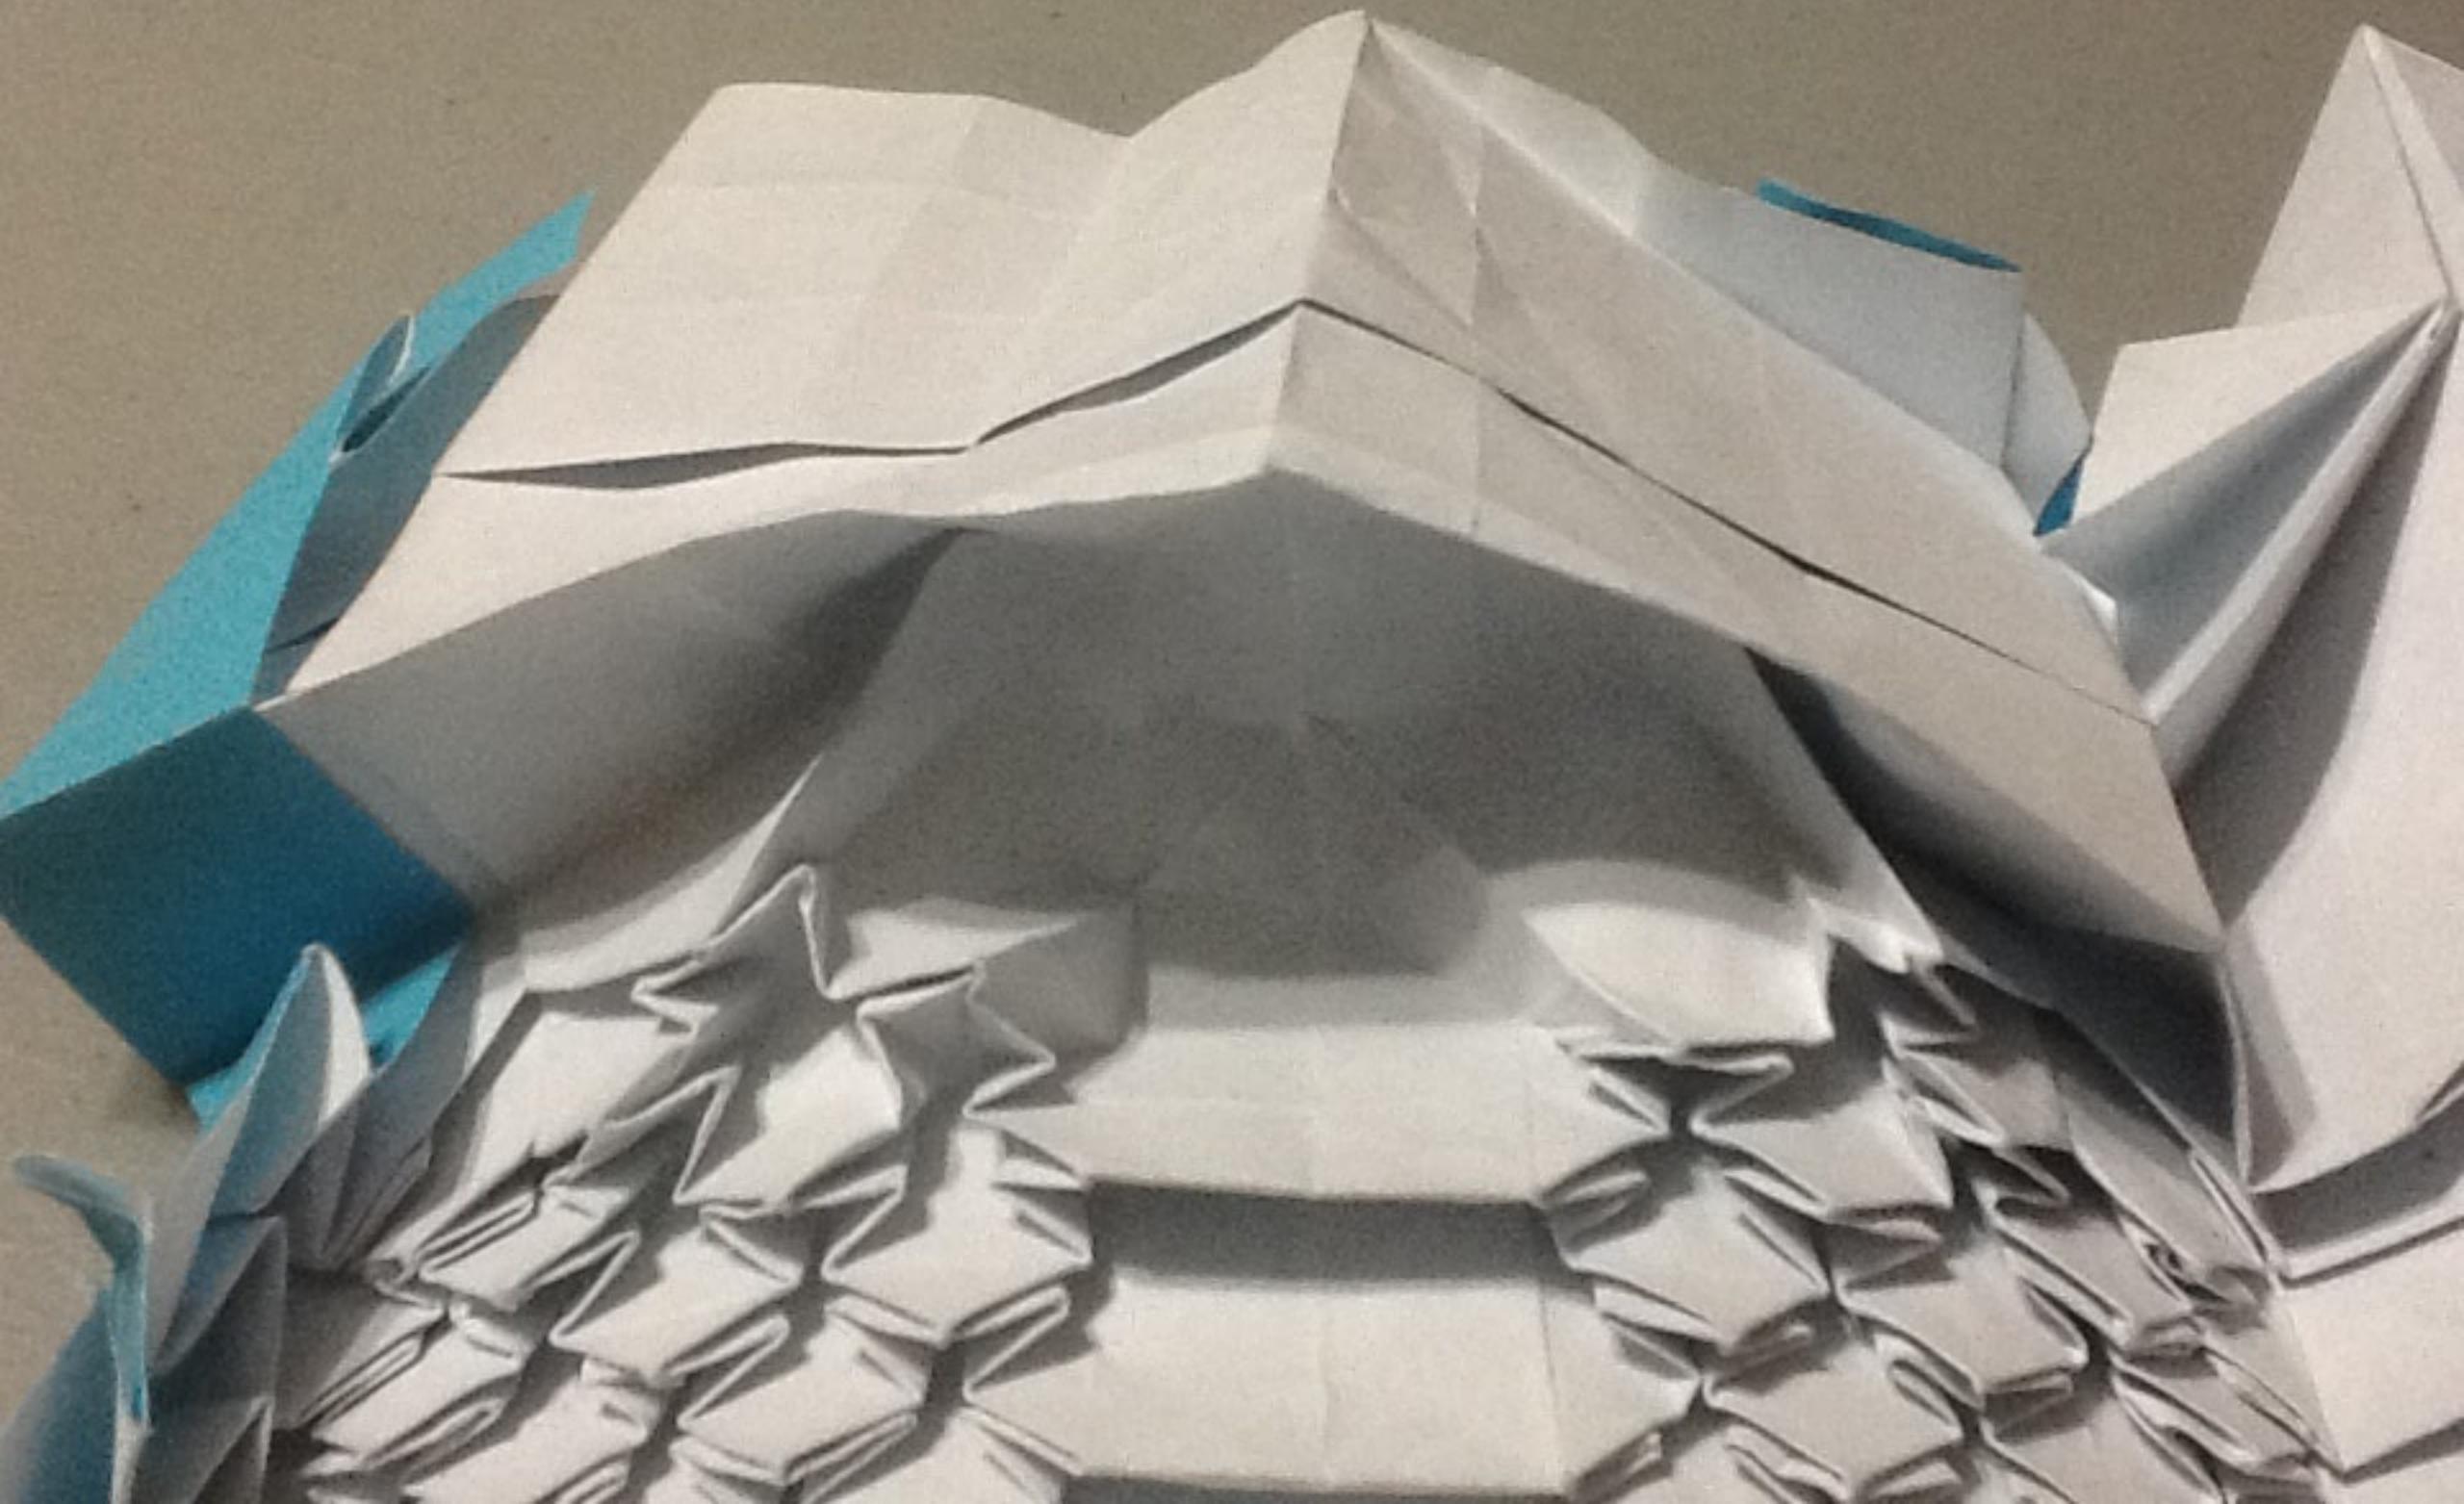

MVC

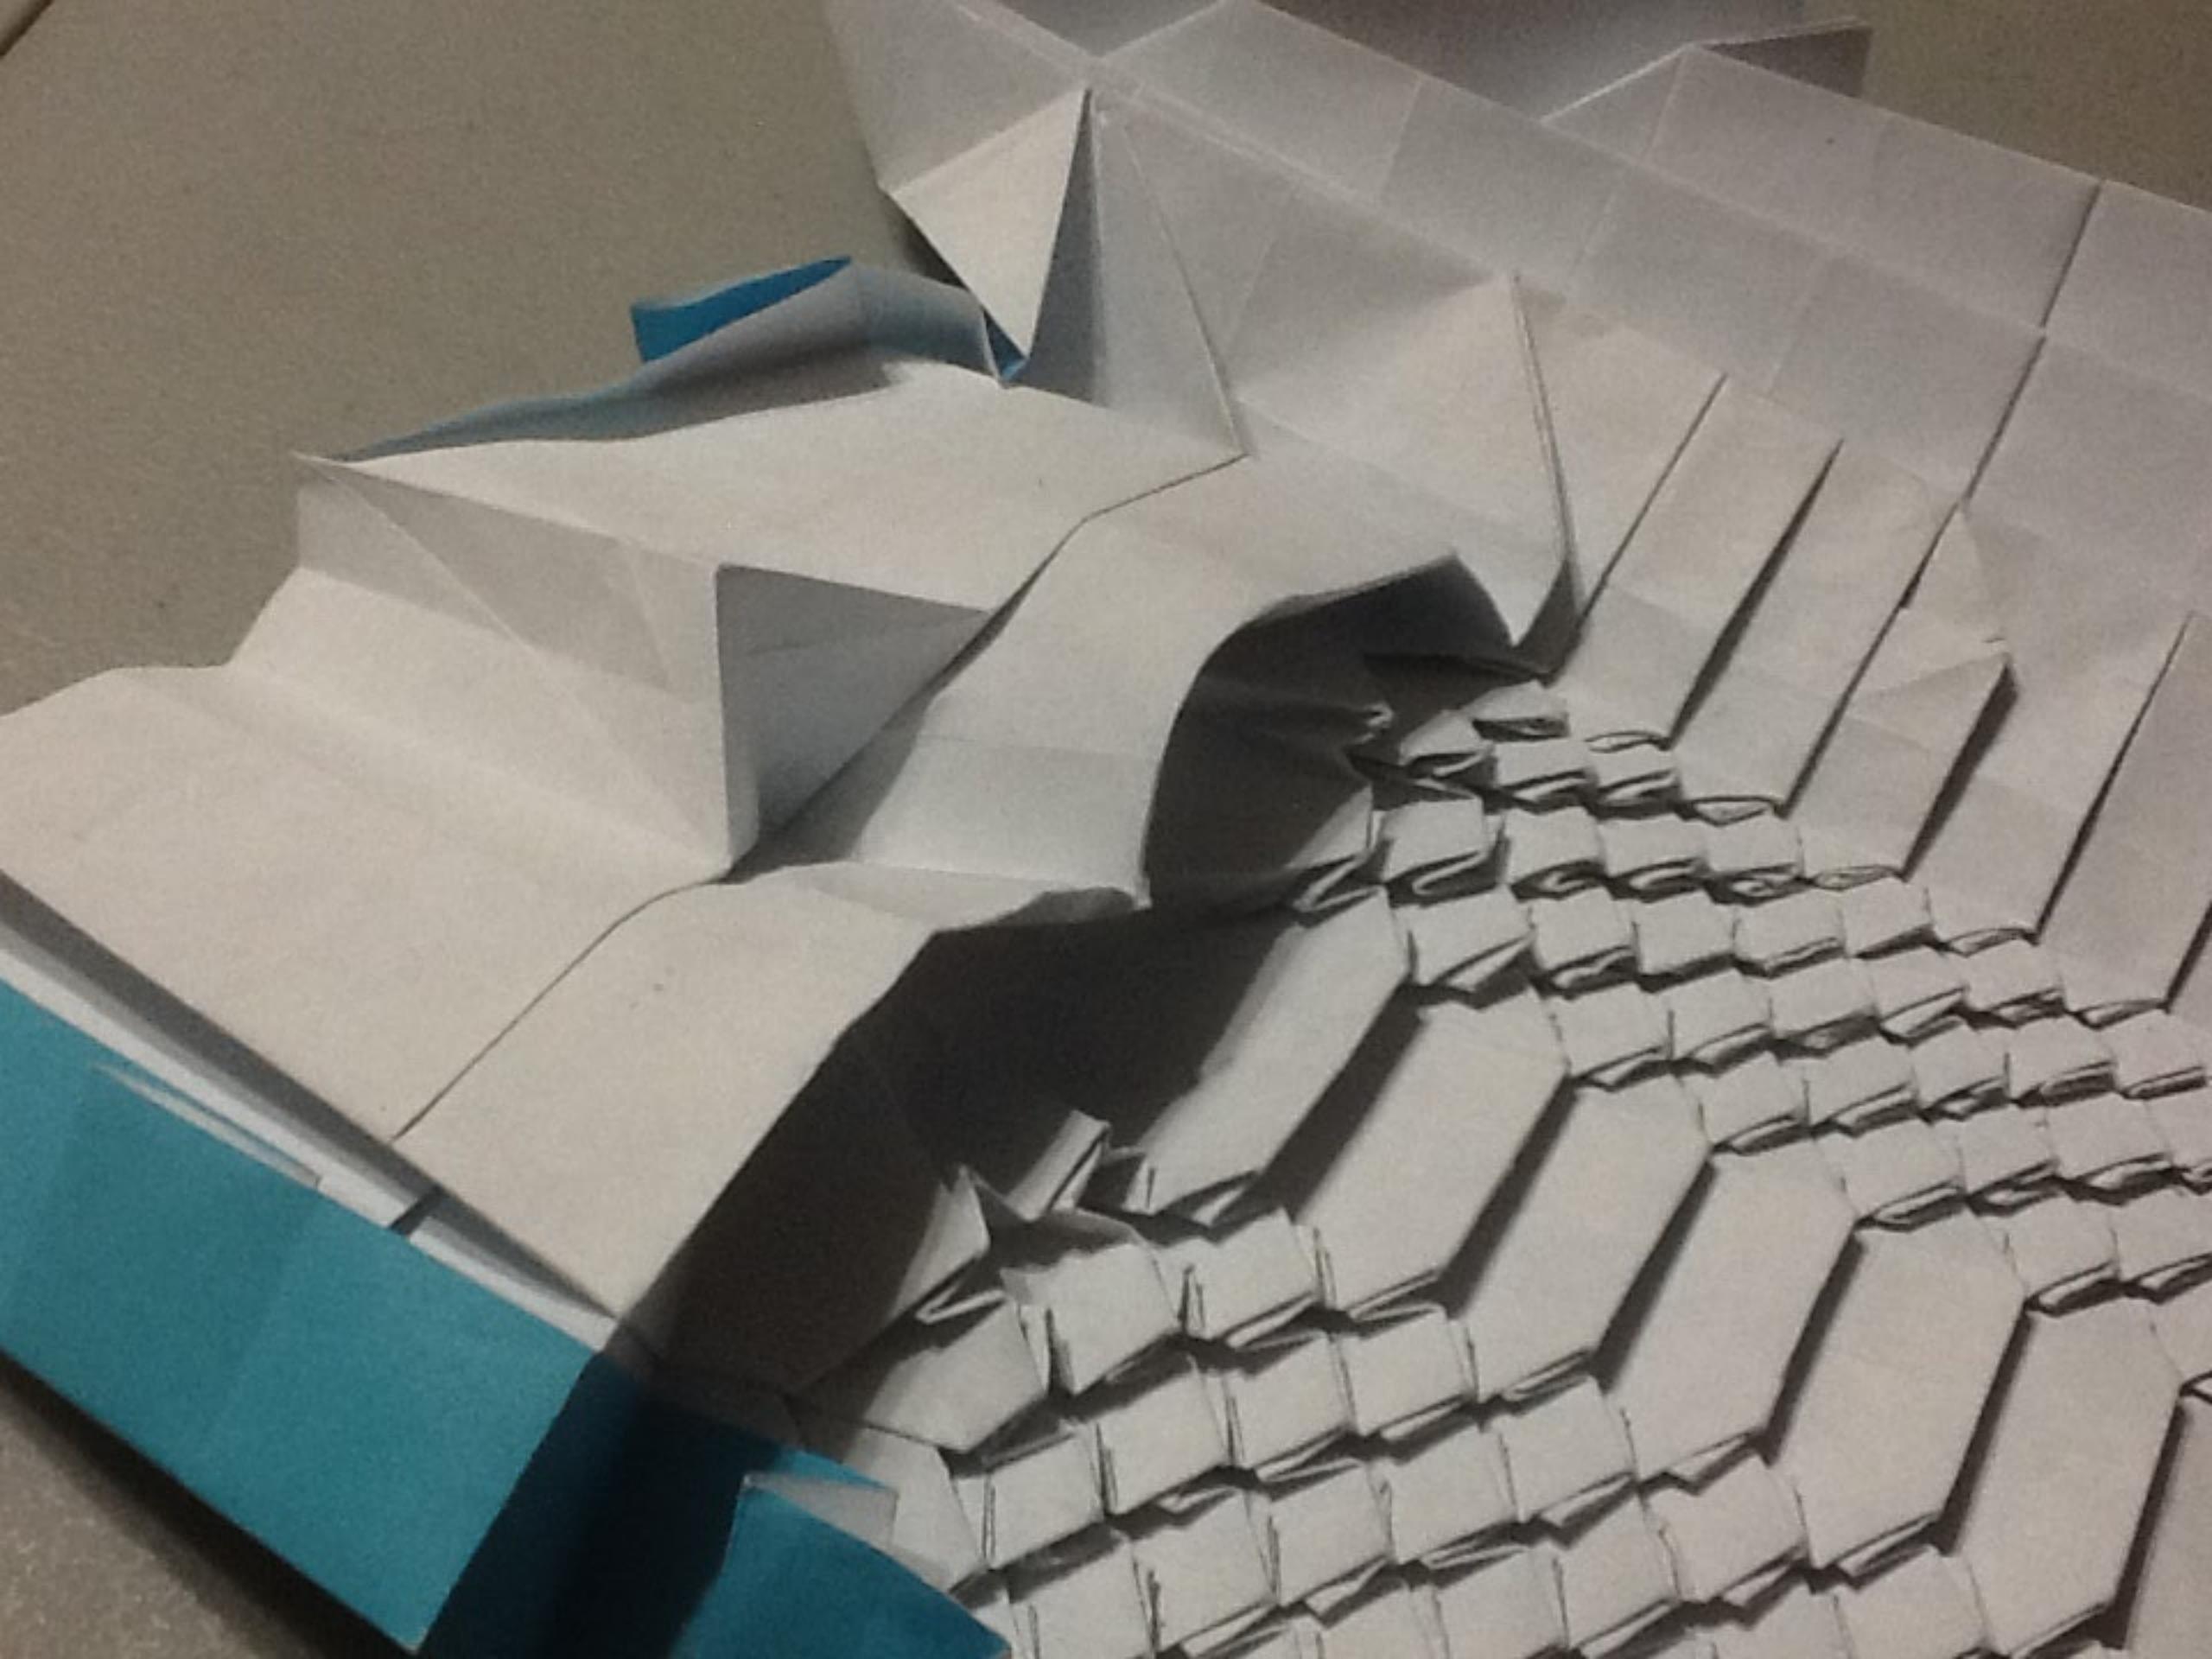

Open the
center horizontal
pleat-

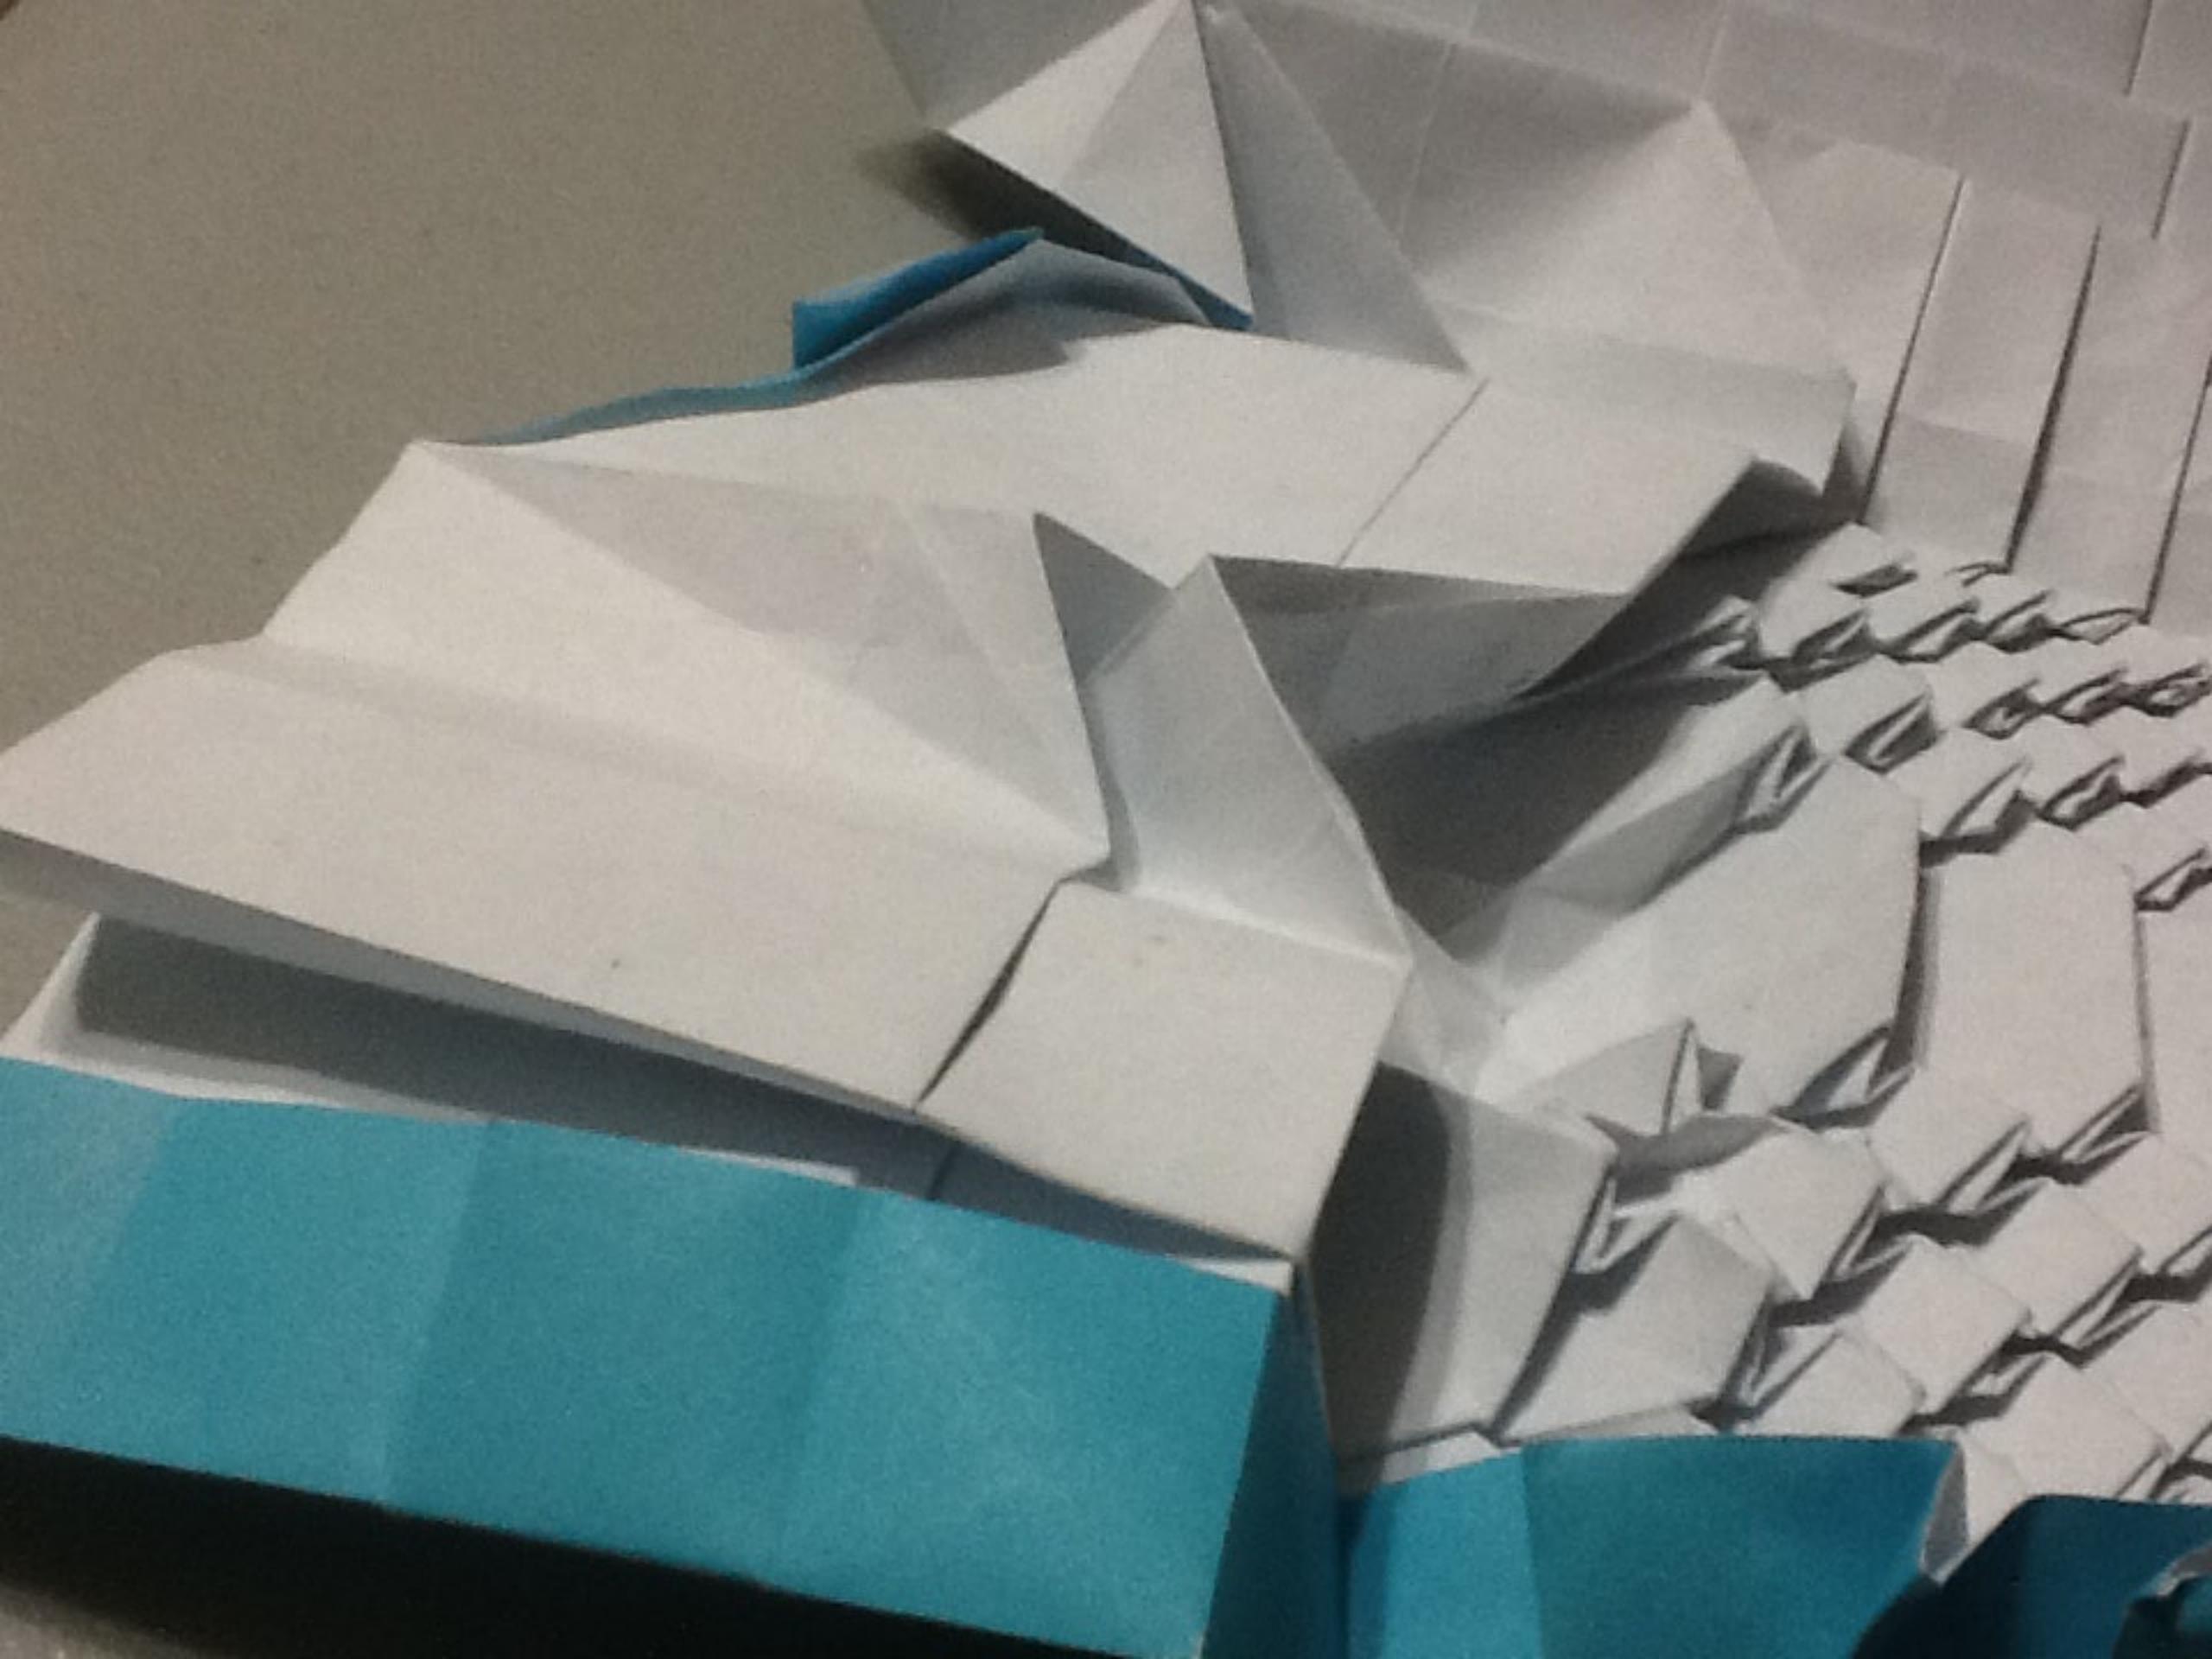

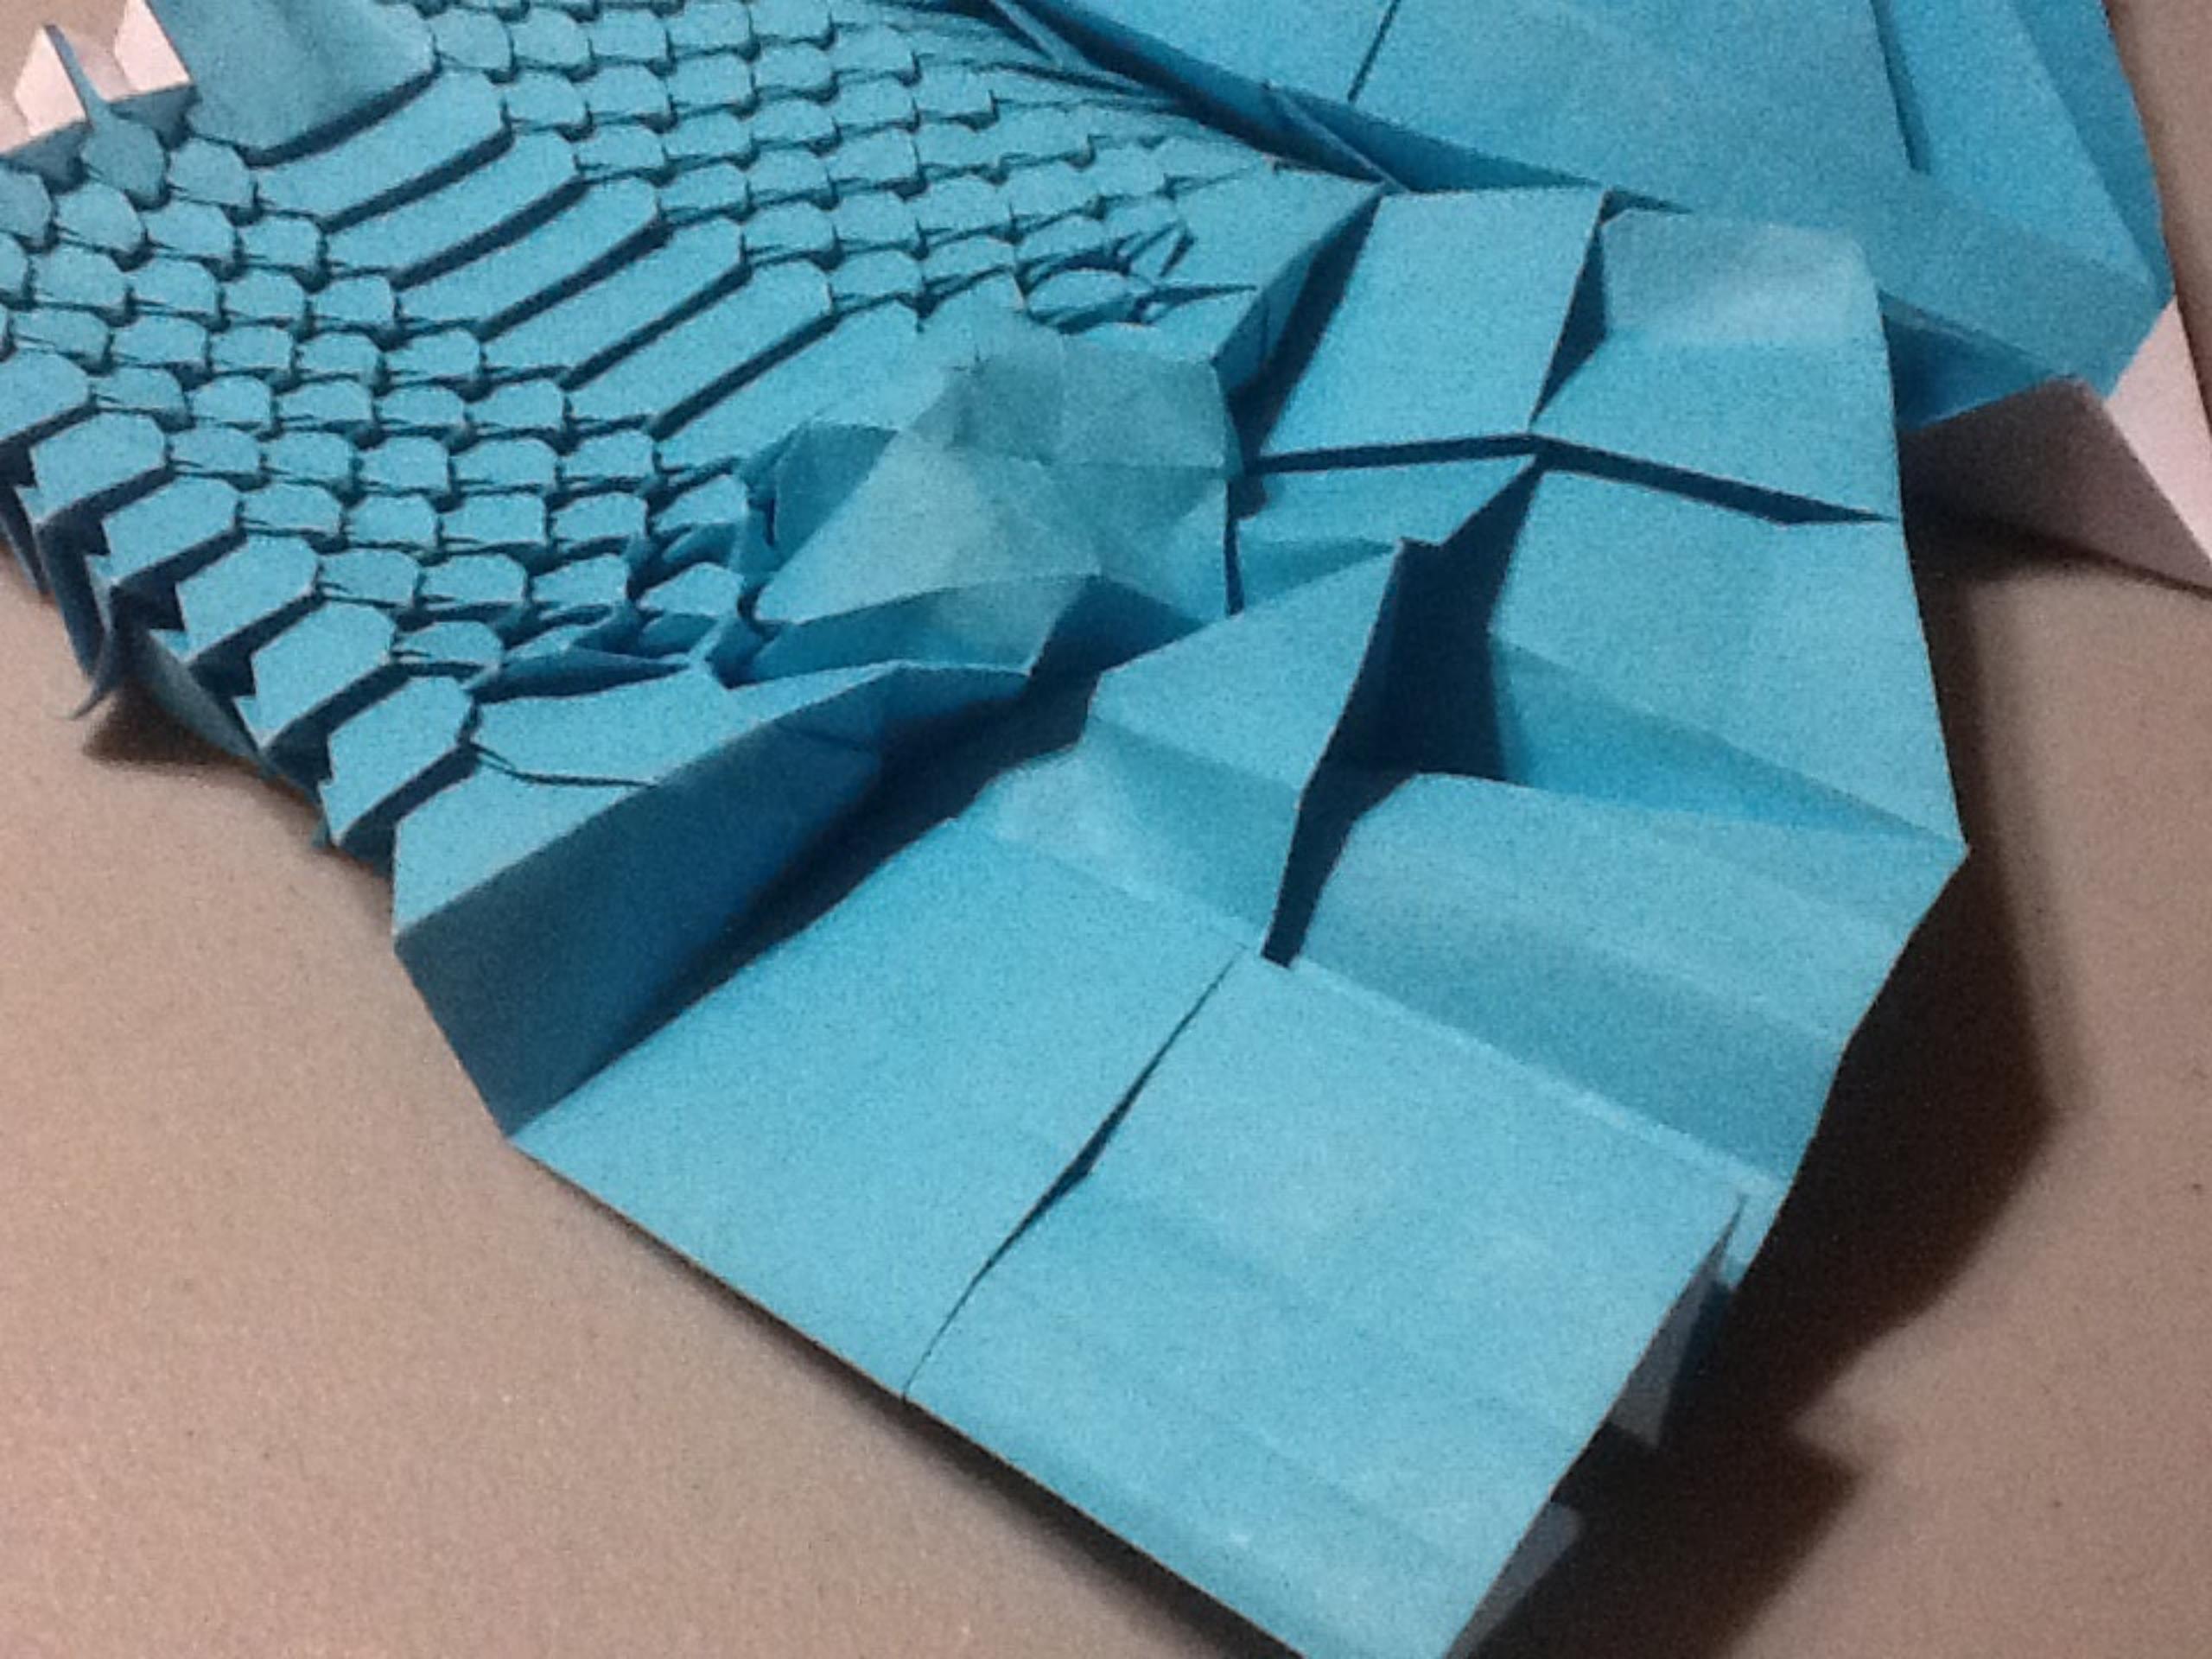

MVC

Form points
with existing
creases-

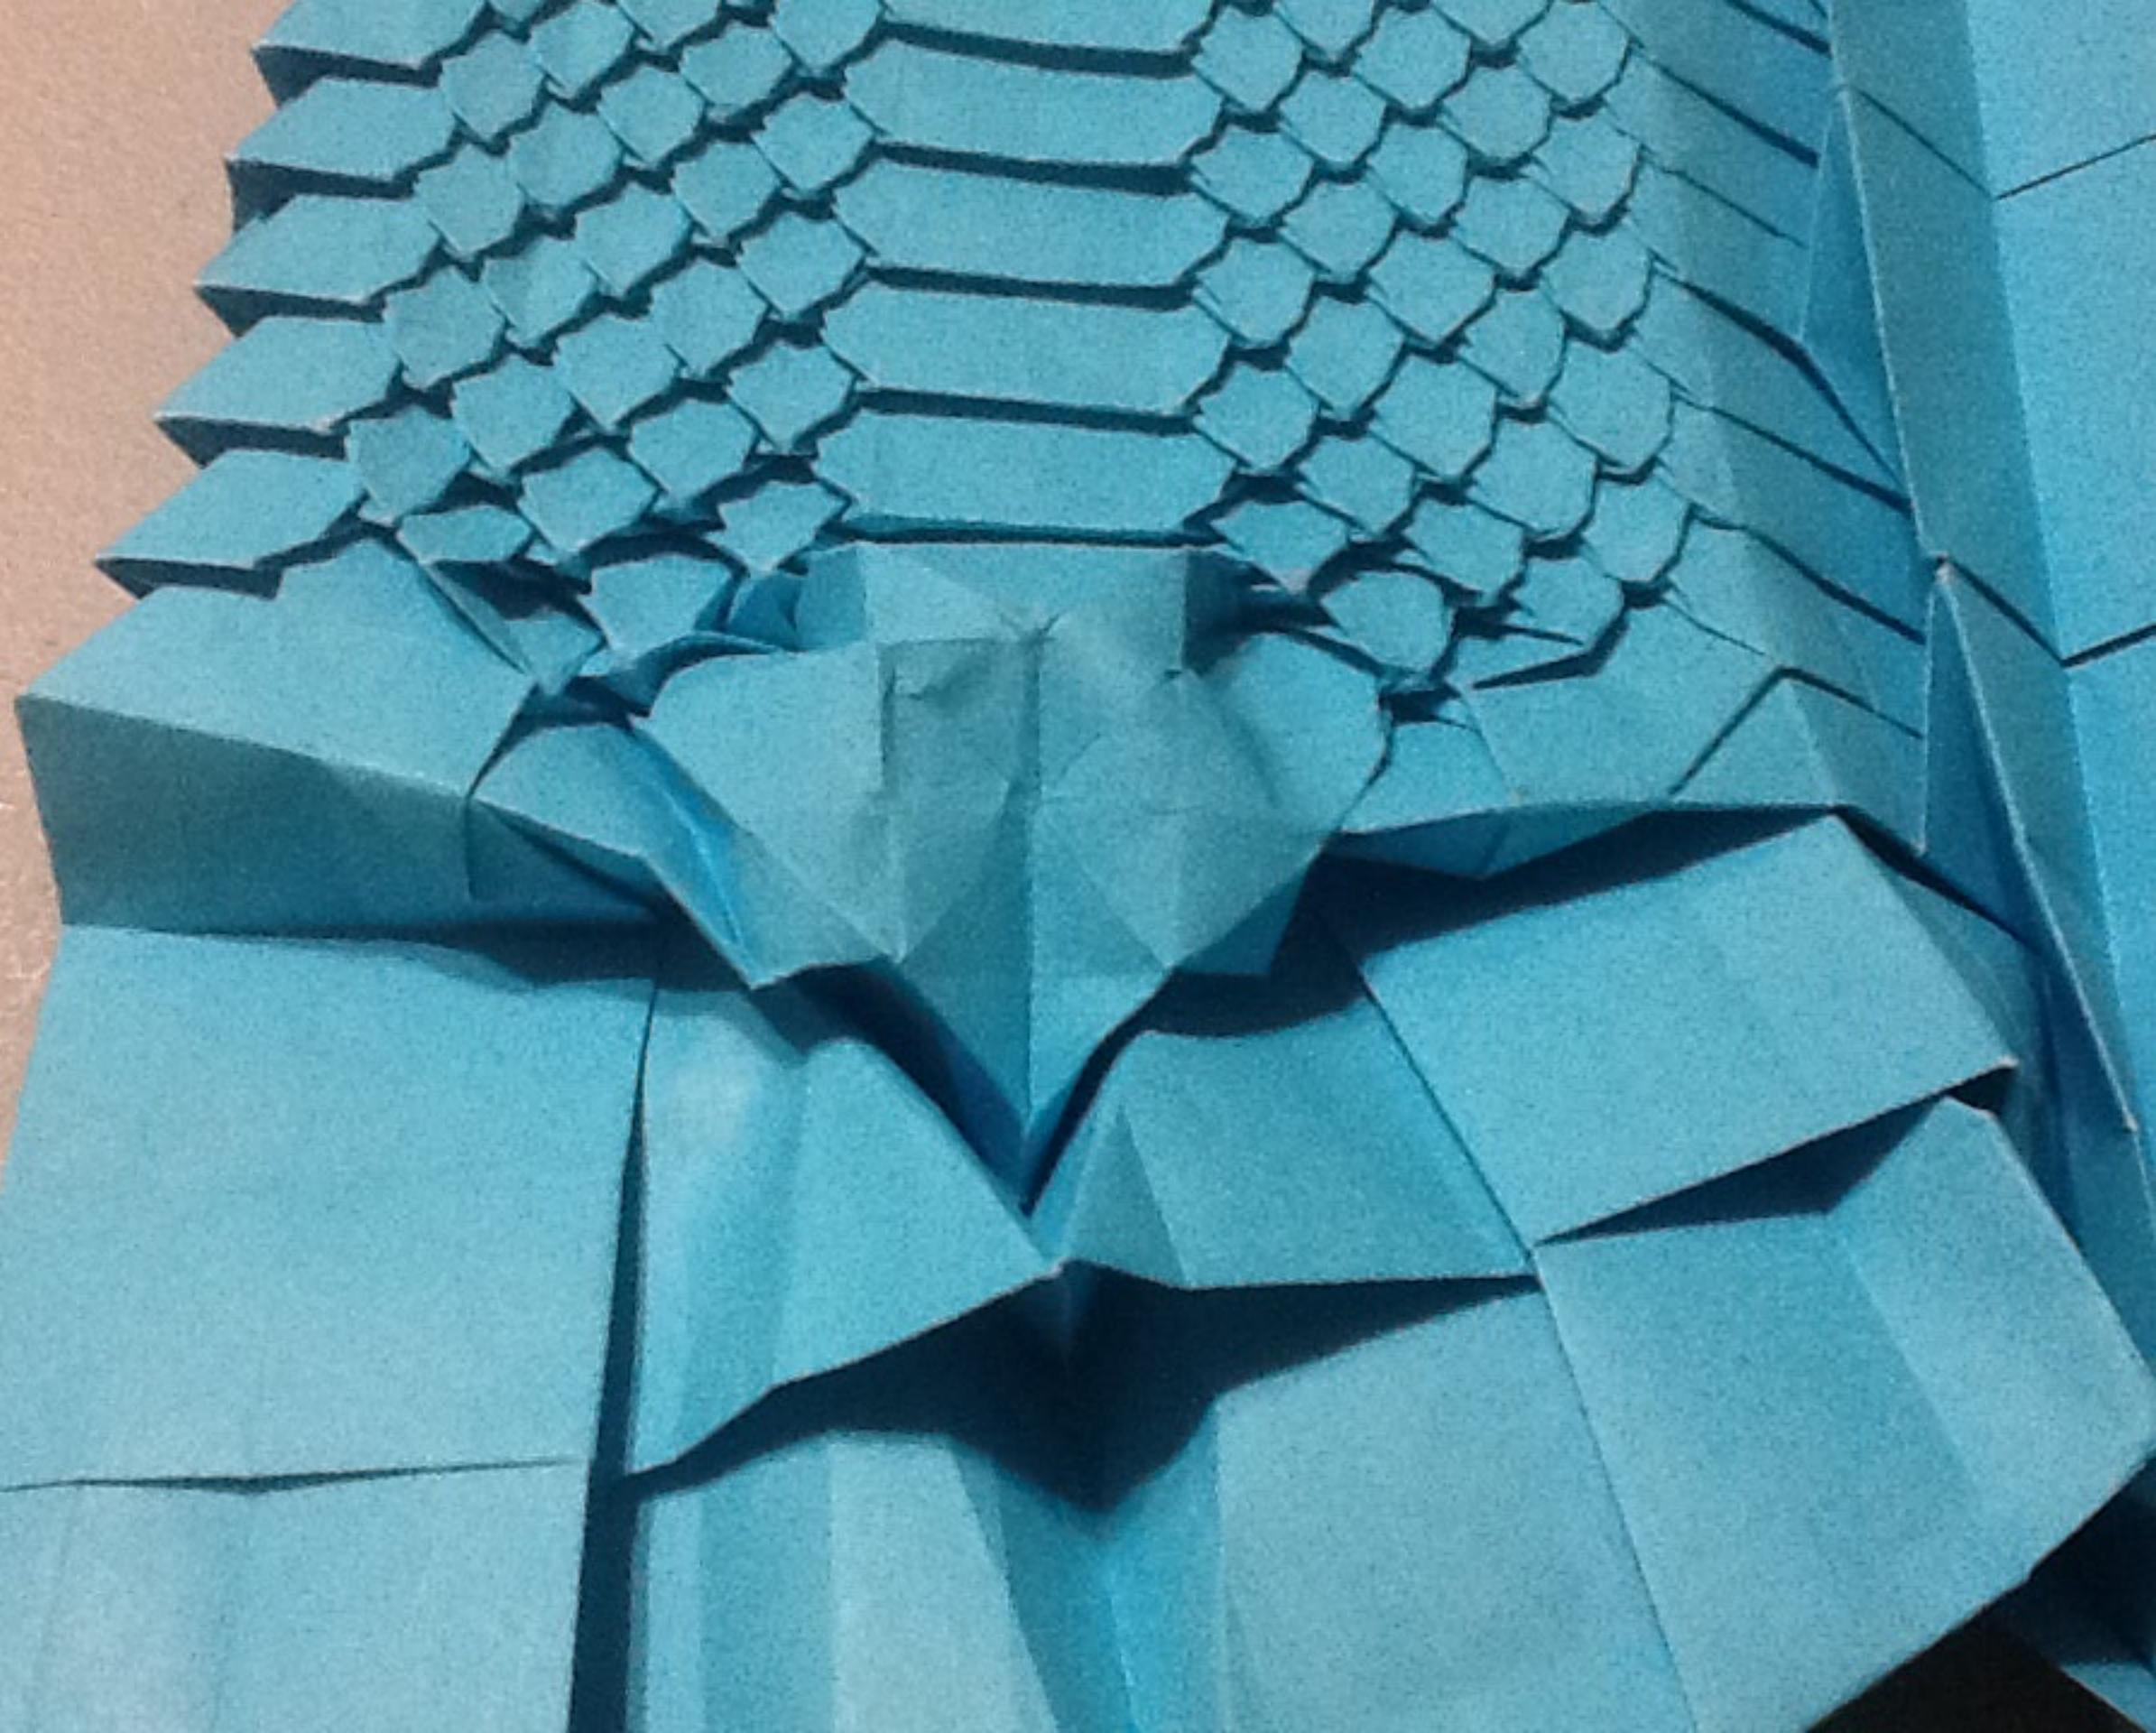

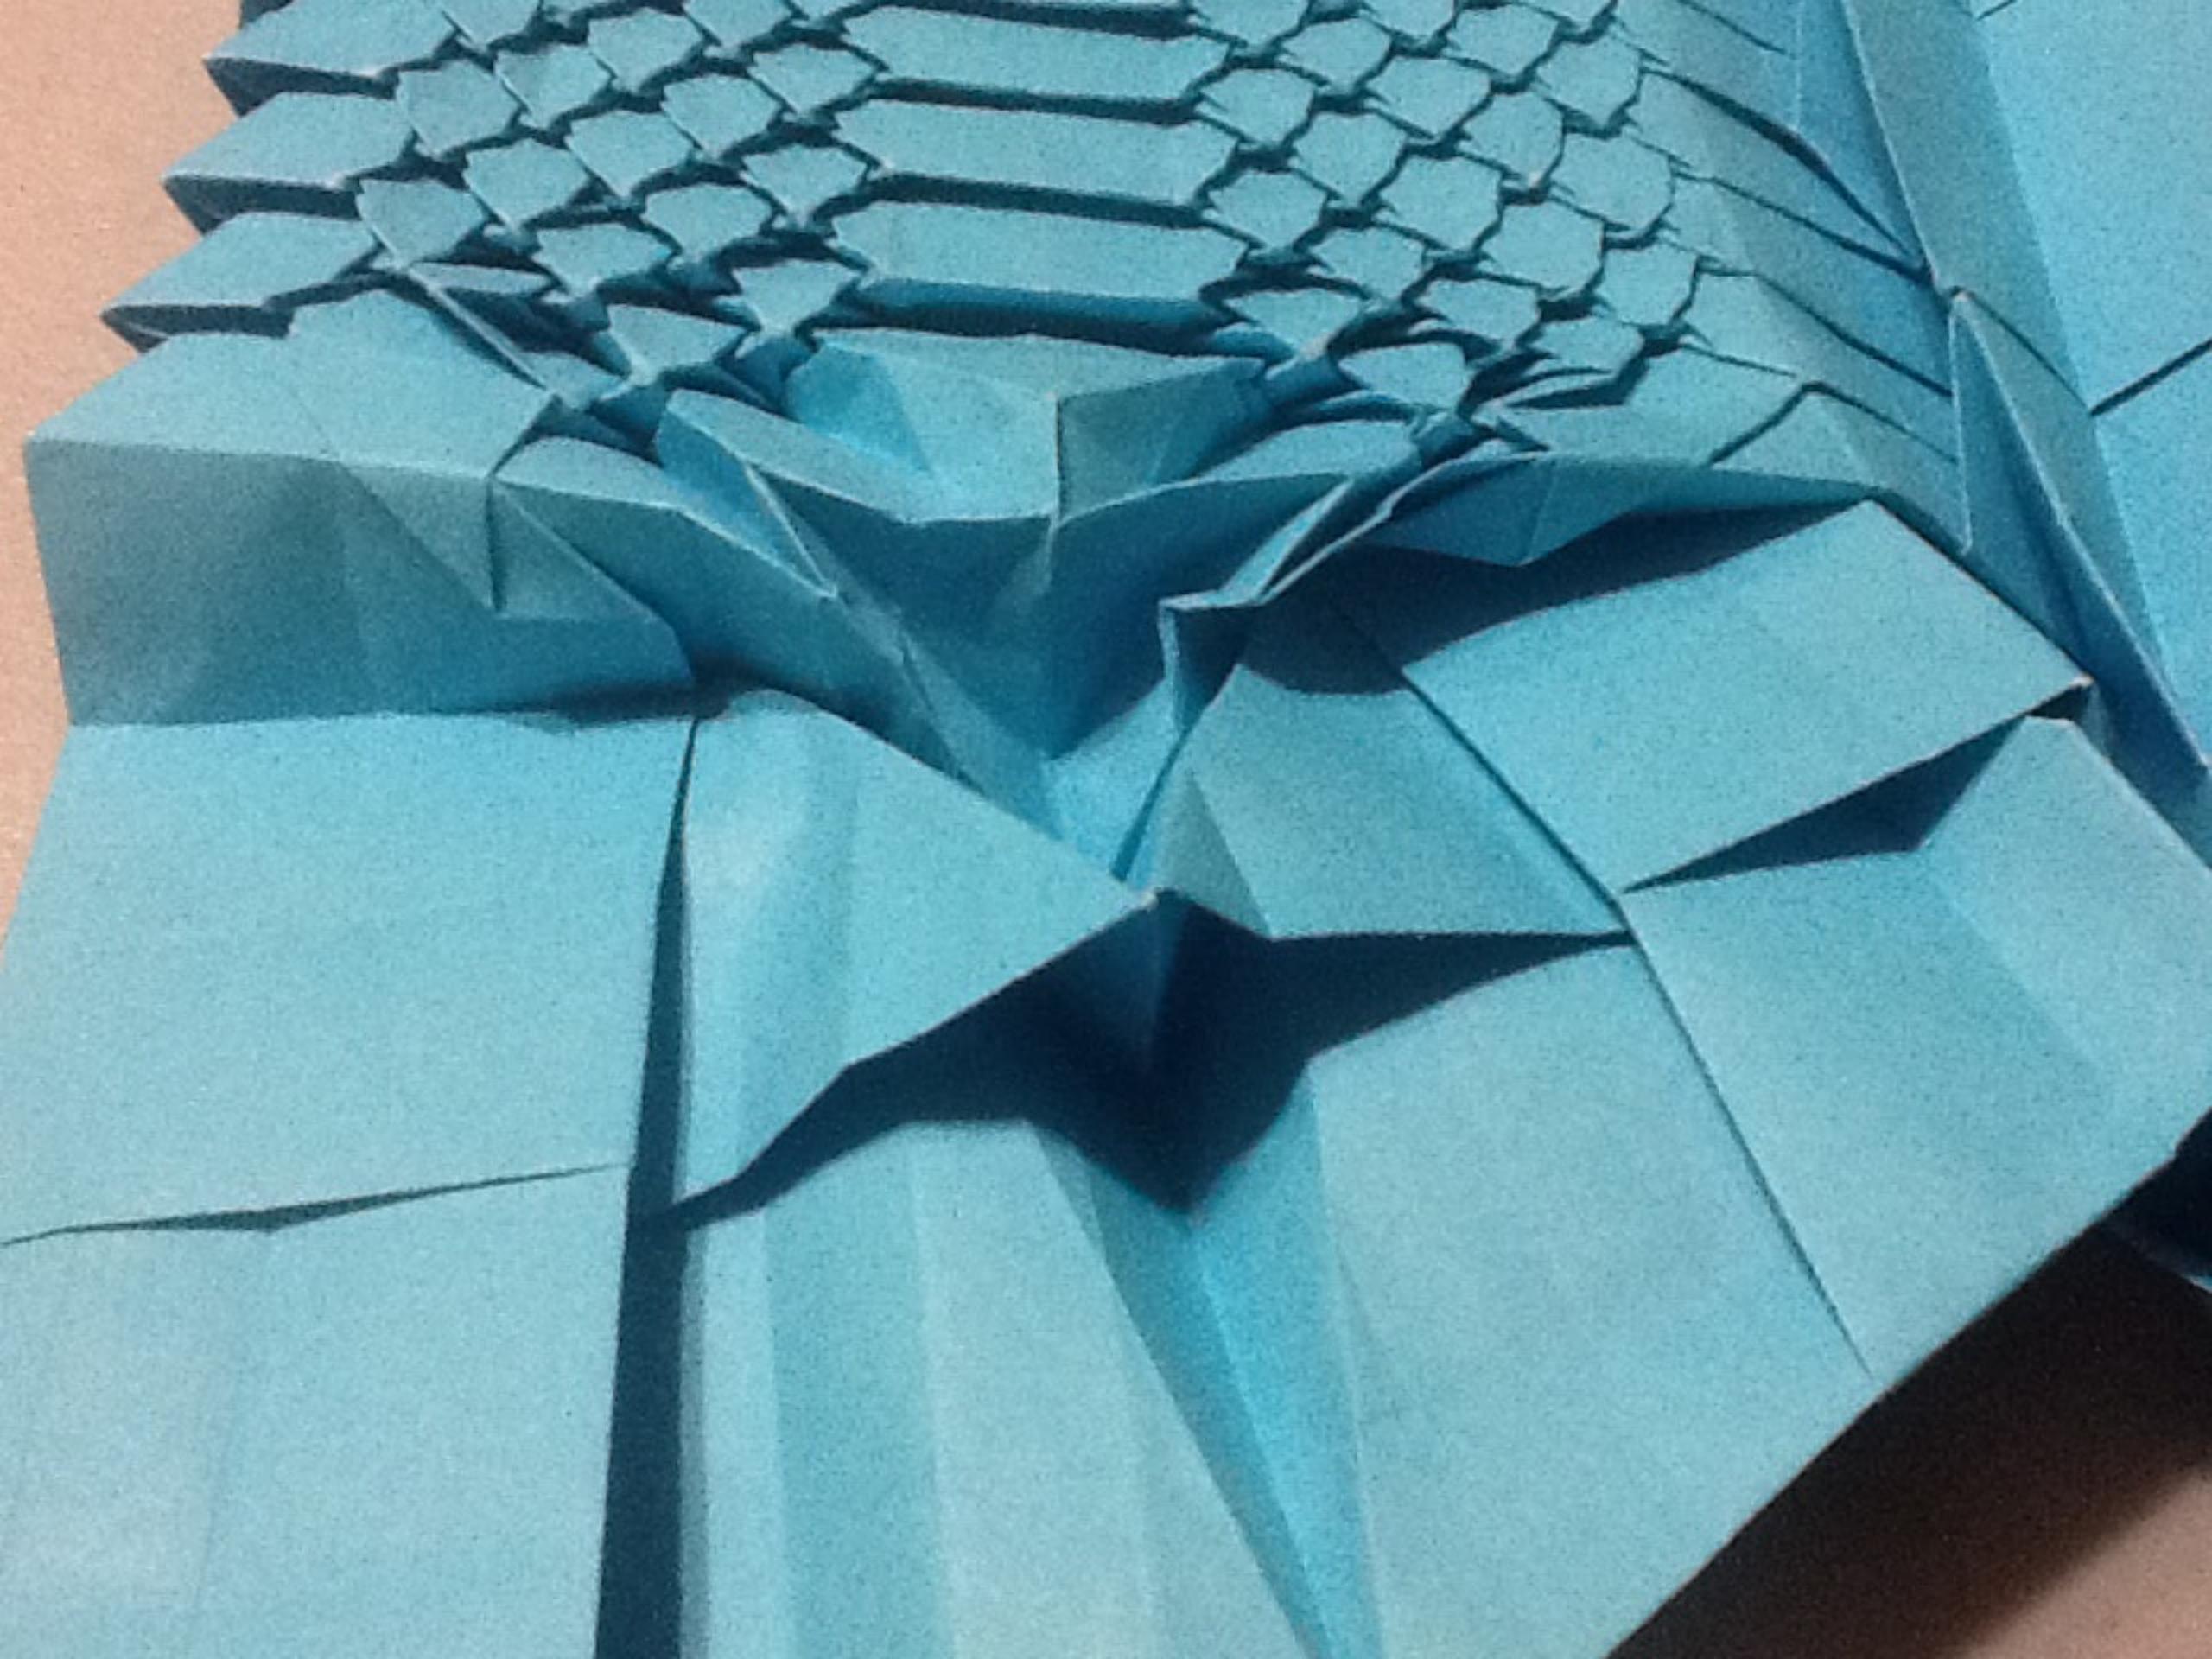

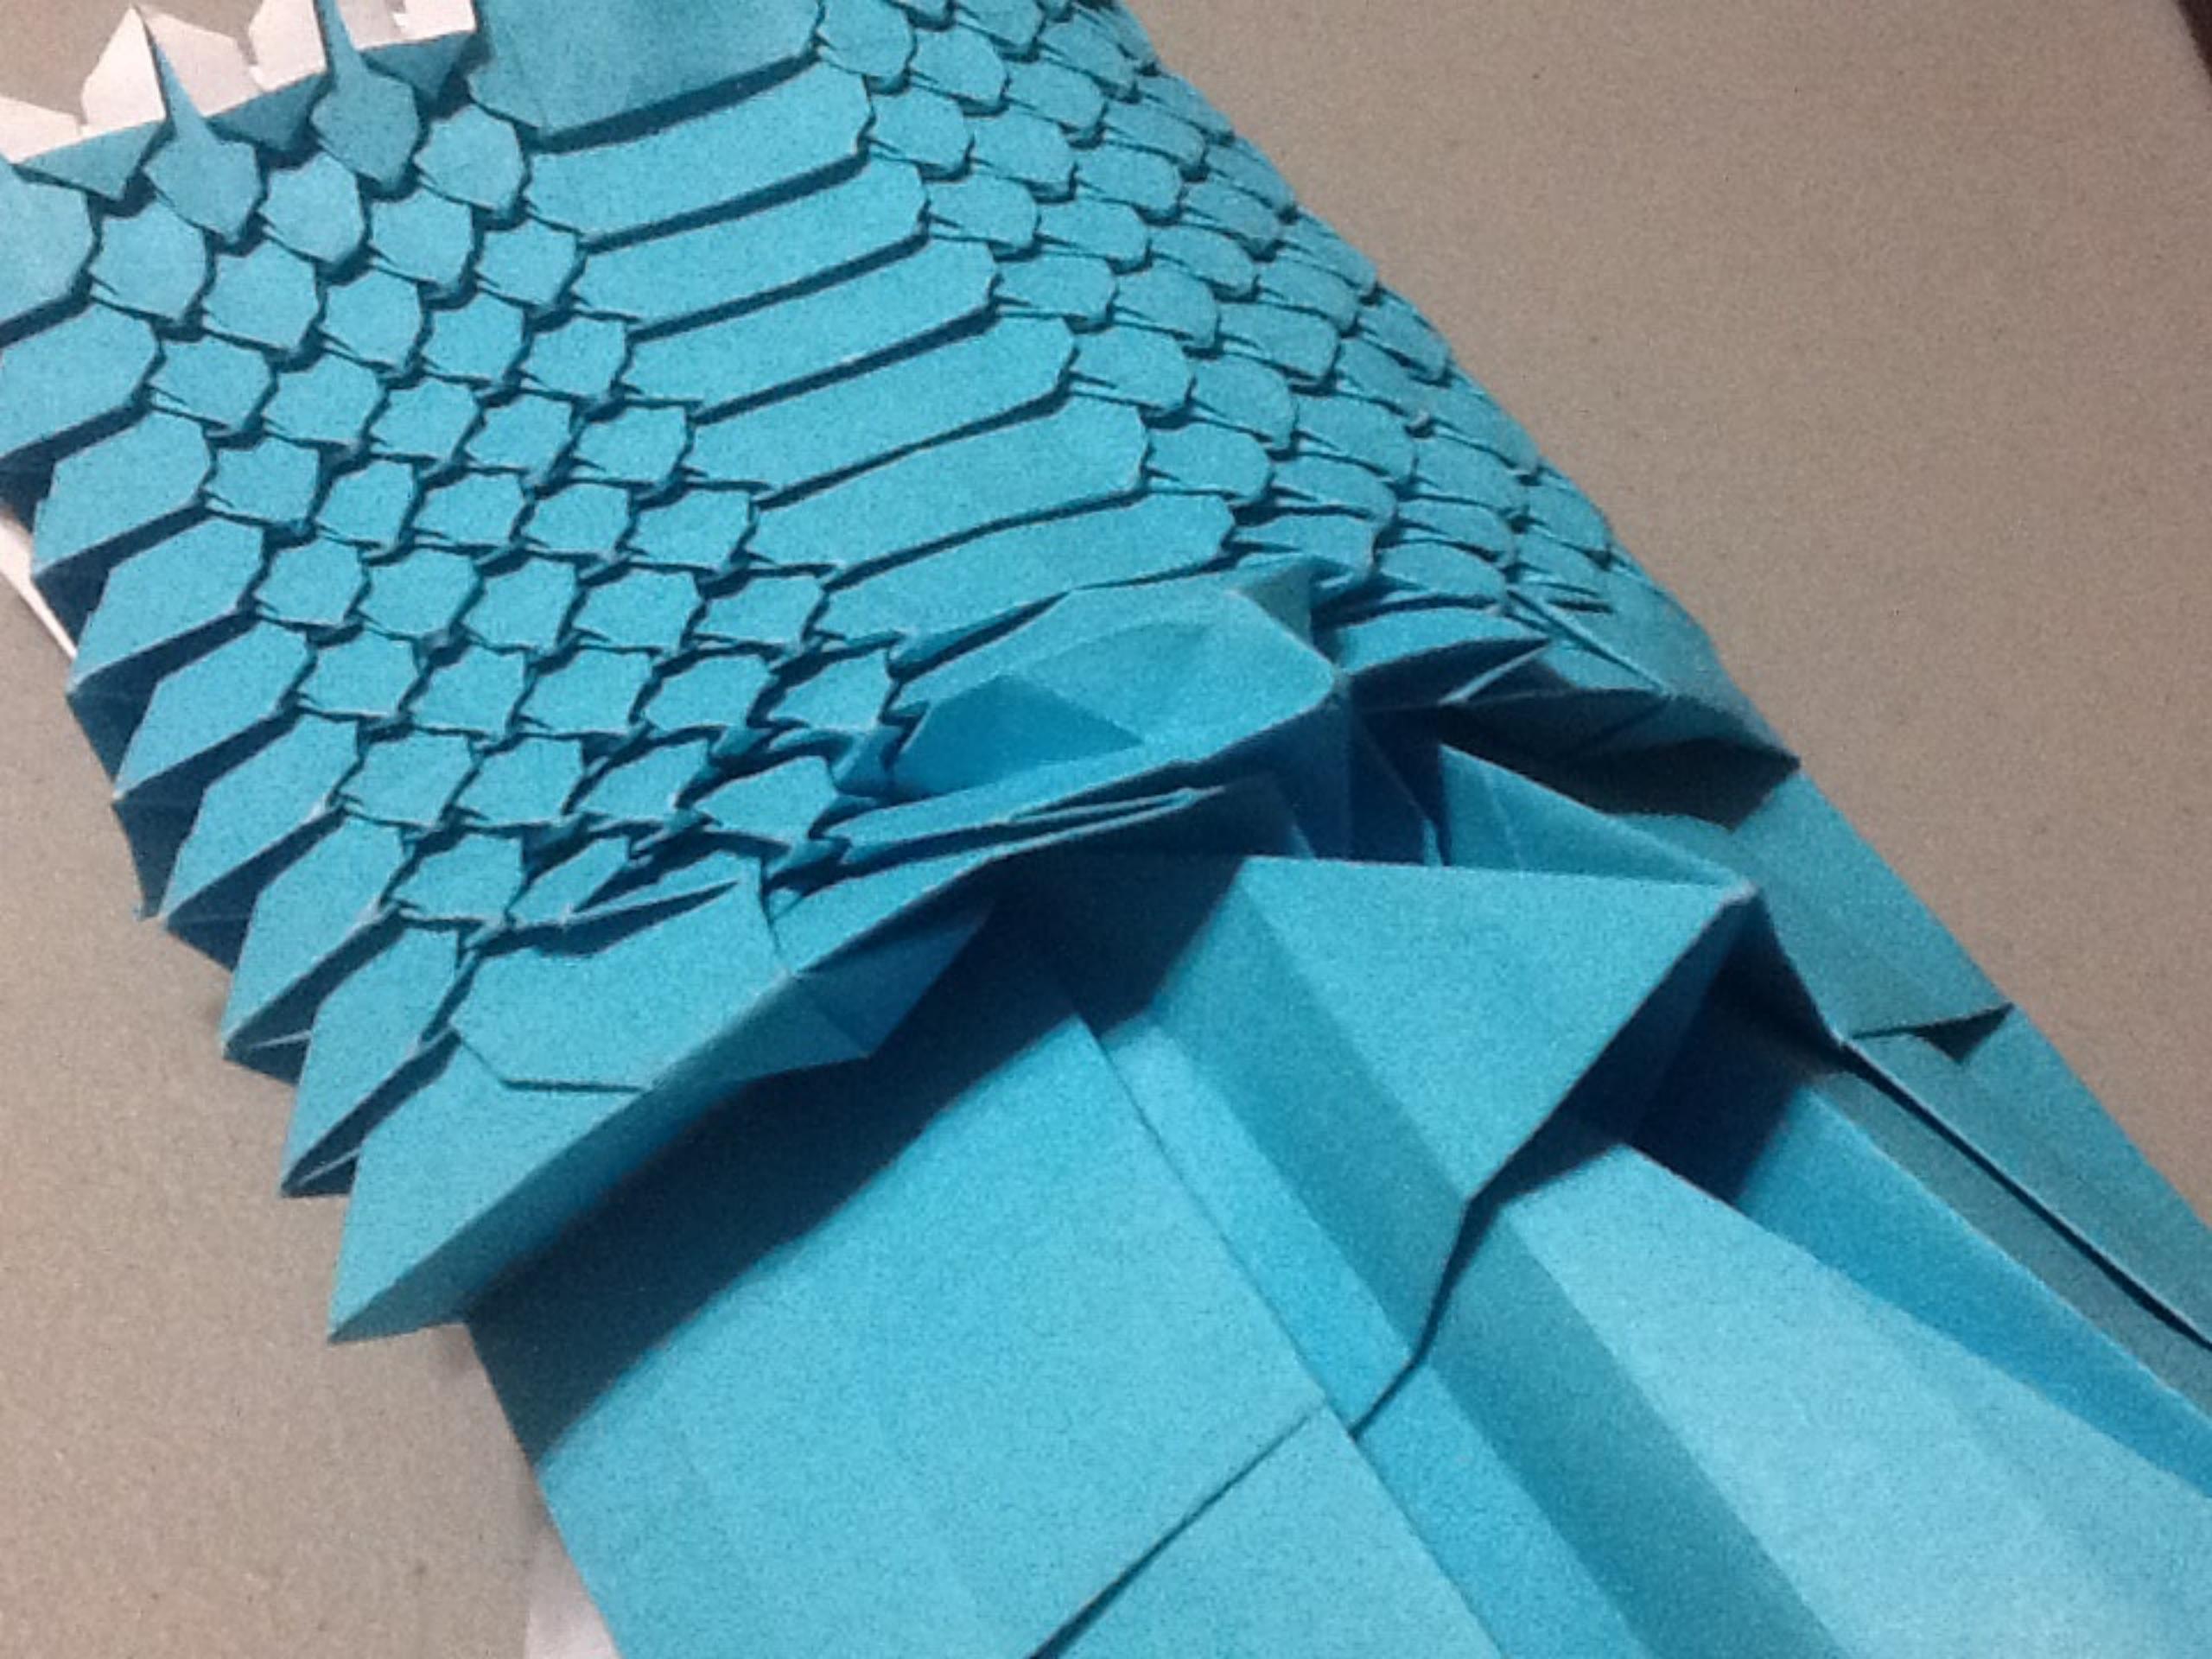

MVC

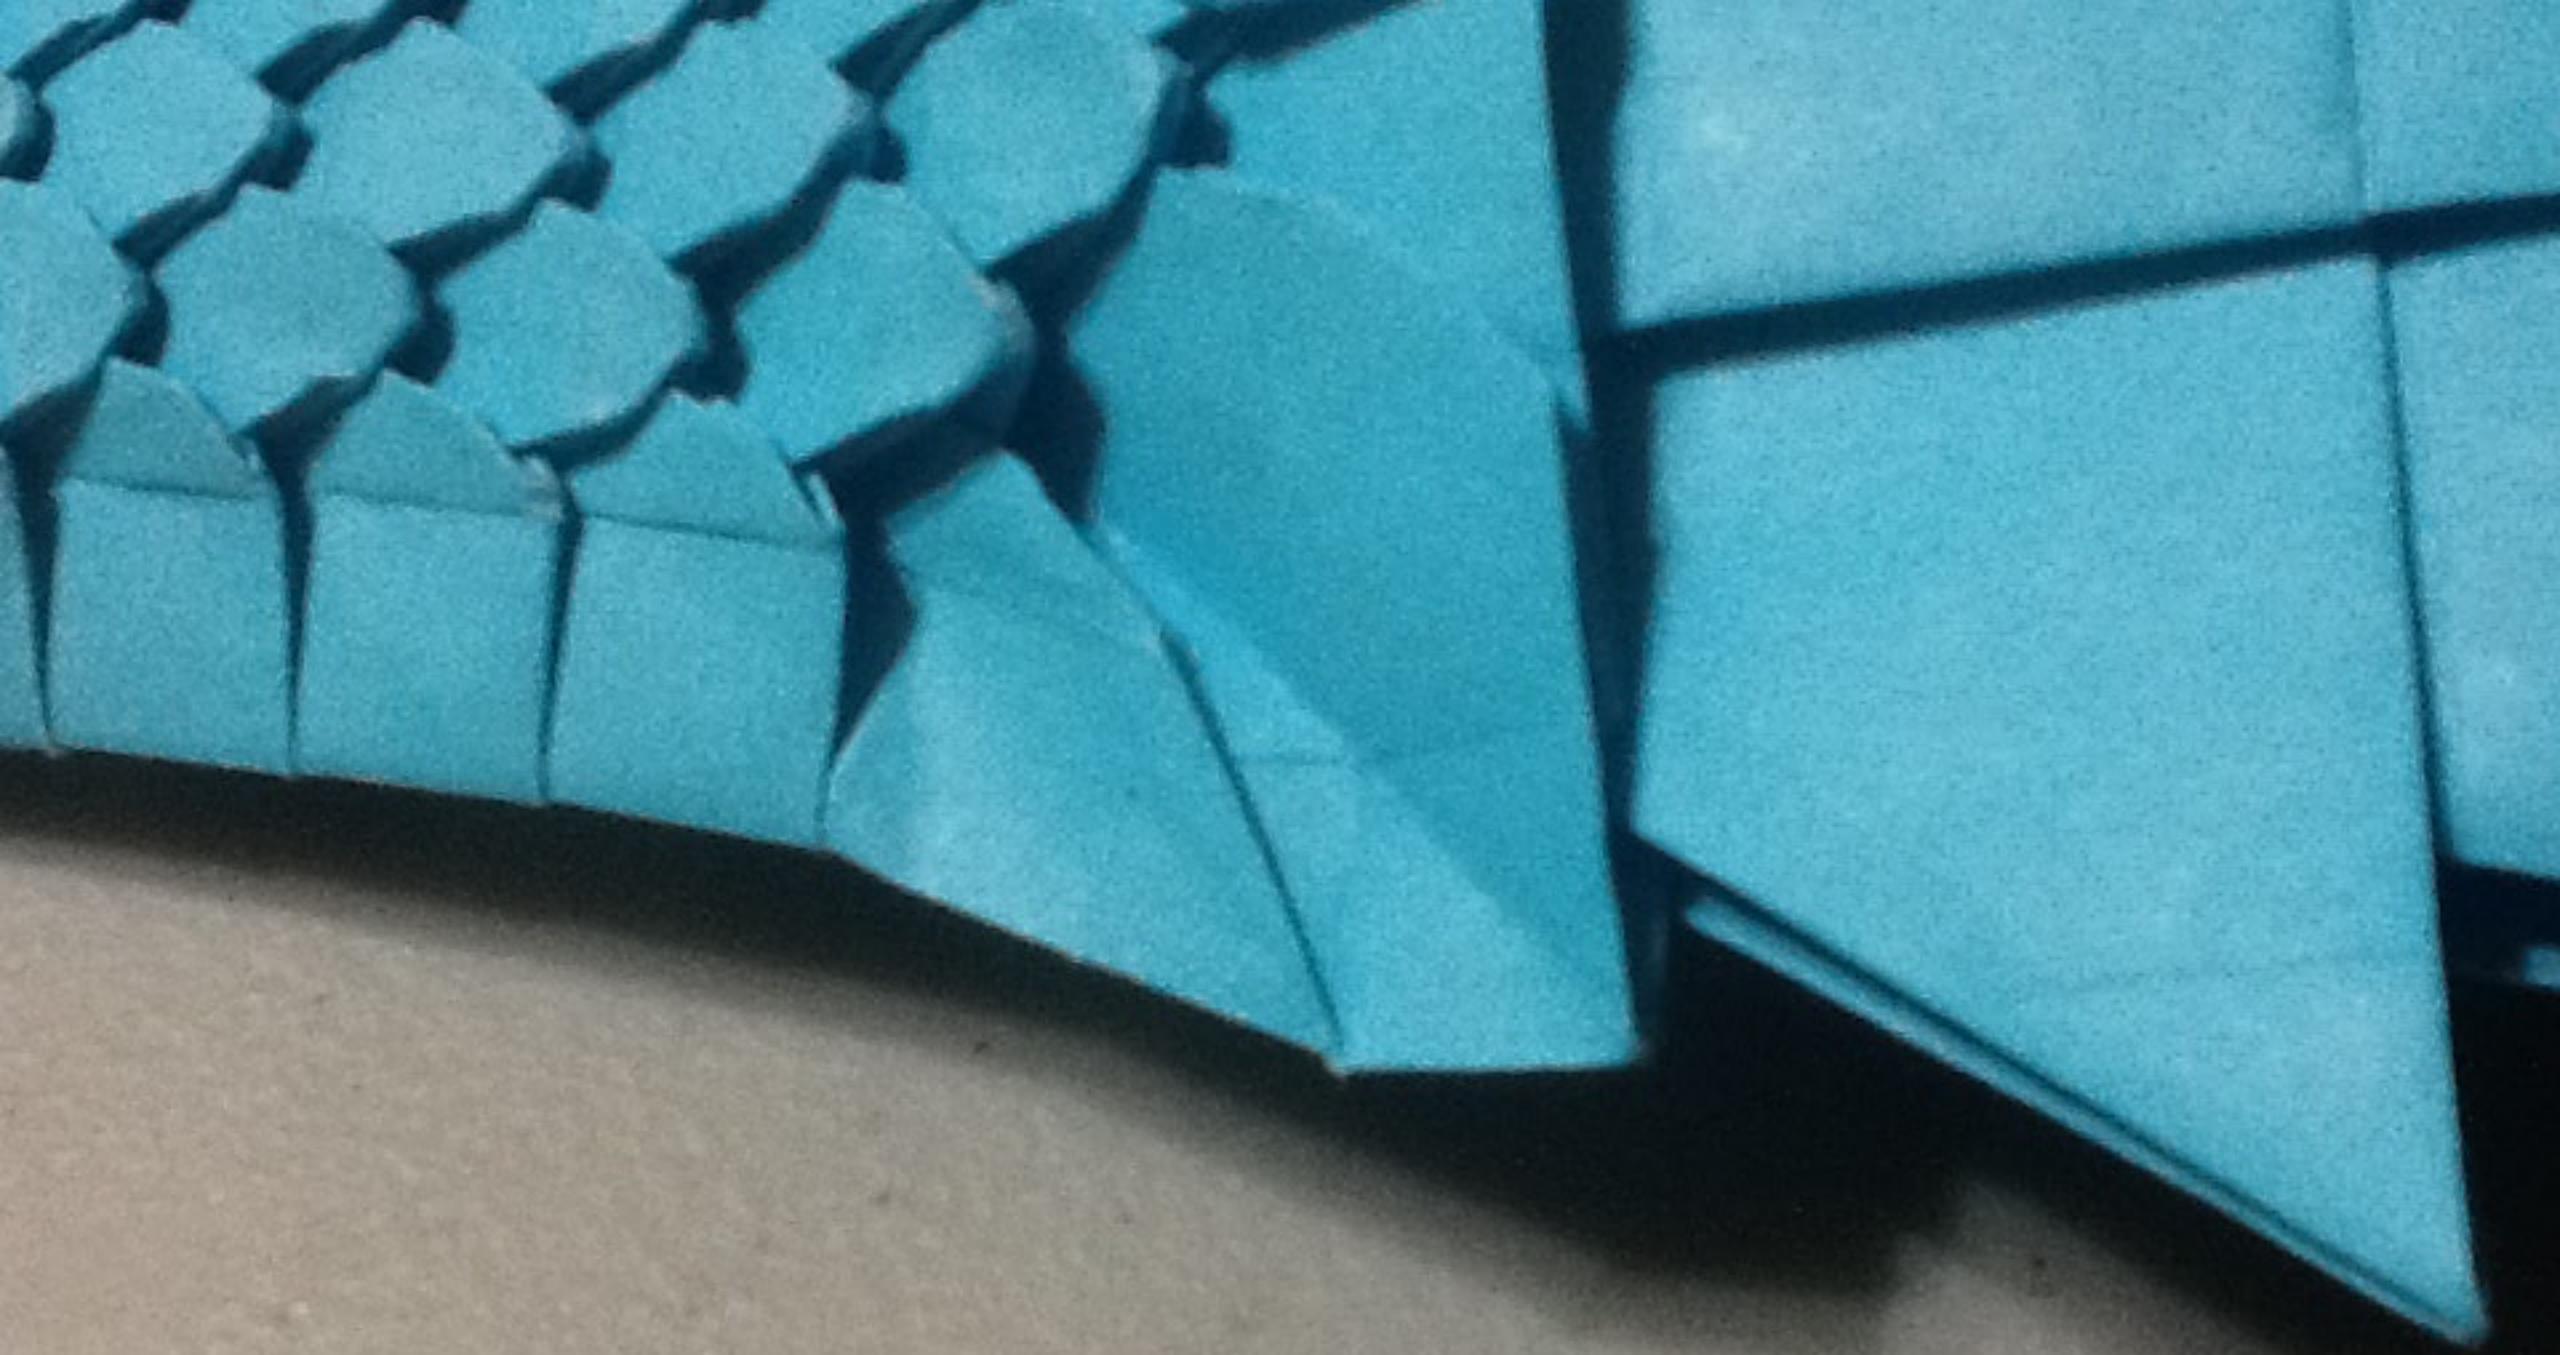

close up the
opened area -

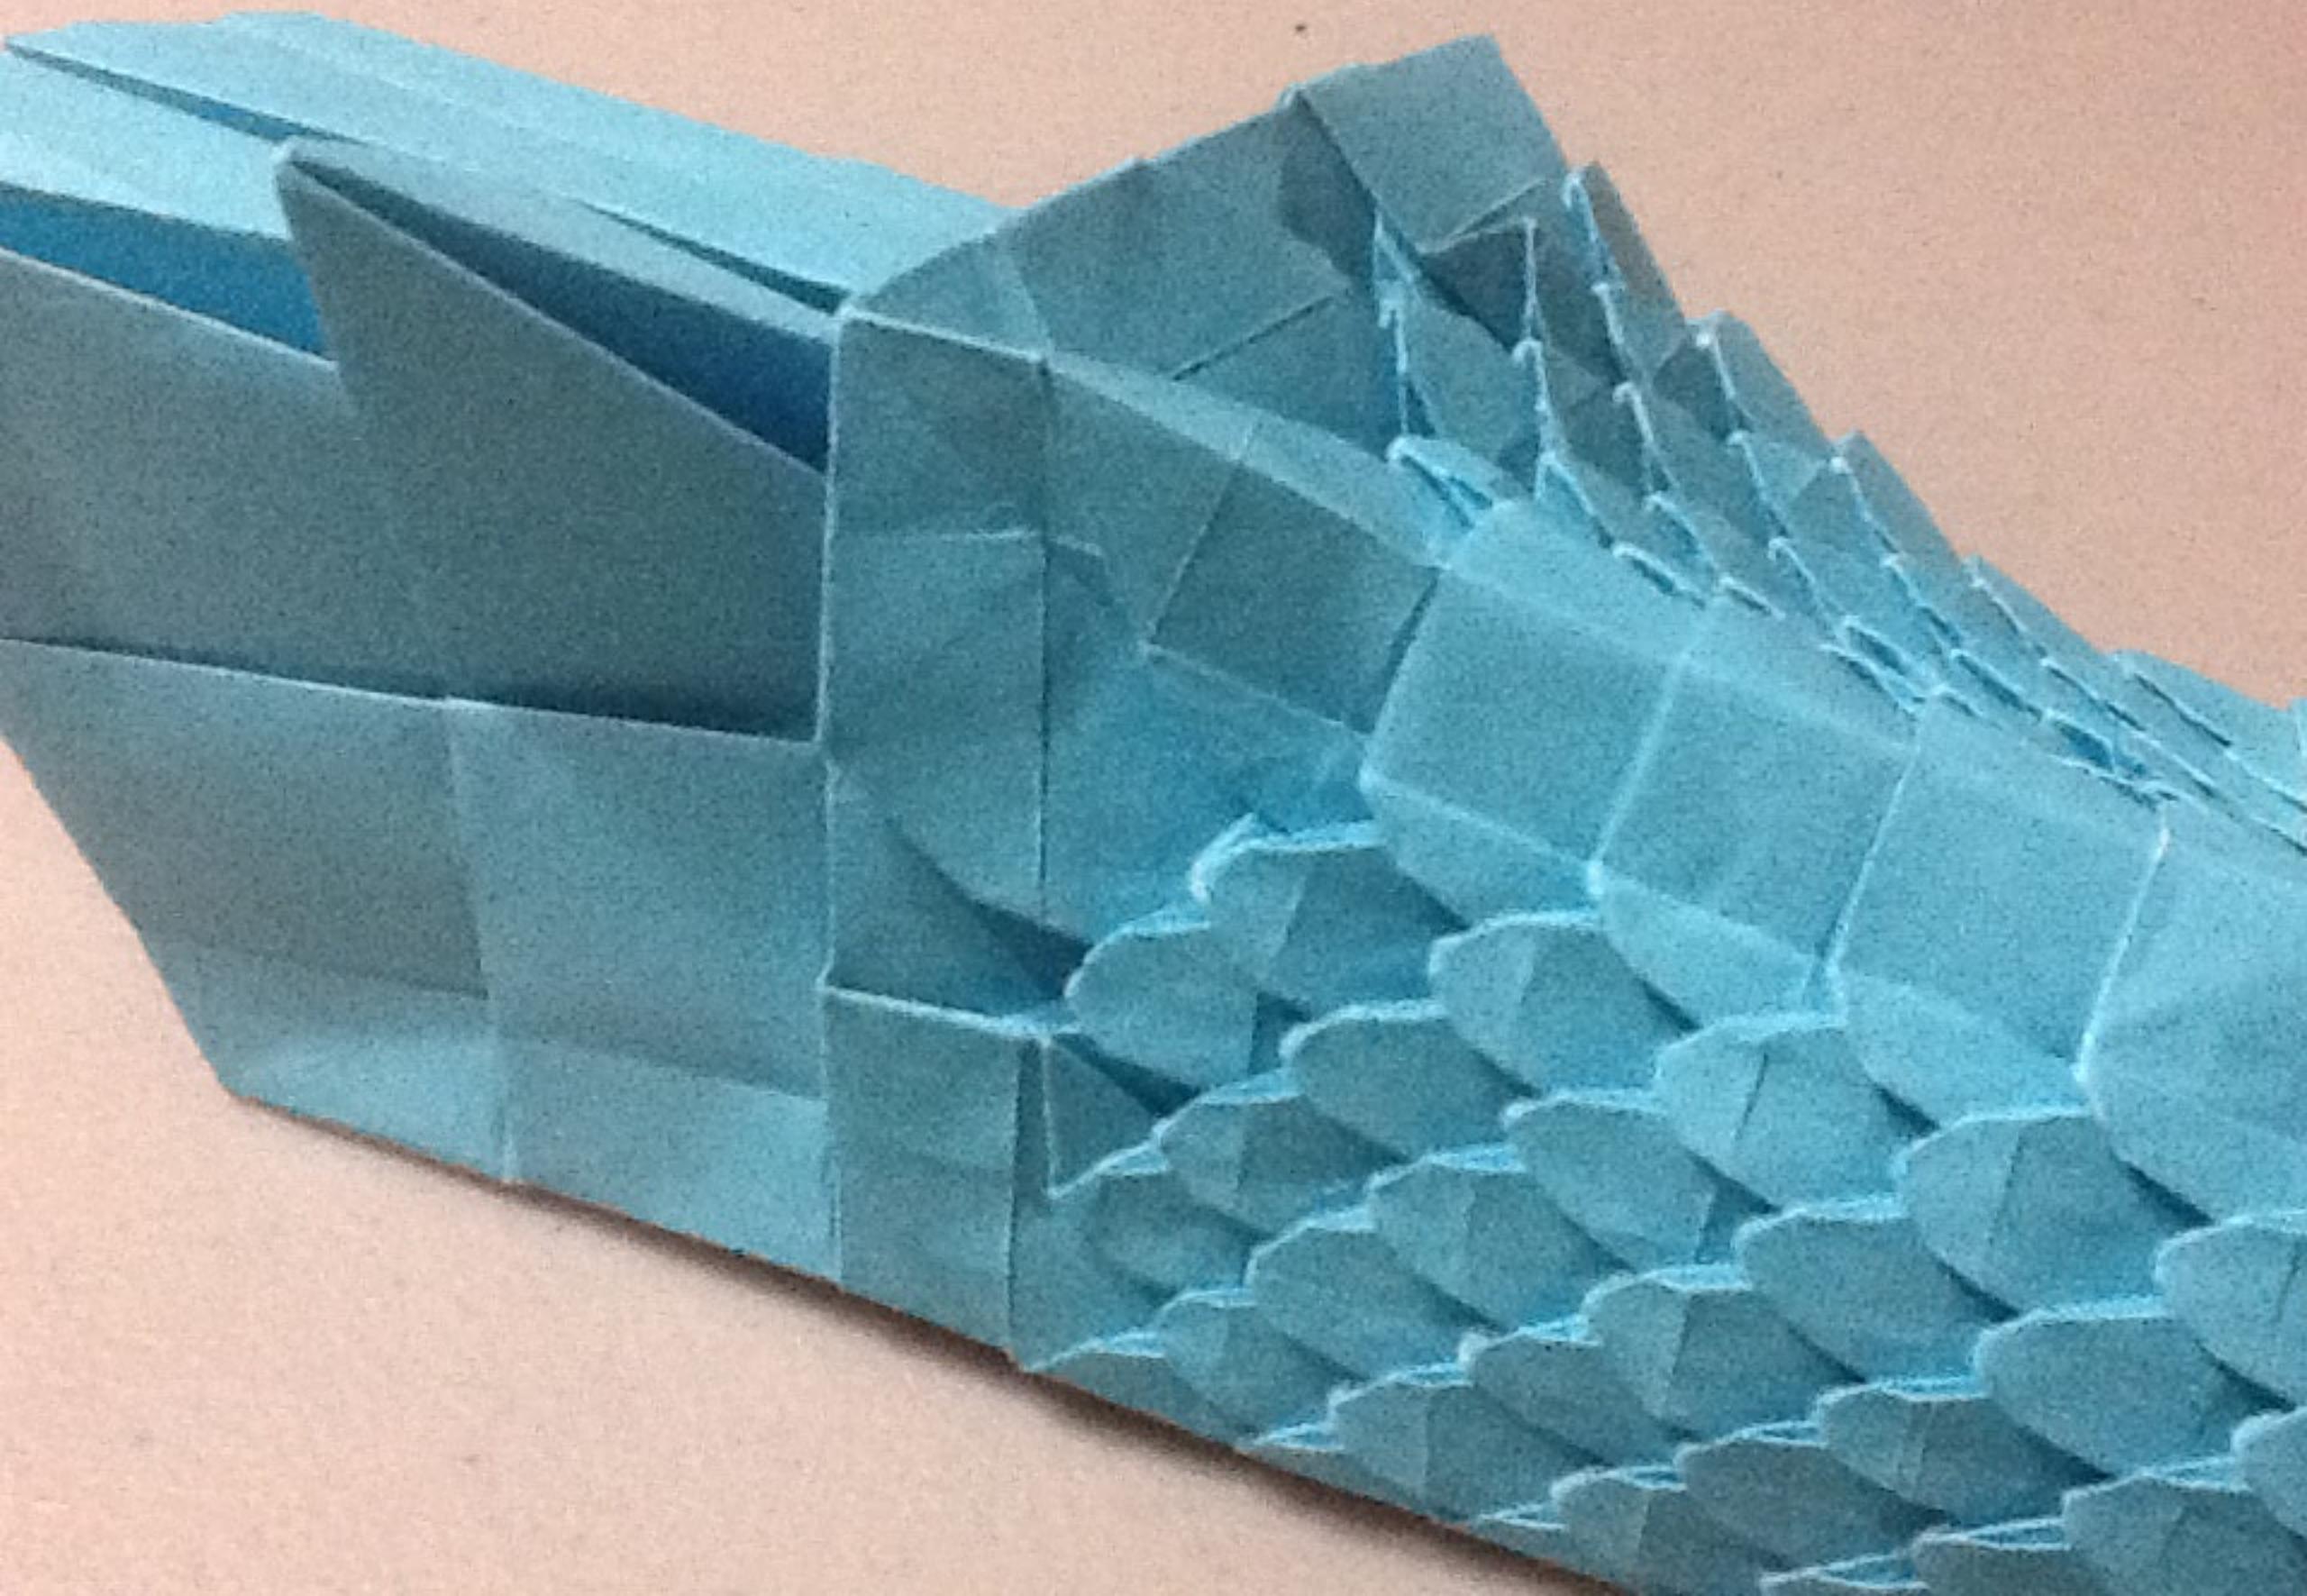

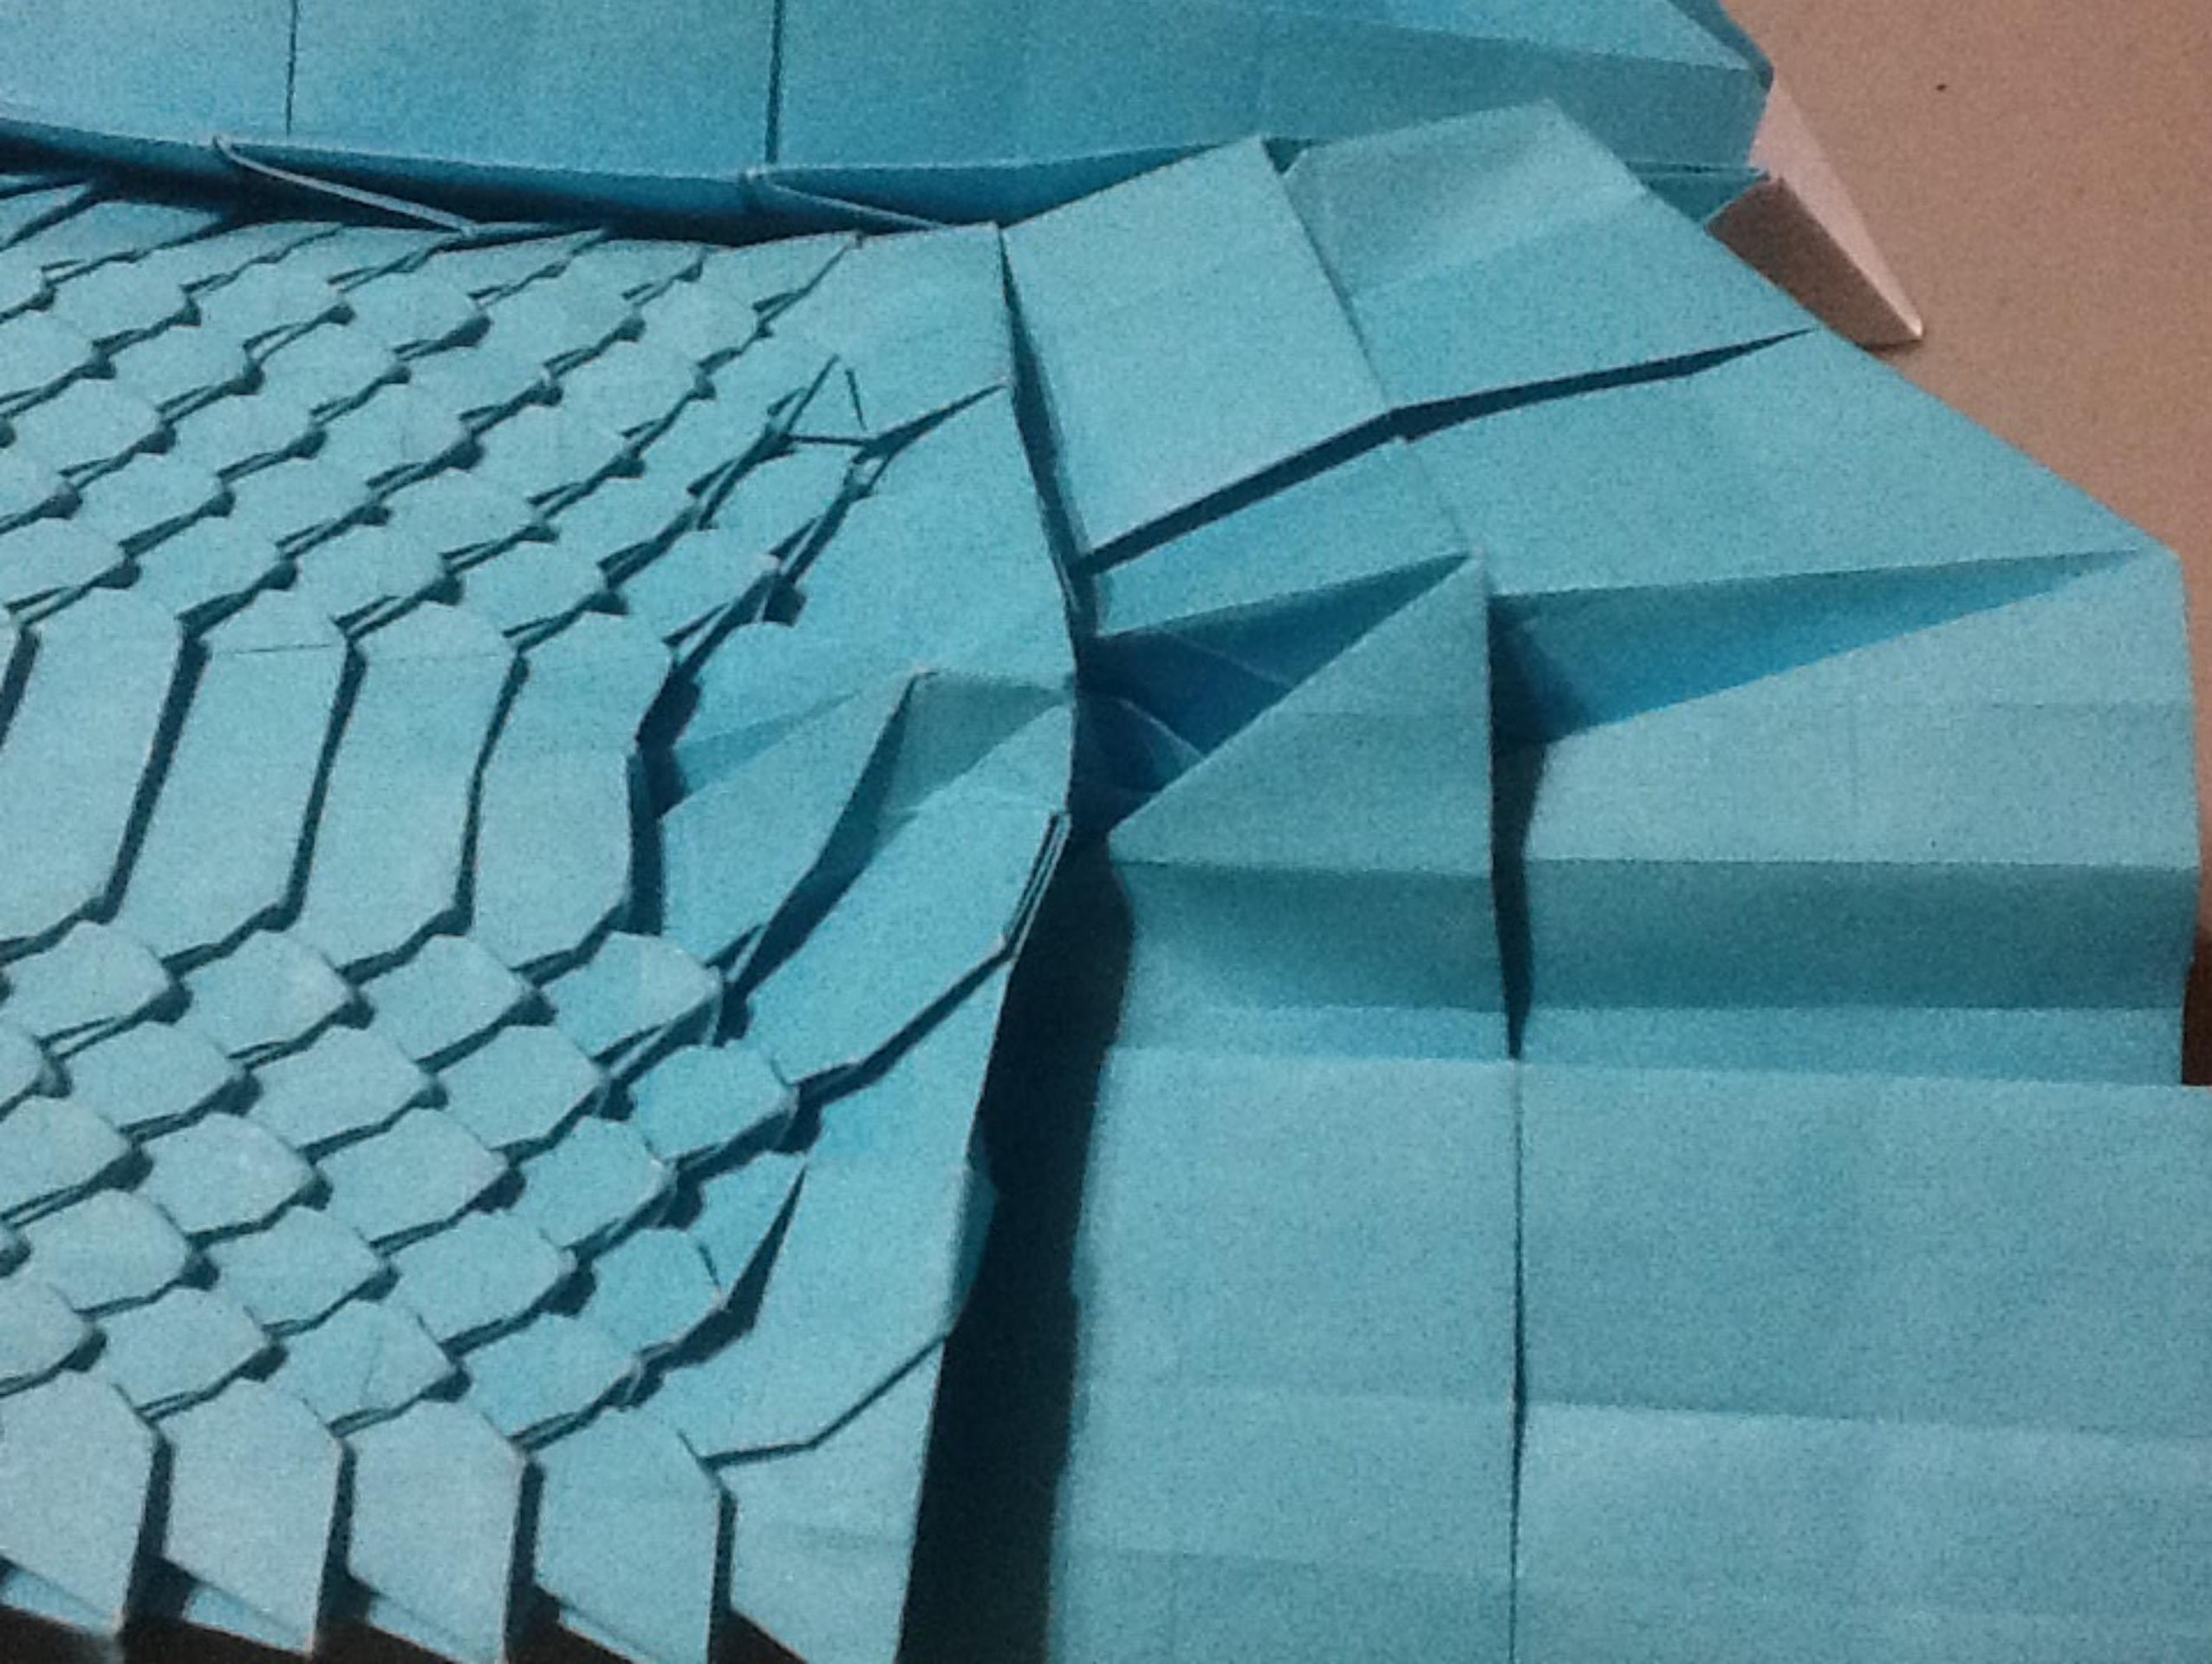

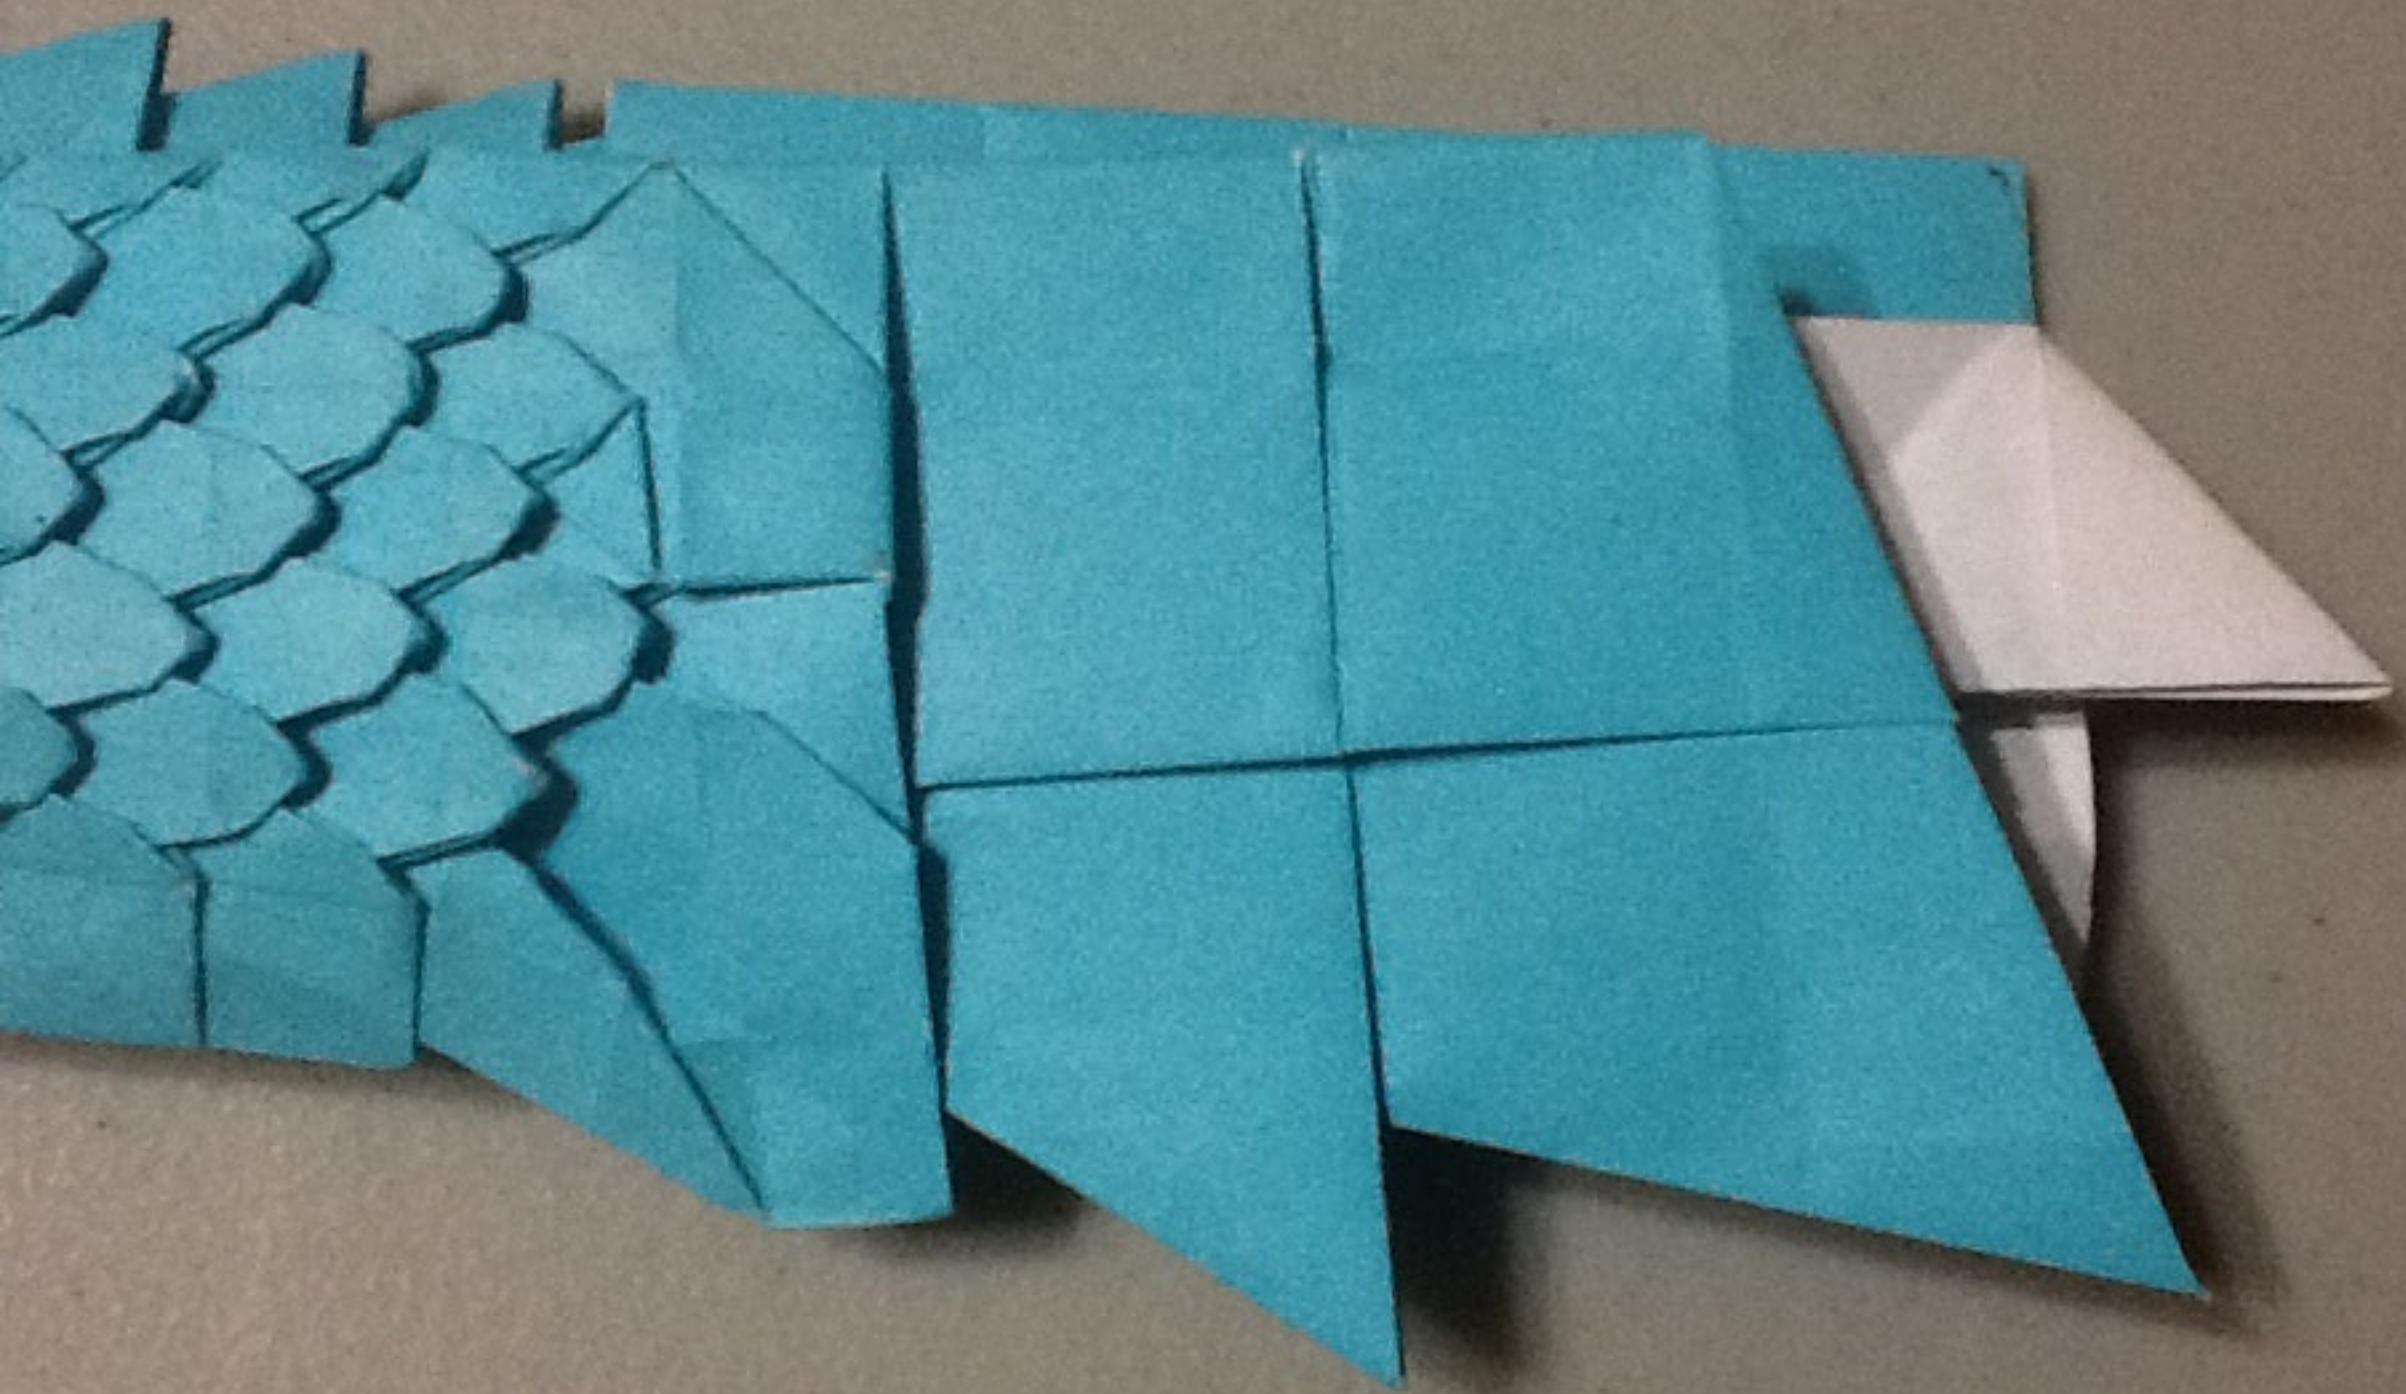

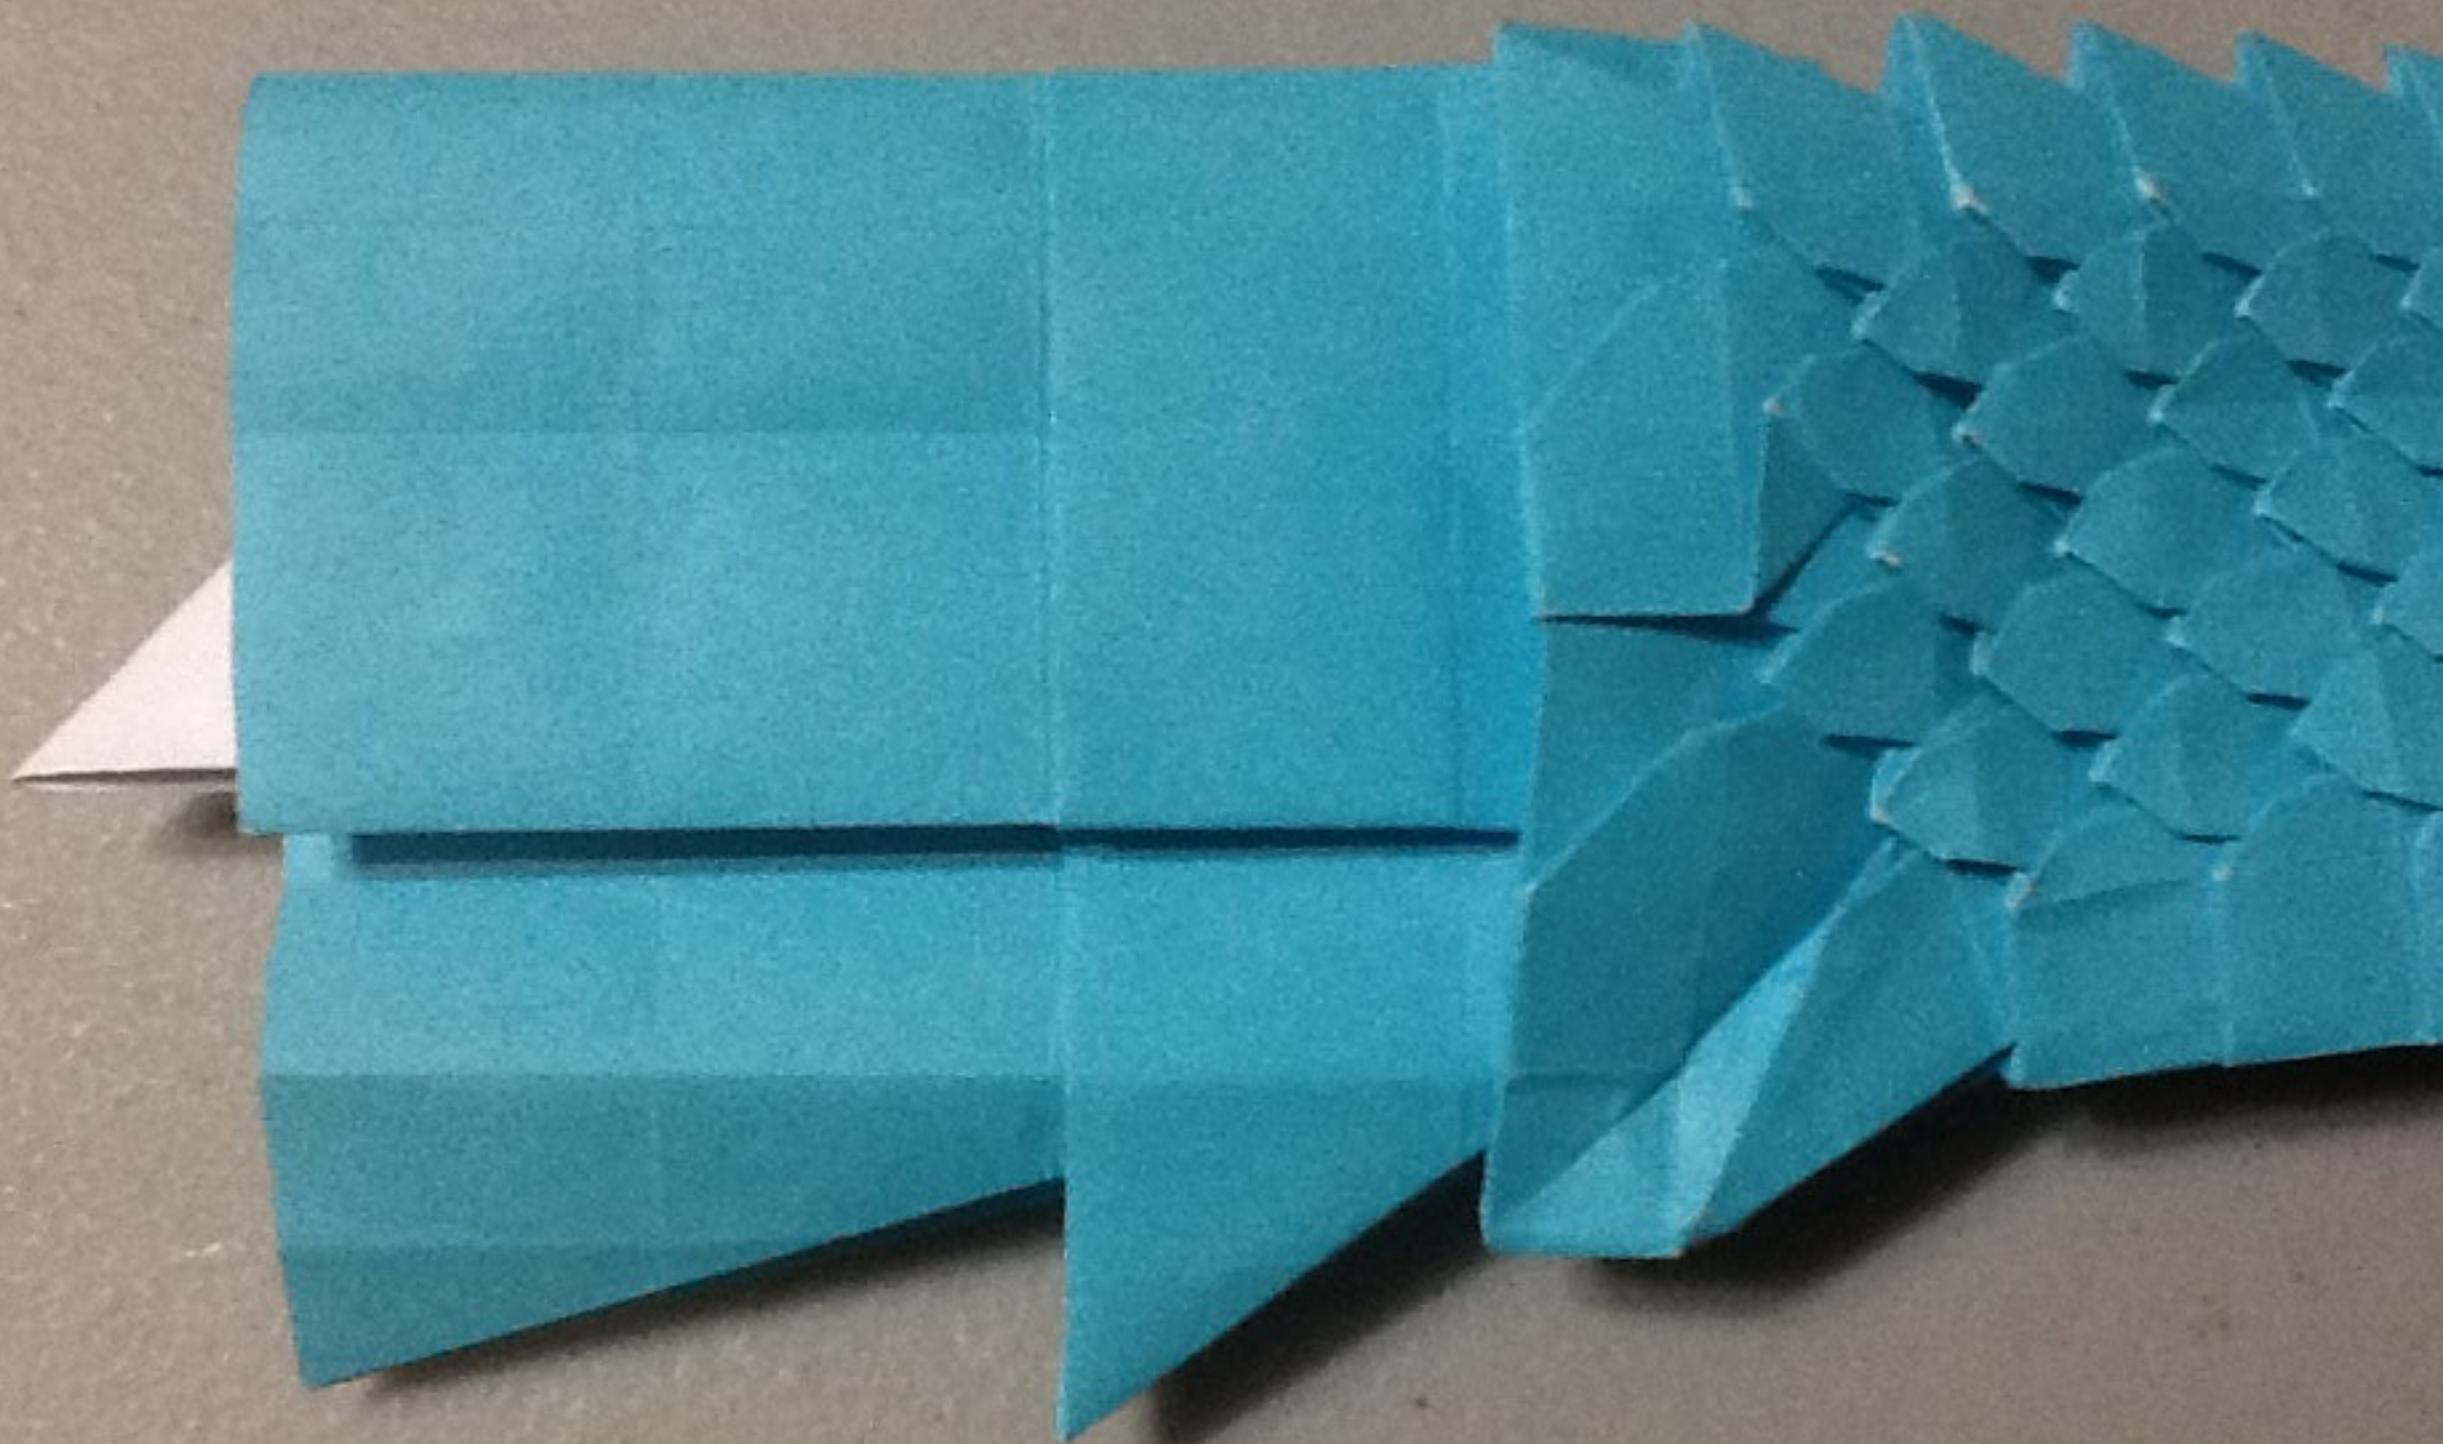

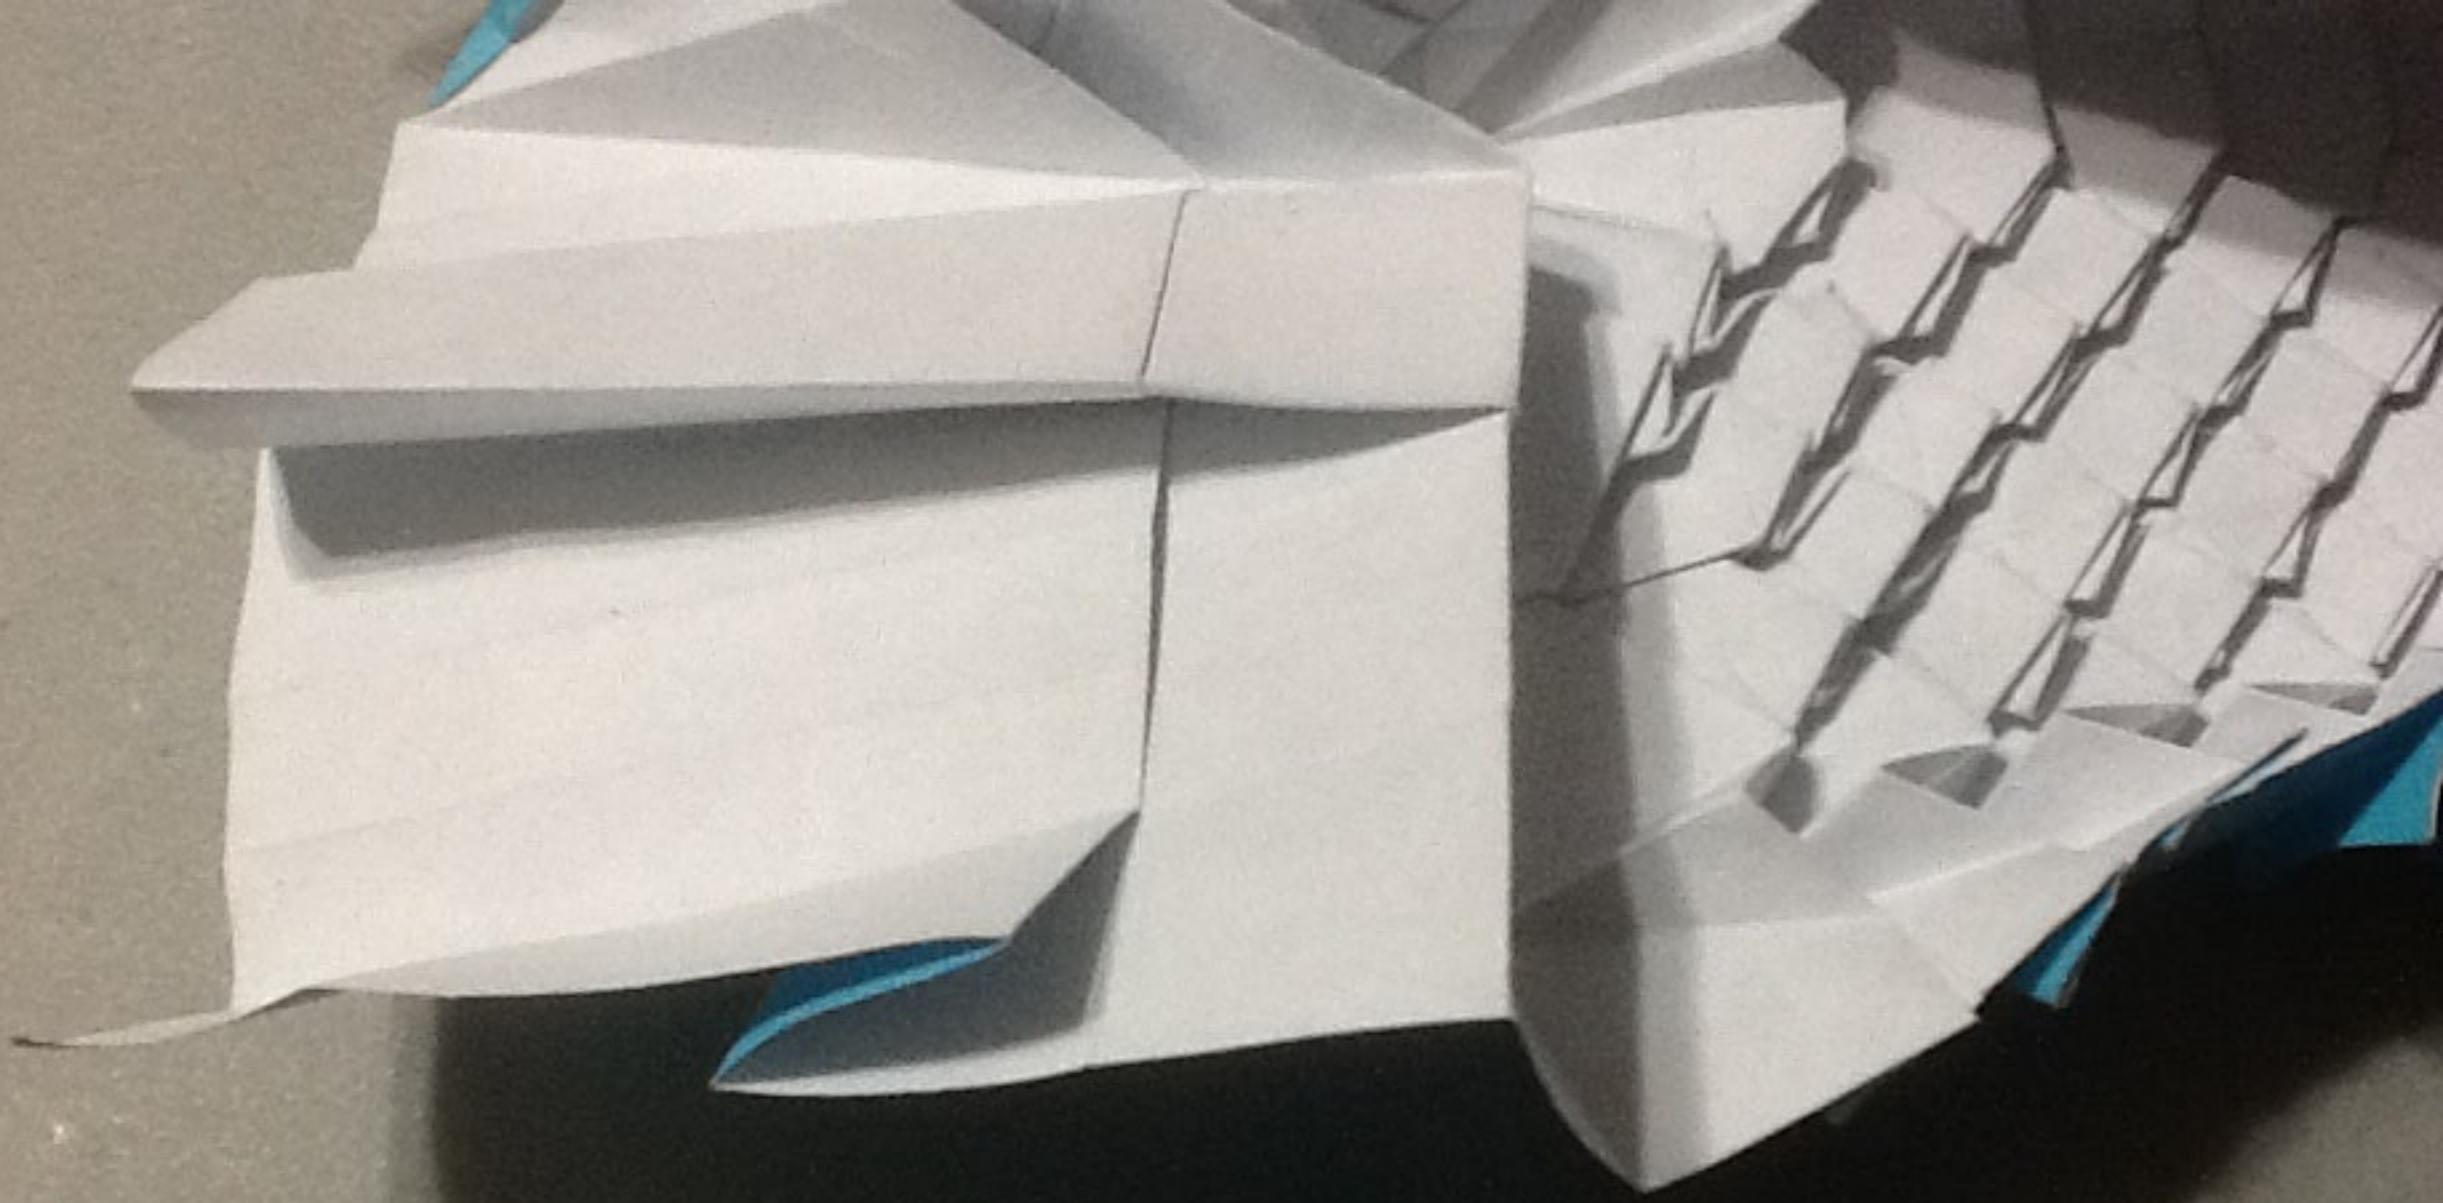

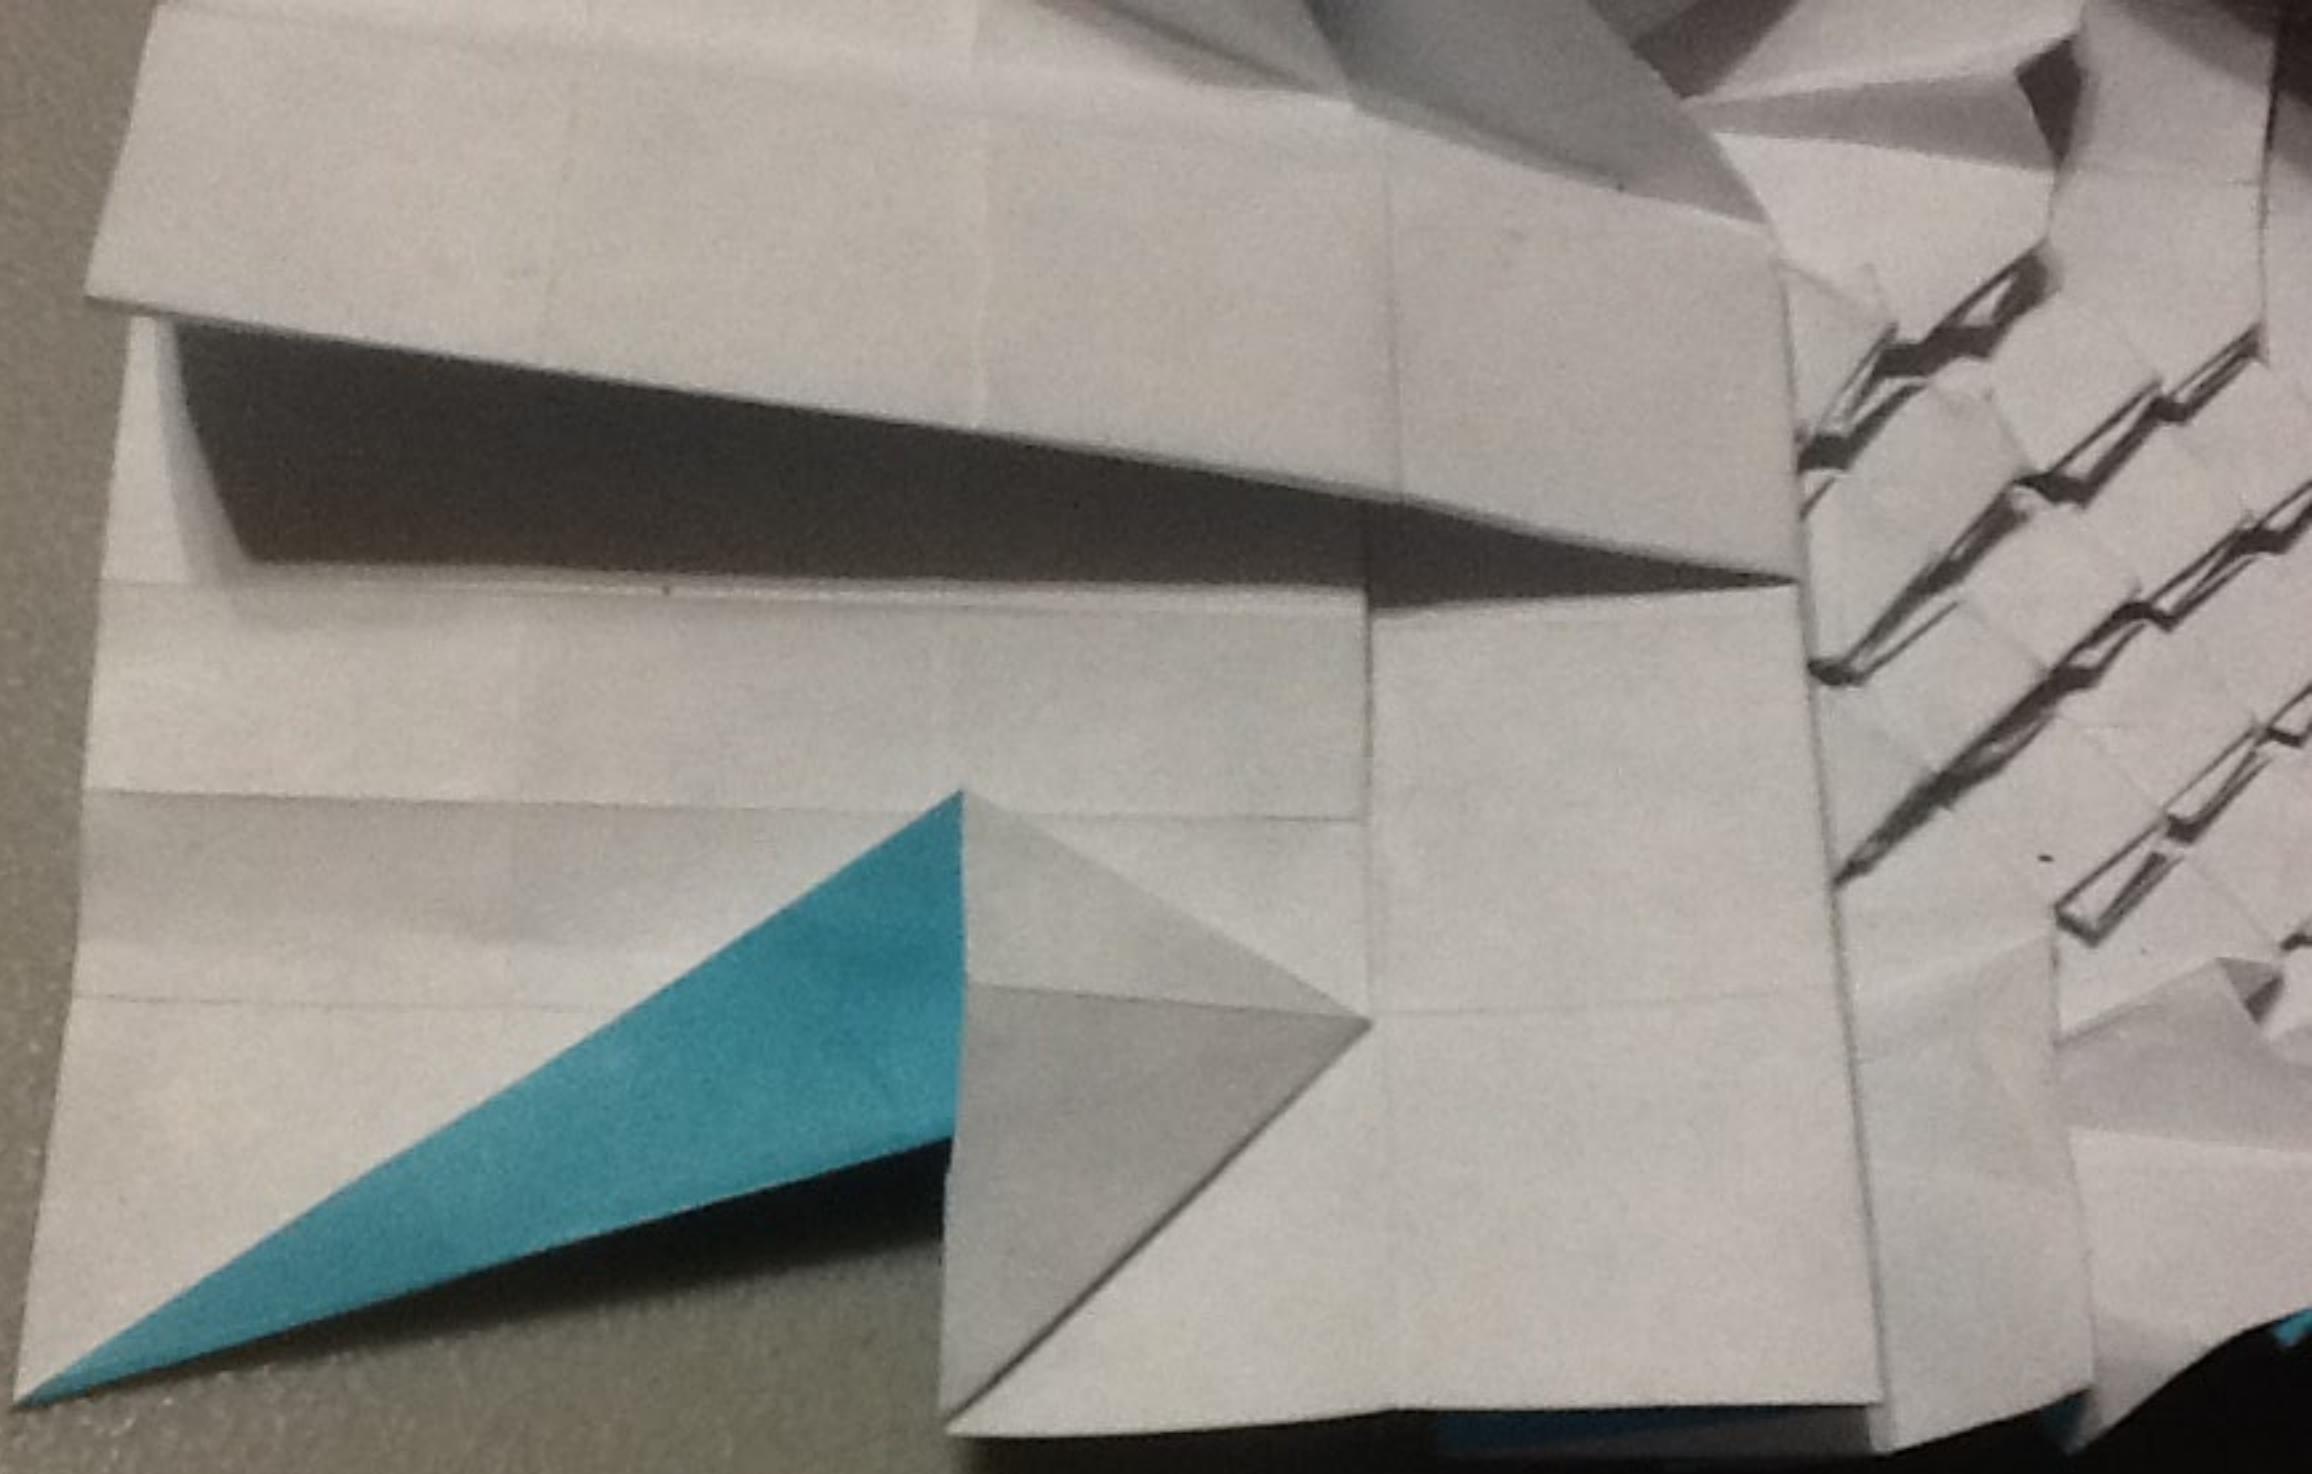

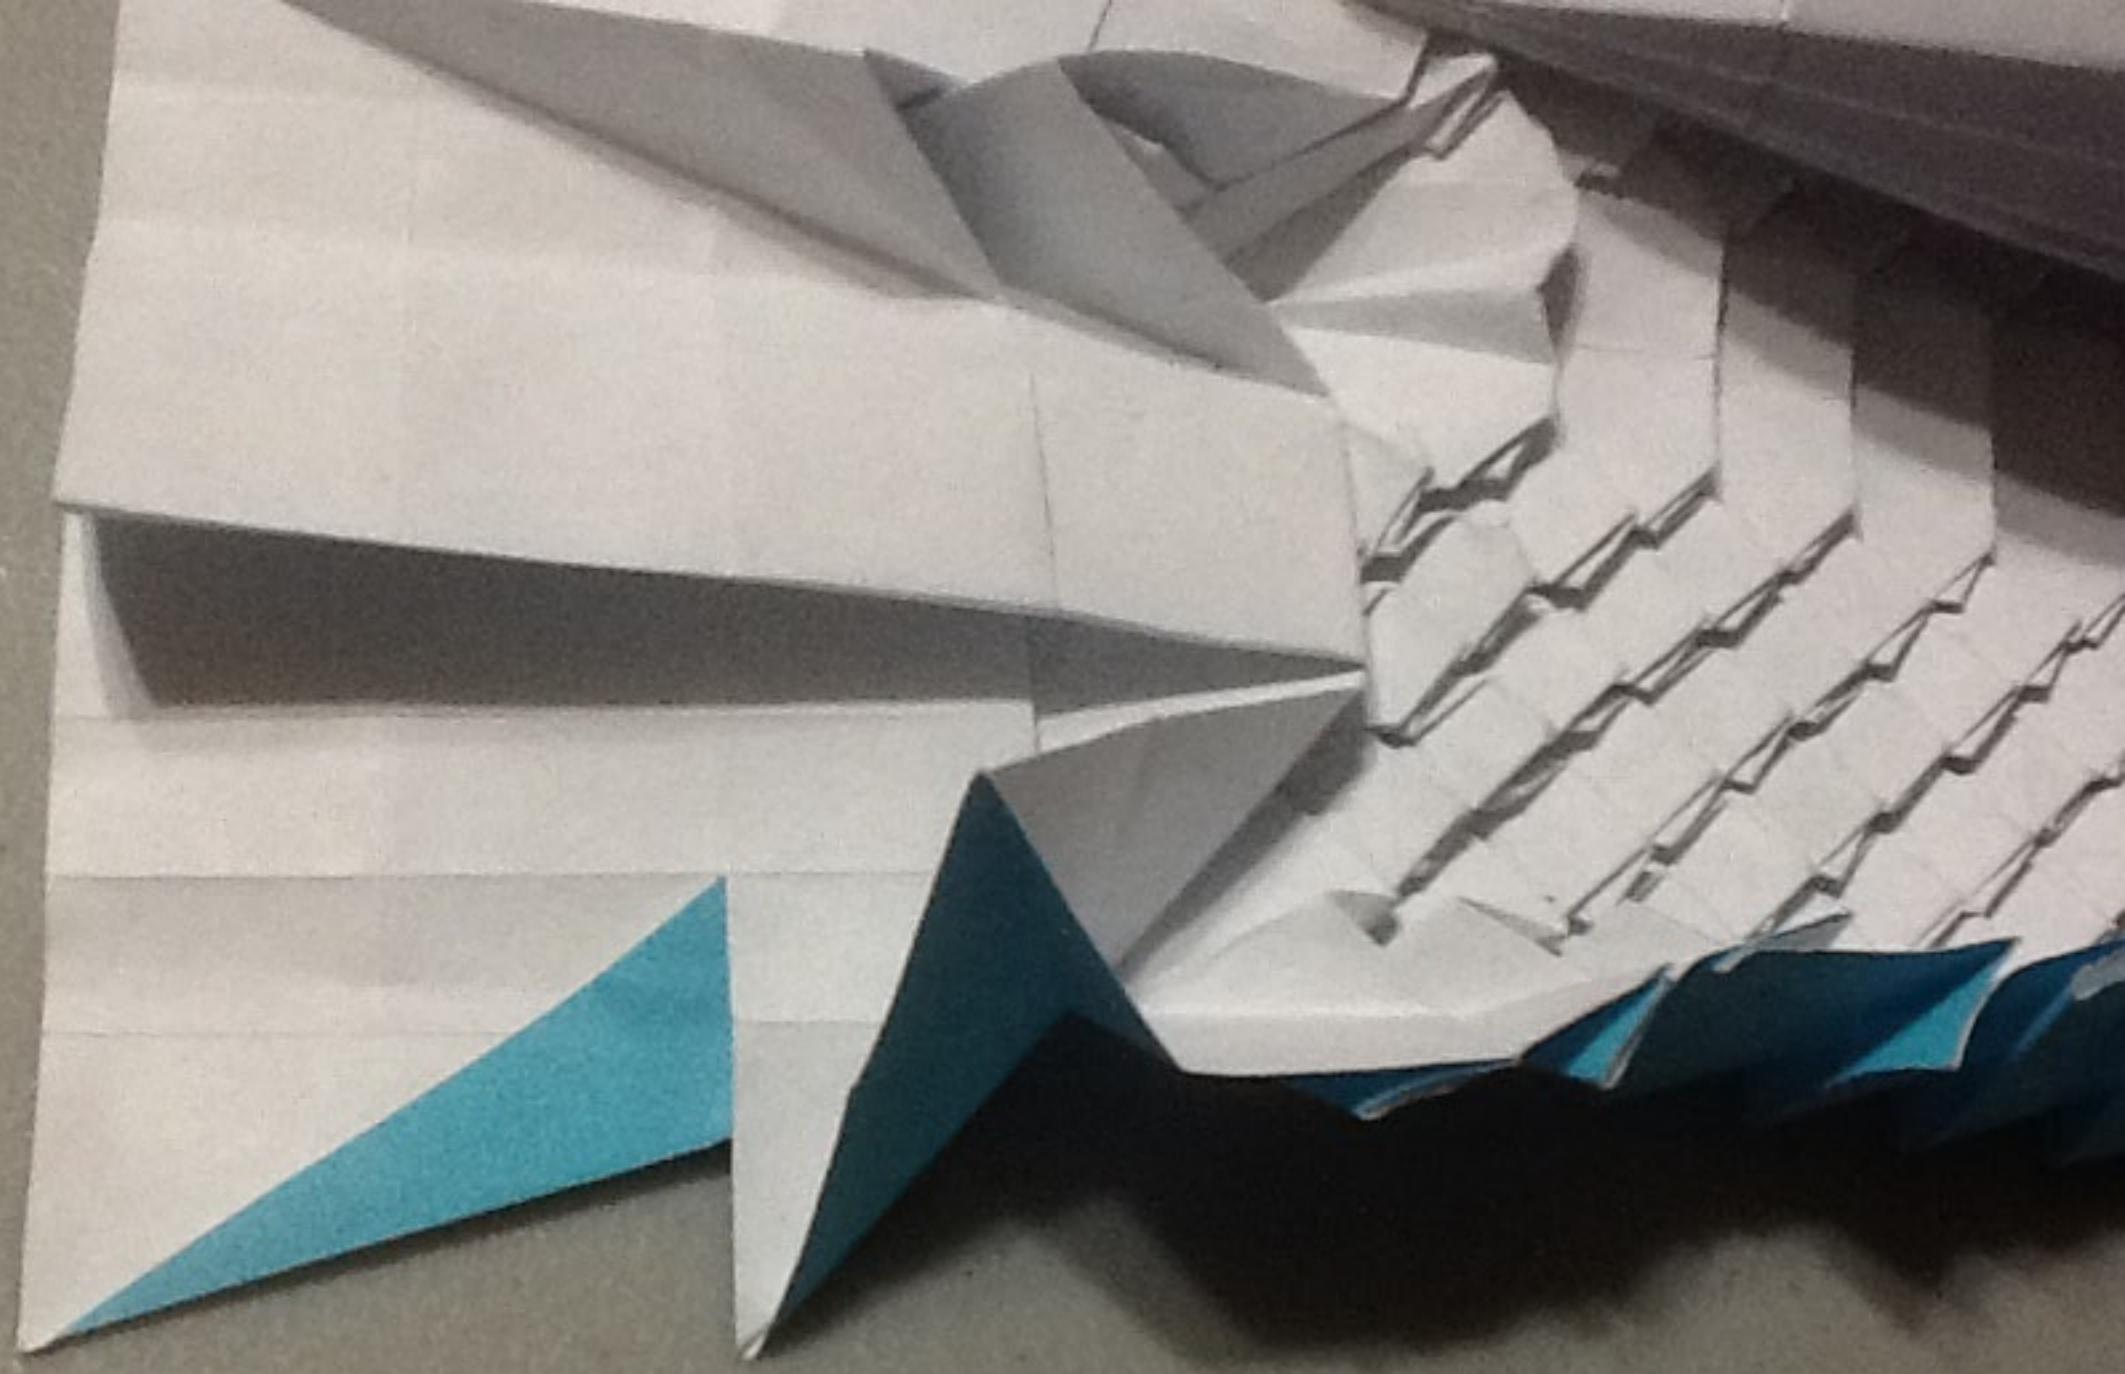

MVC

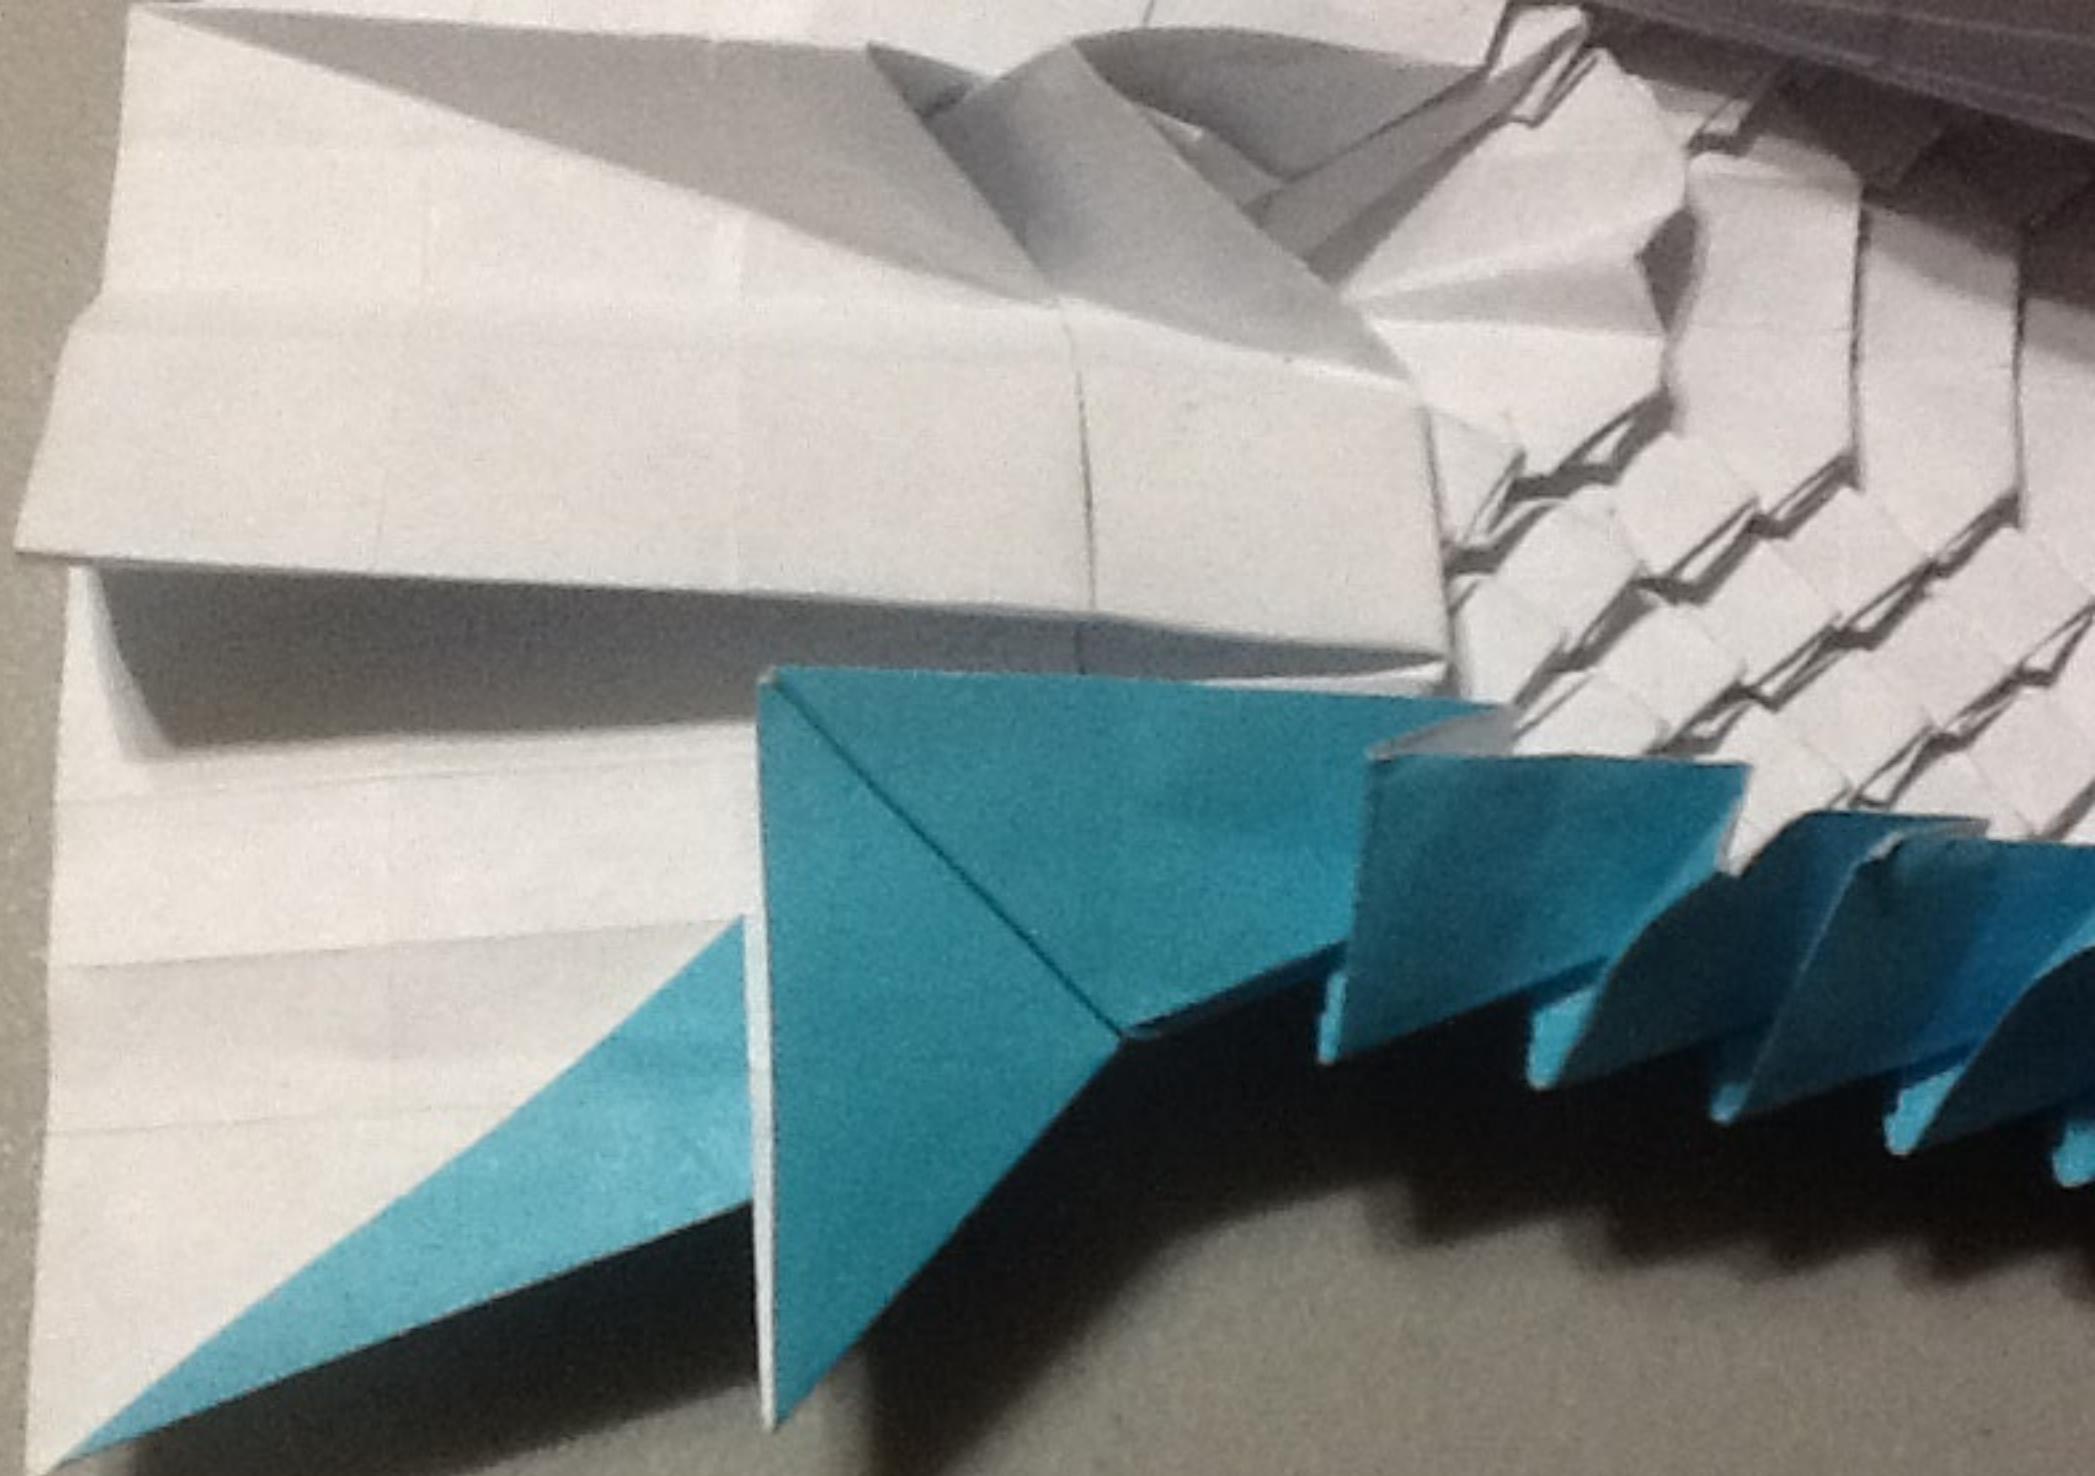

Shape the
upper points -

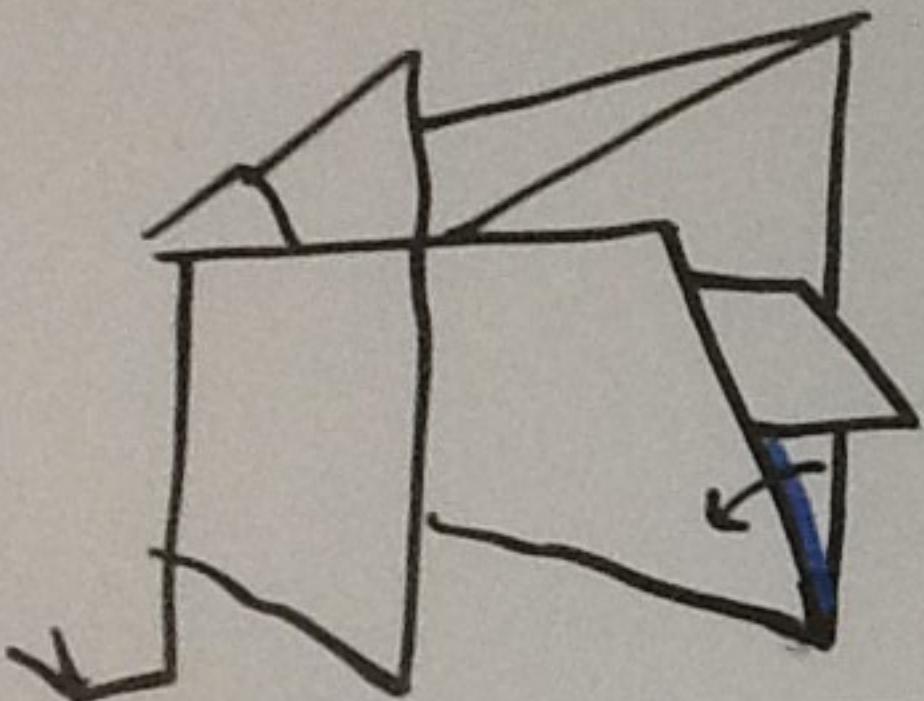

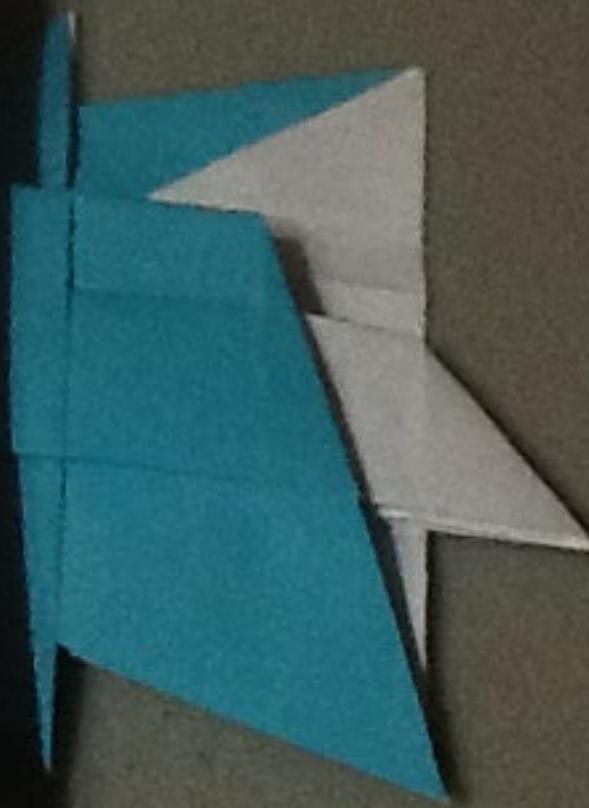

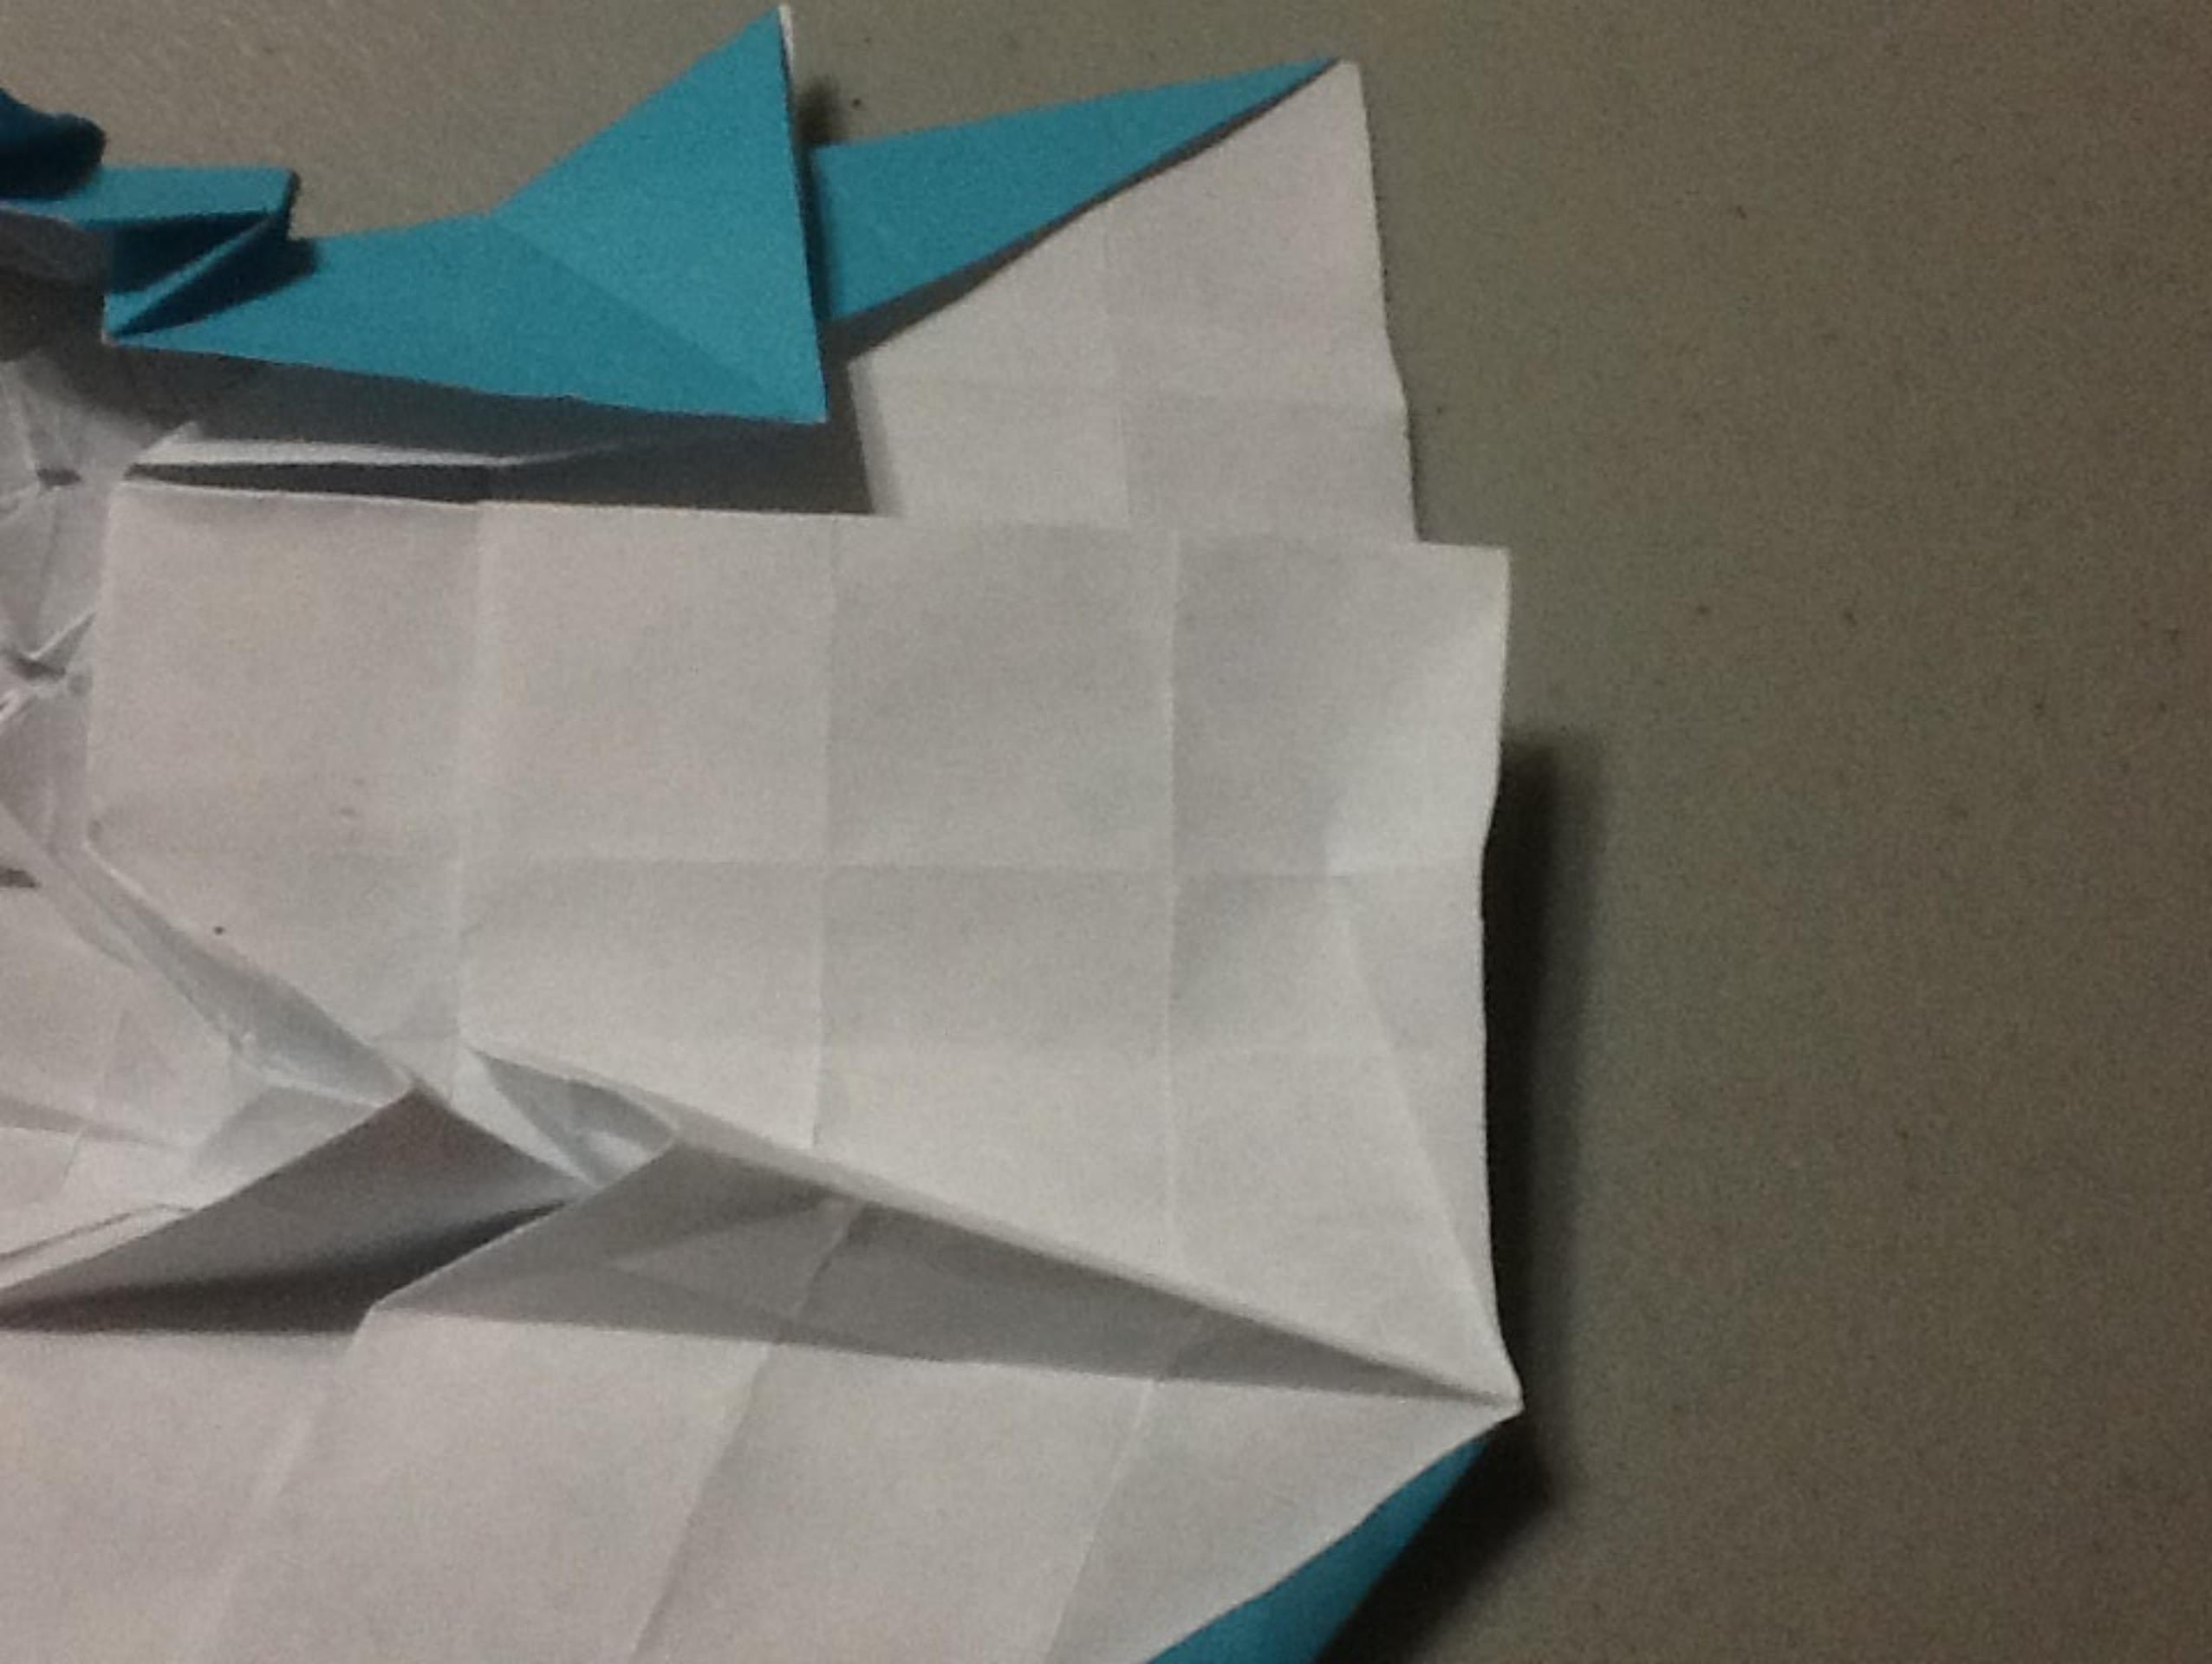

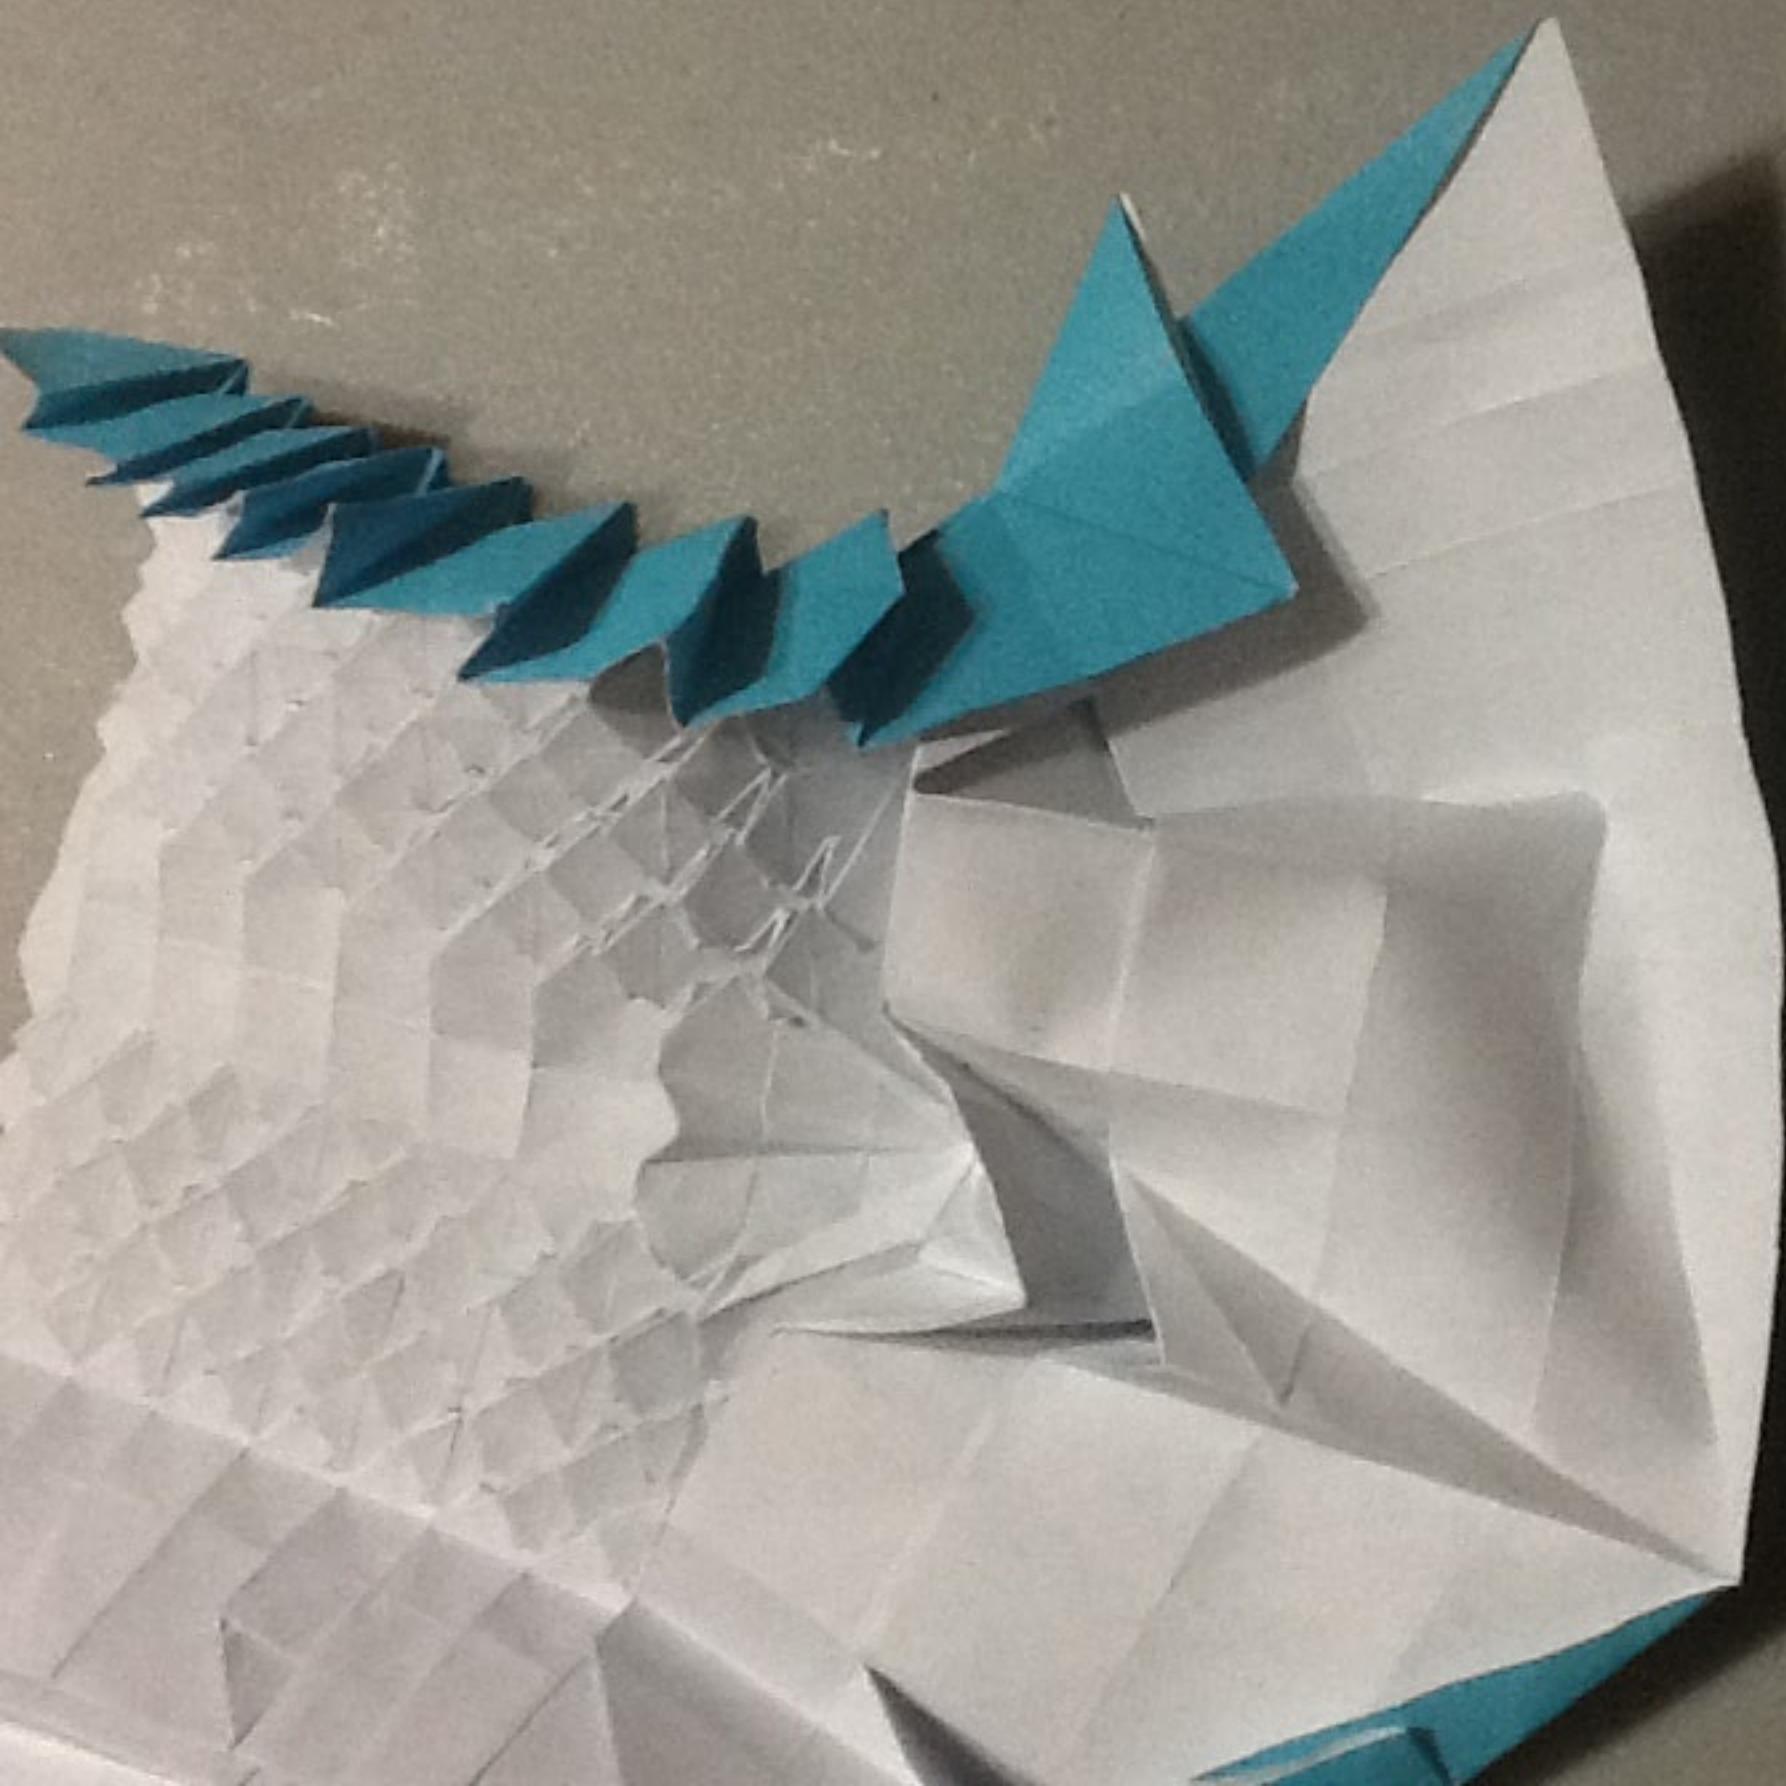

MVC

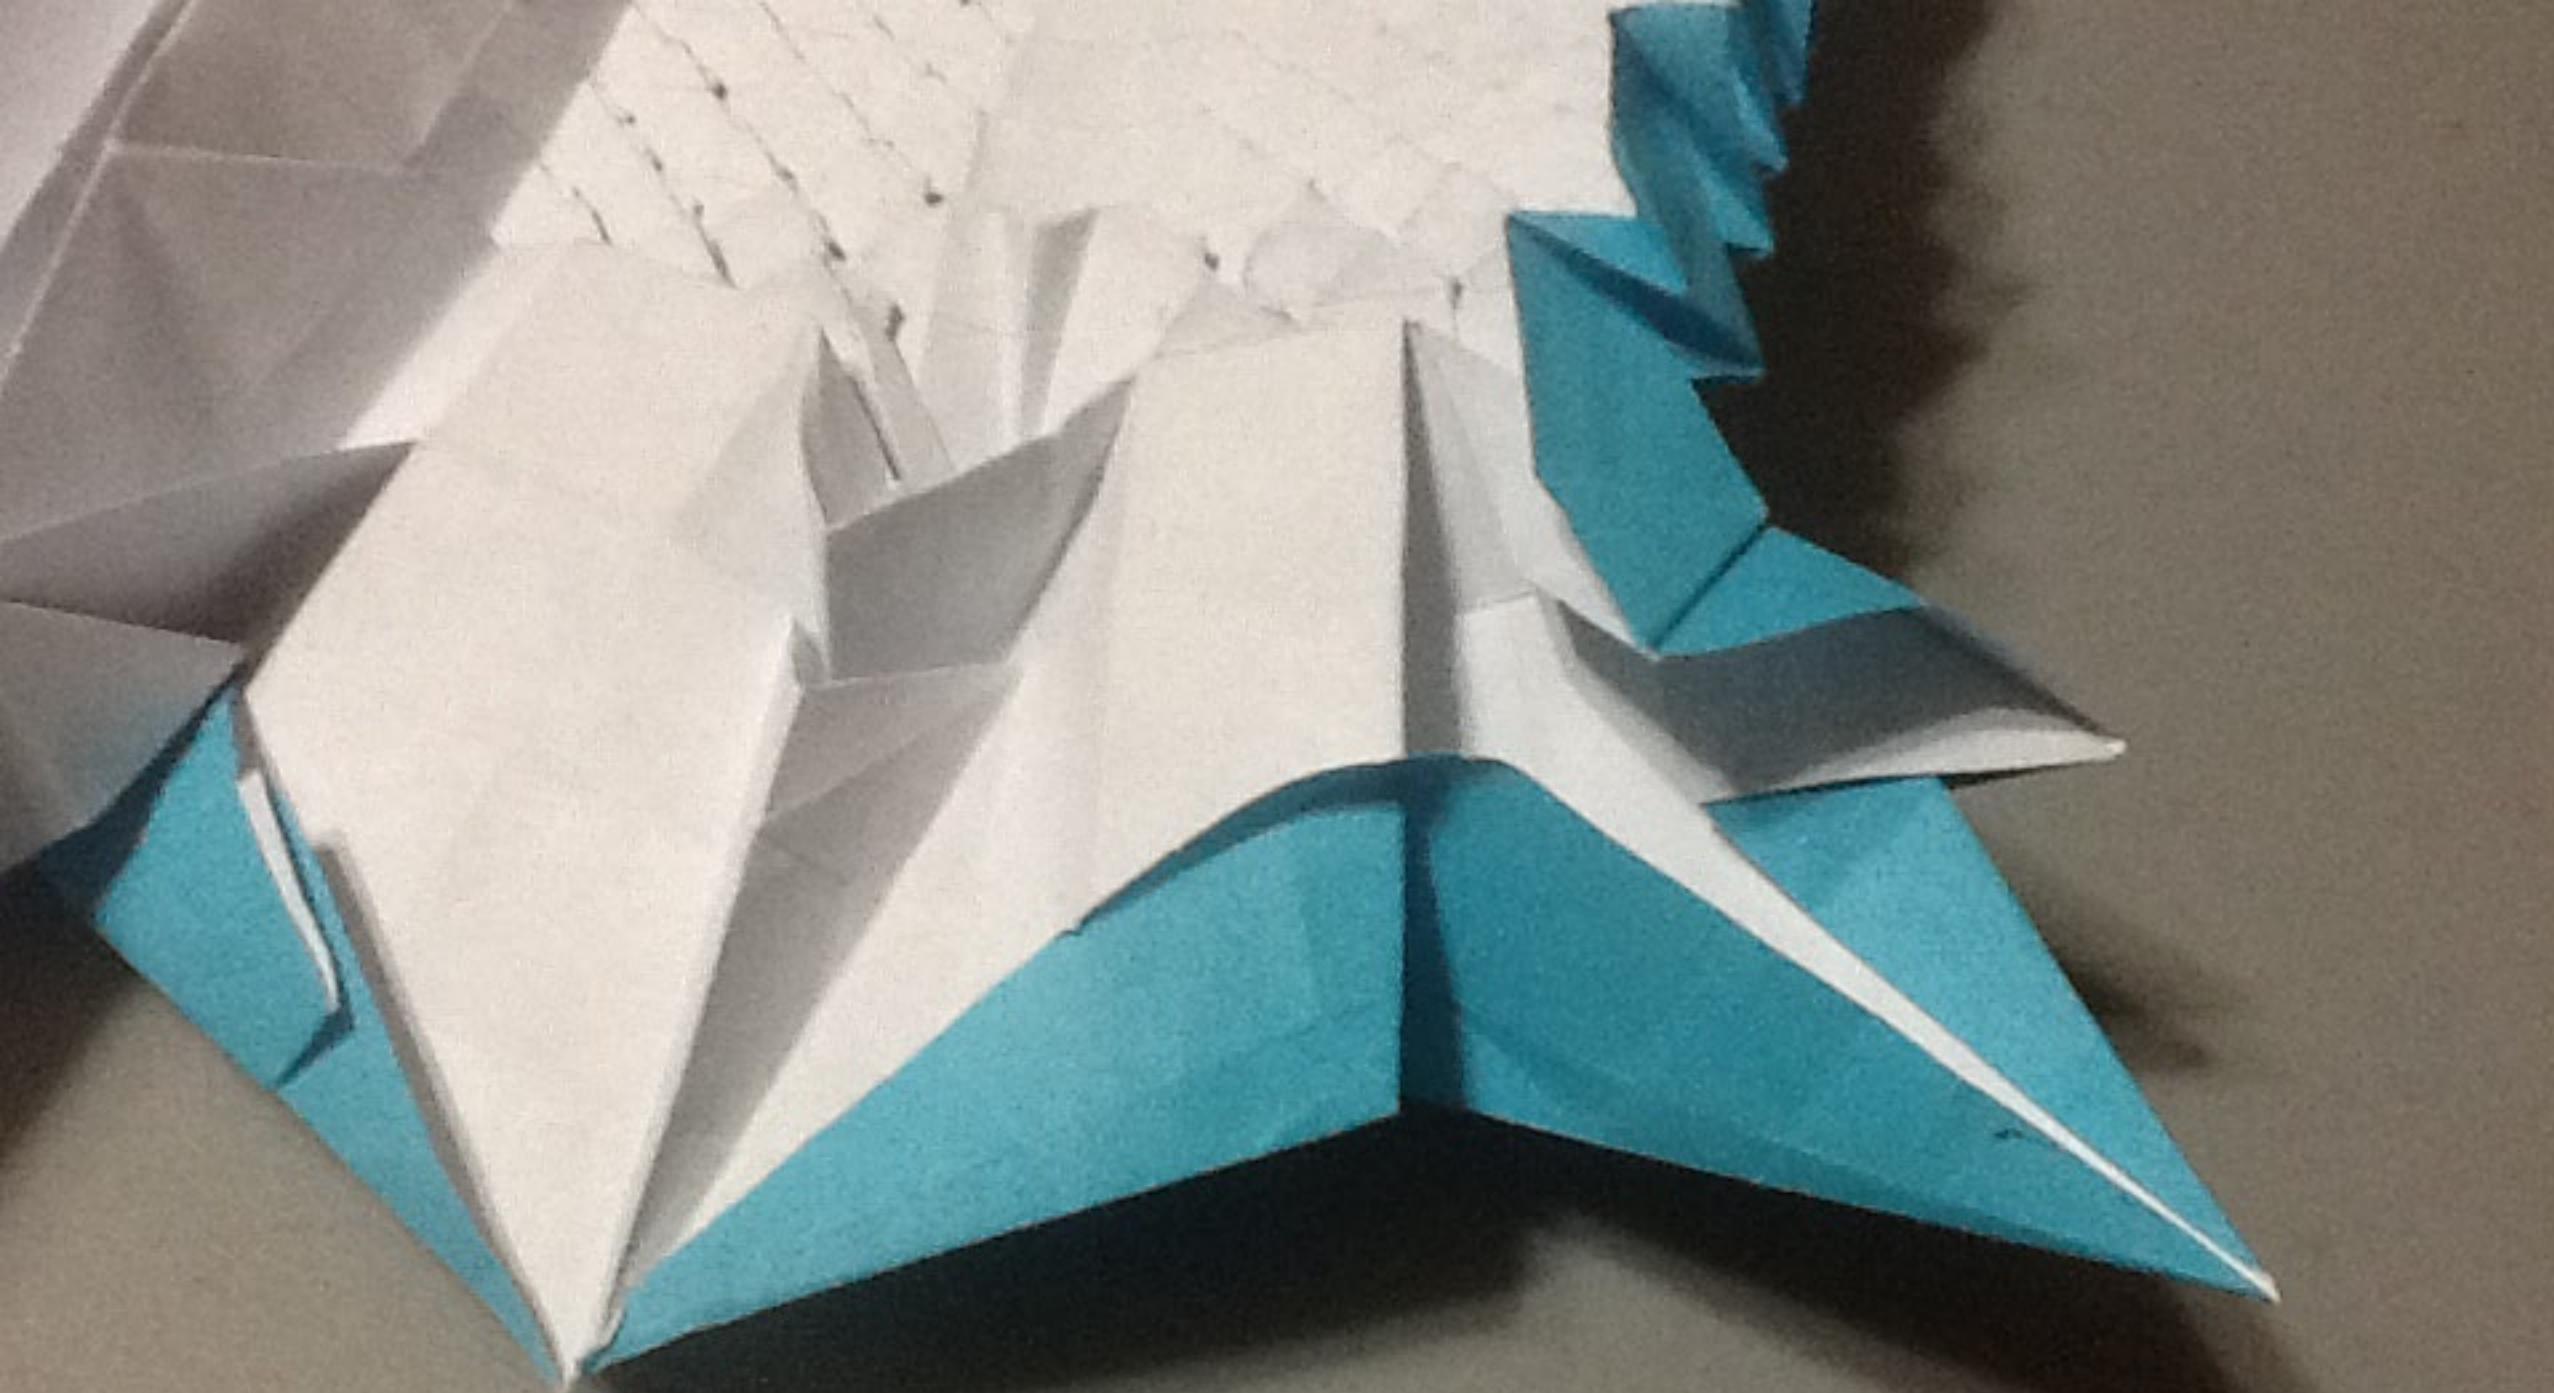

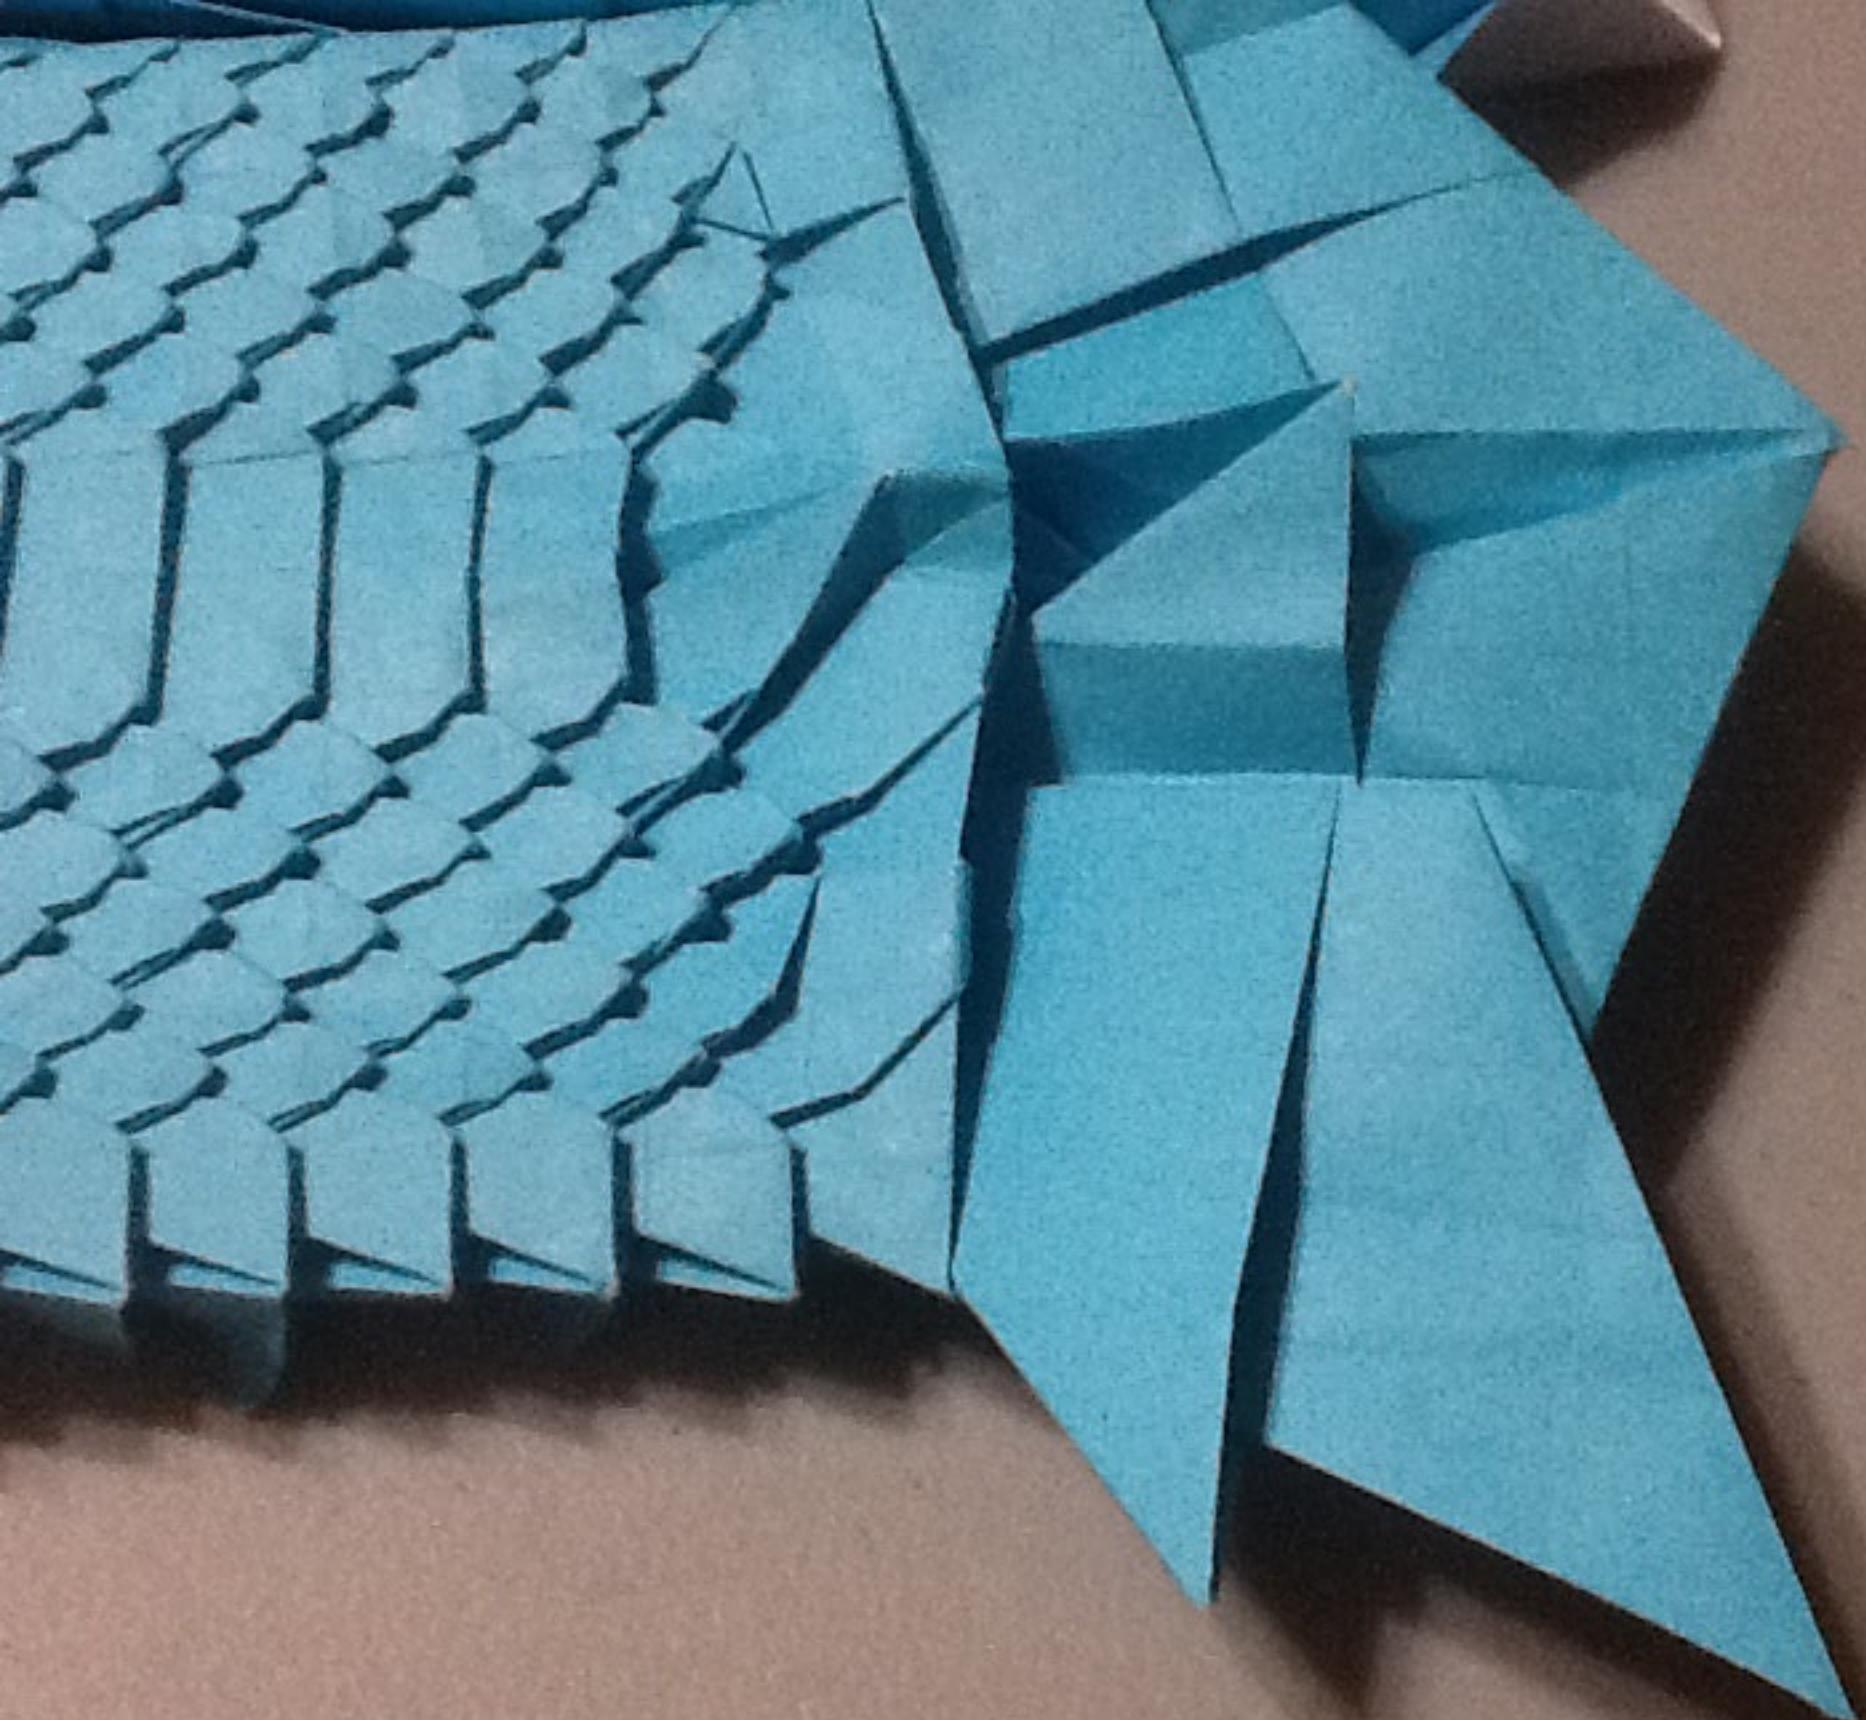

Make a small
crease using the
spike's edge as a
guide

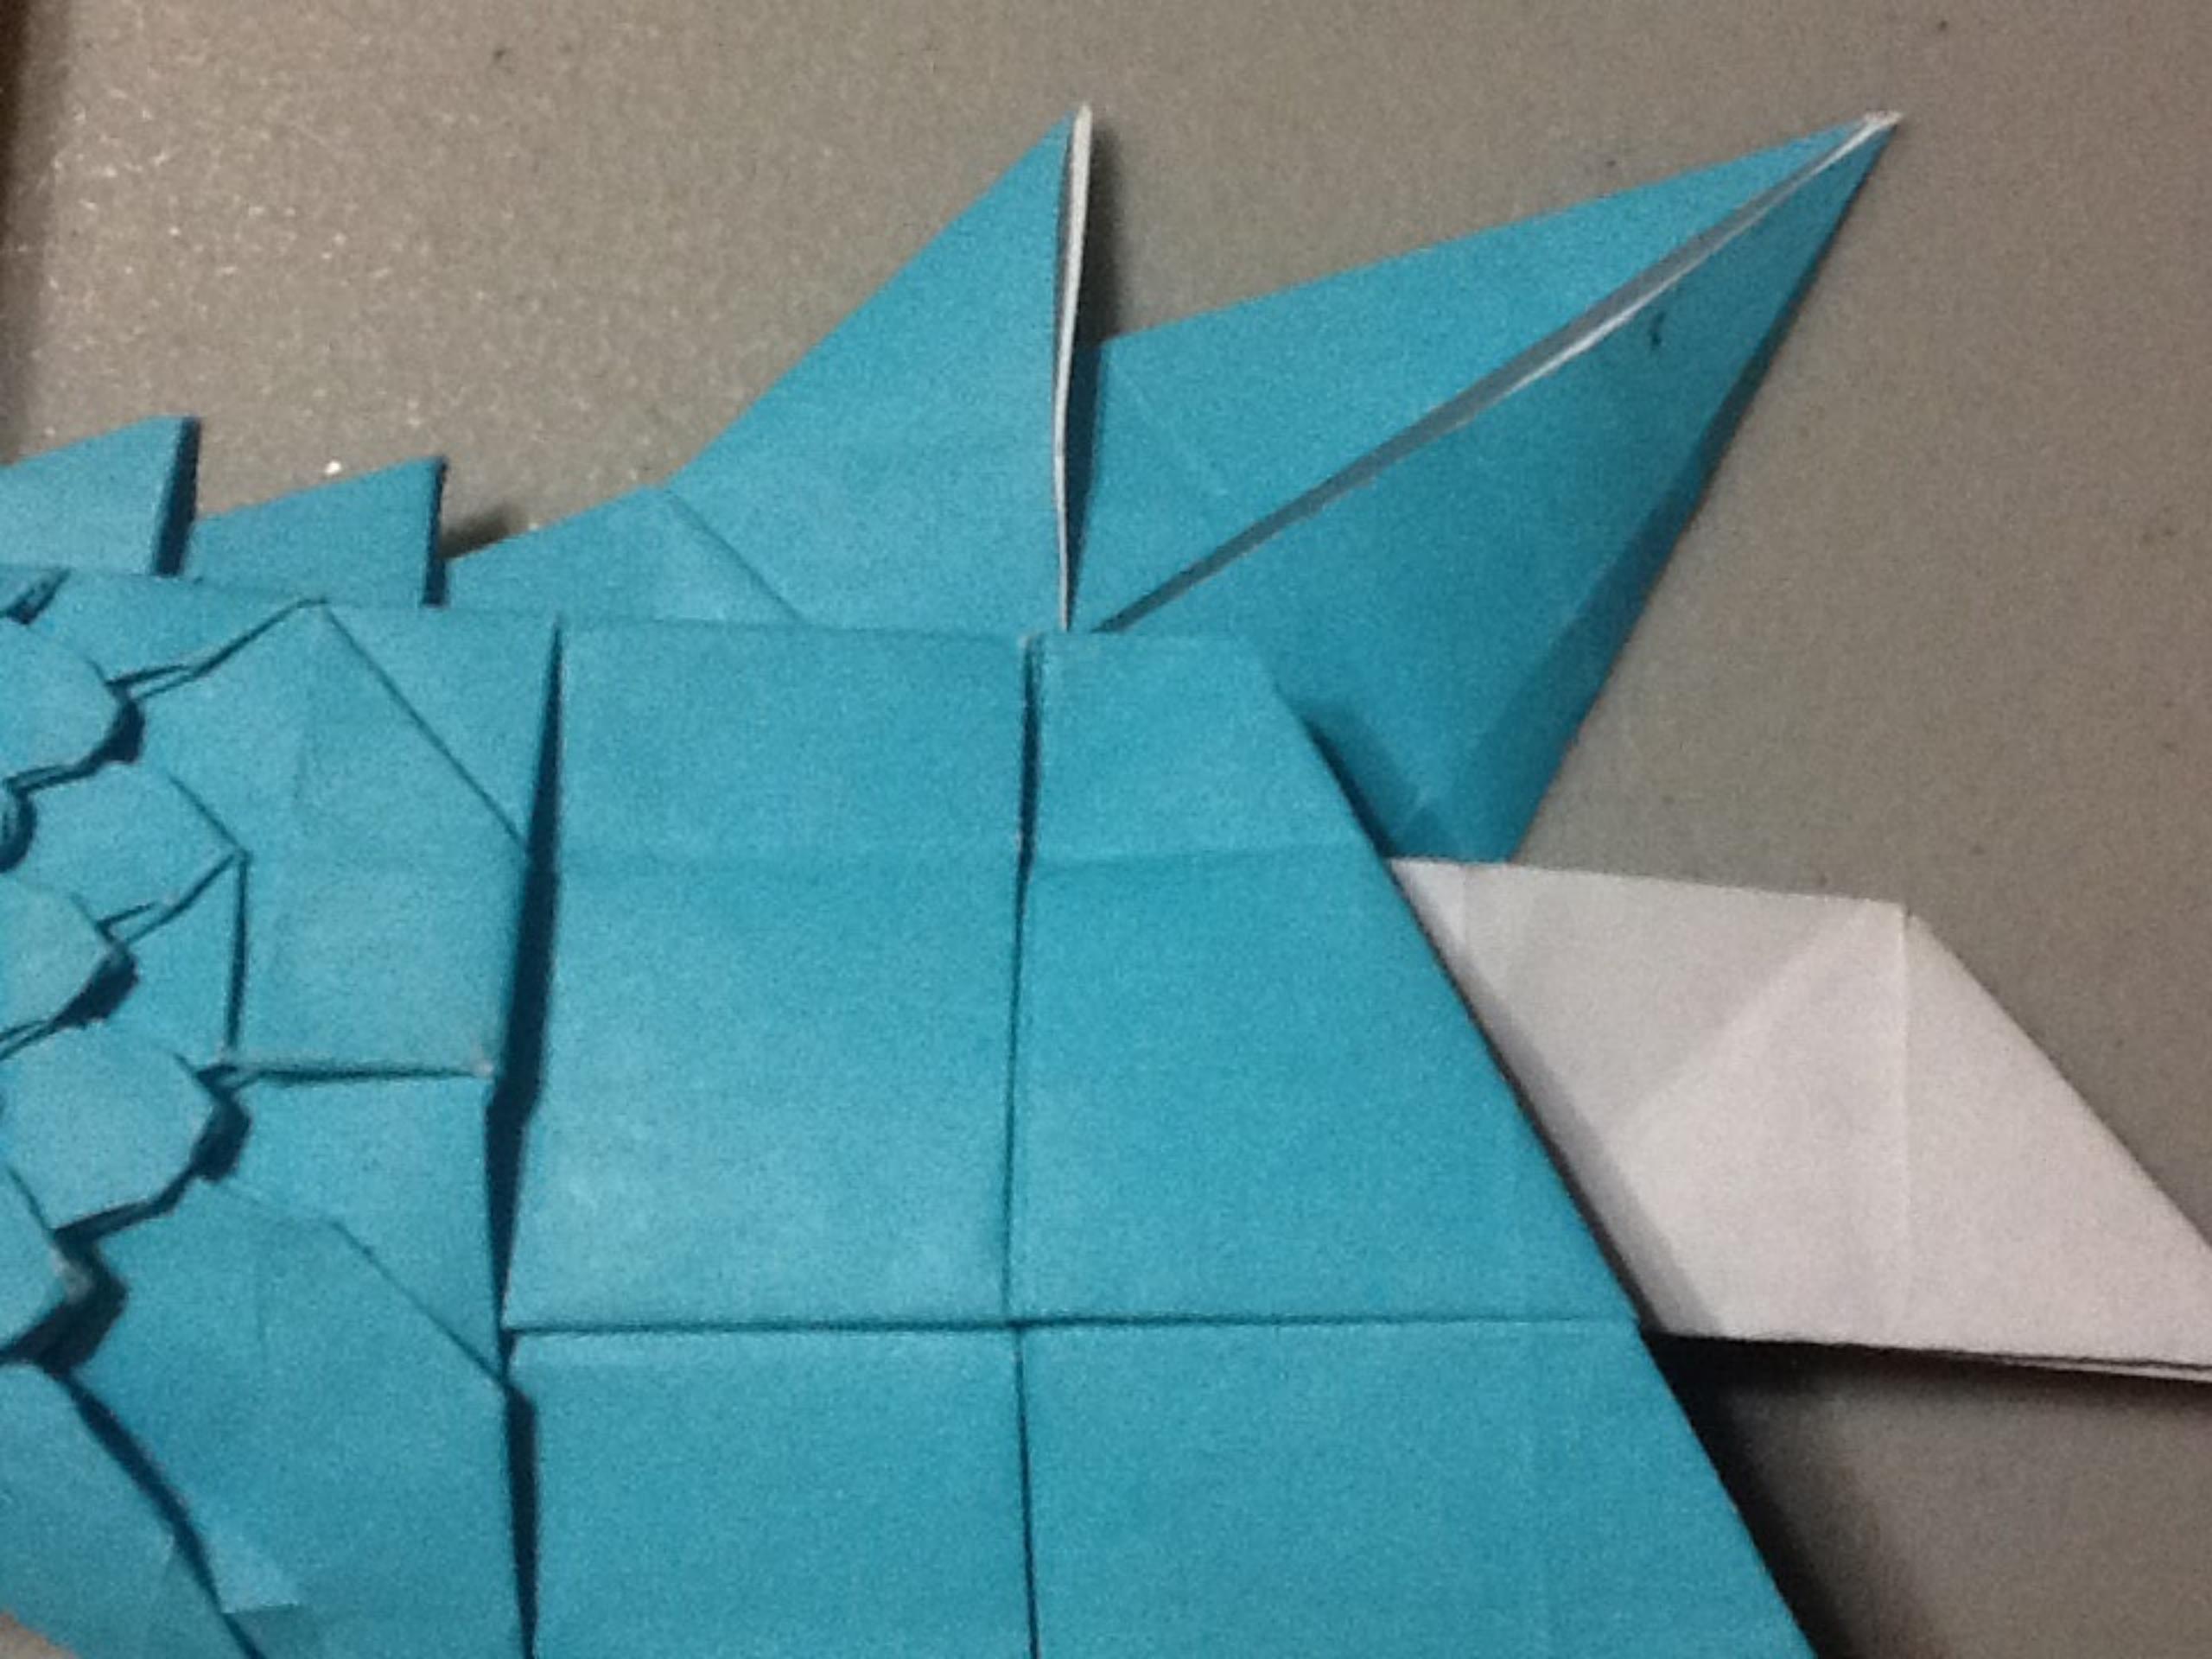

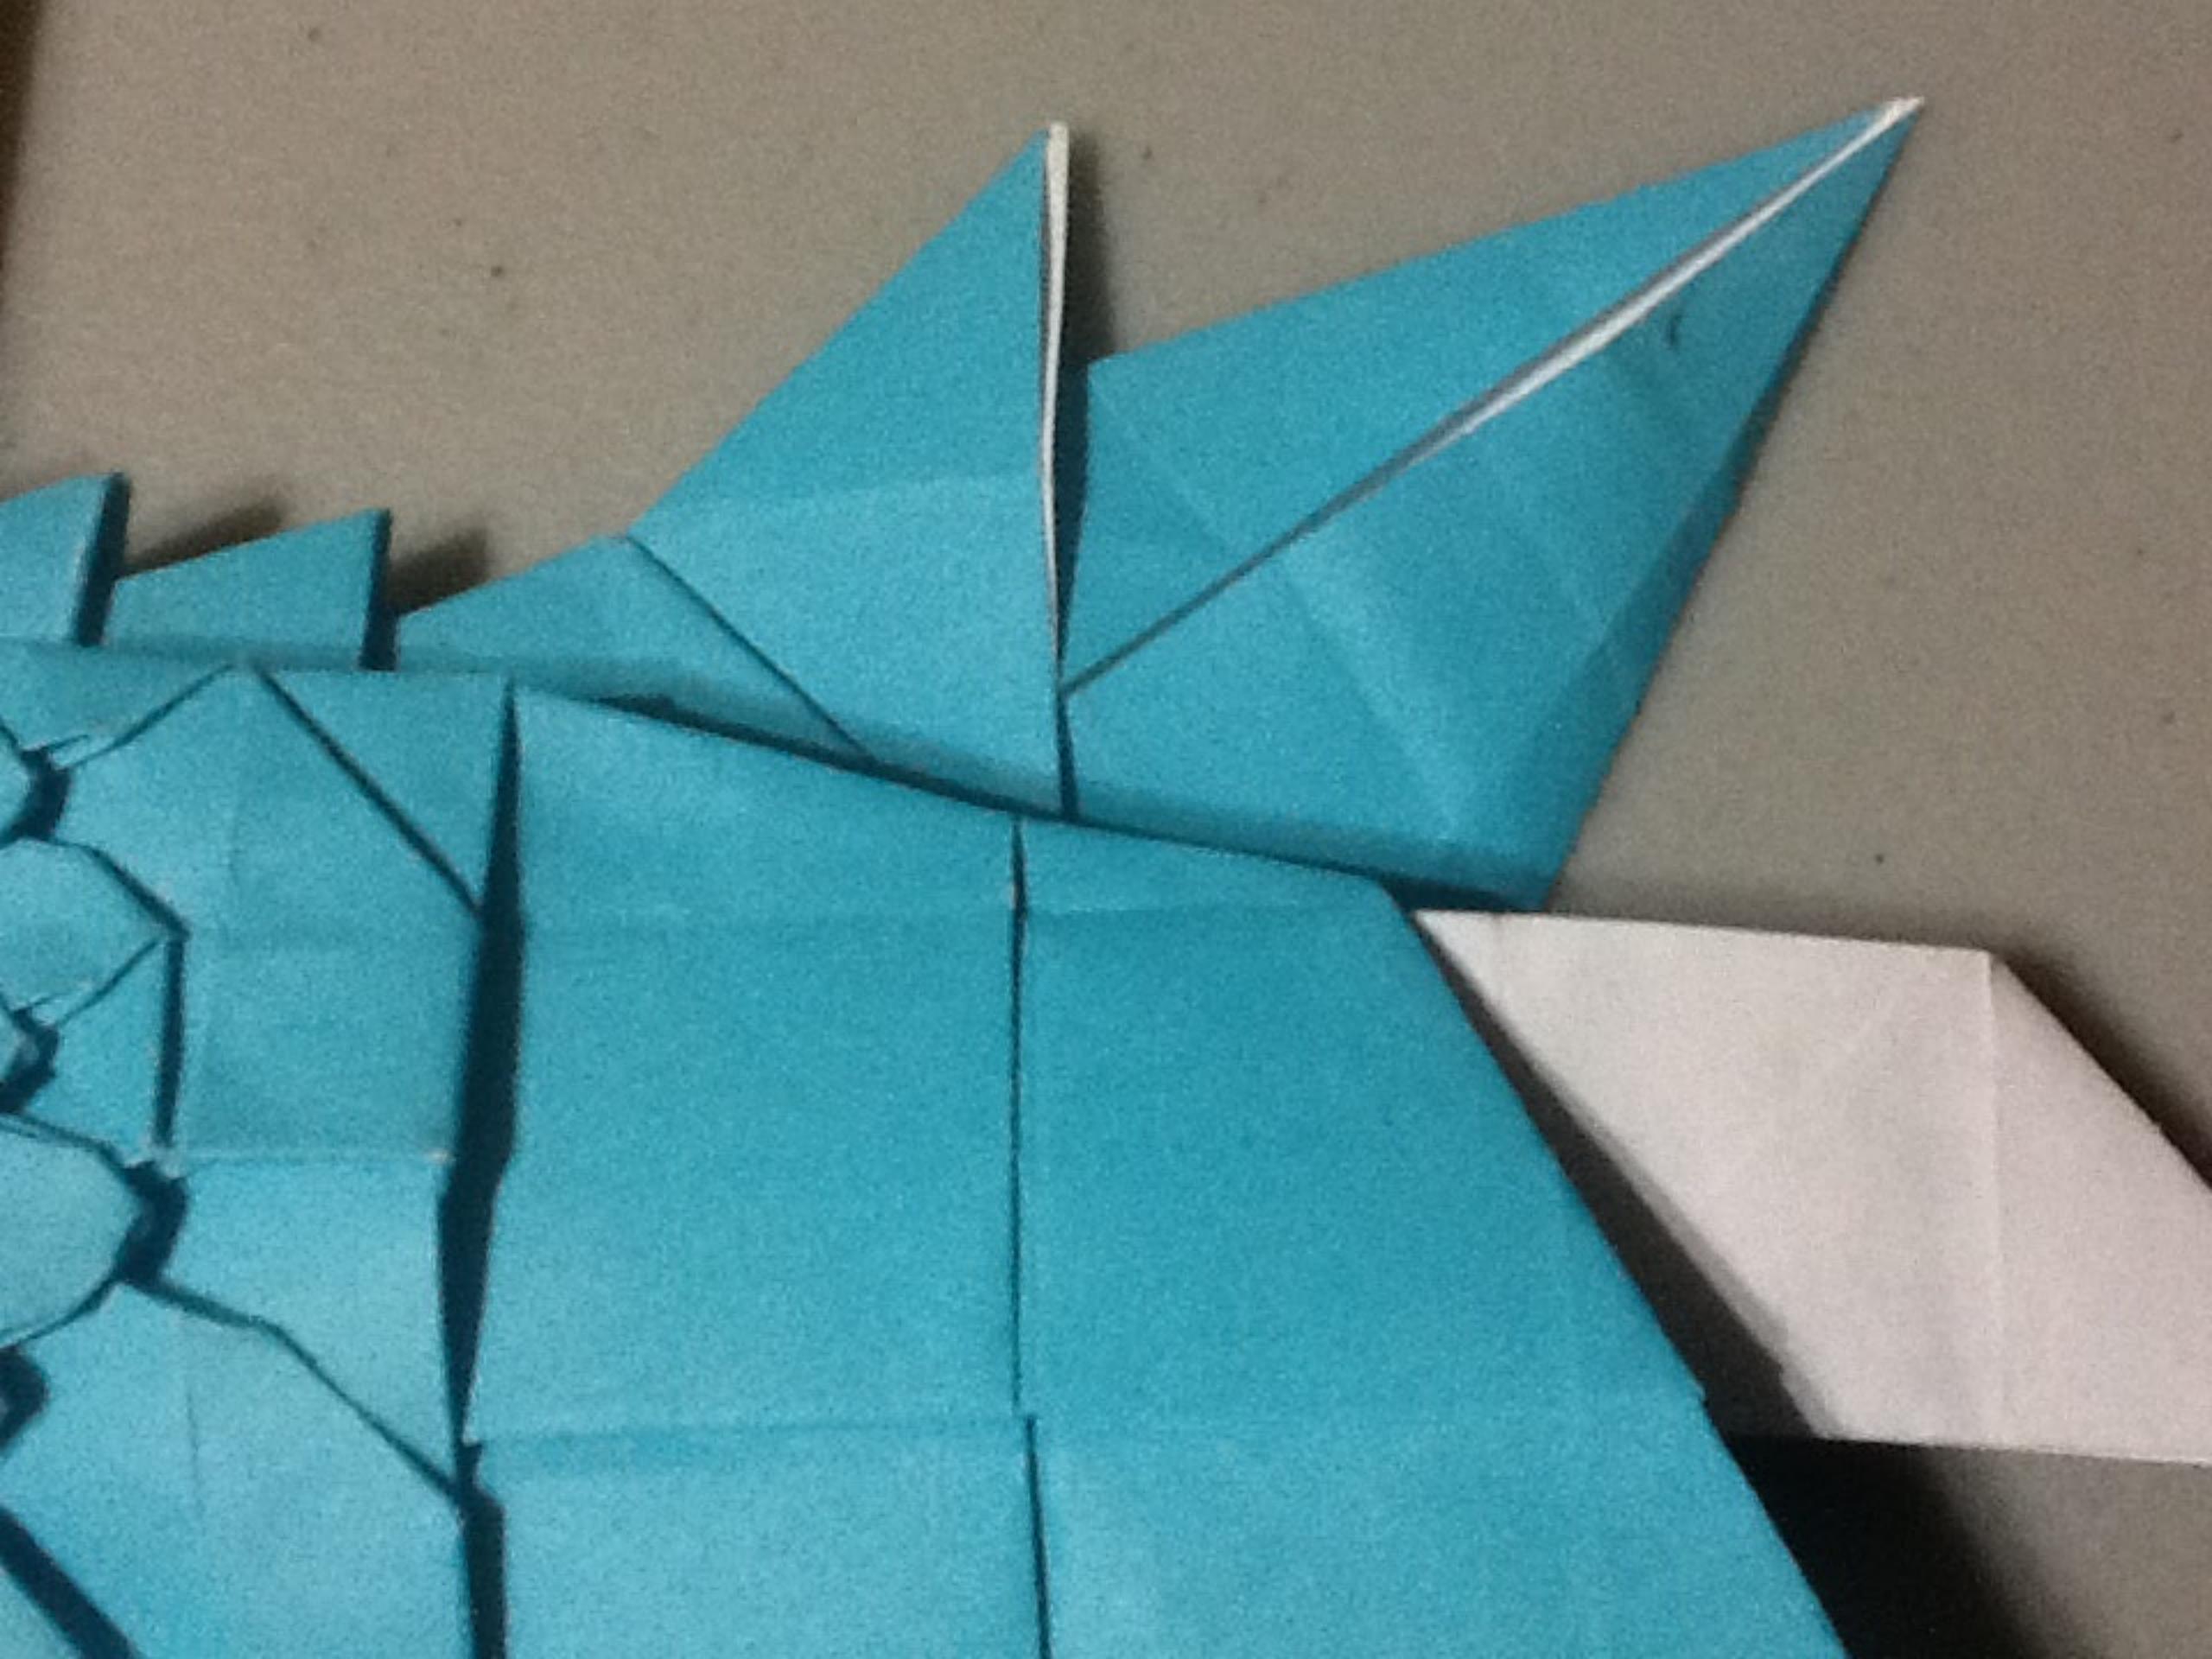

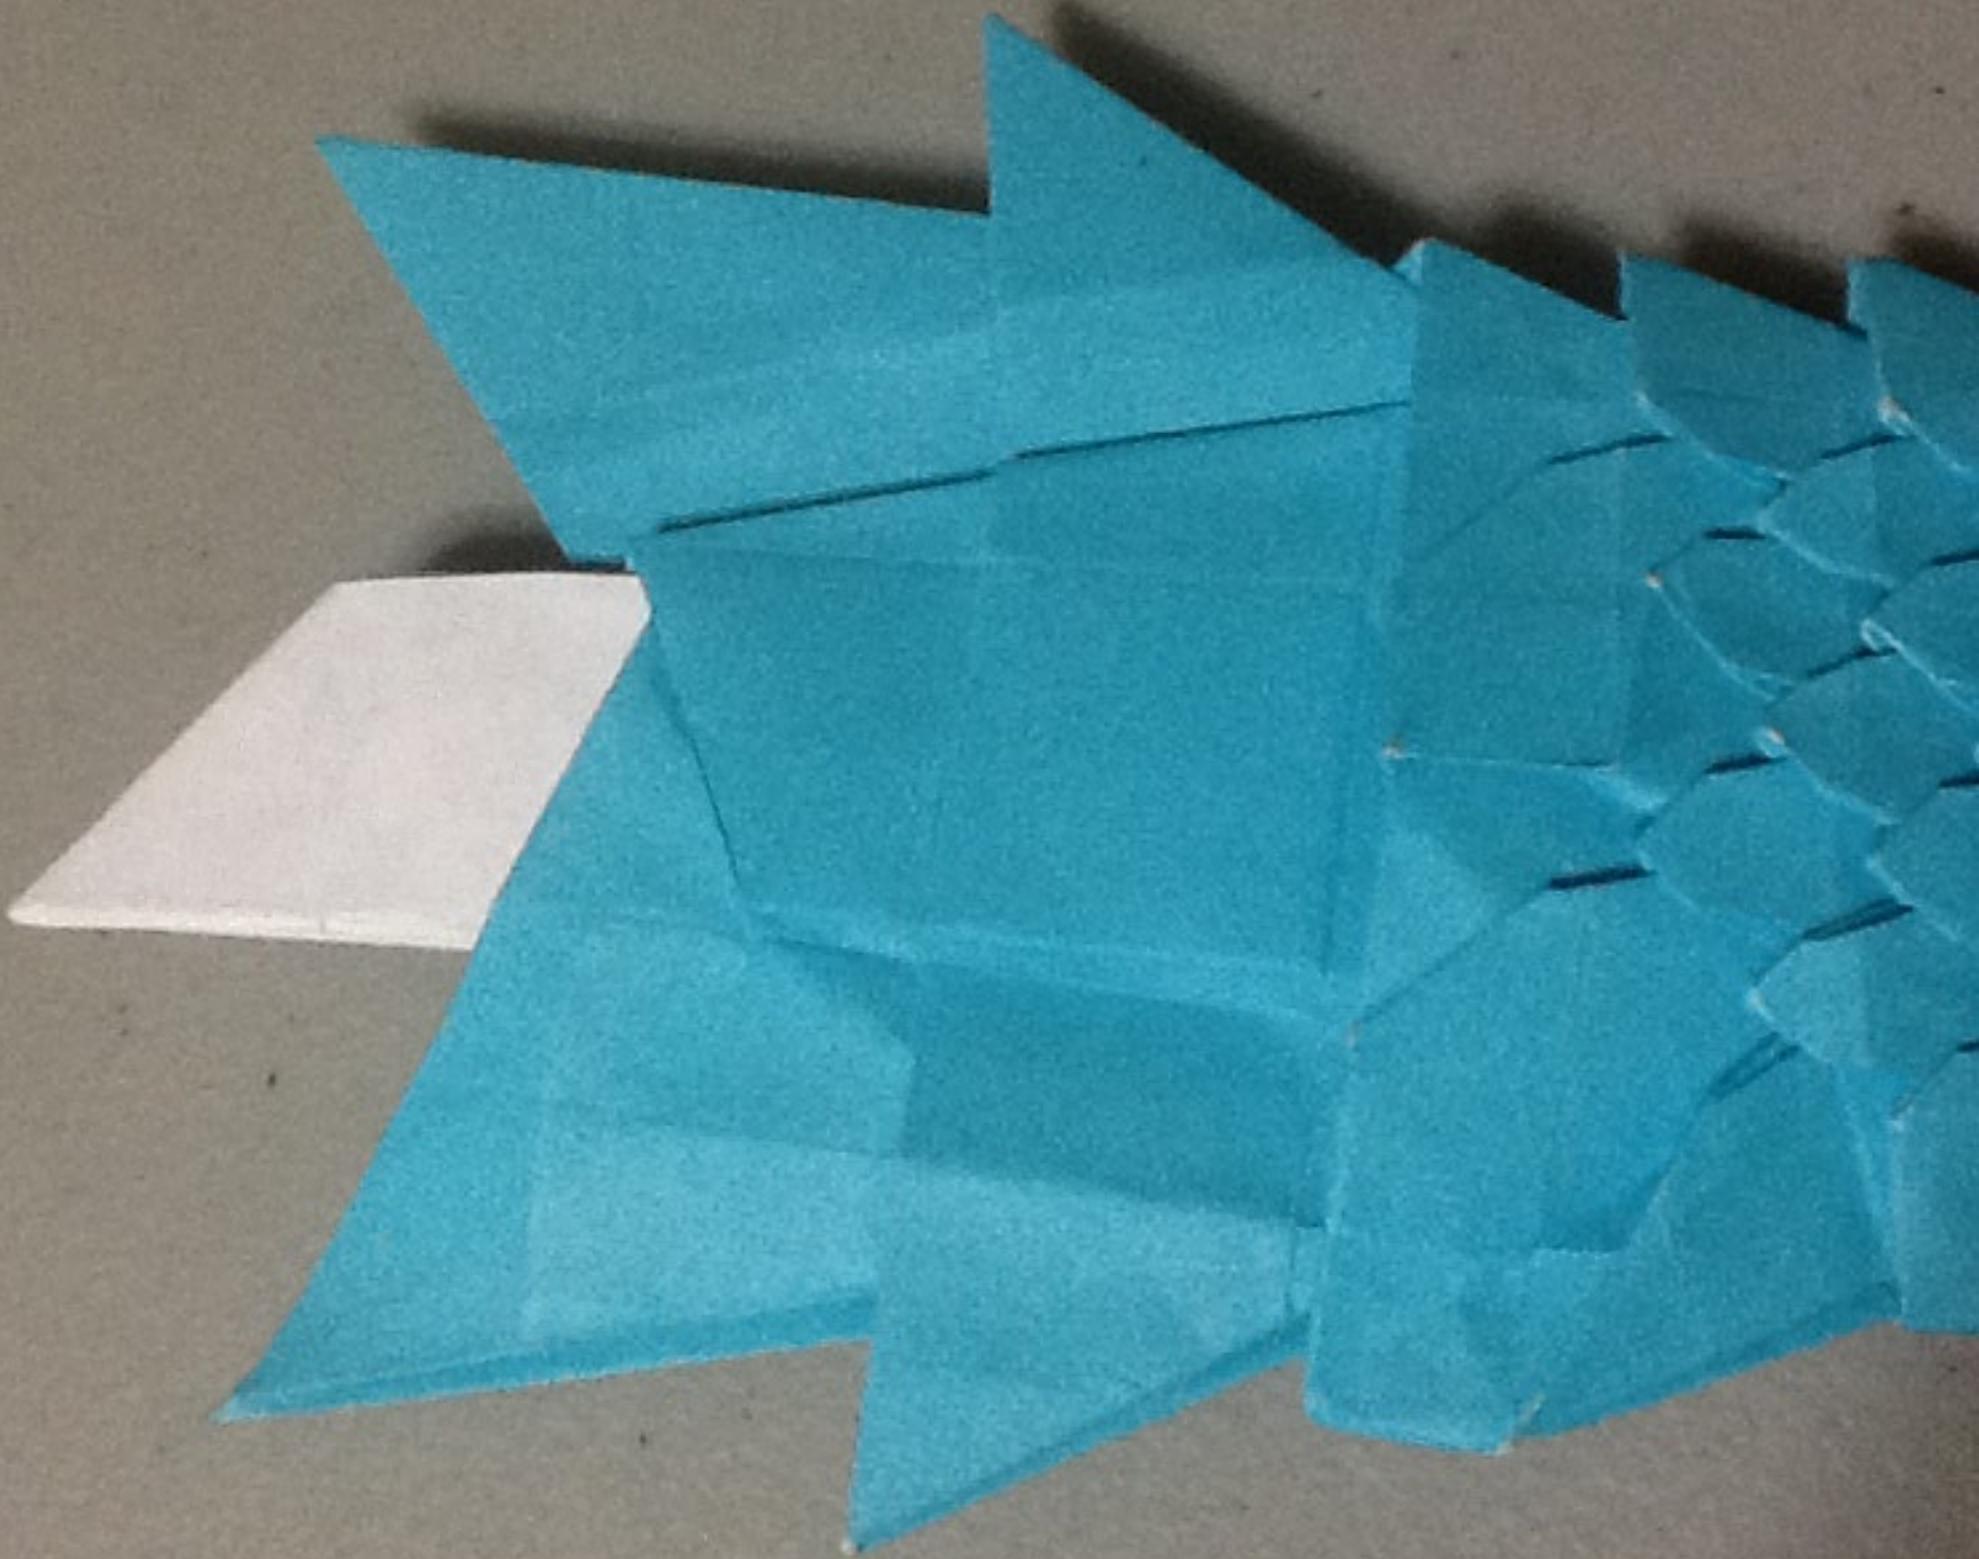

MVC

Finish
shaping-

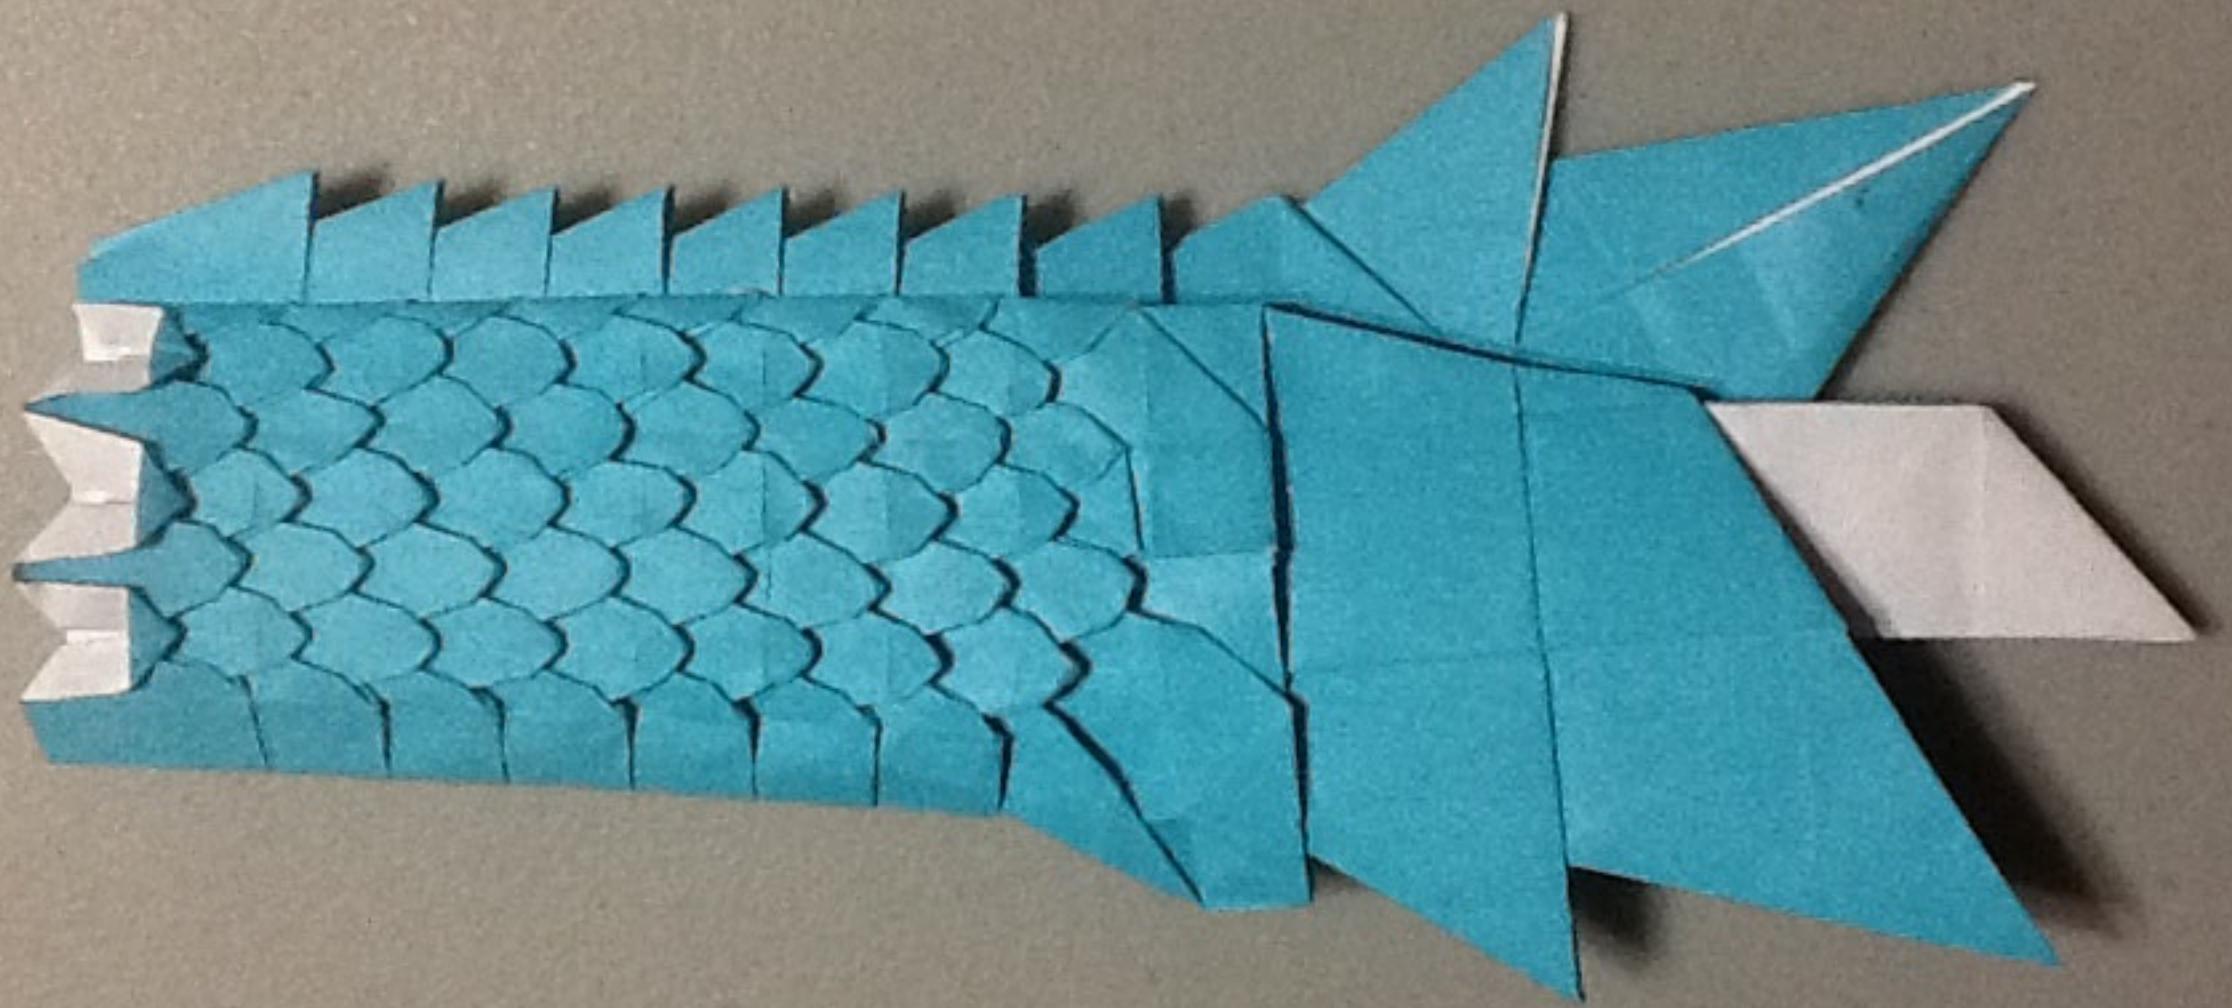

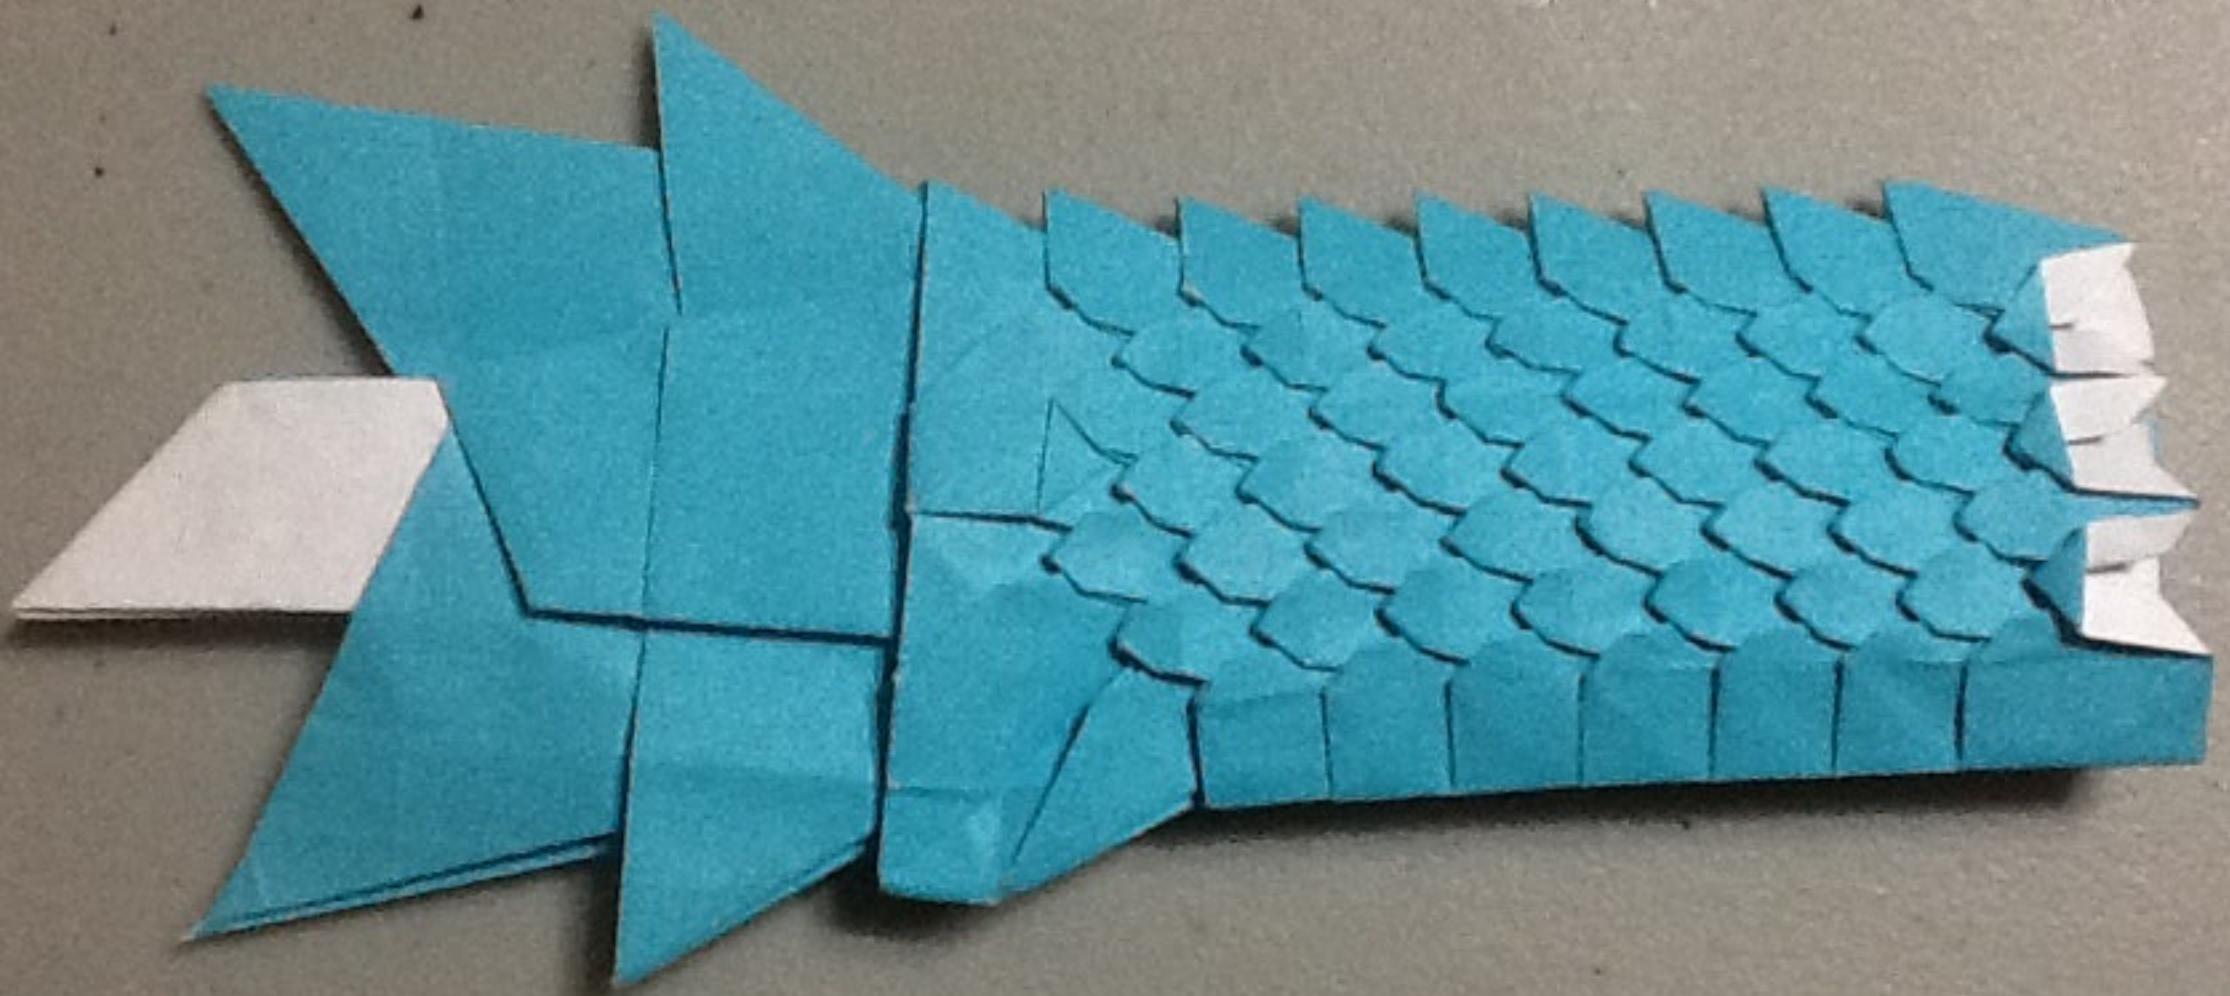

MVC

You may glue it
closed.

Don't if you wish to
use your test fold
for reference
later.

MVC

Optional-

The middle
spike can be
slightly shortened
with a small pleat-
